ITEM 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Edgar Filing: MERGE TECHNOLOGIES INC - Form 8-K

On May 16, 2006, Merge Technologies Incorporated (the "Registrant") received a written notification from the staff of The NASDAQ Stock Market stating that the Registrant's failure to timely file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2006, as required by NASD Marketplace Rule 4310(c)(14), would serve as an additional basis for delisting the Registrant's common stock from The NASDAQ Stock Market. The written notification further provides that the NASDAQ Listing Qualifications Panel will consider this matter in rendering its determination regarding the Registrant's continued listing on The NASDAQ National Market.

This notification is in addition to the previously disclosed written notification from the staff received on March 20, 2006, stating that the Registrant was not in compliance with NASD Marketplace Rule 4310(c)(14) because the Registrant did not timely file its Annual Report on Form 10-K for the year ended December 31, 2005, and that the Registrant's common stock was, therefore, subject to delisting from The NASDAQ National Market. On April 20, 2006, representatives of the Registrant appeared before the NASDAQ Listing Qualifications Panel to, among other things, request that the panel grant the Registrant an extension until June 30, 2006 to regain compliance. The NASDAQ Listing Qualifications Panel has not yet informed the Registrant of its decision with respect to such request.

The Registrant continues to cooperate with the NASDAQ Listing Qualifications Panel and plans, in accordance with NASD Marketplace Rules, to present its views with respect to this matter in a timely written response.

A copy of the Registrant's press release with respect to this matter is attached hereto as Exhibit 99.1, and the information contained therein is incorporated herein by reference.
