Item 4. Purpose of Transaction

BIG acquired its shares of MACC under the terms of an agreement with Zions First National Bank, a national banking association ("Zions"), which gave Atlas, or an affiliate designated by it, the right to acquire all of the MACC Shares held by Zions, consisting of approximately 804,689 shares, or 34.5% of the outstanding stock of MACC, for an aggregate purchase price of \$3.2 million. In connection with this acquisition, BIG entered into a shareholder and voting agreement with Atlas, granting Atlas the right effective upon execution to vote the MACC Shares acquired by BIG from Zions for an initial period of six years. The agreement may be extended for up to six years. BIG also agreed not to sell these shares during an initial period of three years and to limitations on the amount of MACC Shares it could sell during the following three-year period. From the end of the initial lock-up period until the termination of the agreement, Atlas holds a right of first purchase and a right of first refusal to purchase any MACC Shares that BIG wishes to sell. In connection with this acquisition, Robert Madsen also entered into a shareholder and voting agreement with Atlas on substantially the same terms as the BIG agreement, provided that Atlas agrees to follow the direction of Kent Madsen in voting the Robert Madsen shares except in certain limited circumstances.

Kent Madsen, Woolley, Bridgewater, Stevens and Efstratis were appointed Voting Managing Directors of Atlas pursuant to the Second Amended and Restated Limited Liability Company Operating Agreement of Atlas (the "Restated Agreement"). Pursuant to the terms of the Restated Agreement, the Voting Managing Directors of Atlas have the authority to vote the MACC Shares held by Atlas.

The MACC Shares held by BIG, Kent Madsen, Robert Madsen, Stevens, Efstratis and Woolley were acquired for investment purposes. The Reporting Persons will review their holdings from time to time and may increase or decrease their holdings in MACC as future circumstances may dictate. Such transactions may be made at any time without prior notice. There can be no assurance, however, that the Reporting Persons will take any such actions.
