The exact share prices and effective dates may not be set forth in the table above, in which case:

If the share price is between two share price amounts in the table or the effective date is between two effective dates in the table, the number of additional shares will be determined by a straight-line interpolation between the number of additional shares set forth for the higher and lower share price amounts and the two dates, as applicable, based on a 365-day year.

If the share price is greater than \$40.00 per share (subject to adjustment), no additional shares will be issued upon conversion.

If the share price is less than \$7.86 per share (subject to adjustment), no additional shares will be issued upon conversion.

Notwithstanding the foregoing, in no event will the total number of common shares issuable upon conversion exceed 127.2264 per \$1,000 principal amount, subject to adjustments in the same manner as the conversion rate as set forth in the prospectus supplement under Description of notes Conversion Rate and Adjustments.
