**THE COMPANY**

Oriental Financial Group Inc. is a diversified financial holding company headquartered in San Juan, Puerto Rico, offering a full range of financial services through its wholly owned subsidiaries Oriental Bank and Trust, Oriental Financial Services Corp., Oriental Insurance, Inc. and Caribbean Pension Consultants, Inc. As of June 30, 2009, we had total assets of \$7.0 billion, total loans of \$1.2 billion, total deposits of \$1.9 billion, and stockholders' equity of \$359.6 million. We also had \$1.7 billion of trust assets managed and \$1.2 billion of customer investment assets gathered, each as of June 30, 2009. We currently operate through a network of 23 financial centers located throughout Puerto Rico and one location in Boca Raton, Florida, which serves as the headquarters of our wholly owned subsidiary Caribbean Pension Consultants, Inc.

We are currently in our 45<sup>th</sup> year of operations and have developed a financial services platform that provides a broad array of financial products and services for our retail and institutional customers. We have organized our operations under three business lines: Banking, Financial Services and Treasury. Our core businesses are mortgage banking, trust and money management services, financial planning, securities brokerage, investment banking, commercial banking, consumer banking and insurance brokerage. In order to more effectively compete, we have focused our retail and commercial banking and financial planning efforts on professionals and owners of small and mid-size businesses and on the mid and high net worth individuals and families in Puerto Rico. We believe these segments of the market have been largely underserved.

We have consistently been a leader in providing innovative banking products and services to the Puerto Rico market. In the 1990s, we were the first bank in Puerto Rico to establish a full service broker-dealer. We were also the first bank in Puerto Rico to offer S&P indexed certificates of deposit, individual retirement accounts structured as a mutual fund, and checking accounts with overdraft privileges. Our long-term goal is to strengthen our banking and financial services franchise by expanding our lending business, increasing the level of integration in the marketing and delivery of banking and financial services, continuing to maintain effective asset-liability management, growing non-interest revenues from banking and financial services, and improving operating efficiencies.

Our strategy includes:

Strengthening our banking and financial services franchise by expanding our ability to attract deposits and build relationships with mid and high net worth individual customers and professionals, and mid-size businesses through aggressive marketing and expansion of our sales force;

Focusing on greater growth in mortgage, commercial and consumer lending, insurance products, trust and wealth management services, and increasing the level of integration in the marketing and delivery of banking and financial services;

Matching our portfolio of investment securities with the related funding to better lock-in favorable spreads, and primarily investing in U.S. government agency obligations;

Opening, expanding or relocating financial centers, improving operating efficiencies, and continuing to maintain effective asset-liability management; and

Implementing a broad ranging effort to instill in employees and make customers aware of our determination to effectively serve and advise our customers in a responsive and professional manner.

Together with a highly experienced group of senior and mid level executives, this strategy has generally resulted in sustained growth in our mortgage, commercial, consumer lending and wealth-management activities, allowing us to distinguish ourselves in a highly competitive industry. The unstable interest rate environment of recent years has validated the strategy's basic premise for greater revenue diversity, which remains an integral part of our long-term goal.

**PLAN OF DISTRIBUTION**

We may sell the securities offered pursuant to this prospectus and any accompanying prospectus supplements to or through one or more underwriters or dealers, or to investors directly or through agents. Each prospectus supplement will describe the terms of the securities to which such prospectus supplement relates, the name or names of any underwriters or agents with whom we have entered into arrangements with respect to the sale of such securities, the public offering or purchase price of such securities and the net proceeds we will receive from such sale. Any underwriter or agent involved in the offer and sale of the securities will be named in the applicable prospectus supplement. We may sell securities directly to investors on our own behalf in those jurisdictions where we are authorized to do so.

Underwriters may offer and sell the securities at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to the prevailing market prices or at negotiated prices. We also may, from time to time, authorize dealers or agents to offer and sell these securities upon such terms and conditions as may be set forth in the applicable prospectus supplement. In connection with the sale of any of these securities, underwriters may receive compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of the securities for whom they may act as agent. Underwriters may sell the securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions from the purchasers for which they may act as agents.

Any underwriting compensation paid by us to underwriters or agents in connection with the offering of these securities, and any discounts or concessions or commissions allowed by underwriters to participating dealers, will be set forth in the applicable prospectus supplement. Any underwriter, dealer or agent participating in the distribution of the securities may be deemed to be an underwriter, as that term is defined in the Securities Act, of the securities so offered and sold and any discounts or commissions received by them, and any profit realized by them on the same or resale of the securities may be deemed to be underwriting discounts and commissions under the Securities Act.

Underwriters, dealers, and agents may be entitled, under agreements entered into with us, to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act. Unless otherwise set forth in the accompanying prospectus supplement, the obligations of any underwriters to purchase any of the securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all of the securities offered pursuant to such prospectus supplement, if any are purchased. Underwriters, dealers and agents may engage in transactions with, or perform services for, us and our subsidiaries in the ordinary course of business.

**Table of Contents**

In connection with the offering of the securities hereby, certain underwriters, and selling group members and their respective affiliates, may engage in transactions that stabilize, maintain or otherwise affect the market price of the applicable securities. These transactions may include stabilization transactions effected in accordance with Rule 104 of Regulation M promulgated by the SEC pursuant to which these persons may bid for or purchase securities for the purpose of stabilizing their market price.

The underwriters in an offering of securities may also create a short position for their account by selling more securities in connection with the offering than they are committed to purchase from us. In that case, the underwriters could cover all or a portion of the short position by either purchasing securities in the open market following completion of the offering of these securities or by exercising any over-allotment option granted to them by us. In addition, the managing underwriters may impose penalty bids under contractual arrangements with other underwriters, which means that they can reclaim from an underwriter (or any selling group member participating in the offering) for the account of the other underwriters, the selling concession for the securities that are distributed in the offering but subsequently purchased for the account of the underwriters in the open market. Any of the transactions described in this paragraph or comparable transactions that are described in any accompanying prospectus supplement may result in the maintenance of the price of the securities at a level above that which might otherwise prevail in the open market. None of the transactions described in this paragraph or in an accompanying prospectus supplement are required to be taken by any underwriters and, if they are undertaken, may be discontinued at any time.

Other than our common stock, which is listed on the New York Stock Exchange, each series of securities will be a new issue of securities and will have no established trading market. Any common stock sold pursuant to a prospectus supplement will be listed on the New York Stock Exchange, subject to official notice of issuance. Any underwriters to whom we sell securities for public offering and sale may make a market in the securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. The securities, other than our common stock, may or may not be listed on a national securities exchange.

**LEGAL MATTERS**

The validity of the securities covered by this prospectus will be passed upon for us by McConnell Valdés LLC, San Juan, Puerto Rico. Ivan G. Marrero, a capital member of such firm, is the Assistant Secretary of our board of directors.

Article Ninth of our certificate of incorporation provides that the personal liability of our directors and officers for monetary damages shall be eliminated to the fullest extent permitted by the PR-GCL.

Section 4.08 of the PR-GCL authorizes a Puerto Rico corporation to indemnify its officers and directors and to purchase and maintain insurance on behalf of its officers and directors against liabilities arising out and pending or threatened actions, suits or proceedings to which such officers or directors are or may be made parties by reason of being officers or directors of the corporation. Such rights of indemnification are not exclusive of any other rights to which such officers or directors may be entitled under any by-law, agreement, vote of shareholders or otherwise.

Section 1 of Article VII of our by-laws provides that our directors, officers, employees and agents shall be indemnified to the fullest extent authorized by the PR-GCL against expenses and certain other liabilities arising out of legal action brought or threatened against them for their conduct on our behalf, provided that each such person acted in good faith and in a manner that he or she reasonably believed was in or not opposed to our best interests. Indemnification by us is available in a criminal action only if such person had no reasonable cause to believe that his or her conduct was unlawful.

Section 4 of Article VII of our by-laws provides that we may maintain insurance covering certain liabilities of our officers, directors, employees and agents, whether or not we would have the power or would be required to indemnify them against such liabilities. We maintain a directors and officers liability insurance policy.

The undersigned registrant hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the

Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser: (i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of the registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser: (i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424; (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant; (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and (iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.
