**Entry into a Material Definitive Agreement.**

On May 31, 2016, National Rural Utilities Cooperative Finance Corporation (“CFC”) designated and the Federal Agricultural Mortgage Corporation (“Farmer Mac”) approved an additional tranche of loans with an aggregate principal amount of approximately \$420 million as qualified loans subject to Farmer Mac’s standby purchase commitment under CFC’s Long Term Standby Commitment to Purchase (the “Agreement”). In addition, the Agreement was amended to provide that, in lieu of the original termination right applicable to the first tranche of qualified loans, CFC will have the right, beginning three years after the designation and approval of loans in the additional tranche and any subsequent tranches, to remove such loans from being subject to the Agreement, subject to the limitation that no more than 20% of the aggregate original principal balance of such loans may be removed in any 12 calendar month period, and a further limitation on removal based on the overall weighted average risk rating of the loan pool assigned by CFC.

The foregoing summary is qualified in its entirety by reference to the full text of the amendment which will be filed as an exhibit to CFC’s Annual Report on Form 10-K for the fiscal year ended May 31, 2016.
