Annual Meeting of Shareholders
To Be Held On May 27, 2010**

GENERAL INFORMATION

The Board of Directors of Park-Ohio Holdings Corp. is furnishing this proxy statement in order to solicit proxies on its behalf to be voted at our 2010 annual meeting of shareholders. The Annual Meeting will be held at The Cleveland Marriott East, 26300 Harvard Road, Warrensville Heights, Ohio 44122 on Thursday, May 27, 2010, at 10 A.M., Cleveland Time, and any and all adjournments, postponements or continuations thereof.

Proxy materials are first being mailed to shareholders on or about April 23, 2010. A shareholder giving a proxy may revoke it, without affecting any vote previously taken, by a later appointment received by us prior to the Annual Meeting or by giving notice to us in writing or in open meeting. Attendance at the Annual Meeting will not in itself revoke a proxy. Shares represented by properly executed proxies will be voted at the Annual Meeting. If a shareholder has specified how the proxy is to be voted with respect to a matter listed on the proxy, it will be voted in accordance with such specifications. If no specification is made, the executed proxy will be voted (1) FOR the election of the nominees for directors and (2) FOR ratification of the appointment of Ernst & Young LLP as our independent auditors for fiscal year 2010.

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting is April 1, 2010. As of April 1, 2010, there were issued and outstanding 11,777,260 shares of our Common Stock, par value \$1.00 per share. Each share is entitled to one vote on each matter presented at the Annual Meeting. Our Articles of Incorporation do not provide for cumulative voting in the election of directors. The affirmative vote of a plurality of the shares of Common Stock represented at the Annual Meeting is required to elect Patrick V. Auletta, Edward F. Crawford and James W. Wert as directors to serve until the 2013 annual meeting of shareholders.

We are not aware of any matters other than those described in this proxy statement that will be presented to the Annual Meeting for action on the part of the shareholders. If any other matters are properly brought before the meeting, of which we did not have notice of on or prior to March 8, 2010, or that applicable law otherwise permits proxies to vote on a discretionary basis, it is the intention of the persons named in the accompanying proxy to vote the shares to which the proxy relates thereon in accordance with their best judgment. Abstentions and broker non-votes will be counted as present at the meeting for purposes of determining a quorum, but will not be counted as voting.

The cost of soliciting proxies, including the charges and expenses incurred by brokerage firms and other persons for the forwarding of proxy materials to the beneficial owners of such shares, will be borne by us. Proxies may be solicited by our officers and employees by letter, by telephone or in person. Such individuals will not be additionally compensated but may be reimbursed by us for reasonable out-of-pocket expenses incurred in connection therewith. In addition, we have retained Morrow & Co., LLC, 470 West Ave., Stamford, CT 06902, a professional proxy soliciting firm, to assist in the solicitation of proxies and will pay such firm a fee, estimated to be approximately \$4,500, plus reimbursement of out-of-pocket expenses.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

General

The authorized number of directors is presently fixed at nine, divided into three classes of three members. The directors of each class are elected for three-year terms so that the term of office of one class of directors expires at each annual meeting. Proxies may only be voted for the nominees identified in the section entitled "Nominees for Election."

The class of directors to be elected in 2010, who will hold their positions for a term of three years and until the election of their successors, has been fixed at three. Unless otherwise directed, the persons named in the accompanying proxy will vote the proxies received by them (unless authority to vote is withheld) in favor of electing to that class: Patrick V. Auletta, Edward F. Crawford and James W. Wert, all of whom were previously elected as directors by shareholders. If any nominee is not available at the time of election, the proxy holders may vote in their discretion for a substitute or such vacancy may be filled later by the Board. We have no reason to believe any nominee will be unavailable.

During 2009, the Board of Directors continued its search for a suitable candidate for a director to fill the remaining vacancy created by the retirement of Lewis E. Hatch, effective with the 2006 annual meeting of shareholders and whose term expired at the 2008 annual meeting of shareholders. In the interim, Edward F. Crawford, who had been a member of the class of directors whose term expires at our 2011 annual meeting of shareholders, was elected to the Board of Directors as a member of the class of the Board of Directors whose term expires at the Annual Meeting and the Board of Directors continues to search for a suitable candidate for the remaining vacancy in the class of directors whose term expires at our 2011 annual meeting of shareholders.

Vote Required and Recommendation of The Board of Directors

The affirmative vote of a plurality of the shares of Common Stock represented at the Annual Meeting is required to elect Patrick V. Auletta, Edward F. Crawford and James W. Wert as directors to serve until the 2013 annual meeting of shareholders.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PATRICK V. AULETTA, EDWARD F. CRAWFORD AND JAMES W. WERT.

**CERTAIN MATTERS PERTAINING TO THE BOARD OF DIRECTORS AND
CORPORATE GOVERNANCE**

Corporate Governance

Director Independence. The Board believes that there should be a substantial majority of independent directors on the Board. The Board also believes that it is useful and appropriate to have members of management, including the Chief Executive Officer, or CEO, and President, as directors. The current Board members include six independent directors (including two of the nominees).

Each of Messrs. Auletta, Greene, Mixon, Moore, Wert and Ms. Romney is independent in accordance with the rules of the Nasdaq Stock Market. The Nasdaq Stock Market independence definition includes a series of objective tests, including that the director is not our employee and has not engaged in various types of business dealings with us. In addition, as further required by the Nasdaq Stock Market rules, the Board has made a subjective determination as to each independent director that no relationships exist that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and management.

In addition, as required by the Nasdaq Stock Market rules, the members of the Audit Committee are each independent under special standards established by the SEC for members of audit committees. The Audit Committee also includes at least one independent member whom the Board has determined meets the qualifications of an audit committee financial expert in accordance with SEC rules. Mr. Auletta is the independent director who has been determined to be an audit committee financial expert. Shareholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Auletta's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Auletta any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board.

Risk Oversight. The Board is responsible for overseeing the Company's risk, with reviews of certain areas being conducted by the relevant committees of the Board and directly through senior management reports.

The Audit Committee oversees our risk policies and processes relating to the financial statements and financial reporting processes, as well as internal controls and compliance, and the guidelines, policies and processes for monitoring and mitigating those risks. The Compensation Committee assesses and monitors risks relating to our executive compensation policies and practices. The Nominating and Corporate Governance Committee is responsible for overseeing the management of risks related to our governance structure and processes, the independence of the Board and potential conflicts of interest and ensuring compliance with the Code of Business Conduct and Ethics. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks.

In addition, the Board's role in our risk oversight process includes receiving regular reports either directly from senior and regional management presentations to the Board or through executive officers at Board meetings on areas of material risk to us, including market-specific, operational, legal, regulatory, competitive and strategic risks.

The procedures described above permit the Board to maintain an awareness of risks that may affect us and ensure the ability of the Board to take any and all appropriate actions to manage risks we face. We also believe that our board

leadership structure complements our risk management structure, as it allows our independent directors, through the independent committees, to exercise effective oversight of the actions of management in identifying risks and implementing effective risk management policies and controls.

Leadership Structure. Our CEO, Mr. Edward Crawford, also serves as our Chairman. The Company has no fixed policy on whether the roles of chairman of the board and chief executive officer should be separate or combined; this decision is based on the best interests of the Company considering the circumstances at the time. The Board recognizes utilizing the expertise of Mr. Crawford contributes to the success of the Company. The diversity of our operating units requires a leader who possesses the detailed and in-depth knowledge of the issues, opportunities and challenges facing those diverse businesses. At this time, the Board believes that Mr. Crawford, based upon his experience in the various industries in which we are positioned, is best qualified to efficiently develop agendas that

ensure that the Board's time and attention are focused on the most critical matters and to execute strategic plans effectively.

Code of Business Conduct and Ethics. All directors, officers and employees must act ethically at all times and in accordance with the policies comprising our Code of Business Conduct and Ethics. A copy of the code is available, without charge, upon written request to: Secretary, Park-Ohio Holdings Corp., 6065 Parkland Boulevard, Cleveland, Ohio 44124 and is also available on our website at www.pkoh.com. We intend to disclose any amendment to, or waiver from, the Code of Business Conduct and Ethics by posting such amendment or waiver, as applicable, on our website.

Board of Directors and Committees

Board Committees. The Board currently has, and appoints the members of, Audit, Compensation, Nominating and Corporate Governance and Executive Committees. Each member of the Audit, Compensation and Nominating and Corporate Governance Committees is an independent director in accordance with the rules of the Nasdaq Stock Market.

Audit Committee. The Audit Committee consists of Messrs. Auletta, Greene and Wert, with Mr. Auletta as its chair. The Audit Committee assists the Board in its general oversight of our financial reporting, internal controls and audit functions, and is directly responsible for the appointment, retention, compensation and oversight of the work of our independent auditors. In 2009, the Audit Committee held four meetings. The Audit Committee has a written charter approved by the Board. The responsibilities and activities of the Audit Committee are described in greater detail in the Audit Committee Charter, which is available on our website at www.pkoh.com.

Compensation Committee. The Compensation Committee consists of Messrs. Wert and Moore and Ms. Romney, with Ms. Romney as its chair. The Compensation Committee reviews and approves salaries, performance-based incentives and other matters relating to executive compensation, including reviewing and granting equity awards to executive officers. As described in greater detail below under Compensation Discussion and Analysis, the Compensation Committee determines the compensation of our executive officers, including our CEO, and directors. With respect to executive officers other than the CEO, the Compensation Committee takes into account the recommendations of the CEO when determining the various elements of their compensation, including the amount and form of such compensation. The Compensation Committee has the sole authority to retain and terminate compensation consultants to assist in the evaluation of executive compensation and the sole authority to approve the fees and other retention terms of any such consultants.

The Compensation Committee also reviews and approves various other compensation policies and matters. The Compensation Committee held three meetings in 2009 and also acted by written consent. The Compensation Committee has not yet adopted a written charter.

Executive Committee. The Executive Committee consists of Messrs. Auletta, Edward Crawford and Wert, with Mr. Wert as its chair. The Executive Committee may exercise the authority of the Board between Board meetings, except to the extent that the Board has delegated authority to another committee or to other persons and except as limited by Ohio law and our Regulations. The Executive Committee held no meetings in 2009.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Messrs. Auletta, Greene, Mixon, Moore and Wert and Ms. Romney, with Mr. Wert as its chair, and consists of all of our independent directors, in accordance with the rules of the Nasdaq Stock Market. The Nominating and Corporate Governance Committee makes recommendations to the Board regarding the size and composition of the Board. The Nominating and Corporate Governance Committee is responsible for reviewing with the Board from time to time the

appropriate skills and characteristics required of Board members in the context of the current size and make-up of the Board. This assessment includes issues of diversity in numerous factors such as: age; understanding of and achievements in manufacturing, technology, finance and marketing; and international experience and culture. These factors, and any other qualifications considered useful by the Nominating and Corporate Governance Committee, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends and the portfolio of skills and experience of current and prospective Board members. Therefore, while focused on the achievement and the ability of potential candidates to make a positive contribution with respect to such factors, the Nominating and Corporate Governance Committee has not established any specific minimum criteria or qualifications that a nominee must possess. The Nominating and Corporate Governance Committee establishes

Table of Contents

procedures for the nomination process, recommends candidates for election to the Board and also nominates officers for election by the Board. The Nominating and Corporate Governance Committee has not yet adopted a written charter but operates under a resolution regarding the nomination process.

Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. In general, candidates for nomination to the Board are suggested by Board members or by employees. The Nominating and Corporate Governance Committee will consider candidates proposed by shareholders and evaluates these candidates proposed by shareholders using the same criteria as for other candidates. Any shareholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include (1) complete information as to the identity and qualifications of the proposed nominee, including name, address, present and prior business and/or professional affiliations, education and experience and particular fields of expertise, (2) an indication of the nominee's consent to serve as a director if elected, and (3) the reasons why, in the opinion of the recommending shareholder, the proposed nominee is qualified and suited to be a director, and should be addressed to our Secretary at 6065 Parkland Boulevard, Cleveland, Ohio 44124.

The Nominating and Corporate Governance Committee reviews and reports to the Board on a periodic basis with regard to matters of corporate governance. The Nominating and Corporate Governance Committee also reviews and assesses the effectiveness of the Board's Code of Business Conduct and Ethics and recommends to the Board proposed revisions to the Code. In addition, the Nominating and Corporate Governance Committee reviews shareholder proposals and makes recommendations to the Board for action on such proposals. The members of the Nominating and Corporate Governance Committee met twice and acted by written consent in 2009.

Attendance at Board, Committee and Annual Shareholders' Meetings. The Board held four meetings in 2009. All directors are expected to attend each meeting of the Board and the committees on which he or she serves. In 2009, no director attended less than 75% of the meetings of the Board and the committees on which he or she served. Directors are expected to attend the Annual Meeting, and all directors attended the 2009 annual meeting of shareholders.

Shareholder Communications

The Board believes that it is important for shareholders to have a process to send communications to the Board. Accordingly, shareholders who wish to communicate with the Board of Directors or a particular director may do so by sending a letter to our Secretary at 6065 Parkland Boulevard, Cleveland, Ohio 44124. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Shareholder-Board Communication or Shareholder-Director Communication. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Company Affiliations with the Board of Directors

Mr. Mixon currently serves as Chief Executive Officer and Chairman of the Board of Invacare Corporation. In the ordinary course of business, we sell parts to Invacare Corporation and its subsidiaries. Total sales to Invacare Corporation during 2009 were approximately \$8.6 million.

In concluding the independence of Mr. Mixon, the Board of Directors determined that since the sales were made in the ordinary course of business and that the sales did not constitute a material portion of our total net sales, the sales transactions did not create a material relationship or impair the independence of Mr. Mixon.

Compensation Committee Interlocks and Insider Participation

Members of the Compensation Committee during 2009 were Messrs. Moore and Wert and Ms. Romney. No current or former officer or employee of ours served on the Compensation Committee during 2009.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Philosophy and Objectives

Our compensation program is designed to recognize the level of responsibility of an executive within our Company, taking into account the named executive officer's role and expected leadership within our organization, and to encourage decisions and actions that have a positive impact on our overall performance.

Our compensation philosophy is based upon the following objectives:

- to reinforce key business strategies and objectives;
- to reward our executives for their outstanding performance and business results;
- to emphasize the enhancement of shareholder value;
- to value the executive's unique skills and competencies;
- to attract, retain and motivate qualified executives; and
- to provide a competitive compensation structure.

Overview

The Compensation Committee of the Board of Directors administers our compensation program. The Compensation Committee is responsible for reviewing and approving base salaries, bonuses and equity incentive awards for all named executive officers. Typically, our CEO makes compensation recommendations to the Compensation Committee with respect to decisions concerning named executive officers other than himself. Our compensation program recognizes the importance of ensuring that discretion is provided to the Compensation Committee and CEO in determining compensation levels and awards. With respect to our CEO, the Compensation Committee makes its decisions in executive session.

The Compensation Committee has engaged compensation consultants on a periodic basis to help evaluate our compensation program and to help select appropriate market data for compensation and benchmarking. The Compensation Committee also may consider a variety of data sources and information related to market practices for companies similar to ours. The last comprehensive review conducted by an outside firm was in 2006 by Towers Watson. We have in the past used, and continue to use, Towers Watson for actuarial-related services in connection with our retirement plans.

In the past, the Compensation Committee has considered medians for total compensation from the market survey and peer group data from the 2006 Towers Watson review for comparable positions in determining the base salary, bonus, equity components, and benefit package for our CEO and our President and Chief Operating Officer, or COO. However, actual compensation can vary widely, either above or below these medians, based on Company and individual performance, scope of responsibilities, competencies and experience. For 2009, specific medians for total compensation for comparable positions were not considered by the Compensation Committee.

With respect to our other named executive officers, the Compensation Committee does not aim for a level of compensation that falls within a specific range of market survey or peer group data. Instead, the Compensation Committee considers many factors in exercising its judgment and discretion in making compensation decisions. Other factors the Compensation Committee considers when making individual compensation decisions are described under Compensation Components below.

As a result of the global economic downturn in late 2008 and 2009 and the impact on our sales and earnings, the Compensation Committee implemented the following actions for 2009:

salaries for our named executive officers were reduced by 10% in March 2009;

annual bonus awards to Messrs. Matthew Crawford, Rutherford, Vilsack, and Fogarty were suspended; and

Company contributions under the 401(k) Plan were suspended in March 2009.

The Compensation Committee believes that the foregoing actions are consistent with our philosophy and objectives.

Table of Contents

Compensation Components

Our compensation program has three primary components consisting of a base salary, an annual cash bonus, whether discretionary or pursuant to our Annual Cash Bonus Plan, which we refer to as the Bonus Plan, and equity awards granted pursuant to our Amended and Restated 1998 Long-Term Incentive Plan, which we refer to as the 1998 Plan. In addition, we also offer our named executive officers basic retirement savings opportunities, participation in a deferred compensation plan, health and welfare benefits and perquisites that supplement the three primary components of compensation. Beginning in 2008, our compensation program included a non-qualified defined benefit plan, or DB Plan, and a non-qualified defined contribution plan, or DC Plan, for our CEO.

We view these various components of compensation as related but distinct. Although our Compensation Committee does review total compensation, we do not believe that significant compensation derived from one component of compensation should negate or reduce compensation from other components. The appropriate level for each compensation component is based in part, but not entirely, on our view of internal equity and consistency, and other considerations we deem relevant, such as rewarding extraordinary performance. Our Compensation Committee has not adopted any formal or informal policies or guidelines for allocating compensation between long-term and currently paid-out compensation, between cash and non-cash compensation or among different forms of non-cash compensation.

Base Salary

We pay base salaries to recognize each named executive officer's unique value and skills, competencies and experience in light of the executive's position. Base salaries, including any annual or other adjustments, for our named executive officers, other than our CEO, are determined after taking into account recommendations by our CEO. Base salaries for all named executive officers are determined by the Compensation Committee after considering a variety of factors such as a subjective assessment of the nature and scope of the named executive officer's position, the named executive officer's unique value and historical contributions, historical increases, internal equitable considerations, and the experience and length of service of the named executive officer.

For 2009, the Compensation Committee, after considering recommendations from our CEO, and after taking into account the current economic and business conditions and our financial performance for 2008 and 2009, reduced our named executive officers' 2008 base salaries by 10% commencing March 1, 2009.

For 2010, the Compensation Committee, after considering recommendations from our CEO, and after taking into account improved economic and business conditions, reinstated our named executive officers' base salaries to the 2008 levels (Messrs. Edward Crawford, \$750,000; Rutherford, \$340,000; Matthew Crawford, \$400,000; Vilsack, \$260,000; and Fogarty \$240,000) effective April 1, 2010.

Annual Bonus

Annual bonuses are used to reward our named executive officers for achieving key financial and operational objectives, to motivate certain desired individual behaviors and to reward superior individual achievements. Bonus awards for our named executive officers, other than for our CEO, are determined by the Compensation Committee after taking into account recommendations by our CEO. The annual bonus awards, other than for our CEO, are fully discretionary and are based on subjective criteria, which may include:

our overall financial performance;

individual expertise, contribution, and performance;

overall leadership; and

other factors that are critical to driving long-term value for shareholders.

The Compensation Committee, after considering recommendations from our CEO, and after taking into account the current economic and business conditions and our overall financial performance for 2009, determined that no bonus awards would be made to our other named executive officers for 2009.

Table of Contents

We have established the Bonus Plan, which was approved by our shareholders, for our CEO and any other named executive officer selected by the Compensation Committee to participate in the Bonus Plan. The Bonus Plan includes a set of performance measures that can be used to establish the bonus award. Under the Bonus Plan, our CEO or any other selected named executive officer is eligible to receive an annual cash bonus depending on the performance of our Company against specific performance measures established by the Compensation Committee before the end of the first quarter of each year. For 2009, only our CEO participated in the Bonus Plan, and the Compensation Committee determined that our CEO was entitled to a bonus award equal to 4% of our consolidated adjusted income before income taxes (adjusted for special charges such as impairment and restructuring charges). The Compensation Committee believes income before income taxes, as adjusted, is an appropriate measure of our core operating performance, and directly links our CEO's annual bonus award to our profitability. Under the Bonus Plan, the Compensation Committee is authorized to exercise negative discretion and reduce our CEO's award.

For 2009, our consolidated adjusted income before income taxes was a loss, and therefore, our CEO was not entitled to a bonus award under the Bonus Plan. The Compensation Committee has established that the performance measure for our CEO under the Bonus Plan for 2010 will be 4% of our consolidated adjusted income before income taxes (adjusted for special charges).

Equity Compensation

We use the grant of equity awards under our 1998 Plan to provide long-term incentive compensation opportunities, intended to align the named executive officers' interests with those of our shareholders, and to attract and retain executive officers.

Our Compensation Committee administers our 1998 Plan. Historically, the Compensation Committee has granted options and restricted shares under our 1998 Plan, but awards also can be made in the form of performance shares, restricted share units, or performance units, stock appreciation rights and stock awards. There is no set formula for the granting of equity awards to named executive officers. Other than for grants of equity awards to our CEO, the Compensation Committee typically considers recommendations from our CEO when considering decisions regarding the grant of equity awards to named executive officers. The Compensation Committee grants equity awards based on its subjective judgment and discretion, and may consider a number of criteria, including the relative rank of the named executive officer, total compensation levels, and the named executive officer's historical and ongoing contributions to our success based on subjective criteria. Because the Compensation Committee and the CEO in their discretion may consider such factors as they deem relevant in determining the named executive officer's overall equity award, other factors may cause the award in any given year to differ from historical amounts.

We do not have any program, plan or obligation that requires us to grant equity awards on specific dates. We have not made equity grants in connection with the release or withholding of material, non-public information. Options granted under our 1998 Plan have exercise prices equal to the closing market price of our Common Stock on the day of the grant.

In light of the restricted share awards made in 2006 to our CEO and COO, no equity awards were made to either of them in 2007 or 2008.

For 2009, the Compensation Committee approved a restricted share award for our CEO in the amount of 275,000 shares. These restricted shares vest one-third each year over three years. In determining the value of the equity award, the Compensation Committee took into account:

the vesting of the 2006 restricted share award;

shares available for grant under the 1998 Plan;

our CEO's voluntary waiver of his right to receive \$600,000 of his 2008 bonus award; and

the total compensation level for our CEO in 2008 and 2009.

For 2009, the Compensation Committee approved restricted share awards for Messrs. Matthew Crawford, Rutherford, Vilsack, and Fogarty in the amounts of 40,000, 25,000, 25,000, and 25,000 shares, respectively. The Compensation Committee did not perform a qualitative or quantitative analysis, but instead used its subjective judgment and discretion in determining the value of the equity awards. Restricted shares were utilized over stock

Table of Contents

options because restricted shares serve to reward and retain executives and foster stock ownership. In exercising its judgment and discretion, the Compensation Committee was influenced by recommendations from our CEO and motivated by its desire to award each named executive officer the minimum equity value necessary to achieve shareholder alignment and attraction, retention and motivation objectives of our compensation program. The Compensation Committee's review and consideration of each of the named executive officer's equity grants were of a general nature, rather than identifying and focusing on each individual's performance relative to specific tasks, projects or accomplishments or distinguishable qualitative performance goals. The Compensation Committee did not otherwise take into account any specific performance, criteria or achievements relative to qualitative performance goals when making its equity compensation decisions for 2009. In granting the 2009 restricted share awards, the Compensation Committee also considered:

total compensation levels for each named executive officer in 2008 and 2009;

the value provided by restricted shares in lieu of stock options;

the value and size of historical grants;

how much value was created by the historical grants; and

shares available for grant under the 1998 Plan.

The restricted share awards for Messrs. Matthew Crawford, Rutherford, Vilsack, and Fogarty vest one year from the date of grant. Information about equity awards granted in 2009 to our CEO and our other named executive officers is contained in the 2009 Grants of Plan-Based Awards table.

Retirement Benefits

Our Individual Account Retirement Plan, or 401(k) Plan, is a tax-qualified retirement savings plan that permits our employees, including our named executive officers, to defer a portion of their annual salary to the 401(k) Plan on a before-tax basis. Our named executive officers participate in the 401(k) Plan on the same basis as all other salaried employees whereby we annually contribute 2% of their salary into the 401(k) Plan on their behalf, subject to Internal Revenue Code limitations. Effective March 1, 2009, the Compensation Committee, after considering recommendations from our CEO, and after taking into account economic and business conditions and our financial performance for 2008 and 2009, suspended the 2% contribution for our named executive officers. Our named executive officers vest in the Company contributions ratably over six years of employment service, at which time they are 100% vested.

In 2008, the Compensation Committee established the DC Plan and the DB Plan for our CEO, which is described under Pension Benefits and Non-Qualified Deferred Compensation below. These retirement benefits are intended to reward our CEO for his past service to us and, to recognize, over the long term, future service to us.

Deferred Compensation

The Company maintains a non-qualified deferred compensation plan, which we refer to as the 2005 Supplemental Defined Contribution Plan, or 2005 Plan, that allows certain employees, including our named executive officers, to defer a percentage of their salary, to be paid at a time specified by the participant and consistent with the terms of the plan. We do not provide any matching contributions to the non-qualified deferred compensation plan. We do not pay above-market interest rates or provide preferential earnings. For 2009, only Mr. Vilsack participated in the 2005 Plan.

Termination-Related Payments

All of our named executive officers are employees-at-will and, as such, do not have employment agreements with us. Therefore, we are not obligated to provide any post-employment compensation or benefits. However, upon a change of control, as defined in the 1998 Plan, all unvested stock option grants become fully exercisable, all outstanding restricted share grants fully vest, and our CEO becomes 100% vested in his benefit under the DB Plan, regardless of years of service.

Table of Contents

Other Benefits

We also provide other benefits to our named executive officers that we consider necessary in order to offer fully-competitive opportunities to attract and retain our named executive officers. These benefits include life insurance, Company cars or car allowances, executive physicals, and club dues. Named executive officers are eligible to participate in all of our employee benefit plans, such as the 401(k) Plan and medical, dental, group life, disability and accidental death and dismemberment insurance, in each case on the same basis as other employees.

Limitations on Deductibility of Compensation

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to a company's CEO and certain other named executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met.

The Compensation Committee believes that it is generally in our best interest to attempt to structure performance-based compensation, including annual bonuses, to named executive officers who may be subject to Section 162(m) in a manner that satisfies the statute's requirements. However, the Compensation Committee also recognizes the need to retain flexibility to make compensation decisions that may not meet Section 162(m) standards when necessary to enable us to meet our overall objectives, even if we may not deduct all of the compensation. Accordingly, the Compensation Committee has expressly reserved the authority to award non-deductible compensation in appropriate circumstances.

We are not obligated to offset any income taxes due on any compensation or benefits, including, income or excise taxes due on any income from accelerated vesting of outstanding equity grants. To the extent any such amounts are considered excess parachute payments under Section 280G of the Internal Revenue Code and thus not deductible by us, the Compensation Committee is aware of that possibility and has decided to accept the cost of that lost deduction. However, the Compensation Committee has not thought it necessary for us to take on the additional cost of reimbursing executives for any taxes generated by the vesting accelerations.

COMPENSATION COMMITTEE REPORT

We have reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on our review and discussion with management, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and in our Annual Report on Form 10-K for the year ended December 31, 2009.

PENSION BENEFITS FOR 2009

The following table sets forth information with respect to our DB Plan, as of December 31, 2009.

Name	Plan Name	Number of Years Credited Service(1)(#)	Present Value of Accumulated Benefit \$(2)	Payments During Last Fiscal Year (\$)
Edward F. Crawford	DB Plan	15	2,484,338	0

(1) The DB Plan was adopted by us in January 2008; therefore, the years of credited service represent prior years of service, but not all of the actual years of service. Upon establishment of the DB Plan, 13 years of Mr. Edward Crawford's prior service were recognized and credited under the DB Plan.

(2) Represents the actuarial present value of the vested accrued benefits as of December 31, 2009 payable at age 71 in single-life annuity form, with a 6.00% discount rate and using the RP2000 White Collar Male mortality table.

The DB Plan provides Mr. Edward Crawford with an annual retirement benefit of up to \$375,000 upon his termination of employment with us, for his life, as defined in the DB Plan. The annual benefit that he actually receives depends on his years of credited service as of his termination of employment. If he has 20 or more years of credited service, he will receive the full \$375,000 annual benefit. Prior to 20 years of credited service, the accrued benefit equals \$375,000 multiplied by the ratio of years of credited service to 20 years. If he dies while employed or before the first day of the month following his termination of employment, his spouse is entitled to receive an amount equal to 50% of the amount he would have been entitled to receive on the date of his death, payable semi-annually for the life of his spouse. In the event of a change in control of the Company, the full \$375,000 annual benefit is payable, regardless of service.

No other named executive officer participated in a pension plan during 2009.

The following table sets forth information with respect to the DC Plan and our 2005 Plan, as of December 31, 2009.

Robert D. Vilsack	2005 Plan	4,202(3)	0	141	0	4,343

(1) The Aggregate Earnings are not above-market or preferential earnings and, therefore, are not reported in the Summary Compensation Table.

(2) Consists of contributions made in 2009 by us and credited to Mr. Edward Crawford's account. This amount was also included in the All Other Compensation column in the Summary Compensation Table.

(3) Consists of contributions made in 2009 by Mr. Vilsack.

The DC Plan provides our CEO with an aggregate annual credit of \$375,000, or DC Benefit, during the seven-year period beginning on January 1, 2008 and ending on December 31, 2014. The DC Benefit is credited to an account on our books for our CEO, provided he has not had a termination of employment with the Company, as defined in the DC Plan. Our CEO's account is adjusted for any positive or negative investment results from phantom investment alternatives selected by him. These phantom investment alternatives track actual market investments and are similar to the investment alternatives offered under our 401(k) Plan. We do not provide above-market or preferential earnings on the amounts credited under the DC Plan. We contribute to a grantor trust in order to provide a source of funds for the benefits under the DC Plan. Our CEO is at all times 100% vested in the DC Benefit and any earnings thereon. The amount credited under the DC Plan for our CEO will be paid upon his termination of employment.

Our 2005 Plan is a non-qualified deferred compensation plan for certain key employees, including our named executive officers. Under the 2005 Plan, eligible participants can defer up to 100% of their base salary and 100% of their cash bonus for pre-tax savings opportunities. The investment options available to the participant are the same investment options offered under our 401(k) Plan. Participants' contributions and earnings are always 100% vested. Distributions under the 2005 Plan may be made only upon a Separation of Service (as defined in the 2005 Plan), disability, or hardship. Distributions are paid in a lump sum or in annual installments over a maximum of 10 years.

No other named executive officers participated in a non-qualified deferred compensation plan during 2009.

POTENTIAL POST-EMPLOYMENT PAYMENTS

Upon termination of employment for any reason, no severance benefits are payable to any of the named executive officers.

Upon the death, disability, or retirement of a named executive officer, all restricted share grants fully vest and all unvested stock options become immediately exercisable under the 1998 Plan, and under the DB Plan, certain benefits are immediately recognized. The value of these vesting accelerations and benefits for the named executive officers, as if a death, disability or retirement had occurred on December 31, 2009, would be as follows:

Name	Death \$(1)	Disability \$(2)	Retirement \$(3)

Under the 1998 Plan, upon a change of control, all restricted share grants fully vest and all unvested stock options become immediately exercisable. Under the DB Plan, upon a change of control of the Company, all pension benefits fully vest. The value of these vesting accelerations for the named executive officers, as if a change of control had occurred on December 31, 2009, would be as follows:

No cash payments or other benefits are due the named executive officers upon a change of control, as defined in the 1998 Plan. A change of control is generally defined in the 1998 Plan and DB Plan as: (i) our corporate reorganization or a sale of substantially all of our assets with the result that the shareholders prior to the reorganization or sale afterwards hold less than a majority of our voting stock; (ii) any person (other than Mr. Edward Crawford) becoming the beneficial owner of 20% or more of the combined voting power of our outstanding securities; (iii) we enter into an agreement pursuant to which a change in control of our voting stock will occur; and (iv) a change in the majority of our Board of Directors.

Table of Contents**COMPENSATION OF DIRECTORS**

During 2009, each non-employee director earned, as an annual retainer, \$20,000 and was granted 10,000 restricted shares. The restricted shares were granted in accordance with the 1998 Plan. The non-employee directors also received \$4,000 for each Board meeting attended in-person or \$1,000 for each Board meeting attended telephonically. The Compensation and Audit Committee Chairpersons each received a \$5,000 committee retainer fee.

In 2009, we established a 2009 Director Supplemental Defined Contribution Plan, or Director DC Plan, which is a non-qualified deferred compensation plan for our Directors. Under the Director DC Plan, eligible Directors can defer up to 100% of their cash retainer, attendance fees, and/or restricted share units for pre-tax savings opportunities. The investment options available to the eligible Directors are the same investment options offered under our 401(k) Plan. Eligible Directors' contributions and earnings are always 100% vested. Distributions are paid in a lump sum or in annual installments over a maximum of 10 years. We do not pay above-market interest rates or provide preferential earnings.

PROPOSAL NO. 2**RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit Committee has appointed Ernst & Young LLP our independent auditors to examine our financial statements and our subsidiaries for the fiscal year ending December 31, 2010. During fiscal year 2009, Ernst & Young LLP examined our financial statements and our subsidiaries, including those set forth in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009. The Board of Directors recommends ratification of the appointment of Ernst & Young LLP.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and have an opportunity to make a statement at the Annual Meeting, if they so desire, and will be available to respond to appropriate shareholders questions.

Although shareholder approval of this appointment is not required by law or binding on the Audit Committee, the Audit Committee believes that shareholders should be given the opportunity to express their views. If the shareholders do not ratify the appointment of Ernst & Young LLP as our independent auditors, the Audit Committee will consider this vote in determining whether or not to continue the engagement of Ernst & Young LLP.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE RATIFICATION OF THIS APPOINTMENT.

AUDIT COMMITTEE

Audit Committee Report

The Audit Committee oversees our accounting and financial reporting processes and the audits of financial statements. The Audit Committee selects our independent auditors. The Audit Committee is composed of three directors, each of whom is independent as defined under the rules of the Nasdaq Stock Market and SEC rules. Currently, the Audit Committee is composed of Messrs. Auletta, Greene and Wert. The Audit Committee operates under a written charter adopted by the Board of Directors.

Management is responsible for our internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and Ernst & Young LLP to review and discuss the audited consolidated financial statements for the year ended December 31, 2009. The Audit Committee discussed with Ernst & Young LLP its judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required by Statement on Auditing Standards No. 61 (*Communication with Audit Committees*), as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants communications with the Audit Committee concerning independence, and has discussed with Ernst & Young LLP its independence from management and has considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of audit examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2009.

Kevin R. Greene

TRANSACTIONS WITH RELATED PERSONS

In accordance with our Audit Committee Charter, our Audit Committee is responsible for reviewing and approving the terms and conditions of all related-party transactions. In some cases, however, the Audit Committee will defer the approval of a related-party transaction to the disinterested members of the full Board.

Neither the Audit Committee nor the Board has written policies or procedures with respect to the review, approval or ratification of related-party transactions. Instead, the Audit Committee, or the Board, as applicable, reviews each proposed transaction on a case-by-case basis taking into account all relevant factors, including whether the terms and conditions are at least as favorable to us as if negotiated on an arm's-length basis with unrelated third parties. The following related-party transactions have been approved either by our Board or our Audit Committee.

During 2009, we chartered, on an hourly basis, an airplane from a third-party private aircraft charter company.
