PALL CORPORATION ANNOUNCES PROPOSED PRIVATE PLACEMENT

East Hills, NY (07/30/2002) -- Pall Corporation (NYSE:PLL) announced today that it intends to issue approximately \$250,000,000 of unsecured senior notes in a private placement, subject to market and other conditions. All of Pall's active U.S. subsidiaries will fully and unconditionally guarantee Pall's obligations under the senior notes on an unsecured and unsubordinated basis.

Pall intends to apply the net proceeds of the offering toward the repayment of borrowings under a \$360 million interim credit facility which was used to finance Pall's acquisition in April 2002 of the Filtration and Separations Group from United States Filter Corporation, an indirect wholly-owned subsidiary of Vivendi Environnement S.A.

The senior notes to be offered in the private placement have not been and will not be registered under the Securities Act of 1933, as amended, or applicable state securities laws, and may not be offered or sold in the United States absent registration under the Securities Act and applicable state securities laws or an applicable exemption from registration requirements.
