Item 2.01. Acquisition or Disposition of Assets

On April 25, 2005, pursuant to the terms of a Contribution and Sale Agreement with various affiliates of Giltz & Associates, Inc. (the Giltz Parties) dated February 3, 2005, as amended, the Company, through Cedar Shopping Centers Partnership, L.P. (the Operating Partnership), purchased 21 of the 25 previously-announced Stabilized Properties included in a portfolio of primarily drug store-anchored properties in Ohio, Pennsylvania, New York and Connecticut. The aggregate consideration for the properties, excluding closing costs, was approximately \$67.9 million, consisting of (1) approximately \$27.6 million of new first mortgage financings, (2) the assumption of approximately \$8.4 million of existing financing, (3) approximately \$13.8 million in newly-issued Operating Partnership Units (OP Units - convertible into shares of common stock of the Company), and (4) approximately \$18.1 million drawn from the Company s secured revolving credit facility.

The Company expects to close the remaining four properties within thirty days, with the total consideration for such properties anticipated to be approximately \$19.4 million, excluding closing costs, similarly comprised of a combination of new first mortgage financings, assumption of existing financing, issuance of additional OP units, and draws on the Company s revolving credit facility.

The information contained herein includes a summary, prepared by management, of the written agreements with respect to the described transaction. Such summary is intended to reflect and describe the terms and provisions of the agreements with respect to such transaction and is subject to the terms and provisions of the underlying agreements previously filed and filed together with this report.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In connection with the transactions described in Item 2.01 above, the Company (1) arranged approximately \$27.6 million in new first mortgage debt with respect to ten of the properties acquired, and (2) assumed approximately \$8.4 million of existing first mortgage debt with respect to five of the properties acquired. The new mortgage financings, which were provided by KeyBank National Association, are each for a ten-year term, are amortized over a 30-year schedule, and bear interest at rates ranging from 5.15% to 5.55% per annum, with an average of 5.23% per annum. The assumed mortgage obligations bear interest at rates ranging from 7.11% to 7.50% per annum, with an average of 7.35% per annum, and mature approximately as follows: 2008 \$2.4 million, 2017 \$1.0 million, 2018 \$3.4 million, and 2021 \$1.6 million.

The information contained herein includes a summary, prepared by management, of the written agreements with respect to the described transaction. Such summary is intended to reflect and describe the terms and provisions of the agreements with respect to such transaction and is subject to the terms and provisions of the underlying agreements previously filed and filed together with this report.
