Section 2 - Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

On April 13, 2012, PPL Corporation (“PPL”) issued a press release announcing that it had completed its previously announced acquisition of AES Ironwood, L.L.C. and AES Prescott, L.L.C., the owners of the 705 megawatt AES Ironwood combined-cycle natural-gas-fired power plant located in Lebanon, Pennsylvania (the “Ironwood Facility”). Upon completion of the acquisition, the Ironwood Facility is owned by PPL Ironwood, LLC, an indirect wholly owned subsidiary of PPL Energy Supply, LLC.

The acquisition is not expected to have a material impact on PPL's earnings or financing plans.

Section 9 - Financial Statements and Exhibits

Item 9.01 Financial Statements and Exhibits

A copy of the press release announcing the closing of the acquisition is filed as Exhibit 99.1.

(d) Exhibits

- 99.1 - Press release, dated April 13, 2012, announcing completion of the acquisition by PPL of AES Ironwood, L.L.C. and AES Prescott, L.L.C.

Statements contained in this Current Report on Form 8-K, including statements with respect to future earnings and generation operations are “forward-looking statements” within the meaning of the federal securities laws. Although PPL and PPL Energy Supply believe the expectations and assumptions reflected in these forward-looking statements are reasonable, these statements are subject to a number of risks and uncertainties, and actual results may differ materially from the results discussed in the statements. Among the important factors that could cause actual results to differ materially from the forward-looking statements are: market demand and prices for energy, capacity and fuel; weather conditions affecting customer energy usage and operating costs; competition in power markets; the effect of any business or industry restructuring; the profitability and liquidity of PPL Corporation and its subsidiaries; operating performance of plants and other facilities; the length of scheduled and unscheduled outages at our plants; environmental conditions and requirements and the related costs of compliance, including environmental capital expenditures and emission allowance and other expenses; system conditions and operating costs; development of new projects, markets and technologies; performance of new ventures; asset or business acquisitions and dispositions; the market prices of equity securities and the impact on pension income and resultant cash funding requirements for defined benefit pension plans; and the commitments and liabilities of PPL Corporation and its subsidiaries. Any such forward-looking statements should be considered in light of such important factors and in conjunction with PPL Corporation's Form 10-K and other reports on file with the Securities and Exchange Commission.
