**Item 7.01 Regulation FD Disclosure.**

On September 30, 2009, we completed an underwritten public offering of 17,500,000 shares of our common stock, par value \$0.01 per share. On October 7, 2009, the underwriters notified us that they were partially exercising their over-allotment option and would purchase 1,313,590 additional shares of our common stock. The closing of the purchase of shares pursuant to the underwriters' partial exercise of their over-allotment option is expected to occur on October 9, 2009, subject to customary closing conditions. We expect to receive total net proceeds of approximately \$6.3 million from the underwriters' partial exercise of their over-allotment option. We intend to use 50% of the net proceeds from the underwriters' partial exercise of their over-allotment option to repay a portion of the indebtedness outstanding under our term loan facility and intend to use any remainder for general corporate purposes, which may in the future include repaying indebtedness, among other things.

**Item 8.01 Other Events.**

The press release shall not constitute an offer to sell, or the solicitation of an offer to buy, any of the notes described therein, nor shall there be any sale of these notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state.
