### Item 4. Description of Securities

-----

Not Applicable

### Item 5. Interests of Named Experts and Counsel

-----

Not Applicable

### Item 6. Indemnification of Directors and Officers

-----

Article XIV of the Registrant's Articles of Incorporation requires indemnification of any person who is or was a director, officer or agent of the Registrant and who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that the person is or was an agent of the Registrant, against expenses, judgments, fines and amounts paid in settlement and incurred by that person in connection with such action, suit or proceeding. However, this indemnity does not apply to: (a) acts or omissions finally adjudged to violate law; (b) conduct finally adjudged to violate Section 23B.08.310 (relating to unlawful distributions by the corporation) of the Revised Code of Washington ("RCW") or (c) any transaction with respect to which it was

Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

finally adjudged that the person received a benefit in money, property or services to which that person was not legally entitled. Article XIV also provides for the authority to purchase insurance with respect thereto.

The Revised Code of Washington provides for indemnification of directors, officers, employees and agents in certain circumstances. RCW 23B.08.510 provides that a corporation may indemnify an individual made a party to a proceeding because the individual is or was a director against liability incurred in the proceeding if (a) the director acted in good faith, (b) the director reasonably believed that the director's conduct was in the best interests of the corporation, or in certain instances, at least not opposed to its best interests and (c) in the case of any criminal proceeding, the director had no reasonable cause to believe the director's conduct was unlawful. However, a corporation may not indemnify a director under this section (a) in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation or (b) in connection with any other proceeding charging improper personal benefit to the director in which the director was adjudged liable on the basis that personal benefit was improperly received by the director. RCW 23B.08.520 provides that unless limited by the articles of incorporation, a corporation must indemnify a director who was wholly successful in the defense of any proceeding to which the director was a party because of being a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding. RCW 23B.08.540 provides a mechanism for court-ordered indemnification.

RCW 23B.08.530 provides that a corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if (a) the director furnishes a written affirmation of the director's good faith belief that the director has met the standard of conduct described in RCW 23B.08.510 and (b) the director furnishes a written undertaking to repay the advance if it is ultimately determined that the director did not meet the standard of conduct.

RCW 23B.08.570 provides that unless a corporation's articles of incorporation provide otherwise, (1) an officer of the corporation who is not a director is entitled to mandatory indemnification under RCW 23B.08.520, and is entitled to apply for court-ordered indemnification under RCW 23B.08.540, (2) the corporation may indemnify and advance expenses under RCW 23B.08.510 through 23B.08.560 to an officer, employee, or agent of the corporation who is not a director to the same extent as to a director and (3) a corporation may also indemnify and advance expenses to an officer, employee, or agent who is not a director to the extent, consistent with law, that may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors or contract. RCW 23B.08.580 provides that a corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee or agent of the corporation against liability asserted against or incurred by the individual in that capacity, whether or not the corporation would have power to indemnify the individual against the same liability under RCW 23B.08.510 or 23B.08.520.

Item 9. Undertakings

-----

(a) The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change in such information in the Registration Statement; provided,

## Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

however, that clauses (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

2. That, for the purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officer and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction

the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

For purposes of this opinion, we have also assumed that (i) the shares of Common Stock issuable pursuant to contributions made under the 401(k) Plan will continue to be validly authorized on the dates the Common Stock is issued pursuant to such contributions, (ii) the shares of Common Stock issuable pursuant to the exercise of Options will continue to be validly authorized on the dates the Common Stock is issued pursuant to the exercise of the Options, (iii) on the dates the Options are exercised, the Options will constitute valid, legal and binding obligations of the Company and will be enforceable as to the Company in accordance with their terms (subject to applicable bankruptcy, moratorium, insolvency, reorganization and other laws and legal principles affecting the enforceability of creditors' rights generally), (iv) no change occurs in applicable law or the pertinent facts, (v) the contributions are made in accordance with the terms of the Plan, (vi) the Options are exercised in accordance with the terms of the Plan and any separate agreement evidencing the grant of such Options pursuant to the Plan and the exercise price due therefor, if any, is paid in accordance with the terms thereof and (vii) the provisions of "blue sky" and other securities laws as may be applicable have been complied with to the extent required.

EGTRRA  
AMENDMENT TO THE  
  
TIMBERLAND BANK  
401(K) PROFIT SHARING PLAN

ARTICLE I  
PREAMBLE

- 1.1 Adoption and effective date of amendment. This amendment of the plan is adopted to reflect certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"). This amendment is intended as good faith compliance with the requirements of EGTRRA and is to be construed in accordance with EGTRRA and guidance issued thereunder. Except as otherwise provided, this amendment shall be effective as of the first day of the first plan year beginning after December 31, 2001.
- 1.2 Adoption by prototype sponsor. Except as otherwise provided herein, pursuant to Section 5.01 of Revenue Procedure 2000-20 (or pursuant to the corresponding provision in Revenue Procedure 89-9 or Revenue Procedure 89-13), the sponsor hereby adopts this amendment on behalf of all adopting employers.
- 1.3 Supersession of inconsistent provisions. This amendment shall supersede the provisions of the plan to the extent those provisions are inconsistent with the provisions of this amendment.

ARTICLE II  
ADOPTION AGREEMENT ELECTIONS

-----  
The questions in this Article II only need to be completed in order to override the default provisions set forth below. If all of the default provisions will apply, then these questions should be skipped.

Unless the employer elects otherwise in this Article II, the following defaults apply:

- 1) The vesting schedule for matching contributions will be a 6 year graded schedule (if the plan currently has a graded schedule that does not satisfy EGTRRA) or a 3 year cliff schedule (if the plan currently has a cliff schedule that does not satisfy EGTRRA), and such schedule will apply to all matching contributions (even those made prior to 2002).
- 2) Rollovers are automatically excluded in determining whether the \$5,000 threshold has been exceeded for automatic cash-outs (if the plan is not subject to the qualified joint and survivor annuity rules and provides for automatic cash-outs). This is applied to all participants regardless of when the distributable event occurred.
- 3) The suspension period after a hardship distribution is made will be 6 months and this will only apply to hardship distributions made after 2001.
- 4) Catch-up contributions will be allowed.
- 5) For target benefit plans, the increased compensation limit of \$200,000 will be applied retroactively (i.e., to years prior to 2002).

-----  
2.1 Vesting Schedule for Matching Contributions

If there are matching contributions subject to a vesting schedule that does not satisfy EGTRRA, then unless otherwise elected below, for

Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

participants who complete an hour of service in a plan year beginning after December 31, 2001, the following vesting schedule will apply to all matching contributions subject to a vesting schedule:

If the plan has a graded vesting schedule (i.e., the vesting schedule includes a vested percentage that is more than 0% and less than 100%) the following will apply:

Years of vesting service	Nonforfeitable percentage
2	20%
3	40%
4	60%
5	80%
6	100%

If the plan does not have a graded vesting schedule, then matching contributions will be nonforfeitable upon the completion of 3 years of vesting service.

In lieu of the above vesting schedule, the employer elects the following schedule:

- a.  3 year cliff (a participant's accrued benefit derived from employer matching contributions shall be nonforfeitable upon the participant's completion of three years of vesting service).
- b.  6 year graded schedule (20% after 2 years of vesting service and an additional 20% for each year thereafter).
- c.  Other (must be at least as liberal as a. or the b. above):

1

Years of vesting service	Nonforfeitable percentage
-----	-----%
-----	-----%
-----	-----%
-----	-----%
-----	-----%

The vesting schedule set forth herein shall only apply to participants who complete an hour of service in a plan year beginning after December 31, 2001, and, unless the option below is elected, shall apply to all matching contributions subject to a vesting schedule.

- d.  The vesting schedule will only apply to matching contributions made in plan years beginning after December 31, 2001 (the prior schedule will apply to matching contributions made in prior plan years).

2.2 Exclusion of Rollovers in Application of Involuntary Cash-out Provisions (for profit sharing and 401(k) plans only). If the plan is not subject to the qualified joint and survivor annuity rules and includes involuntary cash-out provisions, then unless one of the options below is elected, effective for distributions made after December 31, 2001, rollover contributions will be excluded in determining the value of the participant's nonforfeitable account balance for purposes of the plan's involuntary cash-out rules.

## Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

- a.  Rollover contributions will not be excluded.
- b.  Rollover contributions will be excluded only with respect to distributions made after \_\_\_\_\_ . (Enter a date no earlier than December 31, 2001.)
- c.  Rollover contributions will only be excluded with respect to participants who separated from service after \_\_\_\_\_ . (Enter a date. The date may be earlier than December 31, 2001.)
- 2.3 Suspension period of hardship distributions. If the plan provides for hardship distributions upon satisfaction of the safe harbor (deemed) standards as set forth in Treas. Reg. Section 1.401(k)-1(d)(2)(iv), then, unless the option below is elected, the suspension period following a hardship distribution shall only apply to hardship distributions made after December 31, 2001.  
 With regard to hardship distributions made during 2001, a participant shall be prohibited from making elective deferrals and employee contributions under this and all other plans until the later of January 1, 2002, or 6 months after receipt of the distribution.
- 2.4 Catch-up contributions (for 401(k) profit sharing plans only): The plan permits catch-up contributions (Article VI) unless the option below is elected.  
 The plan does not permit catch-up contributions to be made.
- 2.5 For target benefit plans only: The increased compensation limit (\$200,000 limit) shall apply to years prior to 2002 unless the option below is elected.  
 The increased compensation limit will not apply to years prior to 2002.

### ARTICLE III VESTING OF MATCHING CONTRIBUTIONS

- 3.1 Applicability. This Article shall apply to participants who complete an Hour of Service after December 31, 2001, with respect to accrued benefits derived from employer matching contributions made in plan years beginning after December 31, 2001. Unless otherwise elected by the employer in Section 2.1 above, this Article shall also apply to all such participants with respect to accrued benefits derived from employer matching contributions made in plan years beginning prior to January 1, 2002.
- 3.2 Vesting schedule. A participant's accrued benefit derived from employer matching contributions shall vest as provided in Section 2.1 of this amendment.

### ARTICLE IV INVOLUNTARY CASH-OUTS

- 4.1 Applicability and effective date. If the plan provides for involuntary cash-outs of amounts less than \$5,000, then unless otherwise elected in Section 2.2 of this amendment, this Article shall apply for distributions made after December 31, 2001, and shall apply to all participants. However, regardless of the preceding, this Article shall not apply if the plan is subject to the qualified joint and survivor annuity requirements of Sections 401(a)(11) and 417 of the Code.
- 4.2 Rollovers disregarded in determining value of account balance for involuntary distributions. For purposes of the Sections of the plan that

## Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

provide for the involuntary distribution of vested accrued benefits of \$5,000 or less, the value of a participant's nonforfeitable account balance shall be determined without regard to that portion of the account balance that is attributable to rollover contributions (and earnings allocable thereto) within the meaning of Sections 402(c), 403(a)(4), 403(b)(8), 408(d)(3)(A)(ii), and 457(e)(16) of the Code. If the value of the participant's nonforfeitable account balance as so determined is \$5,000 or less, then the plan shall immediately distribute the

2

participant's entire nonforfeitable account balance.

### ARTICLE V HARDSHIP DISTRIBUTIONS

- 5.1 Applicability and effective date. If the plan provides for hardship distributions upon satisfaction of the safe harbor (deemed) standards as set forth in Treas. Reg. Section 1.401(k)-1(d)(2)(iv), then this Article shall apply for calendar years beginning after 2001.
- 5.2 Suspension period following hardship distribution. A participant who receives a distribution of elective deferrals after December 31, 2001, on account of hardship shall be prohibited from making elective deferrals and employee contributions under this and all other plans of the employer for 6 months after receipt of the distribution. Furthermore, if elected by the employer in Section 2.3 of this amendment, a participant who receives a distribution of elective deferrals in calendar year 2001 on account of hardship shall be prohibited from making elective deferrals and employee contributions under this and all other plans until the later of January 1, 2002, or 6 months after receipt of the distribution.

### ARTICLE VI CATCH-UP CONTRIBUTIONS

Catch-up Contributions. Unless otherwise elected in Section 2.4 of this amendment, all employees who are eligible to make elective deferrals under this plan and who have attained age 50 before the close of the plan year shall be eligible to make catch-up contributions in accordance with, and subject to the limitations of, Section 414(v) of the Code. Such catch-up contributions shall not be taken into account for purposes of the provisions of the plan implementing the required limitations of Sections 402(g) and 415 of the Code. The plan shall not be treated as failing to satisfy the provisions of the plan implementing the requirements of Section 401(k)(3), 401(k)(11), 401(k)(12), 410(b), or 416 of the Code, as applicable, by reason of the making of such catch-up contributions.

### ARTICLE VII INCREASE IN COMPENSATION LIMIT

Increase in Compensation Limit. The annual compensation of each participant taken into account in determining allocations for any plan year beginning after December 31, 2001, shall not exceed \$200,000, as adjusted for cost-of-living increases in accordance with Section 401(a)(17)(B) of the Code. Annual compensation means compensation during the plan year or such other consecutive 12-month period over which compensation is otherwise determined

## Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

under the plan (the determination period). If this is a target benefit plan, then except as otherwise elected in Section 2.5 of this amendment, for purposes of determining benefit accruals in a plan year beginning after December 31, 2001, compensation for any prior determination period shall be limited to \$200,000. The cost-of-living adjustment in effect for a calendar year applies to annual compensation for the determination period that begins with or within such calendar year.

### ARTICLE VIII PLAN LOANS

Plan loans for owner-employees or shareholder-employees. If the plan permits loans to be made to participants, then effective for plan loans made after December 31, 2001, plan provisions prohibiting loans to any owner-employee or shareholder-employee shall cease to apply.

### ARTICLE IX LIMITATIONS ON CONTRIBUTIONS (IRC SECTION 415 LIMITS)

- 9.1 Effective date. This Section shall be effective for limitation years beginning after December 31, 2001.
- 9.2 Maximum annual addition. Except to the extent permitted under Article VI of this amendment and Section 414(v) of the Code, if applicable, the annual addition that may be contributed or allocated to a participant's account under the plan for any limitation year shall not exceed the lesser of:
- a. \$40,000, as adjusted for increases in the cost-of-living under Section 415(d) of the Code, or
  - b. 100 percent of the participant's compensation, within the meaning of Section 415(c) (3) of the Code, for the limitation year.

The compensation limit referred to in b. shall not apply to any contribution for medical benefits after separation from service (within the meaning of Section 401(h) or Section 419A(f) (2) of the Code) which is otherwise treated as an annual addition.

### ARTICLE X MODIFICATION OF TOP-HEAVY RULES

- 10.1 Effective date. This Article shall apply for purposes of determining whether the plan is a top-heavy plan under

3

Section 416(g) of the Code for plan years beginning after December 31, 2001, and whether the plan satisfies the minimum benefits requirements of Section 416(c) of the Code for such years. This Article amends the top-heavy provisions of the plan.

- 10.2 Determination of top-heavy status.
- 10.2.1 Key employee. Key employee means any employee or former employee (including any deceased employee) who at any time during the plan year that includes the determination date was an officer of the employer having annual compensation greater than \$130,000 (as adjusted under

## Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

Section 416(i)(1) of the Code for plan years beginning after December 31, 2002), a 5-percent owner of the employer, or a 1-percent owner of the employer having annual compensation of more than \$150,000. For this purpose, annual compensation means compensation within the meaning of Section 415(c)(3) of the Code. The determination of who is a key employee will be made in accordance with Section 416(i)(1) of the Code and the applicable regulations and other guidance of general applicability issued thereunder.

10.2.2 Determination of present values and amounts. This Section 10.2.2 shall apply for purposes of determining the present values of accrued benefits and the amounts of account balances of employees as of the determination date.

a. Distributions during year ending on the determination date. The present values of accrued benefits and the amounts of account balances of an employee as of the determination date shall be increased by the distributions made with respect to the employee under the plan and any plan aggregated with the plan under Section 416(g)(2) of the Code during the 1-year period ending on the determination date. The preceding sentence shall also apply to distributions under a terminated plan which, had it not been terminated, would have been aggregated with the plan under Section 416(g)(2)(A)(i) of the Code. In the case of a distribution made for a reason other than separation from service, death, or disability, this provision shall be applied by substituting "5-year period" for "1-year period."

b. Employees not performing services during year ending on the determination date. The accrued benefits and accounts of any individual who has not performed services for the employer during the 1-year period ending on the determination date shall not be taken into account.

10.3 Minimum benefits.

10.3.1 Matching contributions. Employer matching contributions shall be taken into account for purposes of satisfying the minimum contribution requirements of Section 416(c)(2) of the Code and the plan. The preceding sentence shall apply with respect to matching contributions under the plan or, if the plan provides that the minimum contribution requirement shall be met in another plan, such other plan. Employer matching contributions that are used to satisfy the minimum contribution requirements shall be treated as matching contributions for purposes of the actual contribution percentage test and other requirements of Section 401(m) of the Code.

10.3.2 Contributions under other plans. The employer may provide, in an addendum to this amendment, that the minimum benefit requirement shall be met in another plan (including another plan that consists solely of a cash or deferred arrangement which meets the requirements of Section 401(k)(12) of the Code and matching contributions with respect to which the requirements of Section 401(m)(11) of the Code are met). The addendum should include the name of the other plan, the minimum benefit that will be provided under such other plan, and the employees who will receive the minimum benefit under such other plan.

### ARTICLE XI DIRECT ROLLOVERS

11.1 Effective date. This Article shall apply to distributions made after December 31, 2001.

## Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

- 11.2 Modification of definition of eligible retirement plan. For purposes of the direct rollover provisions of the plan, an eligible retirement plan shall also mean an annuity contract described in Section 403(b) of the Code and an eligible plan under Section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this plan. The definition of eligible retirement plan shall also apply in the case of a distribution to a surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relation order, as defined in Section 414(p) of the Code.
- 11.3 Modification of definition of eligible rollover distribution to exclude hardship distributions. For purposes of the direct rollover provisions of the plan, any amount that is distributed on account of hardship shall not be an eligible rollover distribution and the distributee may not elect to have any portion of such a distribution paid directly to an eligible retirement plan.
- 11.4 Modification of definition of eligible rollover distribution to include after-tax employee contributions. For purposes of the direct rollover provisions in the plan, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income.

4

However, such portion may be transferred only to an individual retirement account or annuity described in Section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in Section 401(a) or 403(a) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

### ARTICLE XII ROLLOVERS FROM OTHER PLANS

Rollovers from other plans. The employer, operationally and on a nondiscriminatory basis, may limit the source of rollover contributions that may be accepted by this plan.

### ARTICLE XIII REPEAL OF MULTIPLE USE TEST

Repeal of Multiple Use Test. The multiple use test described in Treasury Regulation Section 1.401(m)-2 and the plan shall not apply for plan years beginning after December 31, 2001.

### ARTICLE XIV ELECTIVE DEFERRALS

- 14.1 Elective Deferrals - Contribution Limitation. No participant shall be permitted to have elective deferrals made under this plan, or any other qualified plan maintained by the employer during any taxable year, in excess of the dollar limitation contained in Section 402(g) of the Code

Edgar Filing: TIMBERLAND BANCORP INC - Form S-8

in effect for such taxable year, except to the extent permitted under Article VI of this amendment and Section 414(v) of the Code, if applicable.

- 14.2 Maximum Salary Reduction Contributions for SIMPLE plans. If this is a SIMPLE 401(k) plan, then except to the extent permitted under Article VI of this amendment and Section 414(v) of the Code, if applicable, the maximum salary reduction contribution that can be made to this plan is the amount determined under Section 408(p) (2) (A) (ii) of the Code for the calendar year.

ARTICLE XV  
SAFE HARBOR PLAN PROVISIONS

Modification of Top-Heavy Rules. The top-heavy requirements of Section 416 of the Code and the plan shall not apply in any year beginning after December 31, 2001, in which the plan consists solely of a cash or deferred arrangement which meets the requirements of Section 401(k) (12) of the Code and matching contributions with respect to which the requirements of Section 401(m) (11) of the Code are met.

ARTICLE XVI  
DISTRIBUTION UPON SEVERANCE OF EMPLOYMENT

- 16.1 Effective date. This Article shall apply for distributions and transactions made after December 31, 2001, regardless of when the severance of employment occurred.
- 16.2 New distributable event. A participant's elective deferrals, qualified nonelective contributions, qualified matching contributions, and earnings attributable to these contributions shall be distributed on account of the participant's severance from employment. However, such a distribution shall be subject to the other provisions of the plan regarding distributions, other than provisions that require a separation from service before such amounts may be distributed.

This amendment has been executed this 23rd day of April, 2002.
