**Item 8.01. OTHER EVENTS**

Monster Worldwide, Inc. (the Company) has previously disclosed a civil action, captioned as *Taylor v. McKelvey, et al.*, 06 CV 8322 (S.D.N.Y)(AKH) (the ERISA Class Action), pending against the Company and certain former officers and directors of the Company in connection with the Company's historical stock option grant practices. The ERISA Class Action was filed in the United States District Court for the Southern District of New York in October 2006 as a putative class action litigation, purportedly brought on behalf of all participants in the Company's 401(k) Plan (the Plan). The complaint, as amended in February 2007 and February 2008, alleges that the defendants breached their fiduciary obligations to Plan participants under Sections 404, 405, 409 and 502 of the Employee Retirement Income Security Act (ERISA) by allowing Plan participants to purchase and to hold and maintain Company stock in their Plan accounts without disclosing to those Plan participants the Company's historical stock option grant practices. On September 14, 2009, the plaintiffs and the Company entered into a Memorandum of Understanding (the Memorandum of Understanding) that memorializes the terms pursuant to which the parties intend, subject to Court approval and certification of the proposed class described in the second amended complaint, to settle the ERISA Class Action. The Memorandum of Understanding provides for a payment of \$4.25 million in full settlement of the claims asserted in the ERISA Class Action, a substantial majority of which will be paid by insurance and contribution from another defendant. The parties to the ERISA Class Action expect to enter into a formal settlement agreement in the near future and to thereafter seek Court approval.

Upon the conclusion of the settlement of the ERISA Class Action, all of the actions seeking recoveries from the Company as an outgrowth of the Company's historical stock option grant practices will have been settled. As a result, the Company will reverse a previously recorded accrual of approximately \$6.85 million relating to these matters in the third quarter of 2009. Consistent with the Company's past practices with respect to pro-forma adjustments, this amount will be excluded from its non-GAAP financial statements.
