Item 1.01. Entry into a Material Definitive Agreement.

On November 30, 2010, Baltic Trading Limited (the “Company”) entered into an Amended and Restated Credit Agreement (the “Amended and Restated Credit Agreement”) in relation to its senior secured revolving credit facility (the “Credit Facility”). The Company had previously disclosed the bank commitment for this amendment and restatement in its earnings press release dated November 3, 2010 announcing its financial results for the third quarter of 2010. The lenders under the credit facility are Nordea Bank Finland plc, acting through its New York branch, and Skandinaviska Enskilda Banken AB.

Among other things, the Amended and Restated Credit Agreement implements the following modifications to the terms of the Credit Facility, which the Company had originally entered into on April 16, 2010:

- The commitment amount has increased to \$150 million from \$100 million under the original Credit Facility.
- Amounts borrowed will bear interest at LIBOR plus a margin of 3.00% as compared to 3.25% under the original Credit Facility.
- The term of the Credit Facility has been extended to six years from the approximately 3.5 years that were remaining under the original Credit Facility.
- The repayment structure has been modified to provide for eleven semi-annual commitment reductions of \$5.0 million each with a balloon payment at the maturity date of the facility.

Borrowings of up to \$25 million under the Credit Facility continue to be available for working capital purposes.

A copy of the Amended and Restated Credit Facility is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference to such exhibit. The foregoing description of the Amended and Restated Credit Agreement does not purport to be complete and is qualified in its entirety by reference to such exhibit.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
