Item 4.01. Changes in Registrant's Certifying Accountant

(a) As previously reported, on October 31, 2005, BDO Seidman, LLP ("BDO") informed General Kinetics Incorporated (the "Company") that BDO has declined to stand for reelection as the Company's independent registered public accounting firm. The Company's Audit Committee is in discussions with an independent registered public accounting firm and anticipates selecting a new independent registered public accounting firm within the next several weeks.

Except as noted in the next sentence, the audit reports of BDO on the financial statements of the Company for the fiscal years ended May 31, 2005 and 2004 did not contain any adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. The reports of BDO on the Company's financial statements for the fiscal years ended May 31, 2005 and 2004 included an explanatory paragraph that noted substantial doubt about the Company's ability to continue as a going concern.

During the fiscal years ended May 31, 2005 and 2004 and through the subsequent interim period ended October 31, 2005, the Company had no disagreement with BDO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of BDO, would have caused it to make reference to the subject matter thereof in connection with its reports. During the fiscal years ended May 31, 2005 and 2004 and through the subsequent interim period ended October 31, 2005, other than as disclosed below, there have been no "reportable events" pursuant to Item 304(a)(1)(v) of Regulation S-K. The term "reportable events" means any of the items listed in Item 304(a)(1)(v)(A)-(D) of Regulation S-K.

Material Weakness Reported for the Year ended May 31, 2005

As previously disclosed in the Company's annual report on Form 10-K filed on September 13, 2005, the Company, in conjunction with BDO, determined that material weaknesses exist in the internal control structure of the Company, due in particular to the lack of appropriate resources dedicated to external financial reporting.

The Company has authorized BDO to respond fully to inquiries of the successor accountant concerning the subject matter of the material weakness.

The Company has provided a copy of the above disclosures to BDO and has requested that it furnish a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements and, if not, stating the respects in which it does not agree. The Company will file BDO's letter as an exhibit to an amendment to this Form 8-K/A once the Company has received such letter.
