Explanatory Note

This Amendment No. 1 on Form 10-K/A (Form 10-K/A) to our Annual Report on Form 10-K for the year ended December 31, 2004, initially filed with the Securities and Exchange Commission (the SEC) on June 30, 2005 (the Original Filing), is being filed to reflect changes to Item 6. Selected Financial Data of Part II of the Original Filing, as detailed below and solely to correct the identified errors, and no other information in the Original Filing is amended hereby. Accordingly, the items have not been updated to reflect other events occurring after the Original Filing or to modify or update those disclosures affected by subsequent events.

Item 6. Selected Financial Data of Part II of the Original Filing has been amended solely to reflect a decrease of \$69 million in the amount of previously reported net income for the period ending December 31, 2000. The change is to correct an error made in 2000, whereby an increase in Delphi s warranty reserves of \$112 million (\$69 million after-tax) during 2000 was accounted for as a reduction to additional paid-in capital rather than additional expense. In periods beginning with the opening balances on January 1, 2001, the impact of this correction is to increase additional paid-in capital and reduce retained earnings by \$69 million, resulting in no change in total stockholders (deficit) equity. This reclassification will be reflected in Delphi s Annual Report on Form 10-K for the year-ended December 31, 2005, to be filed with the SEC.

Except for the foregoing amended information, this Form 10-K/A continues to describe conditions as of the date of the Original Filing, and we have not updated the disclosures contained herein to reflect events that occurred at a later date.

- (1) Effective January 1, 2002, we adopted Statement of Financial Accounting Standards No. 142 Goodwill and Other Intangible Assets and no longer amortize purchased goodwill.
- (2) 2004 net loss includes \$4.7 billion of income tax expense recorded to provide a non-cash valuation allowance on U.S. deferred tax assets, as described in Note 6, Income Taxes, to our consolidated financial statements included elsewhere in this report on Form 10-K.
- (3) Fixed charges exceeded earnings by \$719 million, \$137 million and \$663 million for the years ended December 31, 2004, 2003 and 2001, respectively resulting in a ratio of less than one.
- (4) Previously reported net income of \$817 million for the year ended December 31, 2000 has been restated to reflect an additional warranty provision of \$112 million (\$69 million after tax) that was previously accounted for as a reduction to additional paid-in capital rather than additional expense. The impact of this correction was to decrease net income by \$69 million, basic earnings per share by \$0.13, diluted earnings per share by \$0.12, and ratio of earnings to fixed charges by 0.4. In addition, additional paid-in capital was increased and retained earnings was decreased at December 31, 2000 by \$69 million, resulting in no change in previously reported stockholders equity at that date.
