### ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

#### Purchase of MacArthur Park Shopping Center -----

We previously filed a Form 8-K on December 28 dated December 27, 2004, with regard to the acquisition of MacArthur Park Shopping Center located in Dallas, Texas, without the requisite financial information. Accordingly, we are filing this Form 8-K/A to include that financial information. Due to the non-related party nature of this transaction, only Rule 3-14 audited statements for the year ended December 31, 2003, are required. We are not aware of any material factors relating to the acquisitions that would cause the reported financial information not to be necessarily indicative of future operating results.

On December 27, 2004, we acquired MacArthur Park Shopping Center, a Kroger anchored shopping center consisting of 198,443 square feet located on approximately 23 acres for \$37.8 million. The property, which was acquired from Regency Centers, is located in Dallas, Texas at the northwest intersection of I-635 and MacArthur Boulevard in the heart of Las Colinas. Material factors considered by us in the acquisition include historical and prospective financial performance of the center, credit quality of the tenancy, local and regional demographics, location and competition, ad valorem tax rates, condition of the property and the related anticipated level of capital expenditures required. The purchase price consists of the assumption of \$13.41 million in long term fixed rate debt with the remainder being paid in cash. The debt bears interest at 6.17% per annum and matures in December 2008. This note is prepayable upon payment of a fee equal to 1% of the principal balance of the note being prepaid and the excess, if any, of the sum of the present values of all then-scheduled payments of principal and interest under the note, over the principal amount of the note being paid. The weighted average remaining lease term for the project's leases is eight years. The Kroger lease term is for 20 years, containing approximately 63,000 square feet, expiring in November 2020. The shopping center is 100 percent occupied. Audited financial statements for the property (the "Acquired Property"), are submitted in ITEM 9.01 below. Unaudited pro forma condensed consolidated financial information of AmREIT and Subsidiaries and the Acquired Property is also submitted in ITEM 9.01 below.

INDEPENDENT AUDITORS' REPORT

The Board of Trust Managers  
AmREIT:

We have audited the accompanying Historical Summary of Gross Income and Direct Operating Expenses (Historical Summary) of MacArthur Park Shopping Center (the Property) for the year ended December 31, 2003. This Historical Summary is the responsibility of the management of AmREIT. Our responsibility is to express an opinion on the Historical Summary based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Historical Summary. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in the Current Report on Form 8-K. The presentation is not intended to be a complete presentation of the Property's income and expenses.

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the gross income and direct operating expenses, as described in Note 2 of MacArthur Park Shopping Center for the year ended December 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

## MACARTHUR PARK SHOPPING CENTER

NOTES TO HISTORICAL SUMMARY OF GROSS INCOME

AND DIRECT OPERATING EXPENSES

FOR THE YEAR ENDED DECEMBER 31, 2003

(1) BUSINESS

MacArthur Park Shopping Center (the Property) is located in Irving, Texas. The Property consists of approximately 198,443 square feet of gross leasable area and was 100% occupied at December 31, 2003. On December 27, 2004, AmREIT acquired the Property for approximately \$37.8 million.

(2) BASIS OF PRESENTATION AND COMBINATION

Edgar Filing: AMREIT - Form 8-K/A

The Historical Summary of Gross Income and Direct Operating Expenses (Historical Summary) has been prepared for the purpose of complying with Rule 3-14 of the Securities and Exchange Commission Regulation S-X and for inclusion in AmREIT's filing on Form 8-K, and is not intended to be a complete presentation of the Property's income and expenses. The Historical Summary has been prepared on the accrual basis of accounting. Management of the Property is required to make estimates and assumptions that affect the reported amounts of the income and expenses during the reporting period. Actual results may differ from those estimates.

In the opinion of management, all adjustments necessary for a fair presentation are of a recurring nature and have been made to the accompanying unaudited amounts for the nine months ended September 30, 2004.

(3) GROSS INCOME

The Property leases retail space under various lease agreements with its tenants. All leases are accounted for as operating leases. The leases include provisions under which the Property is reimbursed for common area maintenance, real estate taxes, and insurance costs. Income related to these reimbursed costs is recognized in the period the applicable costs are incurred and billed to tenants pursuant to the lease agreements. Certain leases contain renewal options at various periods at various rental rates. Certain of the leases contain provisions for contingent rentals. No contingent rent was earned during the year ended December 31, 2003.

Although certain leases may provide for tenant occupancy during periods for which no rent is due and/or increases exist in minimum lease payments over the term of the lease, rental income is recognized for the full period of occupancy on a straight-line basis.

The weighted average remaining lease term for the shopping center is 9.1 years at December 31, 2003. Minimum rents to be received from tenants under operating leases, exclusive of common area maintenance reimbursements, which were \$1.2 million for the year ended December 31, 2003 are as follows:

2004	\$ 2,869,900
2005	2,827,758
2006	2,033,011
2007	1,884,016
2008	1,873,398
Thereafter	9,525,414
	-----
Total	\$ 21,013,497
	=====

Adjustments to record rental income on a straight-line basis increased gross income by \$54,081 during the year ended December 31, 2003.

Following are the tenants that individually comprised 10% or more of

## Edgar Filing: AMREIT - Form 8-K/A

rental income for the year ended December 31, 2003:

Tenant -----	% of rental income -----
Kroger	14%
Linens 'n Things	11%

(4) DIRECT OPERATING EXPENSES

Direct operating expenses include only those costs expected to be comparable to the proposed future operations of the Property. Repairs and maintenance expenses are charged to operations as incurred. Costs such as depreciation and amortization are excluded from the accompanying Historical Summary.

(5) RELATED-PARTY TRANSACTIONS

During the year ended December 31, 2003, management fees of \$134,461 were paid or incurred. The amount was paid or owed to various entities related to the owner of the Property either by common ownership or control. Payments and amounts due to related parties represent amounts due under contracts for different services provided by the related party.

(6) PROJECT FINANCING

In November 2001, a \$13,410,000 note payable was entered into with a lender, secured by the Property. The non-amortizing note bears interest at 6.17% and matures on December 1, 2008. This note is prepayable upon payment of a fee equal to 1% of the principal balance of the note being prepaid and the excess, if any, of the sum of the present values of all then-scheduled payments of principal and interest under the note, over the principal amount of the note being paid. AmREIT assumed this note in connection with the December 2004 acquisition of the Property.

### AMREIT AND SUBSIDIARIES PRO FORMA FINANCIAL INFORMATION

(UNAUDITED)

The following pro forma financial statements have been prepared to provide pro forma information with regards to the MacArthur Park Shopping Center ("the Property") which AmREIT (the "Company") acquired from an unrelated third party.

On December 27, 2004, AmREIT acquired the Property, a Kroger-anchored shopping center consisting of 198,443 square feet located on approximately 23 acres. The Property, which was acquired from Regency Centers, is located in Dallas, Texas at the northwest intersection of I-635 and MacArthur Boulevard in the heart of Las Colinas.

The unaudited Pro Forma Condensed Consolidated Balance Sheet presents the historical financial information of the Company as of September 30, 2004 as adjusted for the acquisition of the Property which is assumed to have occurred on September 30, 2004.

## Edgar Filing: AMREIT - Form 8-K/A

The accompanying unaudited Pro Forma Condensed Consolidated Statement of Operations for the year ended December 31, 2003 combines the historical operations of the Company with (i) the gross income and direct operating expenses of Uptown prior to its acquisition in 2003, (ii) the gross income and direct operating expenses of the properties acquired subsequent to December 31, 2003, including MacArthur Park Shopping Center, and (iii) considers the assumption or issuance of debt, as appropriate, to acquire the properties, as if these transactions had occurred on January 1, 2003.

The accompanying unaudited Pro Forma Condensed Consolidated Statement of Operations for the nine months ended September 30, 2004 combines the historical operations of the Company with (i) the gross income and direct operating expenses of properties acquired in 2004, including the MacArthur Park Shopping Center for the respective periods prior to their acquisition and (ii) considers the assumption or issuance of debt, as appropriate, to acquire the properties, as if these transactions had occurred on January 1, 2003.

The unaudited pro forma condensed consolidated financial statements have been prepared by the Company's management based upon the historical financial statements of the Company and of the acquired properties. These pro forma statements may not be indicative of the results that actually would have occurred had the acquisitions been in effect on the dates indicated or which may be obtained in the future. In management's opinion, all adjustments necessary to reflect the effects of the property acquisitions have been made. These unaudited pro forma condensed consolidated financial statements should be read in conjunction with the historical financial statements included in the Company's previous filings with the Securities and Exchange Commission, including our filing on Form 8-K on September 14, 2004 related to our two other significant acquisitions during 2004. These properties (Plaza in the Park Shopping Center located in Houston, Texas and Cinco Ranch Shopping Center, located in Katy, Texas) were acquired from an unrelated third party on July 1, 2004.
