Item 1.01. Entry into a Material Definitive Agreement.

On April 2, 2008, Access Integrated Technologies, Inc. (together with its subsidiaries, the "Company") announced that its subsidiary, Christie/AIX, Inc., completed an interest rate swap (the "Swap") with HSBC Bank USA, National Association, as counterparty under a 2002 ISDA Master Agreement dated as of April 2, 2008 (the "Master Agreement"), as supplemented by a schedule (the "Schedule") and confirmation (the "Confirmation") related thereto. The Swap contains customary representations and warranties and covenants and may be terminated prior to its expiration, including as a result of the prepayment of the Company's senior credit facility with General Electric Capital Corporation (the "Credit Facility").

The Company entered into the Swap, arranged by GE Corporate Financial Services, which will take effect commencing August 1, 2008 and will terminate on August 1, 2010, in accordance with the terms of the Credit Facility in order to hedge the floating rate interest risk for 90% of the amount outstanding thereunder. The Company is required to make monthly payments to the counterparty based on a fixed rate of interest on a notional amount in exchange for receiving floating payments from the counterparty based on a LIBOR rate plus the applicable margin. The interest rate swap effectively fixes the annual interest rate payable on 90% of the Company's debt under the Credit Facility at 7.3%.

The descriptions of the Master Agreement, the Schedule and the Confirmation set forth above are qualified in their entirety by reference to the Master Agreement, the Schedule and the Confirmation, which are attached as Exhibits 10.1, 10.2 and 10.3, respectively, and are incorporated herein by reference.

On April 2, 2008, the Company issued a press release relating to the Swap, a copy of which is attached hereto as Exhibit 99.1.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
