CALCULATION OF REGISTRATION FEE

Title of Each Class of Securities to be Registered	Amount to be Registered(1)	Proposed Maximum Offering Price per Share	Proposed Maximum Aggregate Offering Price(2)	Amount of Registration Fee(3)
Common Stock, par value \$0.0001 per share	404,651,478	N/A	\$3,500,235,284.70	\$374,525.18

(1) This Registration Statement relates to shares of common stock, par value \$0.0001 per share, of Valor Communications Group, Inc. issuable to holders of common stock, par value \$0.01, of Alltel Holding Corp. (Spinco) pursuant to the proposed merger of Spinco with and into Valor. The amount of Valor common stock to be registered represents the maximum number of shares of common stock that Valor will issue to holders of common stock of Spinco upon consummation of the merger based on a formula set forth in the merger agreement, which requires that Valor issue a number of shares of its common stock equal to the aggregate number of shares of Valor common stock issued and outstanding, on a fully diluted basis, as of the effective time of the merger, multiplied by 5.667. Because it is not possible to accurately state the number of shares of Valor common stock that will be outstanding as of the effective time of the merger, this calculation is based on 71,096,887 shares of Valor common stock outstanding as of April 28, 2006, plus 307,997 shares of common stock that remain available for issuance under Valor's 2005 Long-Term Incentive Plan (which represents all the shares that may be issued under any Valor equity incentive plan). Other than grants of equity incentive awards in the ordinary course of business, Valor has no plans to issue any shares of common stock prior to the effective time of the merger.

(2) Estimated solely for purposes of calculating the registration fee pursuant to Rule 457(f)(2) of the Securities Act, based on the book value (computed as of March 31, 2006, the most recent date for which such information is available) of the common stock of Spinco to be exchanged in the merger.

(3) Computed in accordance with Rule 457(f) and Section 6(b) under the Securities Act of 1933 by multiplying (A) the proposed maximum aggregate offering price for all securities to be registered by (B) 0.000107. Filing fee has been previously paid by the registrant.

The Registrant hereby amends this Registration Statement on such date or dates as may be necessary to delay its effective date until the Registrant shall file a further amendment which specifically states that this Registration Statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until the Registration Statement shall become effective on such date as the Commission, acting pursuant to said Section 8(a), may determine.

EXPLANATORY NOTE

This Registration Statement relates to shares of common stock, par value \$0.0001 per share, of Valor Communications Group, Inc. (Valor) issuable pursuant to the proposed merger of Alltel Holding Corp. (Spinco) with

and into Valor. In addition, Spinco has filed a Registration Statement on Form S-1 (Reg. No. 333-133753) to register shares of its common stock, par value \$0.01 per share, which will be distributed pursuant to a spin-off transaction to a third-party exchange agent for the benefit of Alltel Corporation (Alltel) stockholders and which will be immediately converted into that number of shares of common stock of Valor that Alltel stockholders will be entitled to receive pursuant to the proposed merger of Spinco with and into Valor.

This Amendment No. 4 to Valor's Registration Statement is being filed solely to include the discussion set forth above in this Explanatory Note and to file certain exhibits. No changes have been made to Part I of Valor's Registration Statement or other sections of Part II. Accordingly, they have been omitted from this filing.
