**Item 1.01. Entry into a Material Definitive Agreement.**

On April 26, 2006, Harman International Industries, Incorporated (the “Company”) announced that, subject to approval of its board of directors, Douglas A. Pertz will be appointed the Company’s Chief Executive Officer effective May 1, 2006. The board approved his appointment on April 27, 2006. Under a letter agreement dated April 24, 2006 (the “Letter Agreement”), Mr. Pertz will be eligible to participate in the Company’s Supplemental Executive Retirement Plan (the “Supplemental Plan”) and will enter into a change-in-control severance agreement (the “Severance Agreement”) in the form entered into by other executive officers of the Company. The material terms of the Letter Agreement, the Supplemental Plan and the Severance Agreement are summarized below. This summary is qualified by reference to the Letter Agreement, Supplemental Plan and the form of Severance Agreement, copies of which are filed as exhibits to this report.

**Letter Agreement**

Under the Letter Agreement, Mr. Pertz’s annual base salary will be \$850,000 and, in fiscal 2007, he will be eligible to earn a target bonus equal to 100% of his base salary and a maximum bonus of 200% of his base salary. Mr. Pertz will receive an option to purchase 75,000 shares of common stock at a per share exercise price equal to the fair market value of the Company’s common stock on May 1, 2006. Mr. Pertz will receive an award of 25,000 shares of restricted stock on his start date, and 20,000 additional shares on January 1, 2007. Mr. Pertz will also be permitted to participate in the Company’s employee benefit plans and programs. He will also be reimbursed for certain costs associated with relocation to the Washington, D.C. area. If Mr. Pertz’s employment is terminated by the Company without cause or by Mr. Pertz for good reason, under circumstances in which he is not entitled to payment under the Severance Agreement, (i) he will be entitled to a severance payment equal to twice his annual salary and target bonus, and (ii) the prorated value of any unvested shares of restricted stock will be paid in cash. The Letter Agreement also provides that Mr. Pertz will be appointed to the Company’s board of directors to fill the vacancy created upon the resignation of Mr. Girod from the Company’s board of directors, which resignation is expected to occur at the Company’s annual meeting in November.

**Supplemental Plan**

Under the Letter Agreement, Mr. Pertz will be eligible to participate in the Company’s Supplemental Plan. The Supplemental Plan provides supplemental retirement, termination and death benefits to certain of the Company’s executive officers and key employees designated by the board of directors. All Supplemental Plan benefits are subject to deductions for Social Security and federal, state and local taxes. Mr. Pertz will be credited with seven years of participation at the beginning of his employment with

the Company. The Letter Agreement provides that Mr. Pertz's participation in the Supplemental Plan will become vested at the 30% level after eight years (not including the credited seven years) of active service and at the 50% level after five additional years of active service.

*Retirement Benefit.* Retirement benefits are based on the average of the participant's highest cash compensation (base salary and bonus) during any five consecutive years of employment ("Average Cash Compensation"). Participants retiring at age 65 or older receive an annual retirement benefit equal to either (a) 3 1/3% of Average Cash Compensation per year of service up to a maximum of 50%, or (b) 2% of Average Cash Compensation per year of service up to a maximum of 30%, as designated by the board of directors. Mr. Pertz has been designated as a participant entitled to receive an annual retirement benefit of up to 50% of Average Cash Compensation. If a participant's employment is terminated for any reason other than death within three years after a change in control of the Company, the participant vests with the maximum designated retirement benefit regardless of age or years of service and the Company will indemnify the participant for any expense incurred in enforcing the participant's rights in the retirement benefit under the Supplemental Plan. Unless another form of payment is approved by the administrative committee for the Supplemental Plan, benefits are payable monthly in the form of a life annuity. If the participant dies after benefits have commenced but prior to receiving 10 years of benefits, they are paid to the participant's beneficiary for the remainder of that period.

*Termination Benefit.* A participant who retires or whose employment is terminated prior to age 65 with at least 15 years of service, and who is not otherwise entitled to benefits under the Supplemental Plan, is entitled to an annual termination benefit equal to either (a) 30% of Average Cash Compensation, increased by 4% for each year of service over 15 years, up to a maximum of 50%, or (b) 15% of Average Cash Compensation, increased by 3% for each year of service over 15 years, up to a maximum of 30%, as designated by the board of directors. Mr. Pertz has been designated as a participant entitled to receive an annual termination benefit of up to 50% of Average Cash Compensation. The termination benefit commences upon the later of termination of the participant's employment, other than due to death, or the participant reaching age 55. Termination benefits are payable in the same manner as retirement benefits.

*Death Benefit.* A pre retirement death benefit equal to two or three times the highest annual cash compensation achieved by a participant during his or her employment with the Company is paid to the beneficiaries of a participant who dies prior to the commencement of benefits under the Supplemental Plan. Mr. Pertz has been designated as a participant entitled to receive a death benefit equal to three times his highest annual cash compensation. The benefit is paid to the participant's designated beneficiary in a single lump sum or, at the request of the beneficiary and with the consent of the administrative committee, the benefit may be paid in another form providing the actuarial equivalent of the lump-sum payment.

### **Severance Agreement**

The Severance Agreement with Mr. Pertz will provide that if, within the two years following a change in control of the Company, Mr. Pertz is terminated without cause or under certain circumstances terminates his own employment, he is entitled to receive a severance payment equal to three times the sum of his highest annual base salary during any period prior to his termination and his highest incentive pay during the three fiscal years preceding the change in control. The Severance Agreement will also provide that the Company will pay Mr. Pertz an additional amount for excise taxes, subject to a limitation based on the overall cost of the Severance Agreement, including any additional payment for excise taxes. Unless the Company or Mr. Pertz notifies the other by September 30 that the Company or he, as appropriate, does not wish the agreement to be extended, the Severance Agreement will be automatically extended on the following January 1 for an additional year.

### **Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**

On April 26, 2006, the Company announced that, subject to approval of its board of directors, Mr. Pertz will be appointed Chief Executive Officer of the Company, effective May 1, 2006. The board approved his appointment on April 27, 2006. Bernard A. Girod will resign as Chief Executive Officer effective May 1, 2006, to coincide with the appointment of Mr. Pertz as Chief Executive Officer of the Company. Mr. Girod will remain as Vice Chairman and a member of the board of directors of the Company.

Mr. Pertz, age 51, served as President and Chief Executive Officer from 1999 through 2004 and Chairman of the Board from 2000 through 2004 of IMC Global, Inc., a producer and marketer of phosphate and potash nutrients for the agriculture industry. In 2004, IMC Global merged with another company to form The Mosaic Company. Mr. Pertz served as a director of Mosaic until October, 2005.

Mr. Pertz currently serves as a director of Nalco Holding Company, a provider of water treatment and process improvement services and equipment for industrial and institutional applications and as a director of Bowater Incorporated, a newsprint and coated mechanical paper manufacturer.

See Item 1.01. above for information regarding the terms Mr. Pertz's employment with the Company.
