Item 3. Source and Amount of Funds or Other Consideration

The Reporting Persons used their working capital to fund their obligations under the Offers (as defined below).

Item 4. Purpose of the Transaction

(a)-(e)

Share Exchange Transactions

On October 5, 2009, Telenor Mobile, Telenor East, Telenor ASA, and certain of their affiliates (collectively, the Telenor Parties) and Altimo Holdings & Investments Ltd. (Altimo), Eco Telecom Limited (Eco Telecom) and certain of their affiliates (collectively, the Alfa Parties) announced that they had entered into a series of agreements (the Transaction Agreements) with respect to their ownership interests in Open Joint Stock Company

Vimpel-Communications (OJSC VimpelCom) and Closed Joint Stock Company Kyivstar G.S.M. (Kyivstar).

On February 9, 2010, VimpelCom Ltd., which was then jointly owned by Telenor East and Altimo, commenced an exchange offer to acquire all of the outstanding shares of OJSC VimpelCom, including those represented by American Depositary Shares (OJSC VimpelCom ADSs). The exchange offer comprised an offer made pursuant to a prospectus sent to all shareholders of OJSC VimpelCom who were U.S. holders and to all holders of OJSC VimpelCom ADSs, wherever located (the U.S. Offer), and an offer made pursuant to a separate Russian offer document to all holders of OJSC VimpelCom shares, wherever located (the Russian Offer, and together with the U.S. Offer, the Offers). The U.S. Offer expired at 5:00 p.m. New York City time on April 15, 2010, and the Russian Offer expired at 11:59 p.m. Moscow time on April 20, 2010. The U.S. Offer was made pursuant to a registration statement on Form F-4, which includes a prospectus and related U.S. Offer acceptance materials (as amended, the Registration Statement), and a Schedule TO, each of which were filed with the Commission.

In the Offers, VimpelCom Ltd. offered:

to all holders of OJSC VimpelCom ADSs: one VimpelCom Ltd. ADR, or a nominal cash amount, in exchange for each OJSC VimpelCom ADS;

to all holders of OJSC VimpelCom common shares: twenty VimpelCom Ltd. ADRs, or a nominal cash amount, in exchange for each OJSC VimpelCom common share; and

to all holders of OJSC VimpelCom preferred shares: twenty VimpelCom Ltd. preferred American Depositary Shares, each representing one VimpelCom Ltd. preferred share (the Preferred ADRs), or a nominal cash amount, in exchange for each OJSC VimpelCom preferred share.

On April 21, 2010, Telenor East completed the exchange of all its OJSC VimpelCom shares, including those represented by OJSC VimpelCom ADSs (consisting of 17,254,579 OJSC VimpelCom common shares), in exchange for 345,091,580 VimpelCom Ltd. ADRs. Also on April 21, 2010, immediately upon completion of

the Offers and pursuant to the terms of the Share Exchange Agreement, the Telenor Parties contributed to VimpelCom Holdings B.V. (VimpelCom Holdings) all of their shares in Kyivstar in exchange for 8,524,363 VimpelCom Holdings common shares. The Telenor Parties then transferred 8,524,363 VimpelCom Holdings common shares to VimpelCom Ltd. in exchange for the issuance of 170,487,260 Common Shares to Telenor Mobile.

The descriptions of the Transaction Agreements below are qualified in their entirety by reference to the conformed text of these agreements incorporated by reference in Exhibits 99.2, 99.3 and 99.4 hereto.

Share Exchange Agreement

Pursuant to the Share Exchange Agreement, dated as of October 4, 2009, the Telenor Parties and the Alfa Parties (together, the Parties) agreed to restructure their ownership interests in Kyivstar and OJSC VimpelCom by contributing such interests to VimpelCom Ltd. and to cause VimpelCom Ltd. to make an offer to all OJSC VimpelCom shareholders to acquire 100% of OJSC VimpelCom's common stock, 100% of OJSC VimpelCom's preferred stock and 100% of OJSC VimpelCom's ADSs through:

(i) a voluntary tender offer in Russia in which:

each holder of OJSC VimpelCom common stock is offered 0.01 Russian rubles, or twenty VimpelCom Ltd. ADRs, in exchange for each share of OJSC VimpelCom common stock; and

each holder of OJSC VimpelCom preferred stock is offered 0.01 Russian rubles, or twenty VimpelCom Ltd. Preferred ADRs, in exchange for each OJSC VimpelCom preferred share;

provided, that VimpelCom Ltd. would not accept tenders pursuant to the voluntary tender offer in Russia from any holder of OJSC VimpelCom shares who was not a Russian qualified investor, as such term is defined under Russian law; and

(ii) a registered exchange offer in the United States in which:

each holder of OJSC VimpelCom ADSs is offered 0.0005 Russian rubles, or one VimpelCom Ltd. ADR, in exchange for each OJSC VimpelCom ADS;

each holder of OJSC VimpelCom common stock is offered 0.01 Russian rubles, or twenty VimpelCom Ltd. ADRs, in exchange for each share of OJSC VimpelCom common stock; and

each holder of OJSC VimpelCom preferred stock is offered 0.01 Russian rubles, or twenty VimpelCom Ltd. Preferred ADRs, in exchange for each OJSC VimpelCom preferred share.

Pursuant to the Share Exchange Agreement, immediately following the completion of the Offers, the Parties agreed to, directly or indirectly, transfer their respective ownership interests in Kyivstar to VimpelCom Holdings in exchange for shares in VimpelCom Holdings, and then transfer these shares in VimpelCom Holdings to VimpelCom Ltd. in exchange for additional shares in VimpelCom Ltd. (the Kyivstar Share Exchange).

On April 21, 2010, VimpelCom Ltd. completed the Offers and the Kyivstar Share Exchange (the Closing Date). Promptly following completion of the Offers and the Kyivstar Share Exchange, the Parties agreed to cause (a) OJSC VimpelCom to delist the OJSC VimpelCom ADSs from the New York Stock Exchange (the NYSE) and the OJSC VimpelCom common stock from the Russian Trading System, and (b) VimpelCom Ltd. to commence the procedures for the compulsory purchase of any remaining OJSC VimpelCom securities for cash consideration pursuant to Russian law (the squeeze-out). Following completion of these compulsory purchases, the Parties will cause all but one share of OJSC VimpelCom's common stock acquired by VimpelCom Ltd. to be transferred to VimpelCom Holdings.

The Parties agreed to cause VimpelCom Ltd. to pay all transaction-related costs, fees and expenses incurred in respect of the foregoing transactions. The Parties also agreed to cause VimpelCom Ltd. to use its best efforts to obtain adequate financing to pay all costs, fees and expenses for completion of the squeeze-out, including paying any cash consideration to OJSC VimpelCom's shareholders. If VimpelCom Ltd. is unable to procure or

raise adequate financing to pay such costs, fees or expenses, the Parties agreed to lend the necessary funds to VimpelCom Ltd. on commercially reasonable terms.

Indemnification

The Alfa Parties, on the one hand, and the Telenor Parties, on the other hand, each agreed to indemnify and hold the Telenor Parties and the Alfa Parties, respectively, harmless from and against all losses incurred or sustained which result from (a) any breach of any representation and warranty given or made by the indemnifying party (excluding representations and warranties made regarding Storm LLC), or (b) the noncompliance with or nonperformance of any obligation or covenant under the Share Exchange Agreement (excluding obligations in respect of Storm LLC).

A party will have no obligation to make any payment in respect of a claim arising by reason of a contingent liability until such liability ceases to be contingent and becomes actual, and will have no liability in respect of any claim:

arising as a direct result of an increase in rates of any tax implemented on or after the Closing Date or the passing of any legislation after the Closing Date with retroactive effect; or

for punitive damages, except to the extent such punitive damages are payable to a third person, or to the extent an affiliate had failed to mitigate the loss.

In addition, for a five year period following the Closing Date, Altimo agreed to indemnify and hold each of VimpelCom Ltd., VimpelCom Holdings, Storm and Kyivstar (collectively, the Storm Indemnified Parties) harmless from and against all losses actually incurred or sustained (a) which arise out of or result from VimpelCom Holdings acquisition of the ownership interests in Storm and VimpelCom Holdings ownership interests in Kyivstar through Storm and (b) which would not have arisen out of or resulted from VimpelCom Holdings direct acquisition of the Alfa Parties ownership interests in Kyivstar. Indemnifiable losses include losses which arise out of any breach of representations and warranties made regarding Storm or the noncompliance with or nonperformance of any obligations of the Alfa Parties in respect of Storm or any related tax issues.

During the five year period immediately following completion of the Kyivstar Share Exchange, Altimo may present a proposal to VimpelCom Ltd.'s board of directors for restructuring VimpelCom Holdings ownership of Kyivstar through Storm and the ownership interests in Storm through a merger, liquidation or other corporate restructuring that will mitigate any taxes that are or may become due or payable and that may result in an indemnification claim against Altimo. Any such restructuring proposal must be accompanied by written tax advice describing the tax and accounting implications of undertaking the restructuring proposal and concluding that such proposal will reduce or eliminate the taxes that could result in the indemnification claim, as well as a legal opinion describing the corporate and other legal implications of undertaking the transactions described in the proposal and confirming that such transactions will not violate applicable law.

Through a power of attorney that will entitle Telenor Mobile to enforce the rights of each Storm Indemnified Party without the need for any further corporate action, Telenor Mobile will be entitled to cause VimpelCom Ltd. to exercise each Storm Indemnified Party's indemnification rights and either accept or reject a restructuring proposal or respond with a revised restructuring proposal. If Telenor Mobile causes VimpelCom Ltd. to reject a restructuring proposal, then Altimo will have no subsequent liability in respect of any taxes that are or will become due and payable because such restructuring proposal is not implemented. If Telenor Mobile causes VimpelCom Ltd. to accept the restructuring proposal, Altimo will be liable for the aggregate amount of all losses actually incurred or sustained by any Storm Indemnified Party arising out of the indemnification claims and the implementation of the restructuring proposal.

The Share Exchange Agreement provides that the respective indemnification liability of the Alfa Parties and the Telenor Parties in respect of claims arising on or after the completion of the Offers and the Kyivstar Share Exchange will not exceed US\$3.0 billion in the aggregate, other than Altimo's liability to the Storm Indemnified Parties, which will not exceed an additional US\$1.0 billion.

Shareholders Agreement

The Shareholders Agreement, dated as of October 4, 2009, between the Alfa Parties (together with any future affiliate that becomes a party to the Shareholders Agreement, the Alfa Shareholders), the Telenor Parties (together with any future affiliate that becomes a party to the Shareholders Agreement, the Telenor Shareholders) and VimpelCom Ltd. establishes the rights and obligations of the parties to the Shareholders Agreement with respect to the ownership of VimpelCom Ltd. securities.

Transfers

Subject to the exceptions described below, a VimpelCom Ltd. shareholder who is or becomes a party to the Shareholders Agreement, including the Alfa Shareholders and the Telenor Shareholders (each, a Shareholder), may not transfer any of its VimpelCom Ltd. shares during the five year period following the Closing Date.

Standstill

During the five year period following the Closing Date, if, following a transfer of VimpelCom Ltd. shares by any Alfa Shareholder or any Telenor Shareholder such that their respective ownership in VimpelCom Ltd. would decrease to less than the percentage of VimpelCom Ltd. s outstanding shares owned by them immediately after the Closing Date, then, on one occasion only during that period, the Alfa Shareholders and the Telenor Shareholders (as applicable) may acquire such number of shares as would result in their respective ownership of VimpelCom Ltd. shares being equal to or less than the percentage of VimpelCom Ltd. s outstanding shares owned immediately after the Closing Date. Each Shareholder also agreed not to exceed a 45% ownership interest in VimpelCom Ltd. under any circumstances during such five year period.

If VimpelCom Ltd. approves an issuance of common shares to a Shareholder (the Equity-receiving Party) as consideration for a related M&A transaction, the other unaffiliated Shareholders (the Equity-purchasing Party) will have the right to purchase from the Equity-receiving Party such number of common shares as will bring the ratio of shares owned by the Equity-receiving Party to shares owned by the Equity-purchasing Party to the same ratio that existed immediately prior to the completion of the related M&A transaction. Any common shares issued in connection with a related M&A transaction must be structured so that the percentage ownership of VimpelCom Ltd. shares of the Equity-receiving Party or the Equity-purchasing Party remains at 45% or below. The purchase price per such share must be equal to the price per common share at which the common shares are issued to the Equity-receiving Party in the related M&A transaction. Any consideration received by the Equity-receiving Party or Equity-purchasing Party must be paid partly in-kind and partly in cash to the extent necessary to keep the Equity-receiving Party or Equity-purchasing Party s percentage ownership interest, as applicable, below or equal to 45%. The purchase of such common shares and payment must be completed simultaneously with the completion of the related M&A transaction.

Upon completion of each related M&A transaction, the respective percentage of VimpelCom Ltd. shares owned by the Alfa Shareholders and the Telenor Shareholders immediately after the Closing Date will be adjusted to the percentage ownership of shares resulting from such related M&A transaction.

If at any time either the Alfa Shareholders or the Telenor Shareholders beneficially own less than 25% of VimpelCom Ltd. s outstanding voting shares, then such Shareholder must not, until the first anniversary of the date on which it has ceased to beneficially own at least 25%, take any action to acquire any VimpelCom Ltd. shares, subject to certain exceptions, and the standstill restrictions will no longer apply to the Shareholder owning greater than 25%.

In addition, the Shareholders Agreement provides that the Shareholders may, subject to certain transfer restrictions, reduce their respective ownership of the VimpelCom Ltd. shares.

Right of First Offer

Any Shareholder may transfer its shares to any person from whom such Shareholder receives a bona fide offer, subject to the terms and conditions of the Shareholders Agreement. The selling shareholder (the Selling Party) must first give a notice to the other Shareholders, setting out the number and class of shares that it wishes to transfer. The other Shareholders will then each have the right, exercisable within 30 days of receiving notice, to make an offer to purchase all of the shares offered by the Selling Party.

If the Selling Party receives any offers from the other Shareholders, the Selling Party must, within ten days after receipt of such offers, determine whether to accept or reject any such offers. If the Selling Party accepts a Shareholder s offer, the share purchase must be made in accordance with the terms of such offer. If the Selling

Party rejects all such offers, then the Selling Party may transfer all of the shares offered by the Selling Party to any third-party purchaser at a price that is at least 2% higher than the maximum price stated in any Shareholder's offer. If the other Shareholders elect not to exercise their respective rights of first offer, the Selling Party may transfer all of the shares offered by the Selling Party to any third-party purchaser, provided such sale is completed within 120 days.

Tag Along Rights

If the Selling Party receives a bona fide offer to transfer its shares that the Selling Party wishes to accept (an Offer), the Selling Party must disclose to the other Shareholders information concerning the identity of the offeror, the purchase price per share in cash and the terms and conditions of the proposed Offer, and the other Shareholders each will have the right to transfer all or part of their shares to the offeror pro-rata with the Selling Party. Any other Shareholder wishing to exercise its right to participate in the proposed transfer must provide the Selling Party with a notice, indicating the number of shares to be included in the proposed transfer and price per share that such Shareholder is willing to accept for its shares.

If the Selling Party wishes to accept the Offer, the Selling Party must require the offeror to offer to purchase such number of shares as all other Shareholders wish to transfer. If the offeror is unwilling or unable to acquire all such shares upon the terms presented, the Selling Party may either cancel the proposed transfer or allocate the maximum number of shares that the offeror is willing to purchase pro-rata between the Selling Party and all other Shareholders wishing to participate in the proposed transfer. The Selling Party must cause the offeror to issue a notice to the other Shareholders, indicating the total number of shares that the offeror is willing to purchase and the terms and conditions of the proposed transfer. The other Shareholders will then have ten days to either accept the Offer, in which case the proposed transfer must be completed within 120 days following such acceptance, or reject the Offer, in which case the Selling Party may transfer to the offeror all of its shares identified in the notice to the other Shareholders for a purchase price payable in cash.

Exceptions

The transfer restrictions, right of first offer and the tag along rights do not apply to any transfer in respect of:
the transfer by a Shareholder to (a) any affiliate in which such Shareholder owns or controls more than 66% of the voting securities or (b) any other person who owns or controls more than 66% of the voting securities of such Shareholder;

any non-directed sale effected through a secondary offering or other transaction on the NYSE or another stock exchange; or

block trades of shares to any person who is not a Strategic Buyer (as defined below) within a consecutive 12-month period in an aggregate amount equal to or less than 12% of all outstanding shares of VimpelCom Ltd..

A Strategic Buyer means (a) any person with annual revenues exceeding US\$1.0 billion that are derived from being a licensed or registered provider of telecommunication services, (b) any controlling affiliate or controlled affiliate of any such person, or (c) any other person who beneficially owns at least 25% of the outstanding equity or voting interests in such person.

In addition, the Alfa Shareholders may, subject to the satisfaction of certain conditions, transfer up to 28.751% of the aggregate number of their shares in VimpelCom Ltd. to Altimo's minority shareholders without application of the transfer restrictions provided in the Shareholders Agreement.

Governance of VimpelCom Ltd.

VimpelCom Ltd. is governed by a supervisory board a management board. The management board consists of the CEO and other senior executives. The CEO has exclusive authority, among other things, to identify, negotiate and propose to the supervisory board M&A transactions and identify and recommend to the supervisory board for the supervisory board's ratification, VimpelCom Ltd.'s senior executives.

The supervisory board consists of nine members, three of whom are nominated by the Alfa Shareholders, three of whom are nominated by the Telenor Shareholders, and three of whom are

independent and unaffiliated with either the Alfa Parties or the Telenor Parties. Directors are nominated to the supervisory board as follows: at least six months prior to each annual general meeting of shareholders, the Alfa Shareholders and the Telenor Shareholders each will nominate three directors to become their nominees on the supervisory board. If so proposed by the Alfa Shareholders and the Telenor Shareholders, the supervisory board's nominating committee may recommend that any of the three then-serving unaffiliated directors serve another term as a director. If the nominating committee has not received such a proposal from at least two directors nominated by the Alfa Shareholders and at least two directors nominated by the Telenor Shareholders, the nominating committee will select an internationally recognized executive search firm to identify and propose ten candidates who meet the applicable requirements for unaffiliated directors to become the three unaffiliated director candidates. Upon receiving the proposal, the nominating committee will hold a committee meeting at which at least one director nominated by the Alfa Shareholders and one director nominated by the Telenor Shareholders will be present. At such meeting, a director nominated by the Telenor Shareholders will eliminate a candidate from the proposed list, followed by a director nominated by the Alfa Shareholders eliminating a candidate from the list, and the process will continue until only four candidates remain (the director selecting first will rotate annually). The nominating committee will then select three candidates from the remaining list of four candidates to become the three unaffiliated director nominees. The committee will submit the nine candidates (three nominated by the Alfa Shareholders, three nominated by the Telenor Shareholders, and three unaffiliated) to the supervisory board, which will then submit the nominees to VimpelCom Ltd.'s shareholders for election to the supervisory board.

The presence at any supervisory board meeting of at least six directors is necessary to constitute a quorum. The affirmative vote of any five directors is necessary to approve any matter submitted to the supervisory board, except for the issuance of new shares in an aggregate amount exceeding 10% of VimpelCom Ltd.'s then-currently outstanding shares, any related party agreement, the approval of the headquarters budget, the appointment and removal of the CEO of VimpelCom Ltd., any amendment to the charter of any committee of the supervisory board, and the approval of certain M&A transactions and any related M&A transaction, each of which will require the approval of at least six directors. The approval of M&A transactions in certain situations also requires the affirmative approval of VimpelCom Ltd.'s shareholders. In addition, the supervisory board has established and will maintain a nominating and corporate governance committee, an audit committee, a compensation committee and a financial committee.

If the CEO resigns or is terminated, a new CEO will be selected as follows: a search consultant will identify and present to the compensation committee a proposal for a maximum of five candidates who meet certain requirements. If no candidate receives at least six affirmative votes after three votes of the supervisory board and consultations between the Shareholders, and the then current CEO is still acting as the CEO, the supervisory board will offer the then current CEO the opportunity to serve for one more year.

If there is no then current CEO, the then current CEO will not agree to serve for a further one year period or the CEO has already served for a further one year period, the Telenor Shareholders and the Alfa Shareholders must cause the directors nominated by them to vote to convene a special general meeting of VimpelCom Ltd. shareholders as soon as practicable to select one of the three then current unaffiliated directors to serve as a member of the compensation committee. At such a special general meeting, the unaffiliated director receiving the highest number of affirmative votes held by shareholders other than the Alfa Shareholders or the Telenor Shareholders will be selected as the designated member of the compensation committee. Following such selection, the compensation committee will meet to consider CEO candidates. The candidate receiving at least two affirmative votes of members of the compensation committee will be appointed as the CEO.

After the Closing Date, the boards of directors of Kyivstar, OJSC VimpelCom and VimpelCom Holdings each will consist of five members, one of whom will be nominated by Altimo, one of whom will be nominated by Telenor, and three of whom will be proposed by the CEO and approved by the supervisory board. In addition, after the Closing Date, Kyivstar and OJSC VimpelCom will amend their respective charters to remove redundant provisions requiring supermajority voting by members of their respective boards of directors for certain major decisions and simplify the governance procedures.

Pre-emptive Rights

The Shareholders Agreement grants pre-emptive rights to each Shareholder with respect to the newly issued VimpelCom Ltd. shares. If VimpelCom Ltd. proposes to issue new securities, it must give each Shareholder written notice, stating the price per security, the identity of the purchaser(s) and the principal terms of the issuance, and each Shareholder will then have ten business days to elect to purchase up to its pro-rata number of securities for the price and upon the terms specified in the notice.

Debt Acquisitions

Each Shareholder and its respective affiliates are permitted to acquire debt obligations of VimpelCom Ltd. or any of its affiliates so long as such Shareholder provides a written notice to VimpelCom Ltd. within ten days of entering into such acquisition transaction offering to sell the relevant debt obligation to VimpelCom Ltd. at its fair market value. If a Shareholder or any of its affiliates owns an interest in a debt obligation of VimpelCom Ltd. or any of its affiliates, prior to initiating or participating in any enforcement action or bankruptcy proceeding with respect to such debt obligation, such Shareholder must provide 90 days prior written notice to VimpelCom Ltd. or take all actions necessary to ensure that any such action is terminated or withdrawn.

Other Arrangements

VimpelCom Ltd. agreed to pay all transaction-related costs, fees and expenses incurred in respect of the Offers and the squeeze-out and use its best efforts to raise sufficient funds. If VimpelCom Ltd. is unable to raise sufficient funds, the Alfa Parties and the Telenor Parties agreed to lend the necessary funds to VimpelCom Ltd. in equal proportions on commercially reasonable terms.

Termination

Subject to certain exceptions, the Shareholders Agreement will be terminated at the earlier of the date on which Altimo and Telenor each agree in writing and six months after the date on which either the Alfa Shareholders or the Telenor Shareholders collectively own greater than 50% or less than 25% of VimpelCom Ltd.'s outstanding shares.

Registration Rights Agreement

Pursuant to the Registration Rights Agreement, dated as of October 4, 2009, between and among VimpelCom Ltd., certain Alfa Parties and certain Telenor Parties, VimpelCom Ltd. agreed to use its best efforts to effect a registration under the Securities Act of 1933, as amended, of VimpelCom Ltd.'s securities held by the parties to the Registration Rights Agreement in order to facilitate the sale and distribution of such securities in an underwritten offering. In addition, VimpelCom Ltd. agreed to file a registration statement and all necessary amendments and supplements covering any such securities; to ensure that such securities are qualified for offer and sale under applicable law; to furnish copies of any registration statement, prospectus or any amendments or supplements thereto to legal counsel for each Shareholder participating in such offering and the underwriters at least five days before filing; and to use its best efforts to maintain the listing of its ADRs on the NYSE.

VimpelCom Ltd. will not, however, be obligated to effect a registration (a) within six months after the effective date of a prior registration statement; (b) for a period of not more than 90 days past the date upon which the supervisory board determines in its good faith judgment that the filing of a registration statement would be seriously detrimental to the completion of a merger or consolidation in which VimpelCom Ltd. is a participant; or (c) if VimpelCom Ltd. has effected the registration and permitted the sale of securities pursuant to the Registration Rights Agreement on at least six prior occasions.

Each Shareholder's ability to dispose of securities upon the effectiveness of a registration statement is limited, and Shareholders are required to notify VimpelCom Ltd. of any changes in any plans of distribution following effectiveness of a registration statement. In addition, each Shareholder selling securities pursuant to a registration statement must meet certain requirements, such as being named as a selling security holder in the prospectus, delivering a prospectus to purchasers, accepting civil liability provisions under the Securities Act in connection with any sales of registered securities; and consenting to be bound by the applicable provisions of the Registration Rights Agreement. Each Shareholder also agreed to furnish to VimpelCom Ltd. information about itself, the securities held by it and its proposed plan of distribution.

Swap Transaction

On June 2, 2006, Telenor ASA entered into a master confirmation (as amended from time to time, the Swap Agreement) with ING Bank N.V., London Branch (ING) providing for a total return equity swap (the Swap Transaction) in respect of a specified number of OJSC VimpelCom ADSs, which are the reference securities for the Swap Transaction (the Reference Securities) in order to partially hedge itself against increases in the price of OJSC VimpelCom ADSs. On March 30, 2007, Telenor ASA transferred all of its rights and obligations under the Swap Agreement to Telenor East and provided ING a guarantee agreement with respect to Telenor East's payment and performance obligations under the Swap Agreement (the Guarantee Agreement).

Under the Swap Agreement, Telenor East makes payments to, or receive payments from, ING that reflect the total return on the notional value of the Reference Securities, including receiving amounts equivalent to 85% of the amount of any dividends paid during the term of the Swap Transaction, and Telenor East makes payments to ING equivalent to a floating rate of interest on a notional principal amount equal to the aggregate notional value of the Reference Securities. The Swap Agreement provides only for cash settlement with respect to the Reference Securities. The Swap Agreement provides for optional monthly termination by either party on certain specified dates and terminates in accordance with its terms on June 2, 2010.

Prior to the Closing Date, the Reference Securities for the Swap Agreement were 2,237,000 OJSC VimpelCom ADSs (equivalent to 111,850 OJSC VimpelCom common shares). ING has informed Telenor East that it tendered into the U.S. Offer the 2,237,000 OJSC VimpelCom ADSs it held to hedge its position in the Swap Transaction. Therefore, in accordance with the terms of the Swap Agreement, following VimpelCom Ltd.'s completion of the Offers, the Reference Securities for the Swap Transaction became 2,237,000 VimpelCom Ltd. ADRs.

Neither Telenor East nor any of the other Reporting Persons shall have any voting or investment power with respect to any of the Reference Securities, and Telenor East and each of the other Reporting Persons disclaim beneficial ownership of any such securities.

Other than the Swap Agreement (which incorporates by reference the 2002 ISDA Master Agreement and Schedule dated March 30, 2007 between ING and Telenor East) and the Guarantee, none of the Reporting Persons has any contracts, arrangements, understandings or relationships with ING with respect to the Reference Securities for the Swap Transaction.
