**Item 8.01 Other Events.**

On March 25, 2008, the Compensation Committee of the Board of Directors of Lenox Group Inc. (the "Company") approved an amendment to the form of restricted stock agreement used for time-based restricted stock grants to directors of the Company. This amendment was approved in connection with the Company's exploration of strategic alternatives announced on January 14, 2008. The amendment provides that in the event of a change in control, as defined in the Company's 2004 Stock Incentive Plan, the directors will be entitled to receive the portion of the shares that vested from the grant date through the date of the change in control. This partial vesting will be calculated by multiplying the number of shares of restricted stock as set forth in each restricted stock agreement of each director by a fraction, the numerator of which is the number of months from the grant date to the date of the change in control and the denominator is the entire restricted period of thirty-six months.
