RICHMOND BROTHERS, INC. AND MARK H. RAVICH

April 20, 2017

Dear Fellow Rockwell Shareholder:

Richmond Brothers, Inc., Mark H. Ravich and the other participants in this solicitation (collectively, “Richmond Brothers” or “we”) are the beneficial owners of an aggregate of 6,135,008 shares of common stock, no par value per share (the “Common Stock”), of Rockwell Medical, Inc., a Michigan corporation (“Rockwell” or the “Company”), representing approximately 11.8% of the outstanding shares of Common Stock. For the reasons set forth in the attached Proxy Statement, we believe meaningful changes to the composition of the Board of Directors of the Company (the “Board”) are necessary in order to ensure that the Company is being run in a manner consistent with your best interests. We are seeking your support for the election of our nominee at the Company’s 2017 annual meeting of shareholders (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”). The Annual Meeting will be held on a date, and at a time and place, to be determined by the Company.¹ We are seeking representation on the Board because we believe that the Board will benefit from the addition of a direct shareholder representative committed to good corporate governance practices and an objective of enhancing value for the benefit of all Rockwell shareholders. The individual that we have nominated is highly-qualified, capable and ready to serve the shareholders of Rockwell.

Our interests are fully aligned with the interests of all Rockwell shareholders. We believe that there is significant value to be realized at Rockwell. However, we are concerned that the Board is not taking the appropriate actions to address the Company’s continuing underperformance. Given the Company’s financial and stock price underperformance under the oversight of the current Board, we strongly believe that the Board must be reconstituted to ensure that the interests of the shareholders, the true owners of Rockwell, are appropriately represented in the boardroom, and that the Board takes the necessary steps to help the Company’s shareholders realize maximum value for their investment. The Company has a classified Board, which is currently divided into three (3) classes. The term of one (1) Class II director expires at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our nominee in opposition to the Company’s director nominee for the class with terms ending in 2020. Your vote to elect our nominee will have the legal effect of replacing one (1) incumbent director with our nominee. If elected, our nominee will constitute a minority on the Board and there can be no guarantee that our nominee will be able to implement the actions that he believes are necessary to unlock shareholder value.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **BLUE** proxy card today. The attached Proxy Statement and the enclosed **BLUE** proxy card are first being furnished to the shareholders on or about April 20, 2017.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated **BLUE** proxy card or by voting in person at the Annual Meeting.

¹ The Company has not yet publicly disclosed the date, time and place of the Annual Meeting. Once the Company publicly discloses such date, time and place, Richmond Brothers intends to supplement this Proxy Statement with such information and file revised definitive materials with the Securities and Exchange Commission.

Please be advised that, as explained in the attached Proxy Statement, Rockwell has filed a lawsuit against Richmond Brothers alleging certain violations of the Securities Exchange Act of 1934, as amended, and the rules promulgated thereunder. Although we believe these allegations are meritless, part of Rockwell's requested relief is that we could be enjoined from voting shares of Common Stock or soliciting proxies at the Annual Meeting depending on the court's ruling. Please be advised that, depending on the outcome of the litigation, there is a risk that shares represented by a **BLUE** proxy card may not be voted or counted at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact Saratoga Proxy Consulting LLC, which is assisting us, at its address and toll-free numbers listed below.

Thank you for your support,

/s/ David S. Richmond and Mark. H. Ravich

Background to the Solicitation

The following is a chronology of events leading up to this proxy solicitation:

The members of Richmond Brothers are long-term shareholders of Rockwell, some of whom initially invested in the Company approximately 15 years ago.

Beginning in early 2016, Mark H. Ravich had discussions with David S. Richmond, Chris Paxos, Jay F. Joliat, David Hagelstein and a now-deceased shareholder, among others, regarding the performance of the Company and its issues. Mr. Ravich asked the other shareholders to join with him in corresponding with the Company, and thereafter sent several letters and emails expressing their common concerns to the Company's Chairman and CEO, Robert L. Chioini. Such parties were like-minded shareholders who shared certain concerns and had suggestions for Mr. Chioini to consider in his capacity as the Company's CEO. Collective communications began on February 4, 2016 and ceased March 4, 2016.

On March 14 and 16, 2016, Mr. Richmond sent Mr. Chioini email correspondence regarding Mr. Chioini's invitation to meet individually with Mr. Richmond at the Company's headquarters.

In late March 2016, Mr. Richmond met with Mr. Chioini at the Company's headquarters.

In April 2016, Mr. Richmond individually sent several communications to Mr. Chioini regarding his ongoing concerns and suggestions for the Company, including that the Company consider adding an independent director to the Board.

In June 2016, the Company held its 2016 annual meeting of shareholders (the "2016 Annual Meeting") without any of the members of Richmond Brothers attempting to influence the voting or withholding of proxies.

On June 23, 2016, the Company filed a Form 8-K disclosing that, effective June 22, 2016, the size of the Board was increased to five members and Dr. Robin L. Smith was appointed as a director of the Company. The Company did not disclose which class of directors Dr. Smith was appointed to.

On September 19, 2016, Mr. Richmond emailed Mr. Chioini seeking to arrange a meeting. Mr. Richmond followed up on September 22, 2016 reiterating his request for a meeting.

On October 3, 2016, Mr. Richmond received a response from Mr. Chioini indicating that a meeting was not appropriate at this time. Mr. Richmond responded on the same day expressing his disappointment that the Company would ignore its largest shareholder and reiterated that he would like to meet with management to understand the Company's vision for the future.

On February 20, 2017, certain members of Richmond Brothers entered into a Group Agreement (the "Group Agreement") pursuant to which such parties agreed, among other things, to (i) engage in discussions with the Company regarding means to enhance shareholder value and the corporate governance of the Company, (ii) take all other action necessary to achieve the foregoing and (iii) take any other actions the group determines to undertake in connection with their respective investments in the Company.

On February 21, 2017, Richmond Brothers filed a Schedule 13D with the Securities and Exchange Commission (the “SEC”) disclosing beneficial ownership in approximately 11.9% of the Company’s outstanding shares of Common Stock. In the Schedule 13D, Richmond Brothers disclosed its intention to engage in discussions with the Company’s management team, the Board, shareholders of the Company and other interested parties regarding the Company’s capital allocation, corporate governance (including Board composition), operations, strategic plans and other means to enhance shareholder value.

On March 1, 2017, Mr. Ravich, on behalf of himself and the other members of Richmond Brothers, delivered a letter (the “Nomination Letter”) to the Company, in accordance with its Bylaws, nominating Mark H. Ravich and David S. Richmond for election to the Board at the Annual Meeting. In the Nomination Letter, Mr. Ravich stated his belief that the terms of at least one, and as many as two, Class II directors currently serving on the Board expire at the Annual Meeting following the Company’s appointment of Dr. Smith to the Board in June 2016. To the extent that only one seat is up for election at the Annual Meeting, Mr. Ravich stated that he will withdraw one of his nominees.

On March 2, 2017, Richmond Brothers issued a press release announcing the delivery of the Nomination Letter. In the press release, Richmond Brothers expressed its belief that the Company’s continuous strategic and execution failures and weak corporate governance have led to years of underperformance. Richmond Brothers noted that the Company has failed to monetize its promising drugs Triferic and Calcitriol and expressed its concerns that the incumbent Board and management team continue to ignore the best interests of shareholders. Richmond Brothers explained that after its efforts to engage in constructive dialogue with the Board and management team were, in Richmond Brothers’ opinion, repeatedly rebuffed, Richmond Brothers felt it was left with no choice other than to nominate candidates for election to the Board. Also on March 2, 2017, Richmond Brothers filed an amendment to its Schedule 13D disclosing the delivery of the Nomination Letter and the issuance of the press release.

Also on March 2, 2017, the Company issued a press release announcing that David T. Domzalski has been nominated to the Board and will replace director Kenneth L. Holt, who the Company announced will not be standing for re-election at the Annual Meeting.

Also on March 2, 2017, a representative of Rockwell contacted Richmond Brothers’ legal counsel and advised that the Company is prepared to file a lawsuit against Richmond Brothers and others alleging violations of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules promulgated thereunder, if Richmond Brothers proceeded with its nomination.

On March 3, 2017, a representative of Rockwell had a discussion with Richmond Brothers’ legal counsel advising that Rockwell is likely to file a lawsuit against Richmond Brothers the following week and thus encouraged Richmond Brothers to abandon its nomination.

Also on March 3, 2017, Richmond Brothers sent a private letter to Mr. Chioini noting its belief that Mr. Domzalski's nomination was clearly a defensive and reactionary approach to Richmond Brothers' public involvement at Rockwell. Richmond Brothers reiterated its belief that the Company should be more responsive to shareholder concerns regarding specific governance issues such as executive compensation, the composition of the Board and transparent communications with investors. Richmond Brothers requested an opportunity to discuss its concerns with Mr. Chioini and made clear that it desires to engage constructively with the Board.

On March 7, 2017, Mr. Richmond and Mr. Chioini engaged in a telephone conversation. During the conversation, Mr. Chioini informed Mr. Richmond that Rockwell would not initiate litigation against Richmond Brothers if the Nomination Letter is withdrawn and Richmond Brothers agrees not to nominate or otherwise seek to influence management or the Board for at least the next 12 to 24 months.

On March 8, 2017, Richmond Brothers responded to Mr. Chioini's offer by explaining its belief that if the Company initiates litigation against Richmond Brothers, it will reaffirm its belief that Mr. Chioini and the other members of the Board will do whatever it takes to insulate and entrench themselves against the will of the Company's shareholders - the true owners of the Company. Richmond Brothers called on the Company to run a fair election with no litigation by either side and let the cards fall where they may; however, Richmond Brothers made clear that it will vigorously defend itself if necessary.

Also on March 8, 2017, the Company filed suit in the Eastern District of Michigan against, amongst others, Messrs. Ravich and Richmond, alleging violations of Exchange Act Sections 13(d) and (g), 15 U.S.C. §78m, and the rules promulgated thereunder (the "Michigan Action"). The Complaint in the Michigan Action names as defendants the following individuals and entities (collectively, the "Defendants"):

David S. Richmond, Matthew J. Curfman, Richmond Brothers, Inc., RBI Private Investment I, LLC, RBI PI Manager, LLC and Richmond Brothers 401(k) Profit Sharing Plan (collectively, the "Richmond Defendants");
Mark H. Ravich, Norman J. Ravich Irrevocable Trust, Norman and Sally Ravich Family Trust, Alexander Coleman Ravich 1991 Irrevocable Trust and Alyssa Danielle Ravich 1991 Irrevocable Trust (collectively, the "Ravich Defendants");

o Chris Paxos;
o Jay F. Joliat; and
o David Hagelstein.

Specifically, the Complaint states two causes of action (Counts I and III) against all of the Defendants:

Count I alleges that the Defendants violated Section 13(d) of the Exchange Act by failing to timely disclose
o in early 2016 that they had collectively acquired in excess of 5% of the Company's shares and entered into an agreement to act in concert with respect to their collective holdings; and

Count III alleges that the Defendants violated Section 13(d) of the Exchange Act when the Richmond Defendants and Ravich Defendants filed a Schedule 13D in February 2017, because the Schedule 13D does not disclose an alleged group between and among all Defendants.

In the alternative to Count I, the Complaint contains a separate cause of action (Count II) alleging that the Richmond Defendants and the Ravich Defendants violated Section 13(d) of the Exchange Act by failing to timely disclose that they had collectively acquired in excess of 5% of the Company's shares and entered into an agreement to act in concert with respect to their collective holdings as of 2016, i.e. at some point earlier than their filing in February 2017.

Finally, in Count IV of the Complaint, the Company alleges that David S. Richmond and Richmond Brothers, Inc. violated Sections 13(d) and (g) of the Exchange Act by filing a false, misleading and incomplete Schedule 13G on May 6, 2016 and October 7, 2016, and by failing to file a Schedule 13D (prior their the February 2017 filing).

On March 9, 2017, Richmond Brothers issued a press release responding to the Michigan Action. Richmond Brothers explained its belief that the allegations are baseless and untrue, and that Richmond Brothers believes that the lawsuit epitomizes the current Board and management team's efforts to entrench themselves.

On March 15, 2017, Rockwell reported fourth quarter 2016 and full-year 2016 results.

On March 16, 2017, Richmond Brothers issued a press release commenting on the Company's earnings announcement. Richmond Brothers explained that it remains discouraged by Rockwell's failure to execute and the continued delay in bringing Triferic to market. Richmond Brothers was further dismayed that shareholders were denied an opportunity to ask questions during the earnings call, reinforcing, in Richmond Brothers' opinion, the need for increased transparency with investors. Richmond Brothers further stated its belief that the Company's more transparent update regarding its drug pipeline is a reactive response to Richmond Brothers' public pressure.

On March 17, 2017, Richmond Brothers filed an amendment to its Schedule 13D disclosing the Michigan Action, including attaching a copying of the Complaint. Richmond Brothers further explained that the Company's allegations are largely based on various communications from the Defendants directed to Mr. Chioini, beginning in February 2016. Richmond Brothers also attached such communications, which were intended to encourage the Company to voluntarily take action to improve its communications with shareholders and better its corporate governance practices, to the amendment to its Schedule 13D. Richmond Brothers further disclosed its belief that the Company should be considering all means to enhance shareholder value, and in furtherance of such, Richmond Brothers intends to communicate with private equity firms and other interested parties regarding means to enhance shareholder value.

On March 21, 2017, Richmond Brothers filed a memorandum in opposition to Rockwell's motion for leave to conduct limited expedited discovery in the Michigan Action.

On March 22, 2017, Richmond Brothers issued a press release further commenting on the Michigan Action. Richmond Brothers reiterated its belief that it did not violate any securities laws and strongly disputed the allegations the Company makes in its lawsuit. Richmond Brothers explained its belief that the lawsuit is nothing more than an attempt by Rockwell to create a sideshow and distract attention away from the real issues at hand, including the disappointing performance, management inexperience, lack of successful execution and subpar corporate governance that have persisted under Mr. Chioini's leadership.

On March 23, 2017, Richmond Brothers filed an amendment to its Schedule 13D disclosing that, on March 21, 2017, RBI PII entered into a Joinder Agreement (the “Joinder Agreement”) to the Group Agreement, pursuant to which it agreed to be bound by the terms and conditions set forth therein.

On March 24, 2017, Magistrate Judge Mona K. Majzoub issued a ruling in the United States District Court in the Eastern District of Michigan denying the Company’s motion for leave to conduct limited expedited discovery. The Company has filed an objection to the ruling.

On April 3, 2017, the Company filed its preliminary proxy statement in connection with the Annual Meeting, in which it announced certain changes to its corporate governance practices in apparent response to Richmond Brothers’ public involvement.

On April 5, 2017, Rockwell dismissed Mr. Hagelstein from the Michigan Action.

Also on April 5, 2017, Richmond Brothers filed its preliminary proxy statement in connection with the Annual Meeting.

On April 6, 2017, Richmond Brothers issued a press release announcing the filing of its preliminary proxy statement and expressing its belief that the recently announced changes to Rockwell’s corporate governance practices appear to be in response to Richmond Brothers’ public involvement with the Company. Richmond Brothers also criticized the proposed 2017 LTIP that included an “evergreen” provision that would enable Rockwell to potentially issue over 29 million shares of Common Stock under the 2017 LTIP (without additional shareholder approval) during its 10-year life, if not more, which amounts to approximately 56% of the Company’s currently outstanding shares. Richmond Brothers made clear its belief that this would represent a completely unacceptable level of potential dilution for shareholders.

On April 7, 2017, Richmond Brothers sent an update to its clients regarding its efforts with respect to Rockwell and providing an update on the Michigan Action.

On April 10, 2017, Rockwell dismissed Mr. Paxos from the Michigan Action.

On April 17, 2017, the Company filed a revised preliminary proxy statement that removed the “evergreen” provision from the 2017 LTIP, apparently in response to Richmond Brothers’ public criticism of the plan.

REASONS FOR THE SOLICITATION

WE BELIEVE THAT SIGNIFICANT IMPROVEMENT TO ROCKWELL’S BOARD IS NEEDED NOW

As long-time shareholders of the Company, the members of Richmond Brothers have conducted extensive due diligence on the Company. In doing so, we have carefully analyzed the Company’s operating and financial performance, its corporate governance, and the competitive landscape in the biopharmaceutical industry in which it operates. We have also attempted to engage in a meaningful dialogue with the Board and management team – including multiple attempts over several years – to discuss our concerns and the opportunities that we believe are available to create value for the benefit of all shareholders.

We believe that our knowledge of the Company’s business has given us a solid foundation for analyzing the Company’s strategic initiatives and the incumbent Board and management team’s ability to execute on these strategies, the degree to which the Company exhibits – or does not exhibit – good corporate governance, and the value-enhancing opportunities available to the Company. Unfortunately, the Company’s Board has, in our view, overseen a lengthy period of poor stock price performance, poor execution, a failure to drive shareholder value creation and terrible corporate governance.

After our efforts to engage in constructive dialogue with the Board and management team were repeatedly rebuffed, we felt we were left with no choice other than to nominate an independent candidate for election to the Board, who we believe will be a strong voice in support of improved corporate governance, communication with shareholders and drive for increased shareholder value.

We Are Concerned with the Company’s Stock Price Underperformance

We believe shareholders should be seriously concerned with the Company’s poor stock price performance. As shown in the chart below, the Company has delivered negative returns – and has significantly underperformed the NASDAQ Biotechnology Index (INDEXNASDAQ: NBI) (the “NBI Index”) – over the past one, three, five and ten-year periods.

Total Shareholder Return

	<u>1-Year</u>	<u>3-Year</u>	<u>5-Year</u>	<u>10-Year</u>
RMTI	-24.2%	-52.5%	-38.6%	-21.8%
NBI Index	12.5%	12.4%	151.2%	293.2%
RMTI Underperformance	-36.7%	-64.9%	-189.8%	-315%

Source: Bloomberg

We believe that the Company's poor stock price performance stems from numerous problems that have dogged the Company under the Board's oversight and under the leadership of Chairman and CEO Robert Chioini, including a failure to execute against key strategic initiatives, a failure to monetize the Company's promising drug pipeline, a reluctance to communicate openly with shareholders and abysmal corporate governance – including excessive executive compensation practices. These shortcomings, we believe, have contributed to the Company's total shareholder return lagging the NBI Index by approximately 315% over the past 10 years.

⁵ Reflects total returns for the trailing 1-, 3-, 5-, and 10-year periods through February 20, 2017 (the day prior to Richmond Brothers' public involvement with respect to the Company).

It is evident to us that the significant destruction of shareholder value that has persisted over the near and long term under the leadership of the incumbent Board warrants change in the boardroom.

We Are Concerned with the Company's Poor Corporate Governance Practices and Limitations of Shareholder Rights

We believe that the Company's poor corporate governance has severely limited the ability of shareholders to seek effective and meaningful change at the Company. The Board is classified into three separate classes, meaning its directors are only subject to re-election by shareholders once every three years. We believe that the ability of shareholders to select directors each year is an important check on the performance of the Board and is essential to allow shareholder input on the trajectory of the Company and ensuring the best individuals are on the Board to oversee their investment. It is our view that the Board's current classified structure hinders shareholders' ability to regularly and effectively evaluate directors' performances and both insulates and entrenches the incumbent directors.

Other corporate governance provisions that are problematic, in our view, include the fact that the Company requires action by written consent to be unanimous unless the proposed action is pre-approved by the Board, and the fact that the Company permits shareholders to call special meetings only upon the request of a majority of the outstanding shares. These provisions severely hamper the ability of shareholders to seek effective change between annual meetings. We believe it is contrary to good corporate governance practices for the Board to utilize Rockwell's corporate machinery to insulate itself from the Company's shareholders. Others have taken notice as well – for at least the past two years, leading proxy advisory firm Institutional Shareholder Services Inc. (“ISS”) has assigned Rockwell its worst rating for corporate governance.⁶

We believe that the long tenure of many of the Company's directors demonstrates the degree to which the current Board is entrenched. Of the Company's five current directors, three have been on the Board for 17 years and a fourth has been a member for more than 11 years.⁷ From the foregoing, we believe it is apparent that the current Board has not proactively and continuously added new talent to the Board (or addressed other corporate governance shortcomings) absent shareholder intervention. Indeed, we believe that recent announcements such as naming a Lead Independent Director, nominating a new Board member, forming a Governance and Nominating Committee and implementing a majority voting policy are purely reactive actions by the Company based on wanting to win a proxy contest, rather than an altruistic desire to make much-needed improvements at the Company. Given that Rockwell failed to take any meaningful action to improve its corporate governance practices after ISS recommended a WITHHOLD vote with respect to Rockwell's directors standing for reelection at its past two annual meetings, we are led to believe that when left to its own devices, the Company is not interested in making proactive change absent a looming proxy contest. Simply put, we do not believe that the Company would have implemented its recent corporate governance enhancements without our involvement.

⁶ As of April 4, 2017, the Company maintained an ISS QualityScore of 10, the worst possible score on a scale of 1 to 10, indicating the highest governance risks, and had similarly been assigned a score of 10 by ISS in its benchmark reports for the Company's past two annual meetings.

⁷ Richmond Brothers acknowledges that following the Annual Meeting, two directors will have served on the Board for 17 years and a third will have been a member for more than 11 years as a result of Mr. Holt not standing for reelection at the Annual Meeting.

We are also concerned with Mr. Chioini's dual position as Chairman and CEO of the Company, which we believe is a factor in the Board's ineffective oversight of the Company. Separating the roles of Chairman and CEO is broadly considered a corporate governance best practice as it promotes oversight of risk, curbs conflicts of interests and more effectively manages the relationship between the Board and management. Conversely, combining the Chairman and CEO roles is largely considered by governance experts and commentators to be a governance flaw because of the undue concentration of control and the inherent conflicts.

We Are Concerned with the Company's Executive Compensation Practices

We believe that the Company has exhibited egregious executive compensation practices, which – in our view – reward potential (and the passage of time) rather than actual results. Chairman and CEO Chioini's compensation is significantly above industry standards and he has been granted excessive short-dated stock options – taking advantage of the low stock price we believe he helped create – despite the Company's poor performance.

While public shareholders were significantly diluted by what we believe is appropriately described as the Company's "botched" financing in 2013 (where the Company allowed itself to run so low on funds that short sellers were able to run a classic liquidity squeeze short on the Company), Mr. Chioini has managed to more than make up for this dilution via his excessive option grants. According to the Company's proxy statement, at year-end 2016, Mr. Chioini possessed 2,483,331 exercisable options at various execution prices and an additional 766,669 options that have not vested yet, not to mention the 1,140,000 options that Mr. Chioini has exercised since June 2013 alone.⁸

We believe it is clear that Rockwell's compensation practices have been nothing short of abysmal over the years. ISS has repeatedly raised high levels of concern with respect to the alignment of CEO pay and the Company's performance. Despite the Company's poor performance as noted above, Mr. Chioini's pay was 5.49 times the median of Rockwell's peers in 2014 and 4.61 times the median of its peers in 2015⁹. As such, we find the Company's disclosure in its proxy statement that it has historically "considered the practices of [its] peers and market pay practice when setting compensation for [its] NEOs" to be quite amusing. Did the Company consider and disregard such information? Although executive compensation was lower in 2016, whether that being a product of shareholders defeating the Company's compensation plan (the "2016 LTIP") at the 2016 Annual Meeting or management's fear of facing an advisory vote on executive compensation for the first time in three years, it does not change the fact that a significant amount of value has been transferred to insiders over the years.

Speaking of the 2016 LTIP that was voted down by shareholders at the 2016 Annual Meeting, we believe in large part due to the significant potential value transfer it contemplated, the 2017 LTIP as approved by the Board and initially proposed to shareholders had the potential to be far worse for shareholders and more enriching for insiders. The 2016 LTIP sought to reserve a total of 7,500,000 shares for issuance under its proposed 10-year life. Meanwhile, the 2017 LTIP that was adopted by the Board on March 1, 2017 and unanimously recommended for shareholder approval by

the Board in the Company's preliminary proxy statement had the potential to reserve **far more shares for issuance**. The 2017 LTIP in the form initially adopted by the Board was an "evergreen" plan that would allow the shares reserved for issuance under the 2017 LTIP to be automatically increased by as much as 4% of the total number of outstanding shares each calendar year. Taking into account the 5,000,000 shares initially proposed to be reserved under the 2017 LTIP and the automatic increase, based on the current number of shares outstanding, we believe there could have potentially been **over 29 million shares** issued under the plan during its 10-year life, if not more. We firmly believed this potential amount of dilution was simply unacceptable and criticized the proposed plan in both our preliminary proxy statement filed on April 5, 2017 and the press release we issued on April 6, 2017. It was not until **after we exposed the extreme potential level of dilution** under the version of the 2017 LTIP adopted by the Board on March 1, 2017 and unanimously recommended for shareholder approval by the Board on April 3, 2017 that the Board amended the 2017 LTIP to remove the "evergreen" provision. We consider the removal of the "evergreen" provision from the 2017 LTIP to be a victory for shareholders directly attributed to our campaign, but also just the latest example of the need for direct shareholder representatives in the boardroom who will champion shareholders' best interests.

We are concerned that the Company's poor compensation practices will persist until public shareholders have a voice in the boardroom.

⁸ Information derived from Rockwell's proxy statement and Form 4 filings made by Mr. Chioini.

⁹ According to ISS reports from Rockwell's past two annual meetings.

We Are Concerned with the Company's Failure to Monetize its Promising Drug Candidates and Lack of Transparency with Shareholders

We are concerned that the Company has not been able to monetize its promising drug candidates and that the Company has been reluctant to communicate with shareholders around the progress of its drug pipeline.

In our view, the Company's management has been running the Company in an opaque manner that makes it extremely difficult to recognize its true potential. In fact, we cannot recall the Company discussing its drug pipeline in any level of particularity prior to its earnings call on March 15, 2017, which we believe was a purely reactionary response to our public pressure. Nevertheless, we believe more is left to be done and that the investing public would benefit from information regarding a detailed timeline for bringing the Company's drugs to market, cost data and the size of the market opportunity.

It has now been over two years since the approval of Triferic, the Company's new FDA-approved iron maintenance drug, and more than three years since the approval of Calcitriol, the Company's vitamin D drug. The Company has so far failed to generate any material sales from either of these drugs despite the fact that they are approved. We believe this clearly calls into question management's strategy and competency to successfully build shareholder value.

With regard to Triferic, the Company has never publicly defined the size of the markets of other indications for which Triferic can be used. Additionally, management has failed to put forth a plan and timeline for achieving success in these markets. Furthermore, we believe that the Company has not aggressively developed opportunities for licensing Triferic throughout the world or been sufficiently proactive in developing Triferic for other indications.

With regard to Calcitriol specifically, in February 2017 the Company announced that once again it had failed to get FDA approval to manufacture this drug and would have to start that process over, which will cause a delay of at least four to six months.

In our view, the Company's historical lack of transparency about its drug pipeline and future potential value creation opportunities has adversely impacted the Company's share price performance. If elected, our Nominee will seek to encourage improved communications with shareholders.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company currently has a classified Board, which is divided into three (3) classes. The directors in each class are elected for terms of three (3) years so that the term of office of one (1) class of directors expires at each annual meeting of shareholders. Based on the Company's proxy statement, we believe that the term of one (1) Class II director expires at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our Nominee in opposition to the Company's director nominee for a term ending in 2020. Your vote to elect the Nominee will have the legal effect of replacing one (1) incumbent director of the Company with the Nominee. If elected, the Nominee will represent a minority of the members of the Board, and therefore it is not guaranteed that he will be able to implement any actions that he may believe are necessary to enhance shareholder value, as described in further detail above.

THE NOMINEE

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five (5) years of the Nominee. The nomination was made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. The specific experience, qualifications, attributes and skills that led us to conclude that the Nominee should serve as directors of the Company are set forth above in the section entitled "Reasons for the Solicitation" and below. This information has been furnished to us by the Nominee. The Nominee is a citizen of the United States of America.

Mark H. Ravich, age 64, currently serves as President of Tri-Star Management, Inc., a commercial real estate management and syndication company that he co-founded in 1998. Mr. Ravich has also served as a director of Orchids Paper Products Company (NYSEMKT:TIS), a national supplier of high quality consumer tissue products, since February 2013, where he also serves as Chairman of its Governance Committee and a member of its Audit Committee. Mr. Ravich has also served as a director of each of MR Instruments, Inc., an independent designer and manufacturer of advanced MRI Radiofrequency coils, since June 2004, and Dilon Technologies Inc., a designer and manufacturer of medical imaging solutions, since October 2010. Previously, from 1990 until its sale in 1998, Mr. Ravich served as the Chief Executive Officer and a director of Universal International, Inc., a wholesale retail company, where he also led its IPO. From 1978 to 1990, Mr. Ravich was a developer of commercial real estate where he was involved with all aspects of development, finance, construction, marketing, leasing and management of various commercial, industrial, office and multi-family real estate projects. Mr. Ravich began his career in 1975 as an account officer at Citibank N.A., where he made real estate construction loans to national real estate developers. Mr. Ravich also currently serves as a board advisor to Scidera Inc., a provider of clinical laboratory testing services, and is the chief manager of various real estate entities. Mr. Ravich graduated Magna Cum Laude from the Wharton School of the University of Pennsylvania with a BSE and an MBA degree with a major in finance.

Richmond Brothers believes that Mr. Ravich's prior board experience coupled with his financial expertise will make him a valuable addition to the Board.

The principal business address of Mr. Ravich is 600 South Highway 169, Suite 1660, St. Louis Park, Minnesota 55426.

As of the date hereof, Mr. Ravich directly beneficially owns 354,750 shares of Common Stock, including 70,000 shares underlying certain call options. In addition, as the trustee of each of the NJR Trust, NSR Trust, ACR Trust and ADR Trust (collectively, the “Ravich Trusts”), Mr. Ravich may be deemed the beneficial owner of the 112,900 shares of Common Stock beneficially owned in the aggregate by the Ravich Trusts, as further explained elsewhere in this Proxy Statement. For information regarding transactions in securities of the Company during the past two years by Mr. Ravich and the Ravich Trusts, please see [Schedule I](#).

The Nominee may be deemed to be a member of the Group for the purposes of Section 13(d)(3) of the Exchange Act. The Nominee specifically disclaims beneficial ownership of the securities of the Company that he does not directly own. For information regarding purchases and sales during the past two (2) years by the Nominee and by the members of the Group of securities of the Company, see [Schedule I](#).

On February 20, 2017, RB Inc., RBI PI, RBI Manager, RBI Plan, the Ravich Trusts and Messrs. Richmond, Ravich and Curfman entered into the Group Agreement pursuant to which such parties agreed, among other things, to (i) engage in discussions with the Company regarding means to enhance shareholder value and the corporate governance of the Company and (ii) the joint filing on behalf of each of them of statements on Schedule 13D with respect to the securities of the Company to the extent required by applicable law. On March 21, 2017, RBI PII entered into the Joinder Agreement to the Group Agreement, pursuant to which it agreed to be bound by the terms and conditions set forth therein, including the obligations of a member of the group and the joint filing on behalf of each of them of statements on Schedule 13D, and any amendments thereto, with respect to the securities of the Company.

Other than as stated herein, there are no arrangements or understandings between the members of the Group or any other person or persons pursuant to which the nomination of the Nominee described herein is to be made, other than the consent by the Nominee to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. Other than as stated herein, the Nominee is not a party adverse to the Company or any of its subsidiaries and does not have a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceeding.

The Nominee presently is, and if elected as a director of the Company, the Nominee would, in our view, be, an “independent director” within the meaning of (i) applicable NASDAQ listing standards applicable to board composition, including Rule 5605(a)(2), and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. The Nominee is not a member of the Company’s compensation, nominating or audit committee; the Nominee would, in our view, be deemed independent under any such committee’s applicable independence standards.

We do not expect that the Nominee will be unable to stand for election, but, in the event the Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **BLUE** proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Bylaws and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to the Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying the Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominee(s) in accordance with the Bylaws and shares of Common Stock represented by the enclosed **BLUE** proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting.

WE URGE YOU TO VOTE “FOR” THE ELECTION OF THE NOMINEE ON THE ENCLOSED BLUE PROXY CARD.

PROPOSAL NO. 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As discussed in further detail in the Company's proxy statement, the Company is asking shareholders to indicate their support for the compensation of the Company's named executive officers. This proposal, commonly known as a "Say on Pay" proposal, is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in the Company's proxy statement. Accordingly, the Company is asking shareholders to vote for the following resolution:

"Resolved, that the shareholders approve, on an advisory basis, the compensation paid to the Company's NEOs as disclosed in 'Compensation of Executive Officers and Directors,' including the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in [the Company's] proxy statement."

As disclosed in the Company's proxy statement, the shareholder vote on the Say on Pay proposal is an advisory vote only and is not binding on the Board; however, the Company has disclosed that the Board and the Compensation Committee of the Board will consider the outcome of the vote when making future executive compensation arrangements for the Company's named executive officers.

As explained in the "Reasons for the Solicitation" section above, Richmond Brothers is concerned by Rockwell's compensation practices, including the historical lack of alignment between pay and performance, and encourages shareholders to vote against this Say on Pay proposal.

WE RECOMMEND A VOTE AGAINST THE SAY ON PAY PROPOSAL AND INTEND TO VOTE OUR SHARES "AGAINST" THIS PROPOSAL.

PROPOSAL NO. 3

ADVISORY VOTE ON FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

As discussed in further detail in the Company's proxy statement, applicable rules require the Company to include, at least once every six years, an advisory vote regarding how often shareholders wish to cast the advisory vote on executive compensation. In casting their advisory vote, shareholders may indicate their preference on whether the advisory vote on executive compensation should be held every one, two or three years, or may abstain from voting.

As disclosed in the Company's proxy statement, the shareholder vote on the frequency of the advisory vote on executive compensation is non-binding, meaning that the Board will not be obligated to take any actions or to adjust the frequency of the advisory vote on executive compensation as a result of the vote. Although the vote is non-binding, the Company has disclosed that the Board will consider the outcome of the vote when determining the frequency of future advisory votes on executive compensation. The Company further disclosed that the Board may decide that it is in the best interests of the Company's shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by shareholders. The Company indicated that the next "Say on Pay" advisory vote will be at the 2020 annual meeting unless the Board changes the frequency following the advisory vote on the proposal relating to the frequency of the "Say on Pay" vote.

We believe that conducting the advisory vote on executive compensation every year is appropriate for the Company because it provides shareholders the opportunity to provide frequent feedback on the Company's overall compensation philosophy, design and implementation.

WE RECOMMEND A VOTE FOR "ONE YEAR" WITH RESPECT TO THE ADVISORY VOTE ON THE FREQUENCY OF THE EXECUTIVE COMPENSATION VOTE AND INTEND TO VOTE OUR SHARES FOR "ONE YEAR" ON THIS PROPOSAL.

PROPOSAL NO. 4

APPROVAL OF THE COMPANY'S 2017 LONG TERM INCENTIVE PLAN

As discussed in further detail in the Company's proxy statement, the Board adopted the Rockwell Medical, Inc. 2017 Long Term Incentive Plan, or 2017 LTIP, on March 1, 2017, subject to the approval of the Company's shareholders. Accordingly, the Company is asking shareholders to approve the 2017 LTIP.

As disclosed in the Company's proxy statement, the Company's current equity-based compensation plan, the 2007 Long Term Incentive Plan, as amended, expired on April 11, 2017, and if the 2017 LTIP is not approved by shareholders, the Company will have no ability to use equity-based compensation for its executives.

As noted in the "Reasons for the Solicitation" section above, the 2017 LTIP that was adopted by the Board on March 1, 2017 and unanimously recommended for shareholder approval by the Board had the potential to be far worse for shareholders and more enriching for insiders than the 2016 LTIP that shareholders defeated at the 2016 Annual Meeting. The 2017 LTIP in the form initially adopted by the Board was an "evergreen" plan that would have allowed the shares reserved for issuance under the 2017 LTIP to be automatically increased by as much as 4% of the total number of outstanding shares each calendar year. Taking into account the 5,000,000 shares initially proposed to be reserved under the 2017 LTIP and the automatic increase, based on the current number of shares outstanding, we believe there could have potentially been over 29 million shares issued under the plan during its 10-year life, if not more. We firmly believed this potential amount of dilution was simply unacceptable and criticized the proposed plan in both our preliminary proxy statement filed on April 5, 2017 and the press release we issued on April 6, 2017. It was not until after we exposed the extreme potential level of dilution under the version of the 2017 LTIP adopted by the Board on March 1, 2017 and unanimously recommended for shareholder approval by the Board on April 3, 2017 that the Board amended the 2017 LTIP to remove the "evergreen" provision. With the removal of the "evergreen" provision, there will be 5,000,000 shares reserved for issuance under the 2017 LTIP if it is approved.

Although we consider the removal of the "evergreen" provision to be a victory for shareholders, without a direct shareholder representative on the Board to oversee the administration of the 2017 LTIP, we encourage our fellow shareholders to vote against approval of the 2017 LTIP.

WE RECOMMEND A VOTE AGAINST THE APPROVAL OF THE 2017 LTIP AND INTEND TO VOTE OUR SHARES "AGAINST" THIS PROPOSAL.

PROPOSAL NO. 5

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has selected Plante & Moran, PLLC as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017. The Company is submitting the selection of Plante & Moran, PLLC for ratification of the shareholders at the Annual Meeting.

As disclosed in the Company's proxy statement, shareholder approval is not required to appoint Plante & Moran, PLLC as the Company's independent registered public accounting firm, but the Company is submitting the selection of Plante & Moran, PLLC to shareholders for ratification as a matter of good corporate governance and to help ensure that the Company will have the necessary quorum at the Annual Meeting. The Company has disclosed that if shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Plante & Moran, PLLC; further, even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the Company's best interests and those of its shareholders.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION OF THE SELECTION OF PLANTE & MORAN, PLLC AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE 2017 FISCAL YEAR AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

VOTING AND PROXY PROCEDURES

Only shareholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Shareholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares. Shareholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date. Based on publicly available information, Richmond Brothers believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Common Stock.

Shares of Common Stock represented by properly executed **BLUE** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of the Nominee, **AGAINST** the Say on Pay proposal, **ONE YEAR** with respect to the advisory vote on the frequency of shareholder advisory votes on the compensation of the named executive officers, **AGAINST** the approval of the 2017 LTIP, and **FOR** the ratification of the selection of Plante & Moran, PLLC as the independent registered public accounting firm of the Company for the 2017 fiscal year.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate one (1) candidate for election at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only our Nominee. Accordingly, the enclosed **BLUE** proxy card may only be voted for the Nominee and does not confer voting power with respect to the Company's nominee. The participants in this solicitation intend to vote the shares over which they exercise voting discretion in favor of the Nominee. Shareholders should refer to the Company's proxy statement for the name, background, qualifications and other information concerning the Company's nominee.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of at least a majority of the outstanding shares of Common Stock as of the Record Date will be considered a quorum for the transaction of business.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by "broker non-votes" also are counted as present and entitled to vote for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a "broker non-vote"). Under applicable rules, your broker will not have discretionary authority to vote your shares at the Annual Meeting on any of the proposals.

If you are a shareholder of record, you must deliver your vote by mail, attend the Annual Meeting in person and vote, vote by Internet or vote by telephone in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on the proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors According to the Company's proxy statement, the Company has adopted a majority voting policy in uncontested elections and a plurality vote standard contested director elections. As a result of our nomination, the director election at the Annual Meeting will be contested, so the one (1) nominee for director receiving the highest vote total will be elected as a director of the Company. With respect to the election of directors, only votes cast "FOR" a nominee will be counted. Proxy cards specifying that votes should be withheld with respect to a nominee will result in that nominee receiving fewer votes but will not count as a vote against the nominee. Neither an abstention nor a broker non-vote will count as a vote cast "FOR" or "AGAINST" a director nominee. Therefore, abstentions and broker non-votes will have no direct effect on the outcome of the election of directors.

Advisory Vote on Executive Compensation According to the Company's proxy statement, although the vote is non-binding, assuming that a quorum is present, a majority of the votes cast is required to approve the Say on Pay proposal. The Company has indicated that abstentions and broker non-votes will have no effect on the proposal.

Advisory Vote on Frequency of Advisory Vote on Executive Compensation According to the Company's proxy statement, although the vote is non-binding, assuming that a quorum is present, the advisory vote on the frequency of the advisory vote on executive compensation will be determined by a plurality of the votes cast. Shareholders may vote "ONE YEAR," "TWO YEARS," "THREE YEARS" or "ABSTAIN" with respect to the advisory vote on the frequency of advisory votes on executive compensation. The Company has indicated that broker non-votes and abstentions will have no effect on the approval of the proposal.

Approval of the 2017 LTIP According to the Company's proxy statement, assuming that a quorum is present, a majority of the votes cast is required to approve the 2017 LTIP. The Company has indicated that abstentions and broker non-votes will have no effect on the proposal.

Ratification of the Selection of Accounting Firm According to the Company's proxy statement, assuming that a quorum is present, a majority of the votes cast is required to ratify Plante & Moran, PLLC as the Company's independent registered public accounting firm. The Company has indicated that abstentions and broker non-votes will have no effect on the proposal.

Under applicable Michigan law, none of the holders of Common Stock is entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your **BLUE** proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with Richmond Brothers' recommendations specified herein and in accordance with the discretion of the persons named on the **BLUE** proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

Shareholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although, attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Richmond Brothers in care of Saratoga at the address set forth on the back cover of this Proxy Statement or to the Company at 30142 Wixom Road, Wixom, Michigan 48393 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Richmond Brothers in care of Saratoga at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the shares entitled to be voted at the Annual Meeting.

Additionally, Saratoga may use this information to contact shareholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominee.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEE TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED BLUE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by Richmond Brothers. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

Members of Richmond Brothers have entered into an agreement with Saratoga for solicitation and advisory services in connection with this solicitation, for which Saratoga will receive a fee not to exceed \$80,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Saratoga will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Richmond Brothers has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. Richmond Brothers will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Saratoga will employ approximately 20 persons to solicit shareholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by Richmond Brothers. Costs of this solicitation of proxies are currently estimated to be approximately \$750,000 (including, but not limited to, fees for attorneys, solicitors and other advisors, and other costs incidental to the solicitation). Richmond Brothers estimates that through the date hereof its expenses in connection with this solicitation are approximately \$340,000. To the extent legally permissible, if Richmond Brothers is successful in its proxy solicitation, Richmond Brothers intends to seek reimbursement from the Company for the expenses it incurs in connection with this solicitation. Richmond Brothers does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

Please be advised that the Michigan Action, as further described elsewhere in this Proxy Statement, remains ongoing. Although Richmond Brothers believes the allegations in the Michigan Action are meritless, part of Rockwell's requested relief is that Richmond Brothers could be enjoined from voting shares of Common Stock or soliciting proxies at the Annual Meeting depending on the court's ruling. Please be advised that, depending on the outcome of the litigation, there is a risk that shares represented by a **BLUE** proxy card may not be voted or counted at the Annual Meeting.

With respect to the Nominee, none of the events enumerated in Item 401(f)(1)-(8) of Regulation S-K of the Exchange Act occurred during the past ten (10) years.

OTHER MATTERS AND ADDITIONAL INFORMATION

Richmond Brothers is unaware of any other matters to be considered at the Annual Meeting. However, should other matters, which Richmond Brothers is not aware of at a reasonable time before this solicitation, be brought before the Annual Meeting, the persons named as proxies on the enclosed **BLUE** proxy card will vote on such matters in their discretion.

SHAREHOLDER PROPOSALS

The Company has not yet publicly disclosed the deadline for shareholders to submit a proposal in order to be considered for inclusion in the Company's proxy statement and the form of proxy for the Company's 2018 Annual Meeting of Shareholders (the "2018 Annual Meeting"). Similarly, the Company has not yet publicly disclosed the deadline for any proposal that is not submitted for inclusion in the Company's proxy statement, but is instead sought to be presented directly at the 2018 Annual Meeting; however, under the Bylaws, any such proposal must be delivered to the Company's Secretary not less than ninety (90) days nor more than one-hundred and twenty (120) days prior to the first anniversary of the preceding year's annual meeting (subject to certain exceptions if the annual meeting is advanced or delayed a certain number of days). Once the Company publicly discloses these deadlines, Richmond Brothers intends to supplement this Proxy Statement with such information and file revised definitive materials with the Securities and Exchange Commission.

All shareholder proposals and notices of intention to present proposals at the 2018 Annual Meeting must be addressed to the Company's Corporate Secretary at 30142 Wixom Road, Wixom, Michigan 48393.

The information set forth above regarding the procedures for submitting shareholder proposals for consideration at the 2018 Annual Meeting is based on information contained in the Company's proxy statement and the Bylaws. The incorporation of this information in this proxy statement should not be construed as an admission by Richmond Brothers that such procedures are legal, valid or binding.
