Item 3. Source and Amount of Funds or Other Consideration.

As of the date of this Schedule 13D, the Reporting Persons, individually and in the aggregate, beneficially own 26,018,537 shares of Common Stock. This Schedule 13D is being filed as a result of (i) RIS 's direct acquisition of 21,085,715 shares of Common Stock pursuant to the Securities Purchase Agreement (the Purchase Agreement), dated May 21, 2008, among the Company, certain of its subsidiaries listed on the Schedule of Subsidiaries attached thereto and RIS and (2) RIS 's acquisition of 4,932,822 shares of Common Stock from Prescott Group Capital Management, L.L.C. and certain of its affiliates (Prescott). In connection with the closing of the transaction contemplated by the Purchase Agreement, the Company issued (i) a \$15 million senior secured Term Note (the Term Note), (ii) 6,800,000 shares of Common Stock as partial consideration for the Term Note and (iii) an additional 14,285,715 shares of Common Stock at a price per share of \$0.35 to RIS. RIS acquired the 4,932,822 shares of Common Stock from Prescott at a price per share of \$1.00. RIS obtained the funds to purchase the Term Note and shares of Common Stock through equity contributions made by its members.

Item 4. Purpose of Transaction.

On May 21, 2008, the Company announced that it had entered into the Purchase Agreement pursuant to which the Term Note and 21,085,715 shares of Common Stock were issued and sold to RIS. Pursuant to the Purchase Agreement, RIS designated five (5) members to the Board of Directors of the

Edgar Filing: MERGE HEALTHCARE INC - Form SC 13D

Company on June 4, 2008. Such designees, including Ferro, filled vacancies created by resigning directors effective as of the closing of the transactions contemplated by the Purchase Agreement as disclosed in the Company's Form 8-K filed on June 6, 2008, which is incorporated herein by reference. In addition, Justin C. Dearborn, the former Managing Director and General Counsel of Merrick Ventures, LLC, an affiliate of RIS, was named Chief Executive Officer of the Company. On June 16th, RIS acquired 4,932,822 shares of Common Stock from Prescott pursuant to a certain Stock Purchase Agreement between RIS and Prescott. The Common Stock is being held by the Reporting Persons for investment purposes only. In addition, the Reporting Persons have entered into a plan, in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, to acquire up to an additional 1,000,000 shares of Common Stock, depending on certain market conditions.

The Reporting Persons intend to evaluate the Company, its operations and structure over the coming months, as well as whether any steps are required to maintain the Company's listing on The NASDAQ Global Market. At present, the Reporting Persons have no plans or proposals with respect to any extraordinary corporate transactions involving the Company, any sales or transfers of a material amount of the Company's assets, any changes in the Company's Board of Directors or any changes to the Company's charter and by-laws, its corporate or capital structures or its business operations.

The foregoing summaries of the Purchase Agreement and Stock Purchase Agreement do not purport to be complete and are qualified in their entirety by references to the text of such agreements included as Exhibits 1 and 2.

Item 5. Interest in Securities of the Issuer.

(a), (b) RIS directly owns 26,018,537 shares of Common Stock, which upon issuance represents 47.2% of the Company's total Common Stock outstanding. RIS has sole voting and dispositive power over the shares of Common Stock it owns. Ferro is deemed to have sole voting and dispositive power over the shares of Common Stock owned by RIS, which represents 47.2% of the Company's total Common Stock outstanding. Ferro does not directly own any shares of Common Stock. This Schedule 13D is being filed to report the beneficial ownership of shares of Common Stock which Ferro is deemed to own through his control of RIS. Ferro disclaims beneficial ownership of the shares of Common Stock beneficially owned by him, except to the extent of his pecuniary interest in such shares. The ownership percentages are calculated on the basis of 55,115,910 shares of Common Stock outstanding as of June 4, 2008, based on 34,030,195 shares reported by the Company to be outstanding as of April 21, 2008 in its Prospectus pursuant to Rule 424(b)(3) filed on May 12, 2008, which is incorporated herein by reference, and taking into account the issuance of 21,085,715 new shares of Common Stock in connection with the Purchase Agreement.

(c) Except for the transactions described in Item 4, during the last sixty days there were no transactions in shares of the Common Stock of the Company effected by the Reporting Persons.

(d) and (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Except for the Purchase Agreement and the agreements, documents and instruments pursuant thereto, including, without limitation, the Term Note (all as more fully described in Items 3 and 4 above), and certain agreements entered into with Prescott in connection with the purchase of the 4,932,822 shares of Common Stock from Prescott, neither of the Reporting Persons has any contracts, arrangements, understandings or relationships (legal or otherwise) with any person with respect to any securities of the Company, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, divisions of profits or loss, or the giving or withholding of proxies.

NOW, THEREFORE, in consideration of the mutual agreements contained in the Agreement, and with the intent to be legally bound hereby, the Releasing Party agrees as follows:

Section 1. Release. Each Releasing Party on its own behalf and on behalf of its past, present or future affiliates, agents, attorneys, heirs, beneficiaries, representatives, successors and assigns, hereby absolutely, unconditionally and irrevocably RELEASES and FOREVER DISCHARGES the Released Parties and each of their respective past, present or future parent entities, divisions, affiliates, subsidiaries, related business entities, shareholders, officers, directors, employees, agents, attorneys, administrators, representatives, successors and assigns (collectively, the Released Parties) from any and all claims, actions, causes of action, suits, debts, liabilities, obligations, sums of money, accounts, covenants, contracts, controversies, agreements, promises, damages, judgments, executions, claims and demands, whether known or unknown, suspected or unsuspected, absolute or contingent, direct or indirect or nominally or beneficially possessed or claimed by such Releasing Party, whether the same be at law, in equity or mixed, pursuant to any Federal or state securities law or otherwise, which such Releasing Party ever had, now has, or hereafter can, shall or may have against such Released Party, in respect of or arising from the ownership of equity interests in the Company (collectively the Released Claims).

Section 2. No Additional Facts. The Releasing Parties hereby expressly waive any rights the Releasing Parties may have under the statutes of any jurisdiction or common law principles of similar effect, to preserve Released Claims which a Releasing Party does not know or suspect to exist in such Releasing Party's favor at the time of executing this Release. Each Releasing Party understands and acknowledges that it may discover facts different from, or in addition to, those which it knows or believes to be true with respect to the claims released herein, and agrees that this release shall be and remain effective in all respects notwithstanding any subsequent discovery of different and/or additional facts. Should a Releasing Party discover that any fact relied upon in entering into this Release was untrue, or that any fact was concealed, or that an understanding of the facts of law was incorrect, such

Releasing Party shall not be entitled to any relief as a result thereof, and the undersigned surrenders any rights it might have to rescind this Release on any ground. This Release is intended to be and is final and binding regardless of any claim of misrepresentation, promise made with the intention of performing, concealment of fact, mistake of law, or any other circumstances whatsoever.

Section 3. No Suits or Actions. Each Releasing Party hereby irrevocably covenants to refrain from asserting any claim or demand, or commencing, instituting or causing to be commenced, any proceeding of any kind against any Released Party based upon any Released Claim. If a Releasing Party (or an affiliate thereof) brings any claim, suit, action or manner of action against the Released Parties (or any of them) in administrative proceedings, in arbitration or admiralty, at law, in equity, or mixed, with respect to any Released Claim, then the Releasing Parties shall indemnify the Released Parties (or any of them) in the amount or value of any final judgment or settlement (monetary or other) and any related cost (including without limitation reasonable legal fees) entered against, paid or incurred by the Released Parties (or any of them).

Section 4. No Prior Assignment of Released Claims. Each Releasing Party represents and warrants to the Released Parties that there has been no assignment or other transfer of any interest in any Released Claim. If this Release is determined to be invalid for any reason by law or otherwise, each Releasing Party hereby assigns all Released Claims to the Purchaser and agrees not to assign or assert any such claims other than to or on behalf of the Purchaser.

If any provision of this Release is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Release will remain in full force and effect. Any provision of this Release held invalid or unenforceable only in part of degree will remain in full force and effect to the extent not held invalid or unenforceable.
