SECTION 5. Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) On December 11, 2006, the Compensation Committee of the Board of Directors of Southwestern Energy Company (the "Company") approved the annual base salaries, cash incentive compensation award levels and long-term incentive compensation awards for fiscal year 2007 of the Company's executive officers after consideration and a review of a number of factors, including but not limited to performance, competitive market data and the recommendations of the Company's outside compensation consultants. The annual base salaries of the Company's Named Executive Officers as of January 1, 2006 and 2007 are set forth in the table below. The restricted stock and stock option awards under the 2004 Stock Incentive Plan were granted to the Named Executive Officers on December 11, 2006. Each of the restricted stock awards included a tax gross-up which was calculated based on \$40.67, the closing price of the Company's common stock on December 8, 2006 and each of the restricted stock awards vests ratably over a period of four years. On December 11, 2006, Gene Hammons, the President of the Company's subsidiary, Southwestern Midstream Services Company, also received a separate special incentive award of 5,000 shares of restricted stock (including a tax gross-up) under the 2004 Stock Incentive Plan that will vest on the third anniversary of the date of grant. The special incentive award was given to Mr. Hammons in recognition of the particular value and importance of his skills and expertise in enabling the Company to execute its strategic plans for the next several years. The form of the restricted stock agreement for Mr. Hammons' special award is filed as Exhibit 10.1 to this Form 8-K and incorporated by reference herein. The exercise price of the stock options is \$40.67, the closing price of the Company's common stock on December 8, 2006, and each of the option awards vests ratably over a period of three years. The table also sets forth the grants of performance units under the Company's 2002 Performance Unit Plan to the Named Executive Officers.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form 8-K

Each performance unit vests ratably over a period of three years but is not payable until the expiration of the three-year performance period. Each of the performance units granted to the Named Executive Officers has a target value of \$1,000. The table also sets forth the target annual incentive award and the maximum total annual cash incentive award (i.e., assuming attainment of the maximum performance objectives and the maximum discretionary amount) as a percentage of base salary for 2007 for each Named Executive Officer under the Company's Incentive Compensation Plan:
