Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 21, 2010 the Compensation Committee of the Board of Directors of MetLife, Inc. approved a modified form of Management Performance Share Agreement (the Form of Performance Share Agreement) for purposes of tax compliance. Except as described below, the Form of Performance Share Agreement is substantially identical to the terms of the previously prevailing form of agreement.

The Form of Performance Share Agreement includes new terms which are intended to satisfy the requirement for objective performance goals under U.S. Internal Revenue Code Section 162(m). The new terms, which will be effective for future grants, require that for a payout on an award to be due, there must be positive MetLife, Inc. income from continuing operations before provision for income tax, excluding total net investment gains (losses) for the three-year performance period as a whole, or for the final calendar year of the period, or positive MetLife, Inc. total shareholder return for either such period. As with past awards, assuming that at least one of the tests has been met, the amount of the final payment on the award will be determined according to MetLife, Inc. s performance in change in annual net operating earnings per share and total shareholder return over the three-year performance period compared to the Standard & Poor s Insurance Index derived from Fortune 500 companies, as provided in the Form of Performance Share Agreement.

The foregoing description of the Form of Performance Share Agreement is a summary, is not complete and is qualified in its entirety by reference to the Form of Performance Share Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
