Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 14, 2007, the Board of Directors of Kohl's Corporation (the Company) approved the amendment and restatement of the Bylaws of the Company. Article V of the Bylaws was amended to provide that shares issued by the Company may be issued with or without certificates. This amendment was made in response to the listing requirements of the New York Stock Exchange (the NYSE) that mandate that all NYSE-listed companies become eligible to participate in a direct registration system operated by a securities depository on and after January 1, 2008. In addition, a number of conforming changes and technical updates and edits were made to the Bylaws, relating to, among other things: the procedures for shareholders to call a special meeting (Section 2.02); the ability to give notices and appoint proxies by electronic transmission (Sections 2.04, 2.09 and 3.06); the conduct of shareholder meetings and the methods for providing the shareholders list for such meetings (Sections 2.06 and 2.08); adjournments of meetings of the board of directors (Section 3.07); fixing the compensation of directors (Section 3.11); the appointment and responsibilities of officers (Sections 4.01 and 4.12); and the terms of the written undertaking to be provided in connection with the advancement of expenses (Section 8.06).

The description of the amendments to the Bylaws set forth above is qualified by reference to the full text of the Amended and Restated Bylaws of the Company, clean and marked versions of which are filed hereto as Exhibits 3.1 and 3.2 and incorporated herein by reference.
