FREQUENTLY ASKED QUESTIONS

These questions and answers have been written to provide you with the information requested in employee meetings and on the Employee Resource Site. Employee questions that are similar in nature are grouped together, rephrased and answered by a team from Human Resources. Please note: If a conflict is discovered between these Q&As and the Plan Documents, the Plan Documents will prevail. For specific individual questions, you are encouraged to seek assistance from your Human Resources representative for answers related to your personal circumstances.

COMMUNICATIONS

Q: HOW OFTEN WILL THE Q&A BE UPDATED?

A: It depends. Some questions can be answered by one member of our team, but other questions may require input from several people. Our goal is to answer questions as quickly as possible, but we want to ensure that our answers are accurate, that we answer your questions right the first time, and that our answers apply to as many employees as possible.

COMPENSATION PROGRAMS

Q: WHAT WILL HAPPEN WITH THE PETROTECH LONG-TERM INCENTIVE UNITS THAT HAVE ALREADY BEEN GRANTED?

A: ConocoPhillips has agreed that outstanding awards under the Petrotech and Canadian LTI programs will be honored in accordance with the provisions of our plan. During January, participants in the U.S. Long-Term Incentive Plan or the Canadian Long-Term Incentive Plan will receive direct communications regarding their outstanding grants.

Q: WHAT HAPPENS TO PHANTOM STOCK GRANTS UPON THE CHANGE IN CONTROL?

A: The 1998 Employee Phantom Stock Plan provides that phantom stock granted under that plan will automatically vest upon a "change in control," which in this case is when we complete the merger with ConocoPhillips.

CHANGE IN CONTROL / SEVERANCE

Q: WILL YEARS OF SERVICE BE ROUNDED UP TO A WHOLE NUMBER FOR THE CHANGE IN CONTROL SEVERANCE CALCULATION?

A: Yes. Partial years of service will be rounded up to the next whole number. For example, 3.4 years of service would be rounded up to 4 years.

Q: IS AN AUTOMATED SPREADSHEET TOOL AVAILABLE THAT WILL ALLOW EMPLOYEES TO ESTIMATE THE VALUE OF THEIR SEVERANCE BENEFITS?

A: We are currently developing spreadsheet tools that will perform severance calculations. These tools will be available in January.

Q: WILL ALL EMPLOYEES BE ELIGIBLE FOR A SEVERANCE PACKAGE?

A: No. While all BR employees are covered by a Change in Control Severance Plan, eligibility to receive a severance package depends upon whether a job offer is extended by ConocoPhillips, and the nature of that job offer.

Q: WILL EMPLOYEES BE ALLOWED TO VOLUNTEER FOR SEVERANCE?

A: No. Employees will not be allowed to volunteer for severance.

Q: HOW WILL SEVERANCE BENEFITS BE CALCULATED FOR THOSE EMPLOYEES NOT ON U.S. PAYROLL PLANS?

A: Severance benefits will be calculated for all BR employees using the same basic formula in the Employee Change in Control Severance Plan. That plan is posted on this intranet site.

Q: FOR PURPOSES OF CALCULATING THE CHANGE IN CONTROL SEVERANCE BENEFIT, WILL NON-EXEMPT EMPLOYEES IN THE U.S. RECEIVE CREDIT FOR THEIR OVERTIME HOURS WORKED?

A: The severance calculation for U.S. non-exempt employees will include both the annual base salary plus overtime.

Q: WHEN COMPUTING NET SEVERANCE PAY, WHICH TAX WITHHOLDING RATES WILL APPLY?

A: BR will withhold federal, state or provincial and other taxes in the same manner that these taxes are traditionally withheld from annual bonuses and similar payments. For example, in the U.S. the withholding rates would be 25% of the gross amount for federal taxes; 6.2% for OASDI/Social Security (only the first \$94,200 annually is taxed); 1.45% for Medicare; and additional amounts for any applicable state and local taxes.

Q: WILL PROFESSIONAL TAX ADVICE/GUIDANCE BE OFFERED TO HELP EMPLOYEES MITIGATE THE TAX IMPACT OF THE LUMP-SUM SEVERANCE?

A: Analysis of an employee's individual tax situation is best performed by your own tax specialist.

Q: DOES ANNUAL BASE SALARY INCLUDE THE ANNUAL BONUS?

A: No. In accordance with Section 2.2 of the Plan, Base Salary is wages or salary on an annualized basis (including overtime).

RETIREMENT / PENSION

Q: IS THERE A PROVISION FOR UNIVERSAL VESTING OF U.S. EMPLOYEES IN THE U.S. PENSION PLANS?

A: Maybe. Under IRS guidance, if enough BR employees are severed in connection with the transaction, the terminations of employment would be deemed a "partial termination" of the pension plan, in which case

Edgar Filing: BURLINGTON RESOURCES INC - Form DEFA14A

severed employees with unvested benefits would receive full vesting in their pension benefits at the time of their termination of employment. BR operates with a rule of thumb that vesting would be triggered if 20 percent or more of BR's U.S. employees are severed. It isn't yet known whether there will be sufficient terminations of employment in connection with the COP transaction to trigger this rule.

- Q: CAN EMPLOYEES CURRENTLY ENROLLED IN THE U.S. FINAL AVERAGE EARNINGS PENSION PLAN CHOOSE TO TAKE A DISTRIBUTION AS A RESULT OF THE CHANGE IN CONTROL?
- A: Vested employees who are terminated or who retire have the option of taking a lump-sum payment or an annuity if they are otherwise eligible to do so under the terms defined by the plan documents.
- Q: WILL THE PENSIONS OF EMPLOYEES WHO HAVE NOT YET REACHED AGE 55 MATURE EARLY DUE TO TERMINATION?
- A: No. BR's U.S. pension plans require employees to attain both the age of 55 as well as 10 or more years of service to be eligible for early retirement benefits.
- Q: WILL THERE BE ANY DIFFERENT HANDLING OF PENSIONS IN CANADA DUE TO LEGAL REQUIREMENTS THERE?
- A: The benefits provisions contained in the BR Canada Defined Contribution Pension Plan or the Defined Benefit Pension Plan are described in the respective plan documents. In addition, BR Canada employees are subject to legal protections enacted by the provinces in which they work. These protections are intended to ensure that accrued pension benefits are not adversely affected by an acquisition regardless of whether an employee joins the acquiring company. The existing BR Canada pension plans will continue in effect until the change in control date. A determination of whether BR employees who join ConocoPhillips will continue to accrue benefits under these plans or under alternative plans has not yet been made by ConocoPhillips.

BENEFITS PROGRAMS

- Q: WHAT HAPPENS TO UNUSED VACATION IF AN EMPLOYEE IS SEVERED DUE TO THE CHANGE IN CONTROL?
- A: Any employee who is terminated will be paid for unused vacation reflected in the employee's current payroll records.
- Q: WHAT HAPPENS TO UNUSED SICK LEAVE IF AN EMPLOYEE RECEIVES SEVERANCE BENEFITS DUE TO THE CHANGE IN CONTROL?
- A: Unused sick leave is not payable upon termination.
- Q: WILL SEVERANCE PAYMENTS BE MATCHED AS PART OF BR'S 401(K) SAVINGS PLANS?
- A: No. The change in control severance benefit is not considered eligible earnings and therefore would not be matched under BR's 401(k) savings plans.

EMPLOYMENT

- Q: WILL OUTPLACEMENT ASSISTANCE BE PROVIDED TO THOSE WHO DO NOT RECEIVE EMPLOYMENT OFFERS FROM CONOCOPHILLIPS?
- A: One of the benefits available under the Employee Change in Control Severance Plan to employees who do not receive offers is outplacement/career transition counseling to assist them in finding new employment.

Edgar Filing: BURLINGTON RESOURCES INC - Form DEFA14A

Q: WILL EARLY RETIREMENT INCENTIVE PACKAGES BE OFFERED?

A: No, BR will not offer early retirement incentive packages.

OTHER

Q: WILL THE BURLINGTON RESOURCES FOUNDATION'S LOCAL COMMITTEES CONTINUE MEETING REGULARLY AND MAKING GRANTS?

A: The Foundation and its committees will continue operating on a business-as-usual basis, consistent with past practices, until the change in control date. However, we are unlikely to make any commitments that will extend beyond 2006, without the concurrence of the Foundation's Board of Directors.

Q: WILL THE ELIGIBLE CHARITABLE DONATIONS THAT EMPLOYEES MADE IN 2005 STILL BE MATCHED BY THE BURLINGTON RESOURCES FOUNDATION?

A: Yes. Donations made during 2005 will be matched by the Foundation.

Q: WILL THE BURLINGTON RESOURCES FOUNDATION CONTINUE MATCHING EMPLOYEE DONATIONS TO ELIGIBLE EDUCATIONAL AND CHARITABLE ORGANIZATIONS DURING 2006?

A: Eligible donations made prior to the closing date of the acquisition will be matched by the Foundation provided that all other guidelines of the program are met when the gift is made. Among these, the donor must be a regular, full-time employee at the time.
