PROXY STATEMENT

Edgar Filing: AMERICAN NATIONAL BANKSHARES INC - Form DEF 14A

ANNUAL MEETING OF SHAREHOLDERS
APRIL 26, 2005

INTRODUCTION

This Proxy Statement is furnished in conjunction with the solicitation by the Board of Directors of American National Bankshares Inc. (the "Corporation") of the accompanying proxy to be used at the Annual Meeting of Shareholders of the Corporation (the "Annual Meeting") and at any adjournments thereof. The meeting will be held on Tuesday, April 26, 2005, 11:30 a.m., at The Wednesday Club, 1002 Main Street, Danville, Virginia 24541, for the purposes set forth below and in the Notice of Annual Meeting of Shareholders. The approximate mailing date of this Proxy Statement and the enclosed proxy is March 21, 2005.

Voting Rights of Shareholders

Only shareholders of record at the close of business on March 7, 2005 are entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. As of the close of business on March 7, 2005, there were 5,501,358 shares of the Corporation's common stock outstanding and entitled to vote at the Annual Meeting. The Corporation has no other class of stock outstanding. Each share of common stock entitles the record holder thereof to one vote upon each matter to be voted upon at the Annual Meeting.

A majority of the votes entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business. Shares for which the holder has elected to abstain or to withhold the proxies' authority to vote on a matter, and broker non-votes, will count toward a quorum, but will not be included in determining the number of votes cast with respect to such matter.

Revocation and Voting of Proxies

Execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Any shareholder who has executed and returned a proxy may revoke it by attending the Annual Meeting and requesting to vote in person. A shareholder may also revoke his proxy at any time before it is exercised by filing a written notice with the Corporation or by submitting a proxy bearing a later date. Proxies will extend to, and will be voted at, any adjourned session of the Annual Meeting.

Solicitation of Proxies

The cost of solicitation of proxies will be borne by the Corporation. Solicitation is being made by mail, and if necessary, may be made in person or by telephone, or special letter by officers and employees of the Corporation or its banking subsidiary, American National Bank & Trust Company (the "Bank"), acting on a part-time basis and for no additional compensation.

PROPOSALS ONE AND TWO - ELECTION OF DIRECTORS

The Corporation's Board of Directors currently consists of 12 persons. The Board is divided into three classes (I, II and III), each class to be nearly equal in number as possible. The term of office for the Class III Directors will expire at the Annual Meeting and the nominees to serve as Class III Directors are set forth below. Each of the Class III nominees currently serves as a director of the Corporation. If elected, the Class III nominees will serve until

Edgar Filing: AMERICAN NATIONAL BANKSHARES INC - Form DEF 14A

the 2008 Annual Meeting of Shareholders, and until their respective successors are duly elected and qualified. The Board has also nominated Richard G. Barkhouser, a current director of the Corporation, to serve as a Class I Director for a one-year term until the 2006 Annual Meeting, at which time he will retire in accordance with the director retirement policy of the Corporation.

The persons named in the accompanying proxy will vote for the election of the nominees named below unless authority is withheld. If for any reason the persons named as nominees below should become unavailable to serve, an event that management does not anticipate, proxies will be voted for such other persons as the Board of Directors may designate.

The Board of Directors recommends the nominees, as set forth below, for election. The Board of Directors recommends that shareholders vote FOR these nominees. The election of each nominee requires the affirmative vote of a plurality of the shares of the Corporation's common stock cast in the election of Directors.

Board Independence

The Corporation's Board of Directors has determined that, except for current or former executive officers of the Corporation who are Directors (Messrs. Davis, Kent, and Majors), each Director is independent within the Nasdaq director independence standards, as currently in effect, and within the

3

Corporation's director independence standards, as established and monitored by the Corporation's Corporate Governance and Nominating Committee. An * next to each name above indicates those Directors not considered independent.

Board Members Serving on Other Publicly Traded Company Boards of Directors

Certain of the Corporation's Directors are also directors of other publicly traded companies. Ben J. Davenport has been a director of Intertape Polymer Group Inc. since 1994. Lester A. Hudson, Jr. has been a director of American Electric Power Company, Inc. since 1987. Michael P. Haley has been a director of Stanley Furniture Company, Inc. since 2003, and Province Healthcare Company since 2004.

Board of Directors and Committees

Directors are expected to devote sufficient time, energy and attention to ensure diligent performance of their duties, including attendance at Board and

Edgar Filing: AMERICAN NATIONAL BANKSHARES INC - Form DEF 14A

committee meetings. The Board of Directors of the Corporation met seven times during 2004. Executive sessions of independent Directors were convened on three occasions in 2004. The Chairman of the Corporate Governance and Nominating Committee presides at such sessions. Directors are encouraged to attend shareholders' meetings, and eight Directors attended the 2004 Annual Meeting of Shareholders. The Board of Directors of the Bank, which consists of all members of the Corporation's Board, met fourteen times during 2004.

The Boards of Directors of the Corporation and the Bank have established various committees, including the Audit and Compliance Committee, the Corporate Governance and Nominating Committee, and the Human Resources and Compensation Committee. All incumbent Directors and Director nominees attended more than 75% of the aggregate total number of meetings of the Boards of Directors and committees on which they served in 2004, with the exception of Michael P. Haley, who attended 70% of the total number of meetings. Information on the above committees and the committee members is detailed below:

The Audit and Compliance Committee met five times in 2004. This committee currently consists of Messrs. Barker, Blair and Haley. Mr. Blair serves as the Chairman. The committee reviews significant audit, accounting and compliance principles, policies and practices, is directly responsible for engaging and monitoring the independent auditors of the Corporation and the Bank, and provides oversight of the internal auditing and compliance functions. A more detailed description of the functions of this committee is contained under the heading "Report of the Audit and Compliance Committee." All of the members of this committee are considered independent within the meaning of Securities and Exchange Commission ("SEC") regulations, the listing standards of Nasdaq, and the Corporation's Corporate Governance Guidelines. Mr. Haley, a member of the committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has accounting and related financial management expertise within the meaning of the listing standards of Nasdaq. The charter of the Audit and Compliance Committee is available at the Corporation's website at www.amnb.com. For access to the charter, select the "American National Bankshares Inc." icon, then select "Governance Documents."

The Corporate Governance and Nominating Committee met three times in 2004. Current members of the committee are Messrs. Barkhouser, Maddux and Owen. Mr. Barkhouser serves as the Chairman. The committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Corporation's Corporate Governance Guidelines. In addition, the committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The committee also supervises the Board's annual review of Director independence and oversees the Board's performance

4

self-evaluation. All the members of this committee are considered independent within the meaning of SEC regulations, the standards of Nasdaq, and the Corporation's Corporate Governance Guidelines. The charter of the Corporate Governance and Nomination Committee is available at the Corporation's website at www.amnb.com. For access to the charter, select the "American National Bankshares Inc." icon, then select "Governance Documents."

The Human Resources and Compensation Committee met four times in 2004. This committee currently consists of Messrs. Barkhouser, Davenport and Hudson. Mr. Hudson serves as the Chairman. The Human Resources and Compensation Committee recommends to the independent Directors the compensation of the Chief Executive Officer and approves all other executive officers' compensation and recommends to the Board promotions, Directors' compensation and related personnel matters. Each Director who served on the Human Resources and Compensation Committee

Edgar Filing: AMERICAN NATIONAL BANKSHARES INC - Form DEF 14A

during 2004 qualifies as a "non-employee director" as such term is defined in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and is an "independent director" as such term is defined in Marketplace Rule 4200(a)(15) of the rules of the National Association of Securities Dealers, Inc. (the "NASD"). A more detailed description of the functions of this committee is contained under the heading "Report of the Human Resources and Compensation Committee on Executive Compensation." The charter of the Human Resources and Compensation Committee is available at the Corporation's website at www.amnb.com. For access to the charter, select the "American National Bankshares Inc." icon, then select "Governance Documents."

Board Compensation

In 2004, all non-officer Directors received a monthly retainer of \$800 for their service on the Board of Directors of the Corporation and an attendance fee of \$400 for each committee meeting and Bank Board meeting attended. Officer members of the Board of Directors are not paid separately for their service on the Board or its committees. Non-officer Directors are excluded from the Bank's retirement plan and, therefore, do not qualify for pension benefits.

Director Nominations Process

The Corporation's Board of Directors has adopted, as a part of its Corporate Governance Guidelines, a process related to Director nominations (the "Nominations Process"). The purpose of the Nominations Process is to describe the manner by which candidates for possible inclusion in the Corporation's recommended slate of Director nominees (the "Candidates") are selected. The Nominations Process is administered by the Corporate Governance and Nominating Committee (the "Governance Committee") of the Board.

The Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. A shareholder who wishes to recommend a prospective nominee for the Board may, at any time, notify the Corporation's President and Chief Executive Officer or any member of the Governance Committee in writing with whatever supporting material the shareholder considers appropriate. The Governance Committee will also consider whether to recommend to the Board the nomination of any person nominated by a shareholder pursuant to the provisions of the Corporation's bylaws relating to shareholder proposals as described below under "Shareholder Communications and Proposals."

Once the Governance Committee has identified a candidate, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. The initial determination is based on whatever information is provided to the Committee with the recommendation of the candidate, as well as the Committee members' knowledge of the candidate, which may be supplemented by

5

inquiries to the person making such recommendation or others. The preliminary determination is based primarily on the need for additional board members to fill vacancies or expand the size of the Board and the likelihood that the candidate can satisfy the evaluation factors described below. The Committee may seek additional information about the candidate's background and experience. The Committee then evaluates the candidate against the criteria in the Corporation's Corporate Governance Guidelines, including independence, age, diversity, availability for time commitment, skills such as an understanding of the financial services industry, general business knowledge and experience, all in a context of an assessment of the perceived needs of the Board at that point in time. In connection with this evaluation, the Committee determines whether to interview the candidate, and if warranted, one or more members of the Committee will conduct such interview. After completing the evaluation, the Committees

Edgar Filing: AMERICAN NATIONAL BANKSHARES INC - Form DEF 14A

makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation of the Committee.

6

REPORT OF THE HUMAN RESOURCES AND COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Human Resources and Compensation Committee of the Board of Directors is responsible for establishing and approving the compensation of executive officers of the Corporation. Each Director who served on the Human Resources and Compensation Committee during 2004 qualifies as a "non-employee director" as such term is defined in Rule 16b-3 promulgated under the Exchange Act, and as an "independent director" as such term is defined in NASD Rule 4200(a)(15).

This committee considers a variety of factors and criteria in arriving at its decisions and recommendations for compensation. In making its decisions and recommendations regarding compensation, the Committee attempts to align the interests of the Corporation's executive officers with those of the Corporation and its shareholders. The Committee believes that increases in earnings per share, dividends and net equity improve shareholder market value and, accordingly, compensation should be structured to enhance the profitability of the Corporation and the total return to the shareholders.

Executive officer compensation generally consists of salary, participation in the Bank's profit sharing plan, stock options, incentive compensation and benefits. During 2003, executive officers other than Mr. Majors participated in an incentive compensation program based on the Corporation achieving certain financial performance goals relative to a peer group of banks. A total of \$9,967 was accrued and paid during 2004 under this program.

For 2004, eligibility for the profit sharing and incentive compensation plans, approved by the Board of Directors upon recommendation by the Human Resources and Compensation Committee, was based upon increases in earnings per share. Earnings per share did not reach the minimum threshold set in the plans, so the executive officers did not receive profit sharing or incentive compensation in 2004. The executive officers may be eligible to receive profit sharing and incentive compensation if certain performance and profitability goals are attained in 2005. Certain key executive officers are eligible to participate in the Executive Compensation Continuation Plan described below under "Executive Compensation". The Bank, a wholly owned subsidiary of the Corporation, directly pays all compensation and no officer receives any compensation from the Corporation.

The Committee conducts an annual evaluation of the performance and effectiveness of the Chief Executive Officer. The Committee evaluated the performance of the Chief Executive Officer based on the financial performance of the Corporation, achievements in implementing the strategic plan of the Corporation and the Bank, and the personal observations of the Chief Executive Officer's performance by the members of the Committee. No particular weight was given to any aspect of the performance of the Chief Executive Officer, but his performance in 2004 was evaluated as very positive during a challenging year.

In considering compensation for the Chief Executive Officer and the other executive officers of the Corporation, the Committee relied on an evaluation of the officers' level of responsibility and performance and on comparative

Edgar Filing: AMERICAN NATIONAL BANKSHARES INC - Form DEF 14A

compensation information, including the Virginia Bankers Association's Salary Survey of Virginia Banks and the SNL Bank Compensation Review. In considering executive officer compensation other than the Chief Executive Officer, the Committee also receives and takes into account the individual compensation recommendations from the Chief Executive Officer.

After considering the above information and evaluating the performance of the Corporation's executive officers during 2004, the Committee recommended the Chief Executive Officer's 2005 compensation for approval by the independent

8

members of the Board of Directors. The Committee also approved the other executive officers' 2005 compensation.

The Committee's policy on the tax deductibility of compensation for the Chief Executive Officer and other executive officers is to maximize the deductibility, to the extent possible, while preserving the Corporation's flexibility to maintain a competitive compensation program. The Corporation expects all executive compensation paid or awarded during 2004 to be fully deductible.

Compensation Committee Interlocks and Insider Participation

No member of the Human Resources and Compensation Committee of the Board of Directors is a current or former officer or employee of the Corporation. No member of the Committee or executive officer of the Corporation has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity.

11

Stock Option Plan

The Corporation maintains a stock option plan (the "Plan") that is designed to attract and retain qualified personnel in key positions, provide employees with a proprietary interest in the Corporation as an incentive to contribute to the success of the Corporation and the Bank and reward employees for outstanding performance and the attainment of targeted goals. The Plan provides for the grant of incentive stock options intended to comply with the requirements of Section 422 of the Internal Revenue Code of 1986 ("incentive stock options"), as well as non-qualified stock options.

The Plan was approved by shareholders at the April 1997 Annual Meeting, and is administered by a committee of the Board of Directors of the Corporation comprised of independent Directors. Unless sooner terminated, the Plan is in effect until December 31, 2006. Under the Plan, the committee determines which employees will be granted options, whether such options will be incentive or non-qualified options, the number of shares subject to each option, whether such options may be exercised by delivering other shares of common stock and when such options become exercisable. In general, the per share exercise price of an incentive stock option must be at least equal to the fair market value of a share of common stock on the date the option is granted.

Stock options shall become vested and exercisable in the manner specified by the committee. In general, each stock option or portion thereof shall be exercisable at any time on or after it vests and is exercisable until ten years after its date of grant.

The Bank's retirement plan is a non-contributory defined benefit pension plan which covers salaried and regular hourly employees of the Bank who are 21 years of age or older and who have had at least one year of service. Advanced funding is accomplished by using the actuarial cost method known as the collective aggregate cost method.

As of December 31, 2004, the normal retirement benefit formula was 1.3% per year of service multiplied by compensation, plus .65% per year of service multiplied by compensation in excess of social security covered compensation, with years of service limited to 35. At normal retirement, the monthly benefit is calculated based on any consecutive five-year period that will produce the highest average rate of basic monthly compensation. Basic monthly compensation includes salary but excludes incentive and bonus compensation. This is based on a straight life annuity assuming full benefit at age 65. Annual compensation at December 31, 2004 was also limited to \$205,000 by Internal Revenue Service regulations. Cash benefits under the plan generally commence on retirement at age 65, death, or termination of employment. Partial vesting of the retirement benefits under the plan occurs after three years of service and full vesting occurs after seven years of service. As of December 31, 2004, the named executive officers have completed the following years of credited service under the Bank's retirement plan: Mr. Majors, 12; Mr. Kent, 35; Mr. Gilliam, 5; Mr. Haley, 8; and Mr. Dobbins, 1.

The following table illustrates the estimated annual benefits payable to an employee retiring on December 31, 2004 at normal retirement age in the following specified compensation and years of service classifications:

Deferred Compensation Plan

The Board of Directors of the Bank adopted the Executive Compensation Continuation Plan, a non-contributory deferred compensation plan, in 1982. Under the plan, certain key executives who, in the opinion of the Board of Directors, are making substantial contributions to the overall growth and success of the Corporation and the Bank and who must be retained in order to expand and continue satisfactory long-term growth are eligible to receive benefits afforded by the plan. Under agreements with eligible key executives pursuant to this plan, if any such executive dies or retires while employed by the Corporation, such executive or his designated beneficiary will receive annual payments commencing at death or retirement and continuing for 10 years. Messrs. Majors and Kent, respectively, or their designated beneficiaries, will receive an annual benefit of \$50,000 and \$25,000 per year for 10 years commencing at each officer's retirement or death.

Termination and Change in Control Arrangements

The Corporation recognizes that, as a publicly held corporation in the financial services industry, there exists the possibility of a change in the control of the Corporation. In order to minimize such uncertainty among senior management and to promote continuity in the event of a control change transaction, the Corporation has entered into agreements with each of the named executive officers.

The terms of the agreements are only effective upon a change of control and for three years thereafter. A "change of control" is defined with reference to a change in the composition of the Board of Directors, a change in the ownership of a majority of the Corporation's voting stock or a sale of a majority of the Corporation's assets. The agreements provide that each executive officer's base salary and profit sharing and incentive compensation cannot be reduced during such three-year period. The agreements also provide for the executive officers to receive continued salary and benefits if their employment is terminated without cause during the term of the agreements. If employment is terminated during the first year after a control change, Mr. Majors will receive continued salary and benefits for 24 months after such termination and the other executive officers will receive continued salary and benefits until the second anniversary of the change of control. If the termination of employment occurs more than 12 months after the control change, Mr. Majors will receive continued salary and benefits until the third anniversary of the control change and the other executive officers will receive continued salary and benefits until the earlier of the first anniversary of termination of employment or the third anniversary of the control change. Other executive officers include the named officers

Messrs. Kent, Gilliam, Haley, and Dobbins as well as Neal A. Petrovich, Senior Vice President of the Corporation and Senior Vice President and Chief Financial Officer of the Bank.

The agreements also provide for continued salary and benefits if the executive officer resigns under certain circumstances. Beginning in the fourth month after a control change and through the twelfth month after the transaction, each executive officer may resign for any reason and receive continued salary and benefits for 24 months (in the case of Mr. Majors) or 12 months (in the case of the other executives). After the first anniversary of the control change, an executive officer may resign and receive continued salary and benefits for the same period (but not beyond the third anniversary of the control change) if his resignation is on account of a reduction in the executive's compensation, a required relocation of his office more than thirty miles from Danville, Virginia or a reduction in the duties or title assigned to him as of the first anniversary of the control change.

In all events, the amounts payable under the agreements are governed by two limitations. First, no amounts will be paid under an agreement for any period after the executive attains age 65. Second, no amounts will be paid under the agreements to the extent that the benefits would exceed the Internal Revenue Code's limit on "parachute" payments.

RELATED PARTY TRANSACTIONS

Some of the Directors and officers of the Corporation and the companies with which they are associated were customers of, and had banking transactions with, the Bank in the ordinary course of the Bank's business during 2004. All loans and commitments to lend included in such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and, in the opinion of the management of the Corporation, do not involve more than a normal risk of collectibility or present other unfavorable features.
