Item 8.01 Other Events.

Alleghany Corporation ("Alleghany") is providing updated information relating to its outstanding common stock, par value \$1.00 per share (the "Common Stock"), options and performance shares as of April 8, 2005. As of April 8, 2005, there were outstanding 7,730,593 shares of Common Stock, options to purchase 108,006 shares of Common Stock and 101,628 performance shares.

The following table summarizes information, as of April 8, 2005, relating to the equity compensation plans of Alleghany under which equity securities of Alleghany are authorized for issuance. The amounts presented in this table do not include the 101,628 performance shares because they do not have an exercise price; their value is dependent upon the achievement of certain performance goals over a period of time and they are typically paid one-half in cash and one-half in shares of Common Stock:
