**NEWS RELEASE**

**TEEKAY TANKERS CEO BJORN MOLLER TO RETIRE IN 2011;  
BRUCE CHAN NAMED AS HIS SUCCESSOR**

**Hamilton, Bermuda, September 28, 2010** Teekay Tankers Limited (*Teekay Tankers* or *the Company*) today announced that its President and Chief Executive Officer (*CEO*), Bjorn Moller, has informed the Company of his intention to retire from these positions in the spring of 2011. Mr. Moller has served as the Company's CEO since it was formed in 2007 and plans to remain on Teekay Tankers' Board of Directors.

In a separate release, Teekay Corporation, the controlling shareholder of Teekay Tankers, today announced that Mr. Moller has also notified it of his plans to retire from his roles as President and CEO of Teekay Corporation, also in the spring of 2011. Mr. Moller has served with Teekay Corporation for more than 25 years, including the past 12 years as CEO.

Under Mr. Moller's leadership, Teekay Tankers has established itself as a successful growth-oriented owner of oil tankers, with the fleet size increasing from 9 to 13 Aframax and Suezmax tankers, and the Company making innovative use of available funds through its investment in two profitable loans secured by two VLCCs. Teekay Tankers' policy of tactically managing its mix of spot and short-term charter contracts has benefited shareholders and resulted in the payment of \$5.61 per share in dividends since its initial public offering in December 2007.

Sean Day, Teekay Tankers' Chairman said, "Bjorn Moller's decision to retire from his role as CEO is linked to his planned retirement from the CEO role at our parent company, which was announced today. Bjorn has done a great job launching Teekay Tankers on the road to success in its first three years of operation, and the Company is well positioned for the future. I wish to thank Bjorn for his leadership and commitment. I am pleased that Bjorn has accepted our invitation to remain on our Board of Directors after he steps down next spring so we may continue to draw on his tremendous experience."

The Board of Directors of Teekay Tankers has named Bruce Chan, 38, as CEO-elect to succeed Mr. Moller. Mr. Chan is currently President of Teekay Tanker Services, the Strategic Business Unit of Teekay that manages the conventional crude oil and product tanker fleets within the Teekay Group, including the commercial tonnage pools in which Teekay Tankers' spot tankers are employed. Mr. Chan said, "I would like to thank the Board of Directors for their confidence in me. Bjorn Moller and Peter Evensen have set up Teekay Tankers for long-term success, and I look forward to building on that momentum. Mr. Chan will continue in his role in Teekay Corporation when he assumes the role as CEO of Teekay Tankers. He has served 15 years with Teekay Corporation and is a member of its Senior Leadership Team. Bjorn Moller said, "It has been a privilege to lead the team in launching Teekay Tankers and managing its successful growth in its first few years of operation. With the strong support afforded us by our sponsor, Teekay Corporation, we are well positioned to create shareholder value going forward. Mr. Moller continued, "Bruce Chan is an excellent choice to succeed me as CEO. His current involvement in the commercial management of the Teekay Tankers fleet is already benefiting our shareholders today, and I know his perspective as leader of Teekay Tanker Services will continue to create shareholder value in the future as we continue to grow our fleet through accretive acquisitions."
