PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 20, 2005

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Taitron Components Incorporated, a California corporation (the "Company"), for use at the Annual Meeting of Shareholders, to be held on Friday, May 20, 2005, at 10:00 a.m. Pacific time, at our corporate headquarters, located at 28040 West Harrison Parkway, Valencia, CA 91355. Accompanying this Proxy Statement is the Board of Directors Proxy for the Annual Meeting, which you may use to indicate your vote as to the proposals described in this Proxy Statement.

The expense of this solicitation of proxies will be borne by the Company. Solicitations will be made only by use of the mail except that, if deemed desirable, officers and regular employees of the Company may solicit proxies by telephone, telegraph or personal calls. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting material to the beneficial owners of the stock held of record by those persons and the Company will reimburse them for their reasonable expenses incurred in this regard.

The Company's Annual Report to Shareholders, including financial statements for the fiscal year ended December 31, 2004, accompanies but does not constitute part of this Proxy Statement.

The purpose of the meeting and the matters to be acted upon are set forth in the attached Notice of Annual Meeting. As of the date of this Proxy Statement, the Board of Directors knows of no other business that may be presented for consideration at the Annual Meeting. All proxies which are properly completed, signed and returned to the Company prior to the Annual Meeting and which have not been revoked will be voted in favor of the proposals described in this Proxy Statement unless otherwise directed. A shareholder may revoke his or her proxy at any time before it is voted either by filing with the Secretary of the Company, at its principal executive offices, a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote his or her shares in person. If any other business properly comes before the meeting, votes will be cast pursuant to those proxies in respect of any other business in accordance with the judgement of the persons acting under those proxies.

Edgar Filing: TAITRON COMPONENTS INC - Form DEF 14A

The Company's principal executive offices are located at 28040 West Harrison Parkway, Valencia, CA 91355. It is anticipated that the mailing to shareholders of this Proxy Statement and the enclosed proxy will commence on or about April 29, 2005.

OUTSTANDING SECURITIES AND VOTING RIGHTS

The close of business on April 11, 2005, has been fixed as the record date for the determination of shareholders entitled to notice and to vote at the Annual Meeting or any postponement or adjournment thereof. As of the record date, the Company had outstanding 4,698,479 shares of Class A common stock, par value \$0.001 per share, (the "Class A Common Stock"), and 762,612 shares of Class B common stock, par value \$0.001 per share (the "Class B Common Stock," and together with the Class A Common Stock, the "Common Stock"). The Class A Common Stock and the Class B Common Stock are the only outstanding voting securities of the Company. As of the record date, the Company had 44 holders of record of the Class A Common Stock. The Company believes there are approximately 600 additional beneficial holders of its Class A Common Stock. There is one holder of the Class B Common Stock.

A holder of Class A Common Stock is entitled to cast one vote for each share held on the record date on all matters to be considered at the Annual Meeting. A holder of Class B Common Stock is entitled to cast 10 votes for each share held on the record date on all matters to be considered at the Annual Meeting. However, for the election of directors, a shareholder shall be entitled to cumulate his or her votes if the candidates' names have been placed in nomination prior to the voting and the shareholder has given notice at the Annual Meeting prior to the voting of the

-1-

shareholder's intention to cumulate votes. If any shareholder gives this notice, all shareholders may cumulate their votes for candidates in nomination. With cumulative voting, each shareholder is entitled to that number of votes equal to the number of shares held by that shareholder multiplied by the number of directors to be elected (multiplied by 10 for the holder of the Class B Common Stock). Each shareholder may then cast all of his or her votes for a single candidate or distribute his or her votes among any or all of the candidates he or she chooses. An opportunity will be given at the Annual Meeting prior to the voting for any shareholder to announce his or her intention to cumulate his or her votes. The proxy holders are given, under the terms of the proxy, discretionary authority to cumulate votes represented by shares for which they are named in the proxy.

The five nominees for election as Directors who receive the highest number of votes will be elected. All other matters that may properly come before the meeting require for approval the favorable vote of a majority of shares voted at the meeting or by proxy.

Abstentions and broker non-votes will be included in the determination of shares present at the Annual Meeting for purposes of determining a quorum. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to shareholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against these matters.

PROPOSAL - ELECTION OF DIRECTORS

In accordance with the Articles of Incorporation and Bylaws of the Company, the Board of Directors consists of not less than three nor more than seven members, the exact number to be determined by the Board of Directors. At each annual meeting of the shareholders of the Company, directors are elected for a one-year term. The Board of Directors is currently set at five members, and there currently are no vacancies. At the 2005 Annual Meeting, each director will be elected for a term expiring at the 2006 Annual Meeting. The Board of Directors proposes the election of the nominees named below.

Unless marked otherwise, proxies received will be voted **FOR** the election of each of the nominees named below. If any person is unable or unwilling to serve as a nominee for the office of director at the date of the Annual Meeting or any postponement or adjournment thereof, the proxies may be voted for a substitute nominee, designated by the present Board of Directors to fill the vacancy. The Board of Directors has no reason to believe that any nominee will be unwilling or unable to serve if elected a director.

The Board of Directors proposes the election of the following nominees as members of the Board of Directors:

Tzu Sheng (Johnson) Ku
Stewart Wang
Richard Chiang

Craig Miller
Felix Sung

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE DIRECTORS NOMINATED ABOVE.

-3-

During 2004, the Board of Directors met once. Only Mr. Miller was absent from the Board of Directors meeting and the meeting of Board committees on which he served. The Company encourages, but does not require, all incumbent directors and director nominees to attend its annual meetings of shareholders. At the 2004 Annual Meeting of Shareholders, only Mr. Wang was in attendance.

Committees of the Board

Audit Committee - The Board of Directors has established an Audit Committee that reviews the audit and control functions of the Company, the Company's accounting principles, policies and practices and financial reporting, the scope of the audit conducted by the Company's independent auditors, the fees and all non-audit services of the independent auditors, and the independent auditor's opinion and management comment letter (if any) and management's response thereto. The Audit Committee met once during fiscal 2004. Members of the Audit Committee are Mr. Miller, Mr. Chiang and Mr. Sung. The Board of Directors has determined that all members of the Audit Committee are independent under Rule 4200(a)(15) of the National Association of Securities Dealers (NASD) listing standards. The Board of Directors has also determined that Mr. Miller is a financial expert, as that term is defined in Item 401(e)(2) of Regulation S-B.

Compensation Committee - The Board of Directors has established a Compensation Committee. The function of the Compensation Committee is to review and make recommendations with respect to compensation of executive officers and key employees, including administration of the Company's 1995 Stock Incentive Plan. The Compensation Committee met once during fiscal 2004. Members of the Compensation Committee are Mr. Chiang, Mr. Miller and Mr. Sung.

Nominating Committee - The Company does not have a standing nominating committee. The Board of Directors does not believe that it is necessary for the Company to have a standing nominating committee since the Company has a relatively small board and the Company's independent directors will serve in the capacity of a nominating committee when necessary. All of the Company's directors participate in the consideration of director nominees. However, consistent with applicable NASD listing standards, each director nominee must be selected or recommended for the Board of Directors' selection by a majority of the independent directors of the Board of Directors. In considering candidates for directorship, the Board of Directors considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met in order to be recommended as a nominee. The Board of Directors does believe, however, that all Board members should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters and no conflict of interest that would interfere with their performance as a director of a public corporation.

The Board of Directors may employ a variety of methods for identifying and evaluating nominees for director, including shareholder recommendations. Periodically, the Board of Directors assesses its size, the need for particular expertise on the Board of Directors and whether any vacancies are expected due to retirement or otherwise. If vacancies are anticipated or otherwise arise, the Board of Directors will consider various potential candidates for director who may come to the Board of Directors' attention through current Board members, professional search firms or consultants, shareholders or other persons. The Board of Directors may hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. In 2004, no professional search firms or consultants were needed and, accordingly, no fees were paid in this regard to professional search firms or consultants in 2004. The Board of Directors does not evaluate candidates differently based on who made the recommendation for consideration.

Edgar Filing: TAITRON COMPONENTS INC - Form DEF 14A

Shareholders who wish to nominate a director for election at an annual shareholder meeting must submit their recommendations at least 120 days before the date of the next scheduled annual meeting of shareholders. Shareholders may recommend candidates for consideration by the Board of Directors by writing to the Company's Corporate Secretary at 28040 West Harrison Parkway, Valencia, California 91355, giving the candidate's name, contact information, biographical data, and qualifications. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any shareholder recommendation. There were no director candidates put forward by shareholders for consideration at the 2004 Annual Meeting.

-4-

All communications must contain a clear notation indicating that they are a Shareholder Board Communication or Shareholder Director Communication and must identify the author as a shareholder. The office of the Corporate Secretary will receive the correspondence and forward it to the Chairman of the Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business, or is similarly inappropriate. The office of the Corporate Secretary has authority to discard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications.

REPORT OF THE AUDIT COMMITTEE

Since 1995, the Company has had an Audit Committee composed entirely of non-management directors. The members of the Audit Committee meet the independence and experience requirements of the Rule 4200(a)(15) of the NASD listing standards. The Audit Committee has adopted, and the Board of Directors approved, a charter outlining the practices it follows. A copy of the charter is attached hereto as Appendix I.

During fiscal 2004, the Audit Committee met one time with the senior members of the Company's financial management team. During that meeting, management reviewed the audited financial statements in the Annual Report with the Audit Committee, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. Additionally, the Audit Committee discussed written disclosures from the independent auditors discussing matters required by SAS 61, Codification of Statement on Auditing Standards, AU Section 380, and Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee also has considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence. The Audit Committee has concluded that the independent auditors are independent from the Company and its management. The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their respective audit.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. The Audit Committee does not complete its reviews prior to the Company's public announcements of financial results and, necessarily, in its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of the Company's annual financial statements to generally accepted accounting principles in the United States of America.

Edgar Filing: TAITRON COMPONENTS INC - Form DEF 14A

In reliance on these reviews and discussions, and the report of the independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent shareholders are required to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of the forms received by it, or written representations from certain reporting persons that Section 16(a) forms were required and filed by those persons, the Company believes that, during the year ended December 31, 2004, all of these reports were timely filed, except each of the following persons filed a Form 5 reporting one transaction on an untimely basis: David Vanderhorst, Craig Miller, Felix Sung, Richard Chiang, Stewart Wang and Tzu Sheng (Johnson) Ku.

PROPOSALS OF SHAREHOLDERS

Any shareholder who intends to present a proposal at the 2006 Annual Meeting of Shareholders for inclusion in the Company's Proxy Statement and proxy form relating to the Annual Meeting must submit the proposal to the Company at its principal executive offices by December 27, 2005. In addition, in the event a shareholder proposal is not received by the Company by December 27, 2005, the proxy to be solicited by the Board of Directors for the 2006 Annual Meeting will confer discretionary authority on the holders of the proxy to vote the shares if the proposal ultimately is presented at the 2006 Annual Meeting without any discussion of the proposal in the Proxy Statement for that meeting.

The rules and regulations of the Securities and Exchange Commission provide that if the date of the Company's 2006 Annual Meeting is advanced or delayed more than 30 days from the date of the 2005 Annual Meeting, shareholder proposals intended to be included in the proxy materials for the 2006 Annual Meeting must be received by the Company within a reasonable time before the Company begins to print and mail the proxy materials for the 2006 Annual Meeting. Upon determination by the Company that the date of the 2006 Annual Meeting will be advanced or delayed by more than 30 days from the date of the 2005 Annual Meeting, the Company will disclose that change in the earliest possible Quarterly Report on Form 10-QSB.

DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS

The Company is delivering this Proxy Statement and its 2004 Annual Report on Form 10-KSB to all stockholders of record as of the record date. Stockholders residing in the same household who hold their shares in the name of a bank, broker or other holder of record may receive only one Annual Report and Proxy Statement if previously notified by their bank, broker or other holder. This process by which only one annual report or proxy statement, as the case may be, is delivered to multiple security holders sharing an address, unless contrary instructions are received from one or more of the security holders, is called "householding." Householding may provide convenience for stockholders and cost savings for companies. Once begun, householding may continue unless instructions to the contrary are received from one or more of the stockholders within the household.

Street name stockholders in a single household who received only one copy of the Annual Report and Proxy Statement may request to receive separate copies in the future by following the instructions provided on the voting instruction form sent to them by their bank, broker or

other holder of record. Similarly, street name stockholders who are receiving multiple copies may request that only a single set of materials be sent to them in the future by checking the appropriate box on the voting instruction form. Alternatively, street name stockholders whose holders of record utilize the services of ADP (as indicated on the voting instruction form sent to them) may send written instructions to Householding Department, 51 Mercedes Way, Edgewood, New York 11717 or call 1-800-542-1061. The instructions must include the stockholder's name and account number and the name of the bank, broker or other holder of record. Otherwise, street name stockholders should contact their bank, broker or other holder.

Copies of this Proxy Statement and the 2004 Annual Report on Form 10-KSB are available promptly by calling (661) 257-6060, or by writing to Attention: Investor Relations, Taitron Components Incorporated, 28040 West Harrison Parkway, Valencia, California 91355. If you are receiving multiple copies of this Proxy Statement and the Annual Report, you also may request orally or in writing to receive a single copy of this Proxy Statement and the Annual Report by calling (661) 257-6060, or writing to Attention: Investor Relations, Taitron Components Incorporated, 28040 West Harrison Parkway, Valencia, California 91355.

Appendix 1

AUDIT COMMITTEE CHARTER OF

TAITRON COMPONENTS INCORPORATED

Organization

This charter (the Charter) governs the operations of the audit committee (the Audit Committee) of Taitron Components Incorporated (the Company). The Audit Committee shall review and reassess the Charter at least annually and will amend the charter, if appropriate, with the approval of the Company's board of directors (the Board). The Committee shall be appointed by the Board and shall be comprised of at least three directors, each of whom must be independent of management and the Company. Each member of the Audit Committee shall be considered independent if they have no relationship that may interfere with the exercise of their independence from management and the Company. The Board will also select a chairman for the Audit Committee. All Audit Committee members shall be financially literate and experienced in reading and understanding financial statements, including the Company's balance sheet, income statement and statement of cash flow (or will become able to do so within a reasonable period of time after his or her appointment to the Audit Committee). At least one member of the Company's Audit Committee shall have past employment experience in finance or accounting or have a professional certification in accounting or other comparable experience.

Statement of Policy

The Audit Committee shall provide assistance to the Board in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements and the legal compliance and ethics programs as established by management and the Board. In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the Audit Committee, the independent auditors, the internal auditors and the management of the Company. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, or the other experts for this purpose.

Responsibilities and Processes

The primary responsibility of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board and report the results of their activities to the Board. Management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. The Audit Committee in carrying out its responsibilities believes its policies and procedures should remain flexible in order to best react to changing conditions and circumstances. The Audit Committee should take the appropriate actions to set the overall corporate tone for quality financial reporting, sound business risk practices and ethical behavior.

The following shall be the principal recurring processes of the Audit Committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the Audit Committee may supplement them as appropriate.

The Audit Committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the Board and the Audit Committee, as representatives of the Company's shareholders. The Audit Committee shall have the ultimate authority and responsibility to evaluate and, where appropriate, replace the independent auditors. The Audit Committee shall discuss with the auditors their independence from management and the Company and the matters included in the written disclosures required by the Independence Standards Board. Annually, the Committee shall review and recommend to the board the selection of the Company's independent auditors.

1

The Audit Committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation. In addition, the Audit Committee shall discuss with management, the internal auditors and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor and manage business risk and legal and ethical compliance programs. Furthermore, the Audit Committee shall meet separately with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations.

The Audit Committee shall review the interim financial statements with management and the independent auditors prior to the filing of the Company's quarterly report on Form 10-Q. In addition, the Audit Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Audit Committee by the independent auditors under generally accepted auditing standards. The chair of the Audit Committee may represent the entire Audit

Committee for the purposes of this review.

The Audit Committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements. Moreover, the Audit Committee shall discuss the results of the annual audit and any other matters required to be communicated to the Audit Committee by the independent auditors under generally accepted auditing standards.
