4. the non-binding, advisory vote of stockholders on the future frequency of the say-on-pay vote; and
5. the transaction of such other business as may properly come before the 2011 Annual Meeting.

A Proxy Statement describing the matters to be considered at the 2011 Annual Meeting accompanies this notice. Only stockholders of record at 5:00 p.m., Eastern Time, on April 8, 2011 are entitled to notice of, and to vote at, the 2011 Annual Meeting and at any adjournments thereof. For at least ten days prior to the 2011 Annual Meeting, a list of stockholders entitled to vote at the 2011 Annual Meeting will be available for inspection during normal business hours at the offices of the Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, and such list also will be available at the 2011 Annual Meeting.

Important Notice Regarding the Availability of Proxy Materials for the June 2, 2011 Annual Stockholders Meeting:

We are delivering our Proxy Statement and 2010 Annual Report under U.S. Securities and Exchange Commission rules that require companies to make proxy materials available to their stockholders over the Internet and to furnish notice of Internet access to such materials. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to all of our stockholders (stockholders who have a request for paper copies on file with our transfer agent or their broker will receive paper copies of our proxy materials in the mail). A paper copy of our proxy materials may be requested through one of the methods described in the Notice of Internet Availability of Proxy Materials. Our Proxy Statement, including the Notice of Annual Meeting of Stockholders, and our 2010 Annual Report to Stockholders are available at www.proxyvote.com (where stockholders may also vote their shares, over the Internet) and at

www.revloninc.com.

Whether or not you plan to attend the 2011 Annual Meeting, your vote is important. Please promptly submit your proxy by Internet, telephone or mail by following the instructions found on your Notice of Internet Availability of Proxy Materials or proxy card. Your proxy can be withdrawn by you at any time before it is voted at the 2011 Annual Meeting.

If you plan to attend the 2011 Annual Meeting in person, you should check the appropriate box on your proxy card (or indicate that you will attend when prompted by electronic voting means which you may access) indicating that you intend to do so. You will need to present **valid picture identification**, such as a driver's license or passport, in order to be admitted to the meeting. If your shares are held other than as a stockholder of record (such as

beneficially through a brokerage, bank or other nominee account), you will need to present original documents (copies will not be accepted) to evidence your stock ownership as of the April 8, 2011 record date, such as an original of a legal proxy from your bank or broker (Requests for Admission will not be accepted), your brokerage account statement demonstrating that you held Revlon, Inc. Class A Common Stock, Class B Common Stock or Series A Preferred Stock (voting capital stock) in your account on the April 8, 2011 record date, or, if you did not already return it to your bank or broker, an original voting instruction form issued by your bank or broker, demonstrating that you held Revlon, Inc. voting capital stock in your account on the April 8, 2011 record date. **Please see our Proxy Statement for information on how to pre-register for the meeting, should you wish to attend.**

As previously disclosed, in September 2008, the Company completed a 1-for-10 reverse stock split of its Class A and Class B Common Stock (the Reverse Stock Split) pursuant to which each ten (10) shares of Revlon, Inc. Class A and Class B Common Stock issued and outstanding immediately prior to 11:59 p.m. on September 15, 2008 were automatically combined into one (1) share of Class A Common Stock and Class B Common Stock, respectively, subject to the elimination of fractional shares. The Company has determined that stockholders who have not yet surrendered their shares to the Company s transfer agent for exchange in connection with the Reverse Stock Split will be considered stockholders of record and will be permitted to receive these proxy materials, vote their shares (after giving effect to the 1-for-10 Reverse Stock Split) and attend the 2011 Annual Meeting.

In order to expedite the admission registration process, we encourage stockholders to pre-register in accordance with the pre-registration procedures set forth in our Proxy Statement.

Thank you.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Q. Why am I receiving these proxy materials?

A. Our Board of Directors is providing this Proxy Statement and other materials to you in connection with the Company's 2011 Annual Meeting of Stockholders. This Proxy Statement describes the matters proposed to be voted on at the 2011 Annual Meeting, including the election of directors, the ratification of the selection of the Company's independent registered public accounting firm for 2011, the non-binding, advisory vote of the Company's stockholders on the Company's executive compensation, as disclosed pursuant to Item 402 of Regulation S-K, including as disclosed in the Compensation Discussion and Analysis, compensation tables and accompanying narrative set forth in this Proxy Statement (say-on-pay), the non-binding, advisory vote of the Company's stockholders on the future frequency of the say-on-pay vote, and such other business as may properly come before the 2011 Annual Meeting. The approximate date when these proxy materials are being made available to you is April 19, 2011.

Q. Why did I receive a notice regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission, instead of mailing a printed copy of our proxy materials to all stockholders entitled to vote at our 2011 Annual Meeting, we are making the proxy materials and our 2010 Annual Report available to our stockholders electronically via the Internet. On or about April 19, 2011, we are sending to our stockholders a Notice of Internet Availability of Proxy Materials (the Internet Notice). The Internet Notice contains instructions on how stockholders may access and review our proxy materials and our 2010 Annual Report over the Internet and vote electronically, as well as instructions on how stockholders can receive a paper copy of our proxy materials, including the 2011 Proxy Statement, the 2010 Annual Report and a form of proxy card. Otherwise, you will not receive a printed copy of the proxy materials (unless you already had a request for paper copies on file with our transfer agent or your broker). Instead, the Internet Notice will instruct you as to how you may access and review the proxy materials and submit your vote via the Internet. If you would like to receive a printed copy of the proxy materials, please follow the instructions included in the Internet Notice for requesting printed materials.

Important Notice Regarding the Availability of Proxy Materials for the June 2, 2011 Annual Stockholders Meeting:

Our 2011 Proxy Statement, including the Notice of Annual Meeting of Stockholders, and 2010 Annual Report to Stockholders are available at www.proxyvote.com (where stockholders may also vote their shares, via the Internet) and at www.revloninc.com.

Q. How can I request paper copies of proxy materials?

A. If you only received the Internet Notice, you will not receive a printed copy of the proxy materials unless you request them. There is no charge imposed by the Company for requesting a copy. To request paper copies, stockholders can (i) go to www.proxyvote.com and follow the instructions posted for requesting materials, (ii) call **1-800-579-1639** or (iii) send an email to sendmaterial@proxyvote.com. If you request materials by email, send a blank email with your Control Number(s) (located in the Internet Notice) in the subject line. **To facilitate timely delivery of paper copies of requested materials, please make your paper copy request no later than May 20, 2011.**

Q. *When and where is the 2011 Annual Meeting?*

A. The 2011 Annual Meeting will be held at 10:00 a.m., Eastern Time, on Thursday, June 2, 2011, at Revlon's Research Center at 2121 Route 27, Edison, NJ 08818.

Table of Contents

Q. *What is the purpose of the 2011 Annual Meeting?*

A. At the 2011 Annual Meeting, the Company's stockholders will act upon the following matters set forth in the Notice of Annual Meeting of Stockholders:

the election of the following persons as members of the Company's Board of Directors to serve until the next Annual Meeting and until such directors' successors are elected and shall have been qualified: Ronald O. Perelman, Alan S. Bernikow, Paul J. Bohan, Alan T. Ennis, Meyer Feldberg, David L. Kennedy, Debra L. Lee, Tamara Mellon, Richard J. Santagati, Barry F. Schwartz and Kathi P. Seifert (if any nominee is unable or declines unexpectedly to stand for election as a director at the 2011 Annual Meeting, the Board of Directors may by resolution provide for a lesser number of directors or designate substitute nominees and proxies will be voted for any such substitute nominee);

the ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for 2011;

the non-binding, advisory vote of the Company's stockholders on the Company's executive compensation, as disclosed pursuant to Item 402 of Regulation S-K, including as disclosed in the Compensation Discussion and Analysis, compensation tables and accompanying narrative set forth in this Proxy Statement (say-on-pay);

the non-binding, advisory vote of the Company's stockholders on the future frequency of the say-on-pay vote; and

the transaction of such other business as may properly come before the 2011 Annual Meeting.

Q. *What are the voting recommendations of the Board?*

A. The Board recommends the following votes:

FOR each of the director nominees (all of whom are currently directors of the Company);

FOR the ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for 2011;

FOR the non-binding, advisory approval of the Company's executive compensation; and

for recommending, on a non-binding, advisory basis, conducting future non-binding, advisory votes on executive compensation every **THREE (3) YEARS**.

Q. *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A. Many holders of the Company's voting capital stock hold such shares through a broker or other nominee (i.e., a beneficial owner) rather than directly in their own name (i.e., a stockholder of record). As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered in your name with the Company's transfer agent, American Stock Transfer & Trust Company, as of 5:00 p.m., Eastern Time, on the April 8, 2011 record date,

you are considered the stockholder of record with respect to those shares, and these proxy materials are being made available, electronically or otherwise, directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or a third party, or to vote in person at the 2011 Annual Meeting. The Company has made available a proxy card or electronic voting means for you to use for voting purposes.

Reverse Stock Split. As previously disclosed, in September 2008, the Company effected a 1-for-10 reverse stock split of its Class A and Class B Common Stock (the Reverse Stock Split) pursuant to which each ten (10) shares of Revlon Class A and Class B Common Stock issued and outstanding immediately prior to 11:59 p.m. on September 15, 2008 were automatically combined into one (1) share of Class A Common Stock and Class B Common Stock, respectively, subject to the elimination of fractional shares. The Company has determined that stockholders who have not yet surrendered their shares to the Company's transfer agent for exchange in connection with the Reverse Stock Split will be considered

Table of Contents

stockholders of record and will be permitted to receive these proxy materials, vote their shares (after giving effect to the 1-for-10 Reverse Stock Split) and attend the 2011 Annual Meeting.

Beneficial Owner. If your shares are held in a brokerage account or by another nominee as of 5:00 p.m., Eastern Time, on the April 8, 2011 record date, you are considered the beneficial owner of shares held in street name, and these proxy materials are being made available, electronically or otherwise, by the Company to your broker, nominee or trustee and they should forward these materials to you, together with a voting instruction form if furnished via paper copy to your broker, trustee or nominee.

Q. *How do I vote?*

A. You may vote using one of the following methods:

Internet. For all holders of our voting capital stock (whether a stockholder of record or a beneficial owner), to vote through the Internet, log on to the Internet and go to www.proxyvote.com and follow the steps on the secure website (have your Internet Notice or your proxy card available as you will need to reference your assigned Control Number(s)). You may vote on the Internet up until 11:59 p.m. Eastern Time on June 1, 2010, which is the date before the June 2, 2011 Annual Meeting. If you vote by the Internet, you need not return your proxy card (if you received one), unless you wish to change your Internet vote.

Telephone. You may vote by telephone by calling the toll-free number on your proxy card up until 11:59 p.m., Eastern Time, on June 1, 2010, which is the date before the June 2, 2011 Annual Meeting, and following the pre-recorded instructions (have your Internet Notice or your proxy card available when you call as you will need to reference your assigned Control Number(s)). If you vote by telephone, you should not return your proxy card (if you received one), unless you wish to change your Internet vote.

Mail. If you received your proxy materials by mail, due to having a request for paper copies on file with our transfer agent or your broker, you may vote by mail by appropriately marking your proxy card, dating and signing it, and returning it in the postage-prepaid envelope provided, or to Vote Processing (Revlon), c/o Broadridge, 51 Mercedes Way, Edgewood, NJ 11717, for receipt prior to the closing of the voting polls for the June 2, 2011 Annual Meeting.

In Person. You may vote your shares in person by attending the 2011 Annual Meeting and submitting a valid proxy at the 2011 Annual Meeting. If you are a registered owner or record holder (i.e., you are listed as a stockholder on the books and records of our transfer agent), you may vote in person by submitting your previously furnished proxy or casting a voting capital stock ballot furnished by the Company at the Meeting prior the closing of the polls; if you are a beneficial owner (i.e., your shares are held by a nominee, such as a bank or broker or in street name), you may not vote your shares in person at the 2011 Annual Meeting unless you obtain and present to the Company an original (copies will not be accepted) legal proxy from your bank or broker authorizing you to vote the shares (Requests for Admission will not be accepted).

Voting, Generally. All shares that have been voted properly by an unrevoked proxy will be voted at the 2011 Annual Meeting in accordance with your instructions. In relation to how your proxy will be voted, see *How will my proxy be voted?* below.

If you are a beneficial owner because your brokerage firm, bank, broker-dealer or other similar organization is the holder of record of your shares (i.e., your shares are held in street name), you will receive instructions on how to vote from your bank, broker or other record holder. You must follow these instructions in order for your shares to be voted. You should instruct your nominee on how to vote your shares. Your broker is required to vote those shares in accordance with your instructions. If you do not give instructions to your broker, the broker may vote your

shares only with respect to Proposal No. 2 (the ratification of the appointment of the Company's independent registered public accounting firm), which is considered a routine matter, and not with respect to Proposal Nos. 1, 3 and 4.

Q. *Who can vote?*

A. Only stockholders of record of Revlon, Inc. Class A and Class B Common Stock and Revlon, Inc. Series A Preferred Stock at 5:00 p.m., Eastern Time, on April 8, 2011, the record date for the 2011 Annual Meeting, or

Table of Contents

those who have been granted and present an original, signed, valid legal proxy in appropriate form from a holder of record of Revlon, Inc. Class A or Class B Common Stock or Revlon, Inc. Series A Preferred Stock as of 5:00 p.m., Eastern Time, on April 8, 2011, are entitled to vote. Each share of the Company's Class A Common Stock and Series A Preferred Stock is entitled to one vote, and each share of Class B Common Stock is entitled to ten votes.

As noted above, the Company has determined that stockholders who have not yet surrendered their old shares of Class A Common Stock to the Company's transfer agent for exchange in connection with the Reverse Stock Split will be considered stockholders of record and will be permitted to receive these proxy materials, vote their shares (after giving effect to the 1-for-10 Reverse Stock Split) and attend the 2011 Annual Meeting.

Q. How will my proxy be voted?

A. Your proxy, when properly submitted to us, and not revoked, will be voted in accordance with your instructions. If you sign and return your proxy card without indicating how you would like your shares to be voted, the persons designated by the Company as proxies will vote in accordance with the recommendations of the Board of Directors on Proposal No. 1 (the election of directors), Proposal No. 2 (the ratification of the appointment of the Company's independent registered public accounting firm), Proposal No. 3 (the non-binding, advisory approval of the Company's executive compensation, through the say-on-pay non-binding, advisory vote), and Proposal No. 4 (the recommendation on the future frequency of conducting say-on-pay votes on executive compensation). The Board's recommendation is set forth in the description of each Proposal in this Proxy Statement. In summary, the Board recommends a vote: (1) **FOR** each of the 11 director nominees identified in this Proxy Statement (all of whom currently are directors of the Company), (2) **FOR** the ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for 2011, (3) **FOR** the non-binding, advisory approval of the Company's executive compensation, and (4) for recommending, on a non-binding, advisory basis, conducting future say-on-pay non-binding, advisory votes every **THREE (3) YEARS**.

Although we are not aware of any other matter that may be properly presented at the 2011 Annual Meeting, if any other matter is properly presented, the persons designated by the Company as proxies may vote on such matters in their discretion.

Q. Can I change or revoke my vote?

A. Yes. If you are a stockholder of record, you can change or revoke your vote at any time before it is voted at the 2011 Annual Meeting by:

executing and delivering a proxy bearing a later date, which must be received by the Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, Attention: Michael T. Sheehan, before the original proxy is voted at the 2011 Annual Meeting;

filing a written revocation or written notice of change, as the case may be, which must be received by the Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, Attention: Michael T. Sheehan, before the original proxy is voted at the 2011 Annual Meeting; or

attending the 2011 Annual Meeting and voting in person.

If you are a beneficial owner, please follow the voting instructions sent to you by your broker, trustee or nominee to change or revoke your vote.

To revoke a vote previously submitted electronically through the Internet or by telephone, you may simply vote again at a later date, using the same procedures, in which case the later submitted vote will be recorded and the earlier vote revoked.

Q. *What if I am a participant in the Revlon 401(k) Plan?*

A. This Proxy Statement is being furnished to you if Revlon, Inc. Class A Common Stock is allocated to your account within the Revlon Employees Savings, Investment and Profit Sharing Plan (the 401(k) Plan). The trustee of the 401(k) Plan, as the record holder of the Company s shares held in the 401(k) Plan, will vote the

Table of Contents

shares allocated to your account under the 401(k) Plan in accordance with your instructions. If the trustee of the 401(k) Plan does not otherwise receive voting instructions for shares allocated to your 401(k) Plan Account, the trustee, in accordance with the 401(k) Plan trust agreement, will vote any such shares in the same proportion as it votes those shares allocated to 401(k) Plan participants' accounts for which voting instructions were received by the trustee. **401(k) Plan participants must submit their voting instructions to the trustee of our 401(k) Plan in accordance with the instructions included with the proxy card or Internet Notice so that they are received by 11:59 p.m. Eastern Time on May 26, 2011 to allow the trustee time to receive such voting instructions and vote on behalf of participants in the 401(k) Plan. Voting instructions received from 401(k) Plan participants after this deadline, under any method, will not be considered timely and will be voted by the trustee at the 2011 Annual Meeting in the manner described in this paragraph above for non-votes.**

Q. Who can attend the 2011 Annual Meeting?

- A. Anyone who was a stockholder of the Company as of 5:00 p.m., Eastern Time, on April 8, 2011, the record date for the 2011 Annual Meeting, and who provides the necessary identification may attend the 2011 Annual Meeting. Solicitation and Voting of Proxies; Revocation

All proxies properly submitted to the Company, unless such proxies are properly revoked before they are voted at the 2011 Annual Meeting, will be voted on all matters presented at the 2011 Annual Meeting in accordance with the instructions given by the person executing (or electronically submitting) the proxy or, in the absence of instructions, will be voted (1) **FOR** the election to the Board of Directors of each of the 11 nominees identified in this Proxy Statement (all of whom currently are directors of the Company); (2) **FOR** the ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for 2011; (3) **FOR** the non-binding, advisory approval of the Company's executive compensation, as disclosed pursuant to Item 402 of Regulation S-K, including as disclosed in the Compensation Discussion and Analysis, compensation tables and accompanying narrative set forth in this Proxy Statement; and (4) for the non-binding, advisory recommendation of conducting future non-binding, advisory votes on executive compensation every **THREE (3) YEARS** (see below for discussion of broker non-votes). The Company has no knowledge of any other matters to be brought before the meeting. The deadline for receipt by the Company of stockholder proposals for inclusion in the proxy materials for presentation at the 2011 Annual Meeting was December 22, 2010. The Company did not receive any proposals required to be included in these proxy materials.

Additionally, pursuant to the Company's By-laws, in order for business to be properly brought before the 2011 Annual Meeting (other than stockholder proposals included in the proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), and business specified in this Proxy Statement), notice of such business must have been received by the Company between March 5, 2011 and April 4, 2011 (and not subsequently withdrawn) and such notice must have included, among other things: (i) information regarding the proposed business to be brought before such meeting; (ii) the identity of the stockholder proposing the business; and (iii) the class of the Company's shares which are owned beneficially or of record by such stockholder. The Company did not receive notification of any such matters. If any other matters are properly presented before the 2011 Annual Meeting for action, however, in the absence of other instructions, it is intended that the persons named by the Company and acting as proxies will vote in accordance with their discretion on such matters.

The submission of a signed or validly submitted electronic proxy will not affect a stockholder's right to change their vote, attend and/or vote in person at the 2011 Annual Meeting. Stockholders who execute a proxy or validly submit an electronic vote may revoke it at any time before it is voted at the 2011 Annual Meeting by: (i) filing a written revocation or written notice of change, as the case may be, which must be received by the Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, Attention: Michael T. Sheehan, before the original proxy is voted at the 2011 Annual Meeting; (ii) executing and delivering a proxy bearing a later date, which must be received by the

Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, Attention: Michael T. Sheehan, before the original proxy is voted at the 2011 Annual Meeting; or (iii) attending the 2011 Annual Meeting and voting in person. To revoke a proxy previously submitted electronically through the Internet or by telephone, you may simply vote again at a later date, using the same procedures, in which case the later submitted vote will be recorded and the earlier vote revoked.

Table of Contents**Record Date; Voting Rights**

Only holders of record of shares of the Company's Class A common stock, par value \$0.01 per share (the Class A Common Stock), Class B common stock, par value \$0.01 per share (the Class B Common Stock) and, together with the Class A Common Stock, the Common Stock), and Series A Preferred Stock, par value \$0.01 per share (the Preferred Stock) and, together with the Common Stock, the Voting Capital Stock), at 5:00 p.m., Eastern Time, on April 8, 2011 (the Record Date) will be entitled to notice of and to vote at the 2011 Annual Meeting or any adjournments thereof. On the Record Date, there were issued and outstanding: (i) 49,050,628 shares of the Company's Class A Common Stock, each of which is entitled to one vote, (ii) 3,125,000 shares of the Company's Class B Common Stock, each of which is entitled to 10 votes, and (iii) 9,336,905 shares of the Company's Preferred Stock, each of which is entitled to one vote. Of that Voting Capital Stock, Mr. Ronald O. Perelman, Chairman of the Board of Directors, directly and indirectly through MacAndrews & Forbes Holdings Inc., of which Mr. Perelman is the sole stockholder (together with certain of its affiliates (other than the Company or its subsidiaries), MacAndrews & Forbes), beneficially owned approximately 77% of the combined voting power of the outstanding shares of the Company's Voting Capital Stock as of the Record Date that are entitled to vote at the 2011 Annual Meeting.

The presence, in person or by duly submitted proxy, of the holders of a majority in total number of votes of the issued and outstanding shares of Voting Capital Stock entitled to vote at the 2011 Annual Meeting is necessary to constitute a quorum in order to transact business at such meeting. Abstentions and, as there is at least one routine matter (under applicable NYSE rules) for consideration at the 2011 Annual Meeting, broker non-votes, if any, will be included in the calculation of the number of shares present at the 2011 Annual Meeting for the purposes of determining a quorum.

Broker non-votes are shares held by a broker, trustee or nominee that are not voted because the broker, trustee or nominee does not have discretionary voting power on a particular proposal and does not receive voting instructions from the beneficial owner of the shares. Brokers will not be allowed to vote shares as to which they have not received voting instructions from the beneficial owner with respect to Proposal Nos. 1 (the election of directors), 3 (say-on-pay) or 4 (say-on-frequency). Accordingly, broker non-votes will not be counted as a vote for or against these proposals. For shares as to which they have not received voting instructions from the beneficial owner, brokers will be able to vote on Proposal No. 2 (ratification of the Company's selection of its independent registered public accounting firm for 2011), as this is considered a routine matter under applicable NYSE rules for which brokers have discretionary voting power.

MacAndrews & Forbes has informed the Company that it will duly submit proxies (1) **FOR** the election to the Board of Directors of each of the 11 nominees identified in this Proxy Statement (all of whom currently are directors of the Company); (2) **FOR** the ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for 2011; (3) **FOR** the non-binding, advisory approval of the Company's executive compensation; and (4) for recommending, on a non-binding, advisory basis, conducting future non-binding, advisory votes on executive compensation every **THREE (3) YEARS**. Accordingly, there will be a quorum and the affirmative vote of MacAndrews & Forbes is sufficient, without the concurring vote of any of the Company's other stockholders, to approve and adopt Proposal Nos. 1, 2, 3 and 4 to be considered at the 2011 Annual Meeting, as aforesaid.

If shares of Class A Common Stock are held as of the Record Date for the account of participants under the Revlon Employees Savings, Investment and Profit Sharing Plan (the 401(k) Plan), the trustee for the 401(k) Plan will vote those shares pursuant to the instructions given by the 401(k) Plan participants on their respective voting instruction forms. If the trustee does not otherwise receive voting instructions for shares held on account of a 401(k) Plan participant, the trustee, in accordance with the 401(k) Plan trust agreement, will vote any such unvoted shares in the same proportion as it votes those shares allocated to 401(k) Plan participants' accounts for which voting instructions were received by the trustee. 401(k) Plan participants must cast their votes in accordance with the instructions

provided in the proxy materials so that they are received by 11:59 p.m. Eastern Time on May 26, 2011 to allow the trustee time to receive such voting instructions and vote on behalf of participants in the 401(k) Plan. Voting instructions received from 401(k) Plan participants after this deadline, under any method, will not be considered timely and will be voted by the trustee at the 2011 Annual Meeting in the manner described in this paragraph above.

Table of Contents

Only holders of record of shares of the Company's Voting Capital Stock on the Record Date will be entitled to notice of and to vote at the 2011 Annual Meeting or any adjournments thereof. Stockholders will be entitled to vote the number of voting shares held by them on the Record Date.

Distribution of Proxy Materials; Costs of Distribution and Solicitation

The accompanying form of proxy is being solicited on behalf of the Company's Board of Directors. We will bear all costs in connection with preparing, assembling and furnishing this Proxy Statement and related materials, including reimbursing banks, brokerage houses and other custodians, nominees, agents and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders. The Company has hired Broadridge to assist in the distribution and on-line hosting of proxy materials (including the provision of electronic voting methods) for the 2011 Annual Meeting. The estimated fee is approximately \$10,500, plus out-of-pocket expenses such as postage.

Householding of Stockholder Materials

Some banks, brokers and other nominee record holders may be participating in the practice of householding stockholder materials, such as proxy statements, information statements and annual reports. This means that only one copy of our Internet Notice or proxy materials, as the case may be, may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of our Internet Notice or the 2011 proxy materials, as the case may be, to you if you write us at the following address: Revlon, Inc., Investor Relations Department, 237 Park Avenue, New York, NY 10017; or our proxy distributor at the following address: Broadridge, 51 Mercedes Way, Edgewood, NJ 11717. If you want to receive separate copies of the stockholder materials in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address. In the interest of reducing costs and promoting environmental responsibility, we encourage our stockholders to review electronic versions of our proxy materials, via the Internet.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company's Board of Directors, pursuant to the Company's By-laws, has fixed the number of directors at eleven (11), effective as of the date of the 2011 Annual Meeting. The 11 directors nominated for election by the Board of Directors, upon recommendation of the Board's Nominating and Corporate Governance Committee, will be elected at the 2011 Annual Meeting to serve until the Company's next Annual Meeting and until their successors are duly elected and shall have been qualified. All of the nominees currently are members of the Board of Directors. All director nominees, if elected, are expected to serve until the next Annual Meeting.

The Board of Directors has been informed that all of the nominees are willing to serve as directors, but if any of them should decline or be unable to serve, the Board of Directors may by resolution provide for a lesser number of directors or designate substitute nominees, in which event the individuals appointed as proxies will vote as directed as to the election of any such substitute nominee. The Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve.

VOTE REQUIRED AND BOARD OF DIRECTORS' RECOMMENDATION

The election to the Board of Directors of each of the 11 nominees identified in this Proxy Statement requires the affirmative vote of a plurality of the votes cast by the holders of shares of Voting Capital Stock present in person or represented by proxy at the 2011 Annual Meeting and entitled to vote. With respect to Proposal No. 1, all proxies properly submitted to the Company, unless such proxies are revoked, will be voted in accordance with the instructions given by the person submitting such proxy or, in the absence of such instructions, will be voted **FOR** the election to the Board of Directors of each of the 11 nominees identified in this Proxy Statement. Brokers do not have the ability to vote on non-routine matters, including the election of directors, as to shares for which they have not received voting instructions from the beneficial owner. In light of the application of plurality voting to the election

Table of Contents

of Directors, when tabulating the vote and determining whether the Director has received the requisite number of affirmative votes, abstentions and broker non-votes will not count as a vote for or against a Director. MacAndrews & Forbes has informed the Company that it will vote **FOR** the election to the Board of Directors of each of the 11 nominees identified in this Proxy Statement. Accordingly, the affirmative vote of MacAndrews & Forbes is sufficient, without the concurring vote of the Company's other stockholders, to effect the election of each of the director nominees. Given the affirmative vote of MacAndrews & Forbes, each director nominee will receive the necessary plurality vote and, in fact, will receive at least a majority of the votes cast at the 2011 Annual Meeting.

The Board of Directors unanimously recommends that stockholders vote FOR the election to the Board of Directors of each of the 11 nominees identified below.

CORPORATE GOVERNANCE

Board of Directors and its Committees

Standing Committees

The Board of Directors currently has the following standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee (the Governance Committee). Each of these committees and their functions are described in further detail below.

Controlled Company Exemption

The Company is a controlled company (i.e., one in which more than 50% of the voting power for the election of directors is held by an individual, a group or another company) within the meaning of the rules of the New York Stock Exchange (the NYSE). Accordingly, the Company is not required under the NYSE rules to have a majority of independent directors, a nominating and corporate governance committee or a compensation committee (each of which, under the NYSE's rules, would otherwise be required to be comprised entirely of independent directors).

While the Company is not required under NYSE rules to satisfy the above-listed NYSE corporate governance requirements due to its controlled company status, the Board has determined that more than a majority of its directors (including Messrs. Bernikow, Bohan, Feldberg and Santagati and Mses. Lee, Mellon and Seifert) qualify as independent directors within the meaning of Section 303A.02 of the NYSE Listed Company Manual and under the Board Guidelines for Assessing Director Independence, which the Board adopted in accordance with Section 303A.02 of the NYSE Listed Company Manual. The Board Guidelines for Assessing Director Independence are available at www.revloninc.com under the heading Investor Relations (Corporate Governance).

Notwithstanding the fact that the Company qualifies for the controlled company exemption, the Company maintains the Governance Committee and the Compensation Committee. The Company maintains the Governance Committee (comprised of Messrs. Feldberg (Chairman), Santagati and Bohan and Ms. Lee), and the Board of Directors has determined that all members of the Governance Committee qualify as independent directors within the meaning of Section 303A.02 of the NYSE Listed Company Manual and under the Board Guidelines for Assessing Director Independence. The Company maintains the Compensation Committee (comprised of Messrs. Bernikow (Chairman), Santagati and Schwartz and Ms. Seifert), and the Board has determined that three of the four directors on the Compensation Committee (Mr. Bernikow, Mr. Santagati and Ms. Seifert) qualify as independent directors within the meaning of Section 303A.02 of the NYSE Listed Company Manual and under the Board Guidelines for Assessing Director Independence and also qualify as non-employee directors within the meaning of Section 16 of the Exchange Act and as outside directors under Section 162(m) (Section 162(m)) of the Internal Revenue Code of 1986, as amended (the Code).

In October 2009, the Company closed a voluntary exchange offer transaction, pursuant to which Revlon, Inc. issued to stockholders (other than MacAndrews & Forbes and certain of its affiliates) 9,336,905 shares of Preferred Stock (the Exchange Offer). In connection with the Exchange Offer, the Company entered into a Contribution and Stockholder Agreement, dated August 9, 2009, as amended, with MacAndrews & Forbes, pursuant to which the parties agreed, among other things, that, until October 8, 2013, the Company will continue to maintain a majority of independent directors on its Board of Directors, each of whom meets the independence criteria as set forth in Section 303A.02 of the NYSE Listed Company Manual (see Certain Relationships and Related Transactions Contribution and Stockholder Agreement).

Number of Board and Committee Meetings

During 2010, the Board of Directors held six meetings and acted six times by unanimous written consent; the Audit Committee held six meetings; the Compensation Committee held seven meetings; and the Governance Committee held six meetings.

Table of Contents

Director Attendance at Annual Stockholders Meeting

While the Board has not adopted a formal policy regarding directors' attendance at the Company's annual stockholders meeting, directors are invited to attend such meetings. One member of the Company's Board of Directors attended the Company's 2010 Annual Stockholders Meeting.

Board Leadership Structure

The Company believes that its board leadership structure is appropriate given the specific circumstances of the Company, as its Board continues to function effectively and efficiently. Notwithstanding the fact that the Company is a controlled company, more than a majority of the Company's Directors are independent under applicable SEC and NYSE rules. The Board has established audit, nominating and compensation committees, each operating under written charters, to assist the Board in its oversight functions, and in each case those committees are comprised of at least a majority of independent Directors (with each of the Board's Audit Committee and Governance Committee being comprised entirely of independent directors and three of the four members of the Compensation Committee being independent directors). The qualifications and experience of nominees for board service and committee membership are reviewed by the Governance Committee. Nominees for board membership are then recommended by such committee for appointment by the Board. Respective committee chairmen lead each committee. The Company has not established a lead director role. At Board and committee meetings, the Chairman of the Board and the Chairman of each such committee, as applicable, presides for the purpose of conducting an orderly and efficient meeting. Independent directors or any other director may lead or initiate discussion, in the interest of promoting thorough consideration of any issue before the Board or any committee. The Company has historically maintained separate positions of Chairman and Chief Executive Officer. Mr. Perelman, Chairman and Chief Executive Officer of MacAndrews & Forbes, has held the position of Chairman of the Company's Board since June 1998 and Mr. Ennis has held the position of President and Chief Executive Officer of the Company since May 2009. The Chairman provides overall leadership to the Board in its oversight function, while the Chief Executive Officer provides leadership in respect to the day-to-day management and operation of the Company's business. The Board and each committee conduct annual self-assessments to review and monitor their respective continued effectiveness. As part of its 2010 self-assessment exercise, the Board determined, among other things, that its size, composition and structure were appropriate. The Company believes this separation of the Chairman and Chief Executive Officer positions and its overall board leadership structure are appropriate.

Audit Committee

Composition of the Audit Committee

The Audit Committee is comprised of Messrs. Bernikow (Chairman), Bohan and Feldberg and Ms. Seifert, each of whom the Board of Directors has determined satisfies the NYSE's and the SEC's audit committee independence and financial experience requirements. Each of these directors served as a member of the Audit Committee during all of 2010 and each of these directors remained a member of the Audit Committee as of the date of this Proxy Statement.

The Company has determined that Mr. Bernikow qualifies as an audit committee financial expert, under applicable SEC rules. In accordance with applicable NYSE listing standards, the Company's Board of Directors has considered Mr. Bernikow's simultaneous service on the audit committees of more than three public companies, namely the audit committees of the Company, Casual Male, Mack-Cali and the UBS Funds, and has determined that such service does not impair his ability to effectively serve on the Company's Audit Committee as, among other things, Mr. Bernikow is retired and, accordingly, has a more flexible schedule and more time to commit to service as an Audit Committee and Board member, including on a full-time basis, if necessary; he has significant professional accounting experience and expertise, which renders him highly qualified to effectively and efficiently serve on multiple audit committees; and the audit committees of the UBS Funds effectively function as a single, consolidated audit committee.

Audit Committee Charter

The Audit Committee operates under a comprehensive written charter, a printable and current copy of which is available at www.revloninc.com under the heading, Investor Relations (Corporate Governance).

Audit Committee Responsibilities

Pursuant to its charter, the Audit Committee is responsible for assisting the Board of Directors in fulfilling its oversight responsibilities with respect to, among other things, the integrity of the Company's financial statements and disclosures; the Company's compliance with legal and regulatory requirements; the appointment, compensation, retention and oversight of the Company's independent auditors, as well as their qualifications, independence and performance; and the performance of the Company's internal audit functions. The Audit Committee is also responsible for preparing the annual Audit Committee Report, which is required under SEC rules to be included in this Proxy Statement (see Audit Committee Report, below).

Audit Committee Complaint Procedures

The Audit Committee has established procedures for (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. These complaint procedures are described in the Audit Committee's charter, a printable and current copy of which is available at www.revloninc.com under the heading, Investor Relations (Corporate Governance).

Audit Committee Report

Management represented to the Audit Committee that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2010 were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed such audited consolidated financial statements with

management and KPMG LLP, the Company's independent registered public accounting firm.

The Audit Committee discussed with the Company's independent registered public accounting firm those matters required to be discussed by Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board (the PCAOB) in Rule 3200T, including information concerning the scope and results of the audit and information relating to KPMG LLP's

Table of Contents

judgments about the quality, and not just the acceptability, of the Company's accounting principles. These communications and discussions are intended to assist the Audit Committee in overseeing the Company's financial reporting.

The Audit Committee has received the written disclosures and the letter from the Company's independent registered public accounting firm, as required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with the Company's independent registered public accounting firm that firm's independence.

*The Audit Committee also reviewed, among other things, the amount of fees paid to the independent registered public accounting firm for audit and permissible non-audit services (see *Audit Fees* in this Proxy Statement, below). The Audit Committee has satisfied itself that KPMG LLP's provision of audit and non-audit services to the Company is compatible with KPMG LLP's independence.*

Based on the Audit Committee's review of and discussions regarding the Company's audited consolidated financial statements and the Company's internal control over financial reporting with management, the Company's internal auditors and the independent registered public accounting firm and the other reviews and discussions with the independent registered public accounting firm referred to in the preceding paragraph, subject to the limitations on the Audit Committee's roles and responsibilities described above and in the Audit Committee charter, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 for filing with the SEC.

Mr. Santagati who was appointed to such committee in February 2010, and each of these Directors remained a member of the Governance Committee as of the date of this Proxy Statement.

Governance Committee Charter

The Governance Committee operates under a comprehensive written charter, a printable and current copy of which is available at www.revloninc.com under the heading, Investor Relations (Corporate Governance).

Governance Committee Responsibilities

Pursuant to its charter, the functions of the Governance Committee include, among other things: identifying individuals qualified to become Board members; selecting or recommending to the Board proposed nominees for Board membership; recommending directors to the Board to serve on the Board's standing committees; overseeing the evaluation of the Board's performance; evaluating the CEO's and senior management's performance; overseeing the Revlon, Inc. Related Party Transaction Policy; overseeing the Company's processes for succession planning for the CEO and other senior management positions; and periodically reviewing the Board's Corporate Governance Guidelines and Board Guidelines for Assessing Director Independence and recommending changes, if any, to the Board.

Director Nominating Processes; Diversity

The Governance Committee identifies individuals qualified to become members of the Board when any vacancy occurs by reason of disqualification, resignation, retirement, death or an increase in the size of the Board, and selects or recommends that the Board select director nominees for each annual meeting of stockholders and director nominees to fill vacancies on the Board that may occur between annual meetings of stockholders.

In evaluating director nominees, the Governance Committee is guided by, among other things, the principles for Board membership expressed in the Company's Corporate Governance Guidelines, which are available at www.revloninc.com under the heading, Investor Relations (Corporate Governance). The Governance Committee, in identifying and considering candidates for nomination to the Board, considers, in addition to the requirements set out in the Company's Corporate Governance Guidelines and the Governance Committee's charter, the quality of the candidate's experience, the Company's needs and the range of talent and experience represented on the Board. In its assessment of each potential candidate, the Governance Committee will consider the nominee's reputation, judgment, accomplishments in present and prior positions, independence, knowledge and experience that may be relevant to the Company, and such other factors as the Governance Committee determines to be pertinent in light of the Board's needs over time, including, without limitation, education, diversity, race, gender and other individual qualities and attributes that are expected to contribute to the Board having an appropriate mix of viewpoints. The Governance Committee identifies potential nominees from various sources, such as officers, directors and stockholders, and from time to time retains the services of third party consultants to assist it in identifying and evaluating director nominees.

Stockholder Process for Submitting Director Nominees

The Governance Committee will also consider director candidates recommended by stockholders. The process the Governance Committee follows to evaluate candidates submitted by stockholders does not differ from the process it follows for evaluating other director nominees. The Governance Committee may also take into consideration the number of shares held by the recommending stockholder, the length of time that such shares have been held and the number of candidates submitted by each stockholder or group of stockholders over the course of time. Stockholders desiring to submit director candidates must submit their recommendation in writing (certified mail return receipt requested) to the Company's Secretary, at Revlon, Inc., 237 Park Avenue, 14th Floor, New York, NY 10017, attention:

Michael T. Sheehan.

The Governance Committee will accept recommendations for director candidates throughout the year; however, in order for a recommended director candidate to be considered by the Governance Committee for nomination to stand for election at an upcoming annual meeting of stockholders, the recommendation must be received by the Company, as set forth above, not less than 120 days prior to the anniversary date of the date of the

Table of Contents

Company's most recent proxy statement, which, for recommendations for the Company's 2011 Annual Meeting, was December 22, 2010. No such recommendations were received for the 2011 Annual Meeting. To have a candidate considered by the Governance Committee, a stockholder must, subject to further requests for information from the Governance Committee, initially provide the following information:

the name of the candidate;

the candidate's resume or a listing of his or her qualifications to be a director of the Company;

any other information regarding the candidate that would be required to be disclosed in a proxy statement filed with the SEC if the candidate were nominated for election to the Board; and

the candidate's consent to be named as a director, if selected by the Governance Committee and nominated by the Board.

Stockholder-Director Communications

The Board of Directors has established a process to receive communications from stockholders and other interested parties. Any stockholder or other interested party desiring to communicate with the Board or individual directors (including, without limitation, the non-management directors) regarding the Company may contact either the Board or such director by sending such communication to the attention of the Board or such director, in each case in care of the Company's Secretary, who is responsible to ensure that all such communications are promptly provided to the Board or such director. Sheehan, Senior Vice President, Deputy General Counsel and Secretary, at michael.sheehan@revlon.com; or (ii) mailing it to Revlon, Inc., 237 Park Avenue, 14th Floor, New York, NY, 10017, attention: Michael T. Sheehan. Non-Management Executive Sessions

The Company's Corporate Governance Guidelines provide that the Company's Board of Directors will regularly meet in executive session without any member of the Company's management being present and that the Company's independent directors will also meet in at least one non-management executive session per year attended only by independent directors. The non-management directors' and independent directors' meeting may be a single combined meeting, if the non-management directors are comprised entirely of independent directors. A non-management director will preside over each non-management executive session of the Board, and an independent director will preside over each independent executive session of the Board, although the same director is not required to preside at all such non-management or independent executive sessions. The presiding director at such non-management and independent executive sessions of the Board is determined in accordance with the applicable provisions of the Company's By-laws, such that the Chairman of the Board of Directors or, in his absence (as is the case with independent executive sessions), a director chosen by a majority of the directors present will preside at such meetings.

The Board of Directors met in at least one executive session, attended by only independent directors (all of whom constituted non-management directors), during 2010.

RISK MANAGEMENT

Relationship of Compensation Practices to Risk Management

The Company has reviewed and considered all of its compensation plans and practices and does not believe that its compensation policies and practices create risks that are reasonably likely to have a material adverse effect on the Company.

Risk Oversight

The Company's senior management is responsible for identifying and managing risks to the Company's business and the Board's Audit Committee is responsible for reviewing and discussing that process with management. In accordance with applicable NYSE rules for listed issuers, the Audit Committee maintains an Audit Committee charter that addresses the duties and responsibilities of the Audit Committee, including the requirement that such committee discuss the Company's policies with respect to risk assessment and risk management. As part of the Company's enterprise risk management function, management identifies internal and external risk factors, monitors identified risks and takes appropriate action to mitigate such identified risks. Specifically, the Company's internal audit group, with input from the Company's senior management, leads a comprehensive enterprise risk assessment annually using an established risk management framework. This process identifies and characterizes risks based on the possible impact to the Company's business and likelihood of occurrence. The Company's management puts in place appropriate plans to mitigate the risks identified. The risk assessment is also taken into account in the formulation of the internal audit plan for the ensuing year. The Audit Committee reviews and discusses the Company's risk assessment and risk management policies and processes at least annually. Further, the Board reviews the Company's business plan and receives regular business and financial updates, including progress against the Company's business plan, at Board meetings, enabling the Board to understand, and remain updated on, the business risks faced by the Company and the Company's management of those risks.

COMPENSATION DISCUSSION AND ANALYSIS

Set forth below is a discussion and analysis of all material elements of the Company's compensation of its Named Executive Officers, including: (i) the objectives of the Company's compensation program; (ii) what the compensation program is designed to reward; (iii) each element of compensation; (iv) why the Company chooses to pay each element; (v) how the Company determines the amount (and, where applicable, the formula) for each element to pay; and (vi) how each compensation element and the Company's decisions regarding that element fit into the Company's overall compensation objectives and may affect decisions regarding other elements of compensation.

Overview of 2010 Compensation Events

For 2010, the Company determined to provide merit increases to salaries in March 2010 and to accrue its 2010 bonus program at 100% of target, subject to the Company achieving its 2010 corporate performance goals (i.e., 2010 adjusted EBITDA and free cash flow, as more fully described below).

Set forth below is a summary of the key actions which the Company took in respect to its 2010 compensation programs:

Based on the Company's achievement of 2010 adjusted EBITDA of \$260.4 million, representing 96.8% of the Company's 2010 EBITDA performance goal, and 2010 free cash flow of \$82.3 million, representing 110.6% of

the Company's 2010 free cash flow performance goal, in February 2011 the Compensation Committee determined, pursuant to the terms and conditions of the Company's 2010 incentive compensation programs, that such programs would be funded at 100% of target, which funding level was below the 105% that could have been authorized for payment under the terms of such programs, based upon aggregate achievement. For 2010, the Company's incentive compensation programs were comprised of a cash bonus program (the 2010 Bonus Program) and a cash-based long-term incentive compensation (LTIP) program (the 2010 LTIP Program; together with the 2010 Bonus Program, referred to herein as the

Table of Contents

2010 Incentive Compensation Programs), each of which is governed by the terms of the Incentive Compensation Plan.

In March 2011, the Company paid annual cash bonuses under the 2010 Bonus Program to eligible employees, including its eligible Named Executive Officers, based upon the Company's achievement of its performance goals under such program, and the degree of achievement by bonus program participants of their individual performance objectives for 2010, subject to the terms of such program.

As was the case in 2009, the Company did not implement an equity award program for 2010. In lieu of equity awards, for 2010 the Compensation Committee approved a LTIP component to the Incentive Compensation Plan, which plan was approved by the Company's stockholders at the 2010 annual stockholders' meeting. In March 2011, the Company paid one-third of the LTIP award earned under its 2010 LTIP Program to eligible employees, including its eligible Named Executive Officers, based upon the Compensation Committee's certification of the achievement of the performance goals under the 2010 LTIP Program and the payout terms of such program authorized by the Compensation Committee upon its approval of the 2010 LTIP Program in October 2009 (the 2010 LTIP award is paid out in equal one-third amounts in March 2011, 2012 and 2013, provided the grantee received a target or better performance rating under the Company's Performance Management Review process for 2010 and is employed with the Company on the payout dates).

The Company provided merit salary increases in March 2010, after providing no such increases in 2009.

Objectives of the Company's Compensation Program and What it is Designed to Reward

The Company's philosophy is to provide a compensation package that is reasonably designed to satisfy the following objectives:

to pay for performance (by basing salary increases upon individual merit and basing incentive compensation payouts upon the achievement of corporate and individual performance goals and objectives);

to align the interests of management and employees with corporate performance and shareholder interests, by rewarding performance that is directly linked to achieving the Company's business plan and strategic goals and fostering shareholder value creation over the long term; and

to attract, retain and motivate exceptional performers and key contributors with the skills and experience necessary for the Company to achieve its business objectives, which requires that the Company's compensation programs be competitive with the compensation practices of other companies, as discussed in further detail below.

Each Element of Compensation and Why the Company Chooses to Pay It

In order to achieve the objectives discussed above, the Company maintains a relatively simple compensation program. This program consists principally of: (i) base salary; (ii) eligibility for annual cash bonuses under the Incentive Compensation Plan, contingent upon achieving specific Company performance goals and individual performance objectives; and (iii) eligibility for long-term incentive compensation under the Incentive Compensation Plan, contingent upon the Company achieving specific performance goals and participants achieving target performance objectives (which elements of compensation are referred to, collectively, in this Proxy Statement as total compensation, unless otherwise noted). Historically, prior to 2009, the Company's long-term incentive compensation had been comprised of annual equity grants (principally, restricted stock and/or stock options) under the Company's Stock Plan. However, as with 2009, during 2010 the Company determined not to implement an annual equity award

program under its Stock Plan. To enable the Company to maintain total compensation at competitive levels, the Company granted LTIP awards under its Incentive Compensation Plan.

In the past, the performance-based and incentive compensation elements of cash bonus and prior equity grants have not resulted in significant wealth accumulation for the Company's employees, including its Named Executive Officers. The Company's bonus programs were accrued and paid at 0%, 50%, 75% and 50% of target, respectively, for 2006, 2007, 2008 and 2009. Based on the \$9.84 NYSE closing price of the Company's Class A Common Stock on December 31, 2010, all stock options held by the Named Executive Officers were out of the money, as the

Table of Contents

exercise price of all of their stock options exceeded such NYSE closing price at year end. The lowest exercise price of any stock option currently held by a Named Executive Officer is \$25.50 per share.

Setting Pay; Market References

The Company's Compensation and Human Resources departments and the Compensation Committee, with input from the Compensation Committee's outside compensation consultant, consider the compensation of the Named Executive Officers in order to balance compensation opportunities and reward and retain the Company's high-performing executives and incent them to maximize their performance in furtherance of the execution of the Company's business plan.

As part of its assessment of the compensation of the Named Executive Officers, the Company also compares the Named Executive Officers' total compensation to the total compensation for executives at comparison group companies. The Company seeks to design its total compensation to be competitive with other leading consumer products companies and other companies outside of the consumer products field, as the Company believes that the market for certain executive talent is broader than the consumer products field. When reviewing and setting Named Executive Officer compensation for 2010, the Company compared the total compensation of its executive officers to market compensation data for certain groups of companies in Towers Watson's U.S. compensation data banks for similarly situated executives (sometimes referred to herein as competitive benchmark norms or competitive benchmarks, with such companies being referred to herein as the Comparison Group). The Comparison Group for 2010 consisted of the companies listed on [Annex A](#).

Total Compensation

For 2010, the Named Executive Officers' total compensation, as an approximate percentage of the 50th and the 75th percentiles of compensation in the relevant Comparison Group, was as follows: (i) 24% and 13.7%, respectively, for Mr. Kennedy (Mr. Kennedy did not participate in the Company's 2010 Incentive Compensation Programs; his base salary for 2010 was 121.7% and 83.4%, respectively, of the 50th and 75th percentiles of base salary in the Comparison Group); (ii) 77.9% and 56.8%, respectively, for Mr. Ennis; (iii) 124% and 86.3%, respectively, for Mr. Elshaw; (iv) 100.7% and 79.6%, respectively, for Mr. Berns; and (v) 149.4% and 100.6%, respectively, for Mr. Kretzman.

Base Salary

Base salary adjustments are considered annually and may be based on individual performance, assumption of new responsibilities, competitive data from the Comparison Group, employee retention efforts and the Company's overall compensation guidelines and annual salary budget guidelines. Higher annual increases may be made to higher performers and key contributors, provided that the overall increases are within budgeted guidelines.

Incentive Compensation; Generally

Each year, the Compensation Committee reviews and establishes the performance measures for the Company's incentive compensation program(s), which are intended to have the effect of fostering shareholder value creation over the long term, to ensure that the program design appropriately motivates executives to achieve the Company's financial and operational performance goals, which are designed to be challenging and linked directly to the Company's business plan for the year. As more fully described below, for 2010, the components of the Company's incentive compensation program were a cash bonus under the 2010 Bonus Program, payable in March 2011, to the extent performance goals were achieved, and a cash-based LTIP award under the 2010 LTIP Program, payable in March 2011, to the extent performance goals were achieved, in three equal annual installments.

Payouts under the 2010 Incentive Compensation Programs were contingent upon the achievement of identified corporate performance goals. Additionally, payout to a participant under the 2010 Bonus Program was contingent upon such individual's achievement of his or her own individual performance objectives; and, payout to a participant under the 2010 LTIP Program was contingent upon such individual having received a performance rating of target or higher under the Company's 2010 Performance Management Review process. The Company's corporate performance goals under the 2010 Incentive Compensation Programs was the Company's achievement of

Table of Contents

two equally weighted performance targets, namely, \$268.9 million of adjusted EBITDA for 2010 (the 2010 EBITDA Performance Goal ¹) and \$74.4 million of free cash flow for 2010 (the 2010 Free Cash Flow Performance Goal), each case measured after all incentive compensation accruals (collectively, the 2010 Performance Goals).

The 2010 Incentive Compensation Programs featured a customary payout curve, to account for the extent to which the Company partially achieved or over achieved the Company's 2010 Performance Goals.

Under the 2010 Bonus Program, depending on the assessment of individual performance, participants could receive between 75% and 150% of their target award, to enable managers to reward higher-performing employees, as long as the overall compensation budget was not exceeded.

The Company's President and Chief Executive Officer and its Executive Vice President and Chief Administrative Officer develop, for review and approval by the Compensation Committee, the annual objectives against which each Named Executive Officer's performance is assessed. The Company's President and Chief Executive Officer in conjunction with the Executive Vice President and Chief Administrative Officer and the Company's Vice Chairman, develop, for review and approval by the Compensation Committee, the CEO's objectives to support and drive the execution of the Company's business strategy. These objectives are derived from the Company's annual business plan. These objectives are established by the Compensation Committee at the start of the year and then reviewed after the end of the year to assess the extent to which they have been achieved.

For 2010, the Named Executive Officers' objectives included both quantitative financial measures and strategic and operational objectives linked directly to achieving the Company's business strategy. When assessing the Named Executive Officers' 2010 performance, in February 2011 the Compensation Committee reviewed and analyzed detailed and comprehensive documentary support of each Named Executive Officer's accomplishments against his respective 2010 performance objectives, including the following:

Mr. Ennis - President and Chief Executive Officer:

the Company's 2010 reported financial results, which supported the Company's achievement of 96.8% of its 2010 EBITDA Performance Goal, on which 35% of Mr. Ennis' target bonus was based, and 110.6% of its 2010 Free Cash Flow Performance Goal, on which 35% of Mr. Ennis' target award was based;

the Company's achievement of an approximate 2.3% increase in net sales, representing partial achievement of this budgeted target, on which 10% of Mr. Ennis' target award was based;

the execution of the Company's portfolio planning process and inventory management, on which 10% of Mr. Ennis' target award was based; and

the continued improvement of the Company's organizational capabilities through developmental assignments and succession planning, and the implementation of effective performance management processes and line management training, on which 10% of Mr. Ennis' target award was based.

¹ Adjusted EBITDA is a non-GAAP financial measure which the Company defines as income from continuing operations before interest, taxes, depreciation, amortization, gains/losses on foreign currency fluctuations, gains/losses on the early extinguishment of debt and miscellaneous expenses. In calculating adjusted EBITDA, the Company excludes the effects of gains/losses on foreign currency fluctuations, gains/losses on the early extinguishment of debt, results of and gains/losses on discontinued operations and miscellaneous expenses because the Company's management believes that some of these items may not occur in certain periods, the amounts recognized can vary

significantly from period to period and these items do not facilitate an understanding of the Company's operating performance.

² Free cash flow is a non-GAAP measure which the Company defines as net cash provided by operating activities, less capital expenditures for property, plant and equipment, plus proceeds from the sale of certain assets. Free cash flow excludes proceeds from the sale of discontinued operations. Free cash flow does not represent the residual cash flow available for discretionary expenditures, as it excludes certain expenditures such as mandatory debt service requirements, which for the Company are significant.

Table of Contents

Mr. Kennedy, who transitioned from President and Chief Executive Officer to Vice Chairman of the Board of Directors in May 2009 as part of the Company's overall succession planning, was not eligible to (and did not) participate in the 2010 Incentive Compensation Programs in his role as Vice Chairman.

As noted above, based on the Company's achievement of its 2010 Performance Goals, in February 2011, the Compensation Committee determined, pursuant to the terms and conditions of the 2010 Incentive Compensation Programs, that such programs would be funded at 100% of target. Additionally in February 2011, based upon a comprehensive review of each Named Executive Officer's 2010 performance, the Compensation Committee determined the extent to which the Named Executive Officers had achieved their respective individual performance objectives (including, in the case of Messrs. Ennis, Elshaw, Berns and Kretzman, objectives for 2010 established in compliance with Section 162(m)). Based upon the foregoing determinations, bonuses and LTIP payouts were earned by each of the eligible Named Executive Officers in respect of 2010 (see the Summary Compensation Table, below).

The Company's confidentiality and non-competition agreement (which all employees, including the Named Executive Officers, are required to execute), Stock Plan and Incentive Compensation Plan condition each employee's eligibility for benefits (including 2010 LTIP awards and 2010 bonuses) upon compliance with confidentiality, non-competition and non-solicitation obligations.

Incentive Compensation; Annual Cash Bonus

Approximately 440 employees, including the Named Executive Officers, were eligible to participate in the 2010 Bonus Program. As noted above, the bonus objectives for all employees in the 2010 Bonus Program included the Company's achievement of two equally weighted performance goals (namely, its 2010 EBITDA Performance Goal and its 2010 Free Cash Flow Performance Goal), as well as the participants' achievement of their individual performance objectives linked directly to executing the Company's 2010 business plan. As approved by the Compensation Committee, under the 2010 Bonus Program, the Compensation Committee had discretion to award between 75% and 150% of the target bonuses to reward higher-performing employees, as long as the overall compensation budget was not exceeded.

Per the terms of their respective employment agreements, Mr. Ennis was eligible during 2010 for a target bonus of 100% of his base salary, and each of Messrs Elshaw, Berns and Kretzman was eligible during 2010 for a target bonus of 75% of his respective base salary.

As noted above (see, Incentive Compensation; Generally), based upon the Company's degree of achievement of its 2010 Performance Goals, the Compensation Committee determined to fund the 2010 Bonus Program at 100% of target and, based upon its determinations as to the Named Executive Officers' degree of achievement of their respective performance objectives, awarded Messrs. Ennis, Elshaw, Berns and Kretzman 96.2%, 95.7%, and 106.5% and 103.2%, respectively, of their target bonuses for 2010.

The Summary Compensation Table, below, reflects the actual bonus awards that were made for 2010 to the Named Executive Officers under the 2010 Bonus Program.

Incentive Compensation; Long-Term Compensation

The third principal component of total compensation for the Company's key employees is long-term incentive compensation awards. Historically, this had taken the form of an annual grant of equity awards, usually in the form of restricted stock and/or stock options, under the Stock Plan.

However, beginning with 2009 (and again in 2010), the Company decided not to implement an annual equity award program under its Stock Plan as a component of long-term compensation. To enable the Company to seek to maintain competitive total compensation, the Company adopted a cash-based LTIP component under its Incentive Compensation Plan, effective from and after 2010. The 2010 calendar year was the first performance year under the Company's newly-implemented LTIP.

Approximately 50 senior employees, including the Named Executive Officers, were eligible to participate in the 2010 LTIP Program. Funding of the 2010 LTIP Program was based on the Company's degree of achievement of

Table of Contents

two equally weighted performance goals (namely, its 2010 EBITDA Performance Goal and its 2010 Free Cash Flow Performance Goal).

Awards under the 2010 LTIP Program were structured as flat dollar amounts, tiered to levels of responsibility within the organization, and were approved by the Compensation Committee. Once earned, based upon the achievement of the Company's 2010 Performance Goals, the award amount is to be paid out in equal one-third amounts in March 2011, March 2012 and March 2013, provided the participant received a target or better performance rating under the Company's Performance Management Review process for 2010 and remains employed with the Company on the applicable payment date. By deferring payments over three years for the 2010 performance year, the program's structure is intended to have a retentive element for the key personnel expected to implement the Company's business plan from year to year.

As noted above (see, Incentive Compensation; Generally), based upon the Company's degree of achievement of its 2010 Performance Goals, LTIP awards were earned by each of the eligible Named Executive Officers in respect of 2010.

The Summary Compensation Table, below, reflects the portion of the 2010 LTIP Program awards that were earned and actually paid out for 2010 to the eligible Named Executive Officers under the 2010 LTIP Program.

Other Compensation and Benefit Programs

The Company also maintains standard benefits that are consistent with those offered by other major corporations and which are generally available to all of the Company's full time employees (subject to meeting basic eligibility requirements). These plans include standard medical, dental, vision and life insurance coverages that are available to all U.S.-based, non-union employees.

The Company also maintains a limited number of benefit programs that are available to the Named Executive Officers and other senior employees qualifying for eligibility based on salary grade level. These benefits and perquisites include an automobile allowance or use of a Company automobile and limited reimbursement of certain costs for financial counseling, tax preparation and life insurance premiums. These types of benefits are commonly made available to senior executives at other major corporations and assist the Company in attracting and retaining key talent.

How the Company Determines the Amount

(and, Where Applicable, the Formula) for Each Element of Compensation to Pay and How Each Compensation Element and the Company's Decisions Regarding that Element Fit into the Company's Overall Compensation Objectives and May Affect Decisions Regarding Other Elements of Compensation

The Company focuses annually on developing a total compensation package that is intended to be competitive such that the level of total compensation (i.e., base salary, cash bonus and long-term incentive compensation, combined) is targeted to be positioned at or about the 50th to 75th percentile of competitive benchmark norms. Salary ranges, annual bonus plan targets and long-term incentive compensation targets are reviewed using a total compensation perspective under which total remuneration is targeted to be within certain ranges compared to the Comparison Group. Values and targets of each element may change from year to year. Historically, the Named Executive Officers have not realized any meaningful wealth accumulation from prior equity awards, which influenced the introduction of an LTIP component to the Incentive Compensation Plan to replace the former equity component of compensation.

The Company designs its compensation programs such that there is a correlation between level of position and degree of risk in compensation. Based on that guiding principle, the Company's more senior executives with the highest levels

of responsibility and accountability have a higher percentage of their total potential remuneration at risk (in the form of performance-based annual bonuses and performance-based LTIP awards), than do employees with lower levels of responsibility and accountability. This means that a higher proportion of the Company's more senior executives' total potential compensation is based upon variable elements, than is the case with the Company's employees with lower levels of responsibility and accountability.

Role of the Compensation Committee

The Compensation Committee reviews and approves, among other things, compensation for the Company's Named Executive Officers; the structure of the Company's annual bonus program under the Incentive Compensation Plan, including setting annual performance objectives for the Named Executive Officers and annually assessing the extent to which those objectives have been achieved; and the structure of and actual grants under the Company's long-term incentive compensation award programs and annually assessing the extent to which those objectives have been achieved.

The Compensation Committee reviews and approves objectives relevant to the compensation of the Company's Chief Executive Officer, evaluates the Chief Executive Officer's performance in respect of those objectives and determines, either as a committee or together with the Governance Committee and/or the Board of Directors, the Chief Executive Officer's total compensation level based on that evaluation process. The Compensation Committee also reviews and approves compensation and incentive arrangements for the Company's other Named Executive Officers.

The Compensation Committee reviews key components of each Named Executive Officer's compensation, which enables the Compensation Committee to make informed decisions regarding future elements of compensation.

The Company's Executive Vice President and Chief Administrative Officer, in consultation with the Company's Chief Executive Officer, works with the Company's Compensation Department to recommend: (i) merit increase guidelines based on external benchmarks under the Company's salary administration program; (ii) the structure of the Company's annual bonus program under the Incentive Compensation Plan; and (iii) the structure of its long-term incentive compensation programs.

As part of the Company's processes and procedures for determining the amount and form of executive officer and director compensation, the Company's Compensation Committee relies in part upon informed proposals and information provided by management, as well as market data, analysis and guidance provided by its outside compensation consultant. During 2010, the Compensation Committee consulted with and/or considered advice provided by its outside compensation advisor (Compensation Advisory Partners LLC (CAP)) with respect to the structure and components of the Company's incentive compensation programs, as well as March 2010 merit salary increases for the Named Executive Officers. CAP performed no other services for the Company or the Compensation Committee during 2010 other than providing compensation advice to the Compensation Committee (or to the Company's Compensation Department in respect to routine compensation survey data analysis); without limiting the foregoing, CAP did not provide services such as benefits administration, human resources consulting or actuarial services. The Compensation Committee approved CAP's engagement, upon the recommendation of management, and based upon CAP's experience and qualifications. The Chairman of the Compensation Committee reviews and approves all invoices from the outside compensation consultant prior to payment.

As there has never been a restatement of the Company's financial results, the Company has not considered any policy in respect of adjustment or recovery of amounts paid under its compensation plans.

Tax Deductibility of Executive Compensation

Section 162(m) places a limit of \$1,000,000 on the amount of compensation that the Company may deduct, for tax purposes, in any one year for certain officers who constitute covered employees under the rule, unless such amounts are determined to be performance-based compensation meeting certain requirements. Generally, the Company's provision of cash incentive compensation under the Incentive Compensation Plan, stock option awards and

performance-based stock awards meets the requirements for performance-based compensation under Section 162(m) and thus, generally, those items are fully deductible. Salary, perquisites, discretionary bonuses and restricted stock that have time-based vesting generally are not considered performance-based compensation under Section 162(m) and are generally subject to Section 162(m) limitations on deductibility. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy requiring all compensation to be deductible. The 2010 annual bonus and LTIP performance objectives for the Company's Named Executive Officers were approved under

Table of Contents

Section 162(m) s guidelines for deductibility. Certain amounts of compensation for the Company s officers do not meet Section 162(m) s performance-based requirements and therefore are not deductible by the Company.

EXECUTIVE COMPENSATION

The following table sets forth information for the years indicated concerning the compensation awarded to, earned by or paid to the persons who served as the Company s Chief Executive Officer and the Chief Financial Officer during 2010 and the three other most highly paid executive officers (see footnote (a) below), other than the Chief Executive Officer and the Chief Financial Officer, who served as executive officers of the Company during 2010 (collectively, the Named Executive Officers), for services rendered in all capacities to the Company and its subsidiaries during such periods. As with last year s proxy statement, the amounts under the columns Stock Awards and Option Awards, in the Summary Compensation Table below, have been calculated based upon the aggregate grant date fair value of the stock and option awards made during each given fiscal year, if any, in each case as determined in accordance with applicable financial accounting standards (namely, FASB Accounting Standards Codification Topic 718). Historic amounts for 2008 under the columns Stock Awards and Option Awards, if any, and the corresponding historic amounts in the Total column, in the Summary Compensation Table below, have been adjusted and are re-presented in accordance with Item 402 of Regulation S-K under the Exchange Act. Additionally, as it did last year, the Company is presenting its 2010 annual cash bonus awards under the Revlon Executive Incentive Compensation Plan, as well as its historic presentation of those awards for 2009 and 2008, in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table, below, for awards of target bonuses for the year, and any discretionary annual cash bonus in excess of target bonuses for the year in the Bonus column. For 2010, such column also includes earned 2010 LTIP Program awards, as more fully set forth in footnote (d), below (although 2010 LTIP Program awards have been listed in the table below at their full-value, only one-third of such amounts was actually paid in March 2011; the remaining two-thirds of such 2010 LTIP awards are payable in March 2012 and March 2013, only if the executive remains employed with the Company on each respective payout date). In all cases, stock option awards outstanding as of December 31, 2010 were out-of-the-money, in that in each case they had exercise prices that were above the \$9.84 per share NYSE closing market price of the Company s Class A Common Stock on December 31, 2010 and therefore had no realizable monetary value to the Named Executive Officers on such date. See Outstanding Equity Awards at Fiscal Year End.

Table of Contents

Mr. Kennedy served as the Company's President and Chief Executive Officer during 2008 and through May 2009, when he transitioned to Vice Chairman of the Board of Directors as part of the Company's overall succession planning, which included Mr. Ennis succeeding to the positions of President and Chief Executive Officer.

- (b) The amounts set forth under the Bonus column reflect the portion of the annual bonus awarded to the Named Executive Officer by the Compensation Committee in excess of such executive's target bonus for the year, pursuant to the Compensation Committee's authority under the Revlon Executive Incentive Compensation Plan (see Non-Equity Incentive Plan Compensation column in this table for target bonuses earned).
- (c) As noted above, the amounts set forth under the Stock Awards column reflect the grant date fair value of restricted shares that were granted to the Named Executive Officer during the year, based upon the NYSE closing market price of the Company's Class A Common Stock on the respective grant dates.
- (d) The amounts set forth under the Non-Equity Incentive Plan Compensation column reflect the annual target bonus awarded to the Named Executive Officer by the Compensation Committee for the year, pursuant to its authority under the Revlon Executive Incentive Compensation Plan, based on the achievement of specific performance factors, plus, for 2010, the full value of the executive's long-term incentive compensation award earned. Note that, although 2010 LTIP Program awards have been listed in the table above at their full-value per SEC interpretative rules, only one-third of such amount was paid in March 2011 to the executive in respect to 2010; the remaining two-thirds of such 2010 LTIP award is payable in March 2012 and March 2013, only if the executive remains employed with the Company on each respective payout date. There were no LTIP awards prior to 2010.

For Mr. Ennis, the amount set forth under the Non-Equity Incentive Plan Compensation column reflects \$875,000 in cash bonus plus \$1,200,000 in LTIP, of which LTIP amount only one-third has been paid in respect to 2010 (the remaining two-thirds of such 2010 LTIP award is to be paid out in equal amounts in March 2012 and March 2013).

For Mr. Elshaw, the amount set forth under the Non-Equity Incentive Plan Compensation column reflects \$525,000 in cash bonus plus \$500,000 in LTIP, of which LTIP amount only one-third has been paid in respect to 2010 (the remaining two-thirds of such 2010 LTIP award is to be paid out in equal amounts in March 2012 and March 2013).

For Mr. Kretzman, the amount set forth under the Non-Equity Incentive Plan Compensation column reflects \$557,284 in cash bonus plus \$500,000 in LTIP, of which LTIP amount only one-third has been paid in respect to 2010 (the remaining two-thirds of such 2010 LTIP award is to be paid out in equal amounts in March 2012 and March 2013).

For Mr. Berns, the amount set forth under the Non-Equity Incentive Plan Compensation column reflects \$337,875 in cash bonus plus \$500,000 in LTIP, of which LTIP amount only one-third has been paid in respect to 2010 (the remaining two-thirds of such 2010 LTIP award is to be paid out in equal amounts in March 2012 and March 2013).

- (e) The amounts under the Change in Pension Value and Nonqualified Deferred Compensation Earnings column have been calculated based on the aggregate change in actuarial present value of the Named Executive Officers' accumulated benefit under the Retirement Plan and the Pension Equalization Plan from January 1 to December 31 of each reported year and based on, with respect to 2010, the assumptions as set forth in Note 14 to the

consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2010 (the 2010 Form 10-K); with respect to 2009, the assumptions as set forth in Note 13 to the consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2009; and, with respect to 2008, the assumptions as set forth in Note 12 to the consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2008. These amounts have been calculated based on normal retirement age of 65 as specified in the Retirement Plan and Pension Equalization Plan. The Pension Equalization Plan is a non-qualified and unfunded plan. In May 2009 the Company amended the Retirement Plan and the Pension Equalization Plan to cease future benefit accruals under such plans after December 31, 2009.

Table of Contents

Products Corporation may terminate Mr. Kretzman's employment agreement effective 24 months after written notice of non-extension of the agreement. Mr. Kretzman's employment agreement provides that, in the event of termination of employment by Mr. Kretzman for any material breach by Products Corporation of any of its obligations under his employment agreement or for good reason (as set forth in Mr. Kretzman's employment agreement), or by Products Corporation (otherwise than for cause, as defined in the employment agreement, or for disability), Mr. Kretzman would be entitled to continued payments of base salary throughout the 24-month severance period, payment of a prorated target bonus, if and to the extent bonuses are payable to executives under the Incentive Compensation Plan for that year based upon achievement of objectives, continued participation in Products Corporation's life insurance plan, subject to a limit of two years, and medical, dental and executive medical plans, subject to the terms of such plans, throughout the severance period or until Mr. Kretzman is covered by like plans of another company, and continued participation during the severance period in the other perquisites of Products Corporation for which he was eligible on the termination date. In the event Mr. Kretzman's employment is terminated by Products Corporation without cause or by Mr. Kretzman for good reason, or upon his retirement, all restricted stock and stock option awards held by Mr. Kretzman would continue to vest and remain exercisable, and the unpaid portion of all previously earned LTIP awards would continue to remain payable, in accordance with their terms (in consideration for which, the non-competition covenants referred to in Mr. Kretzman's employment agreement would remain in effect until the date that all existing equity awards are fully vested and all earned LTIP awards are paid).

The estimated aggregate total of termination benefits during the 24-month severance period if Mr. Kretzman had been terminated without cause on December 31, 2010 would have been approximately \$2,204,788, consisting of the following: (a) two times Mr. Kretzman's annual base salary on December 31, 2010; (b) \$557,284, representing his 2010 target bonus; (c) 24 months of life insurance coverage, at a cost of approximately \$29,104; (d) 24 months of medical and dental insurance coverage, at a total cost of approximately \$49,298; (e) 24 months of use of an automobile, at a cost of approximately \$66,012; and (f) 24 months of tax preparation and financial counseling, at a cost of approximately \$17,000. Under such circumstances, Mr. Kretzman would also be entitled to the continued vesting of unvested restricted stock (40,734 restricted shares were unvested at December 31, 2010 having a fair market value on such date of \$400,823 based on the \$9.84 per share NYSE closing price of the Company's Class A Common Stock on such date), stock option awards outstanding on December 31, 2010 (all of Mr. Kretzman's options were out-of-the-money on such date and had no realizable monetary value on December 31, 2010) and to the full payout of the remainder of his \$500,000 2010 LTIP award (one-third of which was paid in March 2011). Mr. Kretzman's severance payments are conditional on his full compliance with the Company's comprehensive agreement as to confidentiality and non-competition during any severance period.

Mr. Berns

Mr. Berns' employment agreement (his employment agreement) provides that Mr. Berns will serve as the Company's Executive Vice President and Chief Financial Officer, at an annual base salary of not less than \$450,500 (which was his base salary as of December 31, 2010), with a target bonus of 75% of his base salary.

Under his employment agreement, Mr. Berns is eligible to participate in fringe benefit programs and perquisites as may be generally made available to other senior executives of Products Corporation, including a car allowance and financial planning and tax preparation assistance. The employment agreement for Mr. Berns also provides for protection of Company confidential information and includes a non-compete obligation.

Products Corporation may terminate Mr. Berns' employment agreement effective 24 months after written notice of non-extension of the agreement and Mr. Berns may terminate his employment agreement upon 60 days' prior written notice following a material uncured breach by Products Corporation of its obligations to Mr. Berns under such agreement. Mr. Berns' employment agreement provides that, in the event of termination of employment by Mr. Berns for any material uncured breach by Products Corporation of any of its obligations under his employment agreement,

or by Products Corporation (otherwise than for cause as defined in Mr. Berns' employment agreement or disability), Mr. Berns would be entitled to continued payments of base salary throughout the 24-month severance period, payment of a prorated target bonus, if and to the extent bonuses are payable to executives under the Incentive Compensation Plan for that year based upon achievement of objectives, continued

participation in Products Corporation's life insurance plan, subject to a limit of two years, and medical plans, subject to the terms of such plans, throughout the severance period or until Mr. Berns is covered by like plans of another company, and continued participation during the severance period in the other perquisites of Products Corporation for which he was eligible on the termination date.

The estimated aggregate total of termination benefits during the 24-month severance period if Mr. Berns had been terminated without cause on December 31, 2010 would have been approximately \$1,317,405, consisting of the following: (a) two times Mr. Berns' annual base salary on December 31, 2010; (b) \$337,875, representing Mr. Berns' 2010 target bonus; (c) 24 months of life insurance coverage, at a cost of approximately \$4,130; (d) 24 months of group medical and dental insurance coverage, at a total cost of approximately \$27,400; (e) 24 months of tax preparation and financial counseling, at a cost of approximately \$17,000; and (f) 24 months of car allowance, at a cost of approximately \$30,000. All of Mr. Berns' severance payments are conditional on his full compliance with the Company's comprehensive agreement as to confidentiality and non-competition during any severance period.

Change of Control Payments

Each of Messrs. Kennedy's, Elshaw's, Ennis', Kretzman's and Berns' employment agreements provides that, in the event of any change of control, the terms of their employment agreements would be extended for an additional 24 months from the effective date of any such change of control. Each of their employment agreements also provides that if, within this 24-month period, the executive were to terminate his employment with the Company for good reason or if the Company were to terminate the executive's employment other than for cause, he would receive: (i) a lump-sum payment equal to two times the sum of (a) the executive's base salary and (b) the executive's average gross bonus earned over the five calendar years prior to termination; and (ii) 24 months of continuation of all fringe benefits in which the executive participated on the change of control effective date or, in lieu of such benefits, a lump-sum cash payment equal to the value of such benefits. Each of their employment agreements also provides that, in the event of a change of control, all then-unvested stock options and restricted shares held by them shall immediately vest and become fully exercisable.

Under the Incentive Compensation Plan, if, in connection with a change in control, a successor entity assumes the LTIP, does not terminate the LTIP or provides participants with comparable LTIP benefits, then the LTIP awards remain payable in accordance with their terms. Otherwise, upon a change in control, LTIP awards related to the year when the event occurred are to be paid at target on a pro-rated basis (based on the number of days elapsed) within 60 days following such change in control, and (ii) LTIP awards related to prior years as to which the respective performance objectives were achieved, but for which payments remain outstanding, are to be paid within 60 days following such change in control.

The NYSE closing market price of the Company's Class A Common Stock on the Record Date was \$15.28 per share. All historical share data has been adjusted for the Company's 1-for-10 Reverse Stock Split. (a) The amounts set forth in the Pension Benefits Table are based on the assumptions set forth in Note 14 to the consolidated financial statements in the 2010 Form 10-K. These amounts have been calculated based on the normal retirement age of 65 as specified in the Retirement Plan and Pension Equalization Plan. Mr. Kretzman's employment agreement provides that he is entitled to accrue retirement benefits through his retirement date and a retirement benefit at age 60. The aggregate present value of Mr. Kretzman's accumulated retirement benefit based on retirement at age 60 calculated under the Retirement Plan, the Pension Equalization Plan and his employment agreement is \$641,141, \$1,971,274 and \$1,613,073, respectively.

The Retirement Plan is intended to be a tax qualified defined benefit plan. In May 2009 the Company amended the Retirement Plan and the Pension Equalization Plan to cease future benefit accruals under such plans after December 31, 2009. Prior to such amendments, benefits under the non-cash balance program of the Retirement Plan (the Non-Cash Balance Program) were a function of service and final average compensation. The Non-Cash Balance Program was designed to provide an employee having 30 years of credited service with an annuity generally equal to 52% of final average compensation less 50% of estimated individual Social Security benefits. Final average

compensation is defined as average annual base salary and bonus (but not any part of bonuses in excess of 50% of base salary) during the five consecutive calendar years in which base salary and bonus (but not any part of bonuses in excess of 50% of base salary) were highest out of the last 10 years prior to retirement or earlier termination.

Participants in the Non-Cash Balance Program are eligible for early retirement upon the later of the date that they reach age 55 or complete 10 years of service. The amount payable upon early retirement is calculated based on the normal retirement benefit calculation under the Non-Cash Balance Program, reduced by 1/2% for each month that benefits start before the normal retirement date of age 65 (or 6% for each full year of early retirement).

Messrs. Kennedy, Ennis and Elshaw, each of whom joined the Company after the implementation of the Cash Balance Program (as discussed below), did not participate in the Non-Cash Balance Program.

Effective January 1, 2001, Products Corporation amended the Retirement Plan to provide for a cash balance program under the Retirement Plan (the Cash Balance Program). Prior to ceasing future benefit accruals under the

Table of Contents

Retirement Plan after December 31, 2009, under the Cash Balance Program, eligible employees received quarterly pay credits to an individual cash balance bookkeeping account equal to 5% of their base salary and bonus (but not any part of bonuses in excess of 50% of base salary) for the previous quarter. Interest credits, which commenced June 30, 2001, were and will continue to be allocated quarterly (based on the yield of the 30-year Treasury bill for November of the preceding calendar year). Messrs. Kennedy, Ennis and Elshaw participated in the Cash Balance Program prior to the cessation of future benefit accruals after December 31, 2009. Employees who as of January 1, 2001 were at least age 45, had 10 or more years of service with the Company and whose age and years of service totaled at least 60, including Mr. Kretzman, were grandfathered and continued to participate in the Non-Cash Balance Program under the same retirement formula described in the preceding paragraph, prior to ceasing future benefit accruals under the Retirement Plan after December 31, 2009. All eligible employees had their benefits earned (if any) under the Non-Cash Balance Program frozen on December 31, 2000 and began to participate in the Cash Balance Program on January 1, 2001, prior to ceasing future benefit accruals under the Retirement Plan after December 31, 2009. The frozen benefits will be payable at normal retirement age and will be reduced if the employee elects early retirement.

The Retirement Plan and Pension Equalization Plan each provide that employees vest in their benefits after they have completed three years of service with the Company or an affiliate of the Company. Each of the Named Executive Officers are fully vested in their respective benefits under the Pension Plan and the Pension Equalization Plan as of December 31, 2009. The Employee Retirement Income Security Act of 1974, as amended, places certain maximum limitations under ERISA and the Code upon the annual benefit payable under all qualified plans of an employer to any one individual. In addition, the Code limits the annual amount of compensation that can be considered in determining the level of benefits under qualified plans. The Pension Equalization Plan, as amended, is a non-qualified and unfunded benefit arrangement that was designed to provide for the payment by the Company of the difference, if any, between the amount of such maximum limitations and the annual benefit that would otherwise be payable under the Retirement Plan but for such limitations, up to a combined maximum annual straight life annuity benefit at age 65 under the Retirement Plan and the Pension Equalization Plan of \$500,000. Benefits provided under the Pension Equalization Plan are conditioned on the participant's compliance with his or her non-competition agreement and on the participant not competing with Products Corporation for one year after termination of employment.

Messrs. Kennedy, Ennis and Elshaw will be paid out their frozen vested accrued benefit under the Cash Balance Program, at termination or retirement, as a lump sum, in the form of a monthly annuity or other deferred payment, as they elect. Mr. Kretzman will be paid out his accrued benefit under the Non-Cash Balance Program, at termination or retirement, in the form of a monthly annuity payment. Mr. Berns will be paid out his frozen accrued benefit under the Non-Cash Balance Program, at termination or retirement, in the form of a monthly annuity payment.

NON-QUALIFIED DEFERRED COMPENSATION

Prior to December 31, 2004, employees were able to make contributions to the Company's Excess Savings Plan, an unfunded, non-qualified, defined contribution, deferred compensation plan, and the Company matched 50% of those contributions up to 6% of pay contributed. New contributions by employees to the Excess Savings Plan were frozen on December 31, 2004. Mr. Kretzman is the only Named Executive Officer who contributed to the Company's Excess Savings Plan before it was frozen.

As previously noted, the Company froze its U.S. qualified and non-qualified defined benefit retirement plans (namely, the Retirement Plan and the Pension Equalization Plan) so that no further benefits would accrue thereunder after December 31, 2009. The Company also amended its qualified and non-qualified savings plans effective January 1, 2010 to enable the Company, on a discretionary basis, to make profit-sharing contributions (equal to, for 2010, 5% of eligible compensation) to the qualified plan and, to the extent eligible compensation exceeds IRS limits, to the Excess Savings Plan (i.e., the non-qualified savings plan).

The Excess Savings Plan provides for substantially the same investment choices as are available in the Company's qualified 401(k) Plan. The Excess Savings Plan does not provide for above-market returns. Payments of participant balances under the Excess Savings Plan commence in accordance with the applicable provisions of the

Table of Contents

Excess Savings Plan after termination of a participant's employment and may be paid in either annual installments over a period of no more than 10 years or as a single lump-sum payment, as elected by the participant.

Amounts shown in the table below reflect amounts deferred from compensation and Company matching contributions prior to December 31, 2004, plus discretionary Company contributions made under the discretionary employer profit-sharing provisions of the Excess Savings Plan during 2010, as well as total account balances, inclusive of investment returns, as of December 31, 2010. Mr. Kretzman has waived his eligibility to receive profit sharing contributions, as he has a retirement benefit under his employment agreement.

- (b) Amounts reported under Aggregate Earnings in 2010 are not reported in the Summary Compensation Table. For Mr. Kretzman, his amount represents the depreciation in market returns on his investments under the Excess Savings Plan which he made prior to December 31, 2004, when the employee contribution feature was frozen. See the Pension Benefits Table and the Summary Compensation Table, above, for a discussion of the Pension Equalization Plan, a non-qualified, deferred compensation plan.
- (c) These amounts are unfunded and represent actual account balances at year end, and do not reflect the portion of the 2010 discretionary employer contributions credited during 2011 nor the earnings thereon.

- (b) During 2010, the Company's Board compensation structure was comprised of the following components: (i) an annual Board retainer of \$85,000; (ii) Board and Committee meeting fees of \$1,500 per meeting; (iii) an additional annual retainer of \$10,000 for each Committee chairman; and (iv) an additional annual Audit Committee membership retainer of \$10,000.
- (c) The amounts shown under the All Other Compensation column reflect fees received by Messrs. Bernikow and Bohan during 2010 as members of the Board of Directors of Products Corporation (the Company's wholly-owned operating subsidiary). Products Corporation's non-employee directors (i.e., those Directors who were not receiving compensation as officers or employees of the Company or any of its affiliates) are paid an annual retainer fee of \$25,000 per annum and are entitled to a meeting fee of \$1,500 for each meeting of Products Corporation's Board of Directors that they attend. Messrs. Ennis, Kennedy, Perelman and Schwartz also served as members of Products Corporation's Board of Directors during 2010, but received no fees for such service.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth, as of March 18, 2011, the number of shares of the Company's Voting Capital Stock beneficially owned, and the percent so owned, by (i) each person known to the Company to be the beneficial owner of more than 5% of any class of the Company's voting securities; (ii) each director of the Company; (iii) the Chief Executive Officer during 2010 and each of the other Named Executive Officers during 2010; and (iv) all directors and executive officers of the Company during 2010 as a group. The number of shares owned are those beneficially owned, as determined under the applicable rules of the SEC for the purposes of this Proxy Statement, and such information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares of Voting Capital Stock as to which a person has sole or shared voting power or investment power and any shares of Voting Capital Stock which the person has the right to acquire within 60 days through the exercise of any option, warrant or right, through conversion of any security or pursuant to the automatic termination of a power of attorney or revocation of a trust, discretionary account or similar arrangement. Certain of the shares listed as beneficially owned are pursuant to stock options which were all out-of-the-money as of such date.

(of which each of Mr. Perelman and The Ronald O. Perelman 2008 Trust owns 50% of the shares); (c) 4,561,610 shares were beneficially owned by a family member of Mr. Perelman with respect to which shares MacAndrews & Forbes holds a voting proxy; and (d) 32,500 shares were shares that Mr. Perelman could acquire under vested stock options). Mr. Perelman, through MacAndrews & Forbes, also beneficially

owned, as of March 18, 2011, all of the outstanding 3,125,000 shares of Revlon, Inc. Class B Common Stock, each of which is convertible into one share of Class A Common Stock. Such Common Stock share ownership represented approximately 77% of the Voting Capital Stock as of March 18, 2011. MacAndrews & Forbes has advised the Company that it has pledged shares of Class A Common Stock to secure certain obligations of MacAndrews & Forbes. Additional shares of Revlon, Inc., and shares of common stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes, may from time to time be pledged to secure obligations of MacAndrews & Forbes. A default under any of these obligations that are secured by the pledged shares could cause a foreclosure with respect to such shares of Class A Common Stock, Products Corporation's common stock or stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes. A foreclosure upon any such shares of common stock or dispositions of shares of Revlon, Inc.'s Class A Common Stock, Products Corporation's common stock or stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes which are beneficially owned by MacAndrews & Forbes could, in a sufficient amount, constitute a change of control under the 2010 Credit Agreements, the Senior Subordinated Term Loan Agreement and the indenture governing the 93/4% Senior Secured Notes (each as hereinafter defined). A change of control constitutes an event of default under the 2010 Credit Agreements, which would permit Products Corporation's lenders to accelerate amounts outstanding under such facilities. In addition, holders of the 93/4% Senior Secured Notes may require Products Corporation to repurchase their respective notes under those circumstances. Upon a change of control, Products Corporation would also be required, after fulfilling its repayment obligations under the 93/4% Senior Secured Notes indenture, to repay in full the Senior Subordinated Term Loan, provided that Revlon, Inc. at such time has redeemed or is then concurrently redeeming the Preferred Stock.

The Company does not know how many shares of Class A Preferred Stock Fidelity may own, or owned as of the measurement date for this table, and there is no public record of such ownership.

Transfer Agreements

In June 1992, Revlon, Inc. and Products Corporation entered into an asset transfer agreement with Revlon Holdings LLC, a Delaware limited liability company and formerly a Delaware corporation known as Revlon Holdings Inc. (Revlon Holdings), and which is an affiliate and an indirect wholly-owned subsidiary of

Table of Contents

MacAndrews & Forbes, and certain of Revlon Holdings wholly-owned subsidiaries. Revlon, Inc. and Products Corporation also entered into a real property asset transfer agreement with Revlon Holdings. Pursuant to such agreements, on June 24, 1992 Revlon Holdings transferred assets to Products Corporation and Products Corporation assumed all of the liabilities of Revlon Holdings, other than certain specifically excluded assets and liabilities (the liabilities excluded are referred to as the Excluded Liabilities). Certain consumer products lines sold in demonstrator-assisted distribution channels considered not integral to the Company's business and that historically had not been profitable and certain other assets and liabilities were retained by Revlon Holdings. Revlon Holdings agreed to indemnify Revlon, Inc. and Products Corporation against losses arising from the Excluded Liabilities, and Revlon, Inc. and Products Corporation agreed to indemnify Revlon Holdings against losses arising from the liabilities assumed by Products Corporation. The amount reimbursed by Revlon Holdings to Products Corporation for the Excluded Liabilities for 2010 was \$0.3 million.

Reimbursement Agreements

Revlon, Inc., Products Corporation and MacAndrews & Forbes Inc., a wholly-owned subsidiary of MacAndrews & Forbes Holdings Inc. (MacAndrews & Forbes Holdings) have entered into reimbursement agreements (the Reimbursement Agreements) pursuant to which (i) MacAndrews & Forbes Inc. is obligated to provide (directly or through affiliates) certain professional and administrative services, including without limitation employees, to Revlon, Inc. and its subsidiaries, including without limitation Products Corporation, and purchase services from third party providers, such as insurance, legal and accounting services and air transportation services, on behalf of Revlon, Inc. and its subsidiaries, including Products Corporation, to the extent requested by Products Corporation, and (ii) Products Corporation is obligated to provide certain professional and administrative services, including without limitation employees, to MacAndrews & Forbes and purchase services from third party providers, such as insurance, legal and accounting services, on behalf of MacAndrews & Forbes to the extent requested by MacAndrews & Forbes, provided that in each case the performance of such services does not cause an unreasonable burden to MacAndrews & Forbes or Products Corporation, as the case may be.

Products Corporation reimburses MacAndrews & Forbes for the allocable costs of the services purchased for or provided to Products Corporation and its subsidiaries and for the reasonable out-of-pocket expenses incurred in connection with the provision of such services. MacAndrews & Forbes reimburses Products Corporation for the allocable costs of the services purchased for or provided to MacAndrews & Forbes and for the reasonable out-of-pocket expenses incurred in connection with the purchase or provision of such services. Each of Revlon, Inc. and Products Corporation, on the one hand, and MacAndrews & Forbes Inc., on the other, has agreed to indemnify the other party for losses arising out of the provision of services by it under the Reimbursement Agreements, other than losses resulting from its willful misconduct or gross negligence.

The Reimbursement Agreements may be terminated by either party on 90 days notice. Products Corporation does not intend to request services under the Reimbursement Agreements unless their costs would be at least as favorable to Products Corporation as could be obtained from unaffiliated third parties.

Revlon, Inc. and Products Corporation participate in MacAndrews & Forbes directors and officers liability insurance program, which covers Revlon, Inc. and Products Corporation as well as MacAndrews & Forbes. The limits of coverage are available on an aggregate basis for losses to any or all of the participating companies and their respective directors and officers. Revlon, Inc. and Products Corporation reimburse MacAndrews & Forbes from time to time for their allocable portion of the premiums for such coverage or they pay the insurers directly, which premiums the Company believes are more favorable than the premiums the Company would pay were it to secure stand-alone coverage. Any amounts paid by Revlon, Inc. and Products Corporation directly to MacAndrews & Forbes in respect of premiums are included in the amounts paid under the Reimbursement Agreements. The net amount reimbursable from MacAndrews & Forbes to Products Corporation for the services provided under the Reimbursement Agreements

for 2010 was \$0.1 million.

Tax Sharing Agreements

As a result of a debt-for-equity exchange transaction completed in March 2004 (the 2004 Revlon Exchange Transactions), as of March 25, 2004, Revlon, Inc., Products Corporation and their U.S. subsidiaries were no longer

Table of Contents

included in the affiliated group of which MacAndrews & Forbes was the common parent (the MacAndrews & Forbes Group) for federal income tax purposes.

Revlon Holdings, Revlon, Inc., Products Corporation and certain of its subsidiaries and MacAndrews & Forbes Holdings entered into a tax sharing agreement (as subsequently amended and restated, the MacAndrews & Forbes Tax Sharing Agreement) for taxable periods beginning on or after January 1, 1992 through and including March 25, 2004, during which Revlon, Inc. and Products Corporation or a subsidiary of Products Corporation was a member of the MacAndrews & Forbes Group. In these taxable periods, Revlon, Inc.'s and Products Corporation's federal taxable income and loss were included in such group's consolidated tax return filed by MacAndrews & Forbes Holdings. Revlon, Inc. and Products Corporation were also included in certain state and local tax returns of MacAndrews & Forbes Holdings or its subsidiaries. Revlon, Inc. and Products Corporation remain liable under the MacAndrews & Forbes Tax Sharing Agreement, for all such taxable periods through and including March 25, 2004 for amounts determined to be due as a result of a redetermination arising from an audit or otherwise, equal to the taxes that Revlon, Inc. or Products Corporation would otherwise have had to pay if it were to have filed separate federal, state or local income tax returns for such periods.

Following the closing of the 2004 Revlon Exchange Transactions, Revlon, Inc. became the parent of a new consolidated group for federal income tax purposes and Products Corporation's federal taxable income and loss will be included in such group's consolidated tax returns. Accordingly, Revlon, Inc. and Products Corporation entered into a tax sharing agreement (the Revlon Tax Sharing Agreement) pursuant to which Products Corporation will be required to pay to Revlon, Inc. amounts equal to the taxes that Products Corporation would otherwise have had to pay if Products Corporation were to file separate federal, state or local income tax returns, limited to the amount, and payable only at such times, as Revlon, Inc. will be required to make payments to the applicable taxing authorities.

There were no federal tax payments or payments in lieu of taxes from Revlon, Inc. to Revlon Holdings pursuant to the MacAndrews & Forbes Tax Sharing Agreement in 2010 with respect to periods covered by the MacAndrews & Forbes Tax Sharing Agreement, and the Company expects that there will not be any such payments in 2011. During 2010, there were no federal tax payments from Products Corporation to Revlon, Inc. pursuant to the Revlon Tax Sharing Agreement with respect to 2009. During 2010, there were federal tax payments from Products Corporation to Revlon, Inc. pursuant to the Revlon Tax Sharing Agreement of \$0.2 million with respect to 2010. The Company expects that there will be no federal tax payment from Products Corporation to Revlon, Inc. pursuant to the Revlon Tax Sharing Agreement during 2011 with respect to 2010.

Prior to the consummation of Revlon, Inc.'s initial public equity offering in February 1996, Revlon, Inc. and Revlon Worldwide Corporation (which subsequently merged into REV Holdings LLC (REV Holdings), the then direct parent of Revlon, Inc.) entered into a registration rights agreement (the Registration Rights Agreement), and in February 2003, MacAndrews & Forbes executed a joinder agreement to the Registration Rights Agreement, pursuant to which REV Holdings, MacAndrews & Forbes and certain transferees of Revlon, Inc.'s Common Stock held by REV Holdings (the Holders) had the right to require Revlon, Inc. to register under the Securities Act of 1933, as amended, all or part of the Class A Common Stock owned by such Holders, including shares of Class A Common Stock purchased by MacAndrews & Forbes in connection with the \$50.0 million equity rights offering consummated by Revlon, Inc. in 2003 and shares of Class A Common Stock issuable upon conversion of Revlon, Inc.'s Class B Common Stock owned by such Holders (a Demand Registration). In connection with the closing of the 2004 Revlon Exchange Transactions and pursuant to an Investment Agreement entered into in connection with such transactions (the 2004 Investment Agreement), MacAndrews & Forbes executed a joinder agreement that provided that MacAndrews & Forbes would also be a Holder under the Registration Rights Agreement and that all shares acquired by MacAndrews & Forbes pursuant to the 2004 Investment Agreement are deemed to be registrable securities under

the Registration Rights Agreement. This included all of the shares of Class A Common Stock acquired by MacAndrews & Forbes in connection with the Company's \$110 million rights offering of shares of its Class A Common Stock and related private placement to MacAndrews & Forbes, which was consummated in March 2006, and the Company's \$100 million rights offering of shares of its Class A Common Stock and related private placement to MacAndrews & Forbes, which was consummated in January 2007.

Upon consummation of the Exchange Offer in October 2009, MacAndrews & Forbes contributed to Revlon, Inc. \$48.6 million of the \$107.0 million aggregate outstanding principal amount of the Senior Subordinated Term Loan (the Senior Subordinated Term Loan; the agreement in respect to such loan is referred to as the Senior Subordinated Term Loan Agreement) made from MacAndrews & Forbes to Products Corporation in 2008 in the original aggregate principal amount of \$170 million (such \$48.6 million of the Senior Subordinated Term Loan being the Contributed Loan; the remaining \$58.4 million in principal amount of the Senior Subordinated Term Loan is referred to as the Non-Contributed Loan), representing \$5.21 of outstanding principal amount for each of the 9,336,905 shares of Revlon, Inc.'s Class A Common Stock exchanged in the Exchange Offer, and Revlon, Inc. issued to MacAndrews & Forbes 9,336,905 shares of Class A Common Stock at a ratio of one share of Class A Common Stock for each \$5.21 of outstanding principal amount of the Senior Subordinated Term Loan contributed to Revlon. Also upon consummation of the Exchange Offer, the terms of the Senior Subordinated Term Loan Agreement were amended to extend the maturity date on the Contributed Loan which remains owing from Products Corporation to Revlon, Inc. from August 2010 to October 8, 2013, to change the annual interest rate on the Contributed Loan from 11% to 12.75%, to extend the maturity date on the Non-Contributed Loan from August 2010 to October 8, 2014 and to change the annual interest rate on the Non-Contributed Loan from 11% to 12%.

Interest under the Senior Subordinated Term Loan is payable in arrears in cash on January 8, April 8, July 8 and October 8 of each year. Products Corporation may, at its option, prepay such loan, in whole or in part (together with accrued and unpaid interest), at any time prior to its respective maturity dates without premium or penalty, provided that prior to such loan's respective maturity dates all shares of Revlon, Inc.'s Preferred Stock have been or are being concurrently redeemed and all payments due thereon are paid in full or are concurrently being paid in full.

The Senior Subordinated Term Loan is an unsecured obligation of Products Corporation and is subordinated in right of payment to all existing and future senior debt of Products Corporation, currently including indebtedness under (i) Products Corporation's 2010 Credit Agreements (as defined below), and (ii) Products Corporation's 93/4% Senior Secured Notes. Prior to its respective maturity dates, the Senior Subordinated Term Loan is also subordinated in right of payment to Revlon, Inc.'s Preferred Stock. The Senior Subordinated Term Loan has the right to payment equal in right of payment with any present and future senior subordinated indebtedness of Products Corporation.

The Senior Subordinated Term Loan Agreement contains various restrictive covenants, cross acceleration provisions, customary events of default for loan agreements of such type, and change of control provisions.

In connection with the closing of the MacAndrews & Forbes Senior Subordinated Term Loan, Revlon, Inc. and MacAndrews & Forbes entered into a letter agreement in January 2008 pursuant to which Revlon, Inc. agreed that if Revlon, Inc. conducts any equity offering before full payment of the MacAndrews & Forbes Senior Subordinated Term Loan, and, if MacAndrews & Forbes and/or its affiliates elects to participate in any such offering,

MacAndrews & Forbes and/or its affiliates may pay for any shares it acquires in such offering either in cash or by tendering debt valued at its face amount under the Non-Contributed Loan, including any accrued but unpaid interest, on a dollar for dollar basis, or in any combination of cash and such debt. Revlon, Inc. is under no obligation to conduct an equity offering and MacAndrews & Forbes and its affiliates are under no obligation to subscribe for shares should Revlon elect to conduct an equity offering.

Contribution and Stockholder Agreement

In connection with consummating the Exchange Offer, Revlon, Inc. and MacAndrews & Forbes entered into a Contribution and Stockholder Agreement on August 9, 2009 (as amended, the Contribution and Stockholder Agreement), pursuant to which through October 8, 2013:

During any period in which Revlon, Inc. may not subject to the reporting requirements of Section 13(a) or 15(d) of the Exchange Act, Revlon, Inc. will file or furnish, as appropriate, with the SEC on a voluntary basis all periodic and other reports that are required of a company that is subject to such reporting requirements;

MacAndrews & Forbes agreed that it will not complete certain short-form mergers under Section 253 of the DGCL unless either (i) such transaction has been approved in advance by a majority of the independent directors of Revlon, Inc.'s Board of Directors, as well as satisfying certain other conditions; or (ii) the short-form merger is preceded by a qualifying tender offer (as defined in the Contribution and Stockholder Agreement) for the shares of Class A Common Stock held by persons other than MacAndrews & Forbes, subject to certain other conditions. In any such merger, the holders of Preferred Stock would retain their shares of Preferred Stock, or receive shares of preferred stock in the surviving corporation of such merger with terms identical to, or no less favorable than, the terms of the Preferred Stock (with, for the avoidance of doubt, the same terms as though issued on the date of original issuance of the Preferred Stock).

This Stockholders Agreement terminates, by its terms, when Fidelity ceases to be the beneficial holder of at least 5% of the Company's outstanding voting stock. Fidelity advised the Company that, as of the April 8, 2010 record date for Revlon, Inc.'s 2010 Annual Stockholders Meeting, FMR (singly or together with other affiliates of Fidelity) owned 8,233,526 shares of Revlon, Inc.'s outstanding Class A Common Stock and Preferred Stock, in the aggregate, representing approximately 9.2% of Revlon, Inc.'s issued and outstanding shares of voting capital stock at such date. Subsequently, however, Fidelity filed a Schedule 13F with the SEC on February 11, 2011, indicating that it owned 1,013,000 shares of Class A Common Stock as of December 31,

2010. The Company does not know how many shares of Class A Preferred Stock Fidelity may own and there is no public record of such ownership.

which assumed substantially all liability for environmental claims and compliance costs relating to the Edison facility, and in connection with the sale Products Corporation terminated the Edison Lease and entered into a new lease with the new owner. Revlon Holdings agreed to indemnify Products Corporation through September 1, 2013 (the term of the new lease) to the extent that rent under the new lease exceeds the rent that would have been payable under the terminated Edison Lease had it not been terminated. Effective October 2010, Products Corporation entered into a renewal of the lease with the owner through September 2025. The Revlon Holdings indemnification will terminate on September 1, 2013. The net amount reimbursed by Revlon Holdings to Products Corporation with respect to the Edison facility for 2010 was approximately \$0.3 million.

Certain of Products Corporation's debt obligations, including its amended and restated bank term loan agreement and its multi-currency revolving credit agreement (the 2010 Credit Agreements) and its 93/4% Senior Secured Notes, have been, and may in the future be, supported by, among other things, guaranties from the Company and, subject to certain limited exceptions, all of the domestic subsidiaries of Products Corporation. The obligations under such guaranties are and were secured by, among other things, the capital stock of Products Corporation and, subject to certain limited exceptions, the capital stock of all of Products Corporation's domestic subsidiaries and 66% of the capital stock of Products Corporation's and its domestic subsidiaries' first-tier foreign subsidiaries.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF KPMG LLP

The Audit Committee of the Board of Directors has selected, subject to ratification by the Company's stockholders, KPMG LLP to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2011.

The Sarbanes-Oxley Act of 2002 and Section 10A of the Exchange Act require that the Audit Committee of the Board of Directors be directly responsible for the appointment, compensation, retention and oversight of the audit work of the Company's independent registered public accounting firm. Ratification by the stockholders of the selection of KPMG LLP is not required by law, the Company's By-laws or otherwise. However, the Board of Directors is submitting the selection of KPMG LLP for stockholder ratification to ascertain stockholders' views on the matter.

KPMG LLP has audited the consolidated financial statements of the Company and its predecessors for more than the past five consecutive years. Representatives of KPMG LLP are expected to be present at the 2011 Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The Audit Committee reviews audit and non-audit services performed by KPMG LLP, as well as the fees charged by KPMG LLP for such services. In its review of non-audit service fees, the Audit Committee received and discussed with KPMG LLP their annual written report on KPMG LLP's independence from the Company and its management, as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with KPMG LLP that firm's independence. The Audit Committee has satisfied itself that KPMG LLP's provision of audit and non-audit services to the Company is compatible with KPMG LLP's independence. Additional information concerning the Audit Committee and its activities with KPMG LLP can be found in the following sections of this Proxy Statement: Board of Directors and its Committees and Audit Committee Report. VOTE REQUIRED AND BOARD OF DIRECTORS' RECOMMENDATION

With respect to Proposal No. 2, all proxies properly submitted to the Company, unless such proxies are revoked prior to their being voted on, will be voted in accordance with the instructions given by the person submitting such proxy or, in the absence of such instructions, will be voted **FOR** the ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for 2011. In determining whether Proposal No. 2 has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against Proposal No. 2. Brokers will have discretionary authority to vote on Proposal No. 4 (ratification of the Company's selection of its independent registered public accounting firm for 2011) absent instructions from the beneficial owner of the shares, as this is a routine proposal. MacAndrews & Forbes has informed the Company that it

will vote **FOR** the ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for 2011. Accordingly, the affirmative vote of MacAndrews & Forbes is sufficient, without the concurring vote of any other stockholder of the Company, to approve and adopt Proposal No. 2.

PROPOSAL NO. 3

**NON-BINDING, ADVISORY VOTE OF STOCKHOLDERS ON THE COMPANY'S
EXECUTIVE COMPENSATION**

Pursuant to the recently enacted say-on-pay provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, which was signed into law in July 2010, and the corresponding implementing SEC rules (the Dodd-Frank Act or the Act), the Company is soliciting, under this Proposal No. 3, its stockholders' advisory views on the Company's executive compensation, as disclosed pursuant to Item 402 of Regulation S-K, including as disclosed in the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth in this Proxy Statement. Pursuant to applicable law, the stockholder vote on the Company's executive compensation is advisory in nature and non-binding.

VOTE REQUIRED AND BOARD OF DIRECTORS' RECOMMENDATION

Under the Act, the stockholder vote on this matter is advisory and non-binding, and therefore the Company is not required to obtain any specific percentage of stockholder approval.

As more fully set forth in the Compensation Discussion and Analysis section of this Proxy Statement, above, the Company believes that its executive compensation structure is designed to pay for performance, to align the interests of management and employees with corporate performance and shareholder interests and to attract and retain the personnel needed to enable the Company to execute its business strategy in a competitive environment and, as such, that it is reasonably designed and appropriate for its purposes. MacAndrews & Forbes has informed the Company that it will vote **FOR** the approval of the Company's executive compensation, as disclosed pursuant to Item 402 of Regulation S-K, including as disclosed in the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth in this Proxy Statement. Accordingly, the affirmative vote of MacAndrews & Forbes is sufficient, without the concurring vote of any other stockholder of the Company, to approve and adopt Proposal No. 3 on a non-binding and advisory basis.

The Board of Directors unanimously recommends that stockholders adopt the following resolution by submitting their non-binding, advisory vote FOR approval of the Company's executive compensation:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth in the Company's proxy statement in support of the 2011 Annual Meeting, is hereby approved.

PROPOSAL NO. 4

**NON-BINDING, ADVISORY VOTE OF STOCKHOLDERS ON FREQUENCY OF FUTURE
NON-BINDING, ADVISORY VOTES ON EXECUTIVE COMPENSATION**

Pursuant to the Dodd-Frank Act, the Company is soliciting, under this Proposal No. 4, its stockholders' advisory views on how often the Company will solicit future stockholder non-binding advisory votes on the Company's executive compensation (the subject of Proposal No. 3, above). Under the Act, stockholders' advisory votes on executive compensation are to be solicited every one, two or three years, subject to stockholders' non-binding, advisory views on the frequency of the say-on-pay vote, which, under the Act, are to be solicited at least every six years. Pursuant to

applicable law, the stockholder vote on the future frequency of stockholders say-on-pay is advisory in nature and non-binding.

VOTE REQUIRED AND BOARD OF DIRECTORS RECOMMENDATION

Under the Act, the stockholder vote on this matter is advisory and non-binding, and therefore the Company is not required to obtain any specific percentage of stockholder approval. Your proxy card will afford you the opportunity to select conducting a say-on-pay vote every one year, every two years or every three years (or to abstain), as provided in the Act. As permitted by the Act, the Company proposes to solicit its stockholders views on

Table of Contents

say-on-pay every three years, as it believes that doing so more frequently would be burdensome, inefficient and not of meaningful value to stockholders and due to the fact that it is important to view the Company's performance (and compensation for performance) over longer periods of time. MacAndrews & Forbes has informed the Company that it will vote for conducting future say-on-pay votes every three (3) years. Accordingly, the affirmative vote of MacAndrews & Forbes is sufficient, without the concurring vote of any other stockholder of the Company, to recommend conducting future say-on-pay votes on a triennial basis.

The Board of Directors unanimously recommends that stockholders submit their non-binding, advisory vote for conducting future advisory votes on executive compensation every THREE (3) YEARS.

The Company's By-laws require that proposals of stockholders made outside of Rule 14a-8 under the Exchange Act (i.e., proposals that are not to be included in the proxy statement, but to be otherwise considered at the annual meeting) must comply with the requirements of Article II, Section 3 of the Company's By-laws and must be received by the Company's Secretary by no earlier than March 4, 2012 and by no later than April 3, 2012 (provided, however, that if the 2012 annual stockholders' meeting is called for a date that is not within 30 days before or after the 1-year anniversary of the 2011 Annual Meeting date, the stockholder's notice in order to be timely must be received by the Company's Secretary not later than the close of business on the 10th day following the earlier of the day on which such notice of the date of the 2012 annual stockholders' meeting is mailed or such public disclosure of the date of the 2012 annual stockholders' meeting is made).
