Dear Stockholders:

Neurologix, Inc., a Delaware corporation ("Neurologix"), is providing notice to inform you that as of August 13, 2003, the stockholders of Neurologix approved the resolutions attached hereto as Exhibit A approving the merger of Neurologix with Change Technology Partners, Inc., a Delaware corporation ("CTPI").

CTPI recently sold its sole operating subsidiary. Currently, the assets of CTPI primarily consist of cash and cash equivalents.

Under the terms of the merger agreement, a newly-formed subsidiary of CTPI would merge with and into Neurologix, and Neurologix would survive as a wholly-owned subsidiary of CTPI. All Neurologix securities issued and outstanding as of the closing date will be exchanged for the right to receive a certain number of shares of CTPI common stock. The exact number of shares of CTPI common stock to be issued at closing will depend on CTPI's cash and cash equivalents, liabilities and contractual commitments as of the closing date. It is currently expected that upon completion of the merger CTPI's shareholders would retain approximately thirty-two percent of the outstanding voting capital stock of CTPI on a fully-diluted basis. The proposed stock-for-stock transaction is subject to the approval of CTPI's stockholders and is intended to qualify as a tax-free reorganization.

The merger transaction is expected to close in the fourth quarter of 2003.

Neurologix understands that in connection with the proposed transaction, CTPI intends to file relevant materials with the Securities and Exchange Commission (the "SEC"), including a registration statement under the Securities Act of 1933, as amended, that contains a prospectus and proxy solicitation statement for CTPI's stockholders. Because those documents will contain important information, you are urged to read them, if and when they become available. When filed with the SEC, they will be available without charge at the SEC's website, [www.sec.gov](http://www.sec.gov), and you will receive information at an appropriate time on how to obtain transaction-related documents without charge from CTPI. Those documents will describe how your Neurologix securities will be converted into CTPI securities in accordance with the terms of the merger

agreement, as well as your appraisal rights under Section 262 of the Delaware General Corporation Law if you do not wish to convert your shares of Neurologix

capital stock.

This notice is provided pursuant to Section 228(e) of the Delaware General Corporation Law.

This is only a notice. You are not requested to, nor do you need to, take any action with regard to this notice.

This communication shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act.

Very truly yours,

Mark Hoffman  
Secretary
