Item 1.01. Entry into a Material Definitive Agreement.

On December 8, 2009, Actuate Corporation, a Delaware corporation (Actuate) entered into a definitive acquisition agreement (as may be amended, modified or supplemented from time to time, the Acquisition Agreement) with Xenos Group Inc., a corporation existing under the laws of the Province of Ontario, Canada (Xenos). The Acquisition Agreement provides that, upon the terms and subject to the conditions set forth therein, Actuate or one of its direct or indirect wholly-owned subsidiaries will commence a take-over bid (the Offer) for all of the outstanding common shares of Xenos (the Common Shares) at an offer price of CDN \$3.50 per Common Share in cash.

The Offer is subject to certain customary conditions, including the valid tender to Actuate in the Offer of at least 66 2/3% of the outstanding Common Shares, calculated on a fully-diluted basis.

Xenos has made customary representations, warranties and covenants in the Acquisition Agreement, including, among others, covenants to conduct its business in the ordinary course and not to solicit proposals relating to alternative business combination transactions or, subject to certain exceptions, not to enter into discussions concerning, or provide information in connection with, alternative business combination transactions.

The Acquisition Agreement contains certain termination rights for both Actuate and Xenos and provides that, if the Acquisition Agreement is terminated under specified circumstances, Xenos may be required to pay Actuate a termination fee of CDN \$1,500,000 or may be required to make expense reimbursement payments to Actuate of up to CDN \$750,000.

In connection with the Offer, Actuate has entered into a definitive lock-up agreement (as may be amended, modified or supplemented from time to time, the Lock-Up Agreement) with certain of the directors and certain other shareholders of Xenos (the Supporting Shareholders) representing approximately 48% of the outstanding Common Shares, calculated on a fully-diluted basis. The Lock-Up Agreement provides, among other things, that upon the terms and subject to the conditions set forth therein, the Supporting Shareholders will tender to Actuate in the Offer all of their Common Shares.

The foregoing description of the Acquisition Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Acquisition Agreement. Actuate will file the Acquisition Agreement as an exhibit to its Quarterly Report on Form 10-Q for the period ending on December 31, 2009.
