SPIDER-MAN SWINGS INTO ACTION WITH CRYPTOLOGIC

Edgar Filing: CRYPTOLOGIC LTD - Form 6-K

Web-slinger and Fantastic Four make internet casino gaming debuts exclusively with CryptoLogic software

December 10, 2007 (Dublin, IRELAND, and Toronto, CANADA) CryptoLogic Limited, a leading software developer to the global Internet casino gaming market, has launched two star-studded Internet casino slot games on its award-winning platform: the eagerly anticipated Spider-Man and the legendary Fantastic Four.

Based on the renowned Marvel Super Heroes, the games will be available exclusively to CryptoLogic licensees through the company's wholly-owned subsidiary, WagerLogic Ltd.

CryptoLogic's new Spider-Man and Fantastic Four games are the latest examples of our industry-leading innovation, and our partnerships with the world's biggest gaming and entertainment brands, said Javaid Aziz, CryptoLogic's President and CEO. Bringing these legendary Super Heroes to the world's best Internet casinos reflects CryptoLogic's commitment to help every customer build a loyal player base through both high-impact games and high-profile brands.

For the first time, players will be transported into Spider-Man's New York City realm to foil bad guys and rescue victims from danger as the web-slinger achieves his ultimate mission: defeating Venom and saving Mary Jane. With three unique feature sequences and big payouts up to 5,000 times a line bet rewards are around every corner. Players can also earn up to 15 additional rounds of play and double prize values with an exciting free-spin feature.

The Fantastic Four create a new level of excitement as they take on a spectacular adventure against the villainous Dr. Doom. Watch Mr. Fantastic test the limits of his flexibility, the Invisible Woman storm onto the reels, the Human Torch burst into flames and the Thing send shockwaves with his powerful blows. With a chance to win 5,000 times a player's bet and up to 15 free game spins, the only difficulty will be deciding which character to play.

These celebrated Marvel Super Heroes have finally taken their place at the world's top Internet casinos powered by CryptoLogic, said Justin Thouin, CryptoLogic's Vice President, Product Management and Business Development.

Spider-Man and the Fantastic Four join CryptoLogic's roster of wildly popular Marvel-branded slot games, including the Hulk, Daredevil, Blade, The Punisher, Thor, X-Men, Silver Surfer, Elektra, Iron Man and Ghost Rider. Available exclusively to WagerLogic licensees, these games bring players big-screen excitement, stunning graphics and their favourite Marvel characters along with the chance to win huge cash prizes.

ALEXANDRA HOUSE, THE SWEEPSTAKES, BALLSBRIDGE, DUBLIN 4, IRELAND

CryptoLogic has earned top honours for its world-class Internet software, including the Top Casino Software award from *Online Gambling Magazine* in each of the last two years. The award, based on the votes of readers, players and website visitors, is widely considered the industry's top honour.

About CryptoLogic[®] (www.cryptologic.com)

Focused on integrity and innovation, CryptoLogic Limited is a world-leading, blue-chip public developer and supplier of Internet gaming software. Its leadership in regulatory compliance makes it one of the very few companies with gaming software that is certified to strict standards similar to land-based gaming. WagerLogic[®] Limited, a wholly-owned subsidiary of CryptoLogic, is responsible for the licensing of its gaming software and services to blue-chip customers who offer their games around the world to non-U.S. based players. For information on WagerLogic, visit www.wagerlogic.com.

CryptoLogic's common shares trade on the Toronto Stock Exchange (CRY, CXY), the NASDAQ Global Select Market (CRYP) and the Main Market of the London Stock Exchange (CRP).

About Marvel Entertainment, Inc.

With a library of over 5,000 characters, Marvel Entertainment, Inc. is one of the world's most prominent character-based entertainment companies. Marvel's operations are focused on utilizing its character franchises in licensing, entertainment, publishing and toys. Areas of emphasis include feature films, DVD/home video, consumer products, video games, action figures and role-playing toys, television and promotions. Rooted in the creative success of over sixty years of comic book publishing, Marvel's strategy is to leverage its character franchises in a growing array of opportunities around the world.
