PART I
INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

Explanatory Note

As permitted by the rules of the Securities and Exchange Commission (the "Commission"), this Registration Statement omits the information specified in Part I (Items 1 and 2) of Form S-8. The documents containing the information specified in Part I will be delivered to the participants in the Plan as required by Rule 428(b) under the Securities Act. Such documents are not being filed with the Commission as part of this Registration Statement or as prospectuses or prospectus supplements pursuant to Rule 424.

PART II
INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents, previously filed by the Company with the Commission, are hereby incorporated by reference in this Registration Statement:

- (1) The Company's Registration Statement on Form S-1, as amended (File No. 333-64322); and
- (2) The Company's Quarterly Reports on Form 10-Q for the quarters ended June 30 and September 30, 2001.

All documents filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), after the date of this Registration Statement and prior to the filing of a post-effective amendment to this Registration Statement indicating that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated

by reference into this Registration Statement and to be part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

The Plan provides the Company's nonemployee directors who elect to participate in the Plan ("Participants") with an opportunity to defer the pre-tax amounts otherwise payable to them for their service on the Company's Board of Directors, including payments due for service on any committee thereof (collectively, "Fees"), and accumulate tax-deferred earnings (or losses) thereon. The Plan provides that Participants may elect to defer Fees on a cash basis, on a stock basis or on a combination thereof and that the Company shall maintain a cash account and a stock account for each Participant in order to record such elections. Fees deferred on a cash basis bear interest at a quarterly interest rate equal to three months LIBOR plus 225 basis points. Fees deferred on a stock basis are converted into a number of "phantom shares" (a notional amount which is equivalent to the value of one share of the Company's Common Stock, determined in accordance with the terms of the Plan) equal to the dollar amount of such Fees divided by the dollar value of one share of the Company's Common Stock determined in accordance with the terms of the Plan (the "Stock Value") on the date such Fees would otherwise be paid. Fees deferred on a cash basis are payable in cash. Fees deferred on a stock basis are payable at the election of a Participant as (a) cash in an amount equal to the product of (i) the number of phantom shares in such Participant's stock account and (ii) the Stock Value on the date of payment or (b) a number of shares of the Company's Common Stock equal to the number of shares of phantom

1

stock in the applicable Participant's stock account. Fees deferred under the Plan are due and payable upon a change of control of the Company in accordance with the terms thereof.

Fees deferred on a cash basis (and the interest payable thereon) are held in the general assets of the Company and the Company is not required to create a separate fund or trust therefore. Furthermore, the Company is not required to acquire, reserve, segregate, or otherwise set aside shares of its Common Stock for the payment of its obligations under the Plan, but is required to make available as and when required a sufficient number of shares of Common Stock to meet the needs of the Plan. Each Participant is an unsecured general creditor of the Company with respect to his or her own Plan benefits.

The Obligations cannot be assigned, transferred, pledged or otherwise encumbered by the Participants, except that each Participant may designate a beneficiary to receive benefits upon the Participant's death. The total dollar amount of Obligations and the total number of shares of Common Stock of the Company being registered pursuant to this Registration Statement is \$1,000,000.00 and 90,000 respectively. The Plan may be amended, suspended or terminated in whole or in part by the Company's Board of Directors except that no amendment, suspension or termination shall apply to the payment to any Participant or beneficiary of a deceased Participant of any amount previously credited to a Participant's cash account or stock account.

Item 5. Interests of Named Experts and Counsel.

The validity of the issuance of the shares of common stock registered hereby has been passed upon by Russell D. Phillips, Jr. who serves as General Counsel and Secretary of the Company and holds options to purchase Common Stock of the Company.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law allows for the indemnification of officers, directors and any corporate agents in terms sufficiently broad to indemnify such persons under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act. The Company's certificate of incorporation and bylaws provide for indemnification of its directors, officers, employees and other agents to the extent permitted by the Delaware General Corporation Law. The Company carries policies of insurance which cover the individual directors and officers of the Company for legal liability and which would pay on behalf of the Company for expenses of indemnification of directors and officers. The Company has entered into agreements with certain of its executive officers and directors that require the Company to indemnify such officers and directors against certain liabilities which may arise by reason of their status as officers and directors of the Company, including liabilities under the federal securities laws.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 8. Exhibits.

See "Index to Exhibits."

Item 9. Undertakings.

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

(2) That, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
