ANNOUNCEMENT REGARDING  
DEVELOPMENT IN DISPUTE ON AVEA INTERCONNECTION COSTS

Subject: Statement made pursuant to Circular VIII, No: 54 of the Capital Markets Board

Istanbul Stock Exchange

ISTANBUL

Special Subjects:

On 4 November 2010, Avea had initiated a lawsuit on the grounds that the on-net tariffs of Turkcell were below the interconnection fees in the period of June – July 2009 and claiming that as a result of this it had incurred losses, Avea had demanded TRY 1 million in material compensation by reserving its right for surpluses.

While the court case is still pending, Avea has since submitted a petition to the court increasing its compensation request to TRY 47 million. Separately, within the context of the same claim, Avea has initiated another lawsuit seeking compensation of TRY 40 million for the period of November 2009 – January 2010. Our Company has been notified about both of these petitions.

Turkcell made the necessary legal objections against this claim and will make evaluations to set aside provisions depending on the developments in the court case.
