PROXY STATEMENT

This proxy statement provides information regarding the annual meeting of shareholders of Entertainment Properties Trust to be held at the Leawood Town Centre Theatre, Leawood, Kansas, on May 15, 2002, beginning at 10:00 a.m., and at any postponement or adjournment of the meeting.

This proxy statement and the enclosed proxy card were first mailed to shareholders on or about April 25, 2002.

ABOUT THE MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the annual meeting, shareholders will vote on the election of two trustees and the ratification of the appointment of KPMG LLP as our new independent accountants for 2002. EPR's management will report on the performance of the Company during 2001 and respond to questions from shareholders.

WHO IS ENTITLED TO VOTE AT THE MEETING?

Shareholders of record at the close of business on February 15, 2002, are entitled to receive notice of the annual meeting and to vote their shares held on that date at the meeting. Each shareholder is entitled to one vote per share.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of our shares outstanding on the record date will constitute a quorum, permitting the meeting to proceed. On the record date, 17,101,759 shares of the Company were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares present at the meeting for the purpose of establishing a quorum.

HOW DO I VOTE?

If you complete and properly sign the enclosed proxy card and return it to us before the meeting, your shares will be voted as you direct. If you are a registered shareholder and attend the meeting in person, you may deliver your completed proxy card at the meeting. You are also invited to vote in person at the meeting. "Street name" shareholders who wish to vote at the meeting must obtain a proxy form from the institution that holds their shares.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

1

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the meeting by sending a written notice of revocation or a duly executed proxy with a later date to the Secretary of the Company. Your proxy will also be revoked if you attend the meeting and vote in person. If you merely attend the meeting but do not vote in person, your previously granted proxy will not be revoked.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote your shares in accordance with the recommendations of the Board of Trustees. The Board recommends you vote:

- o for the election of the persons nominated as trustee
- o for the ratification of the appointment of KPMG LLP as the Company's independent accountants for 2002

If any other matter properly comes before the meeting, the proxy holders will vote as recommended by the Board of Trustees or, if no recommendation is given, in their own discretion.

HOW MANY VOTES ARE NEEDED TO APPROVE EACH ITEM?

The affirmative vote of a plurality of the shares voted at the meeting is required for the election of each trustee. This means the two nominees in Class II receiving the greatest number of votes will be elected. Broker non-votes with respect to the election of trustees will not be counted. Proxy cards marked "WITHHOLD AUTHORITY" will be counted against both nominees or the specific nominee for whom authority is withheld, as applicable.

The affirmative vote of a majority of the shares voted at the meeting is required to ratify the appointment of our independent accountants. Broker non-votes and proxy cards marked "ABSTAIN" with respect to the appointment of our independent accountants will not be counted.

HOW ARE TRUSTEES COMPENSATED?

Each non-employee trustee receives:

- o An annual retainer of \$18,000, which is paid 50% in cash and 50%

to receive all or a portion of their retainer in shares.
- o \$1,000 in cash for each Board meeting they attend.
- o \$1,250 in cash for each committee meeting they chair, or \$750 in
cash for each committee meeting they attend.
- o Market value options to purchase 3,333 shares on the date of each
annual shareholders meeting.

4

- o Reimbursement for any out-of-town travel expenses incurred in
attending Board meetings.

Employees of the Company or its affiliates who are trustees are not
paid any additional compensation for their service on the Board.

Non-employee trustees may defer some or all of their compensation into
a deferred compensation plan for non-employee members of the Board. Amounts
deferred under the plan are credited to a participant's account based on the
number of shares he has elected to defer and the amount of any cash he has
elected to defer as if the cash were converted into shares at their fair market
value on the date of deferral. All payments made under the plan are made in
shares equal to the number of shares allocated to the participant's account. If
a participant is terminated as a trustee upon a change in control of the
Company, all amounts in his account will be paid in a single payment.

Pursuant to the Company's 1997 Share Incentive Plan, Scott H. Ward and
Robert J. Druten each received options to purchase 10,000 shares on the
effective date of the Company's initial public offering in 1997. Options to
purchase 3,333 shares are granted to each trustee on the date of each annual
meeting, with an exercise price per share equal to the closing price of EPR's
shares on the annual meeting date. These options vest after one year and expire
after ten years unless terminated earlier because of a trustee's termination
from the Board.

HOW OFTEN DID THE BOARD MEET DURING 2001?

The Board of Trustees met six times in 2001. No trustee attended less than 75% of the meetings of the Board and committees on which he served. The Company's trustees discharge their responsibilities throughout the year, not only at Board of Trustee and committee meetings, but also through personal meetings, actions by unanimous written consent and communications with members of management and others regarding matters of interest and concern to the Company.

- o an original annual base salary of \$325,000 for Mr. Brain, \$205,000 for Mr. Kennon and \$175,000 for Mr. Silvers, subject to any increases awarded by the Compensation Committee. The 2001 base salary amounts for Messrs. Brain, Kennon and Silvers are listed in the Summary Compensation Table.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

- o a loan to Mr. Brain of \$562,500 for the purchase of 40,000 shares and loans of \$281,250 to each of Mr. Kennon and Mr. Silvers for the purchase of 20,000 shares each under the Share Purchase Program. The loans are evidenced by ten-year recourse promissory notes, with principal and accrued interest payable at maturity. A portion of each officer's share purchase loan will be forgiven upon his death or permanent disability, or if he is terminated without cause or terminates his employment for good reason, as defined in the employment agreement. The entire amount of Mr. Brain's loan will be forgiven if he is terminated without cause following a hostile change in control of the Company. The officers are entitled to reimbursement for taxes on income resulting from loan forgiveness.
- o a rolling three year term, subject to termination by the Company with or without cause
- o salary and bonus continuation following an officer's death, disability or termination without cause

Mr. Brain is entitled to severance compensation equal to his base salary and bonus for the remainder of the three year employment period if he resigns following a change in control of the Company or upon his death, termination by the Company without cause or termination by Mr. Brain for good reason. Mr. Kennon and Mr. Silvers are entitled to similar severance compensation upon their death, termination by the Company without cause or termination by the executive for good reason.

HOW ARE THE COMPANY'S EXECUTIVE OFFICERS COMPENSATED?

EPR has adopted various compensation programs to attract and retain executive officers, to provide incentives to maximize EPR's Funds from Operations, and to provide executive officers with an interest in the Company parallel to that of our shareholders.

The Company's compensation programs are administered by the Compensation Committee, which is authorized to select from among EPR's eligible employees the individuals to whom awards will be granted and to establish the terms and conditions of those awards. No member of the Compensation Committee is eligible to participate in any compensation program other than as a non-employee trustee of the Company.

ANNUAL INCENTIVE PROGRAM. The Annual Incentive Program provides for incentive bonuses to officers designated by the Compensation Committee if selected performance criteria are met. The

11

performance criteria and the amount of the bonuses are established each year by the Compensation Committee.

SHARE INCENTIVE PLAN. EPR encourages its executive officers to own shares in the Company. To assist officers with this goal, EPR provides officers the opportunity to acquire shares through various programs:

- o **SHARE PURCHASE PROGRAM.** Allows officers to purchase shares from EPR at fair market value. The shares may be subject to transfer restrictions and other conditions imposed by the Compensation Committee. The Company may provide financing for

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

the purchase of shares by officers.

- o RESTRICTED SHARE PROGRAM. EPR may award restricted shares to officers subject to conditions adopted by the Compensation Committee. In general, restricted shares may not be sold until the restrictions expire or are removed by the Compensation Committee. Restricted shares have full voting and dividend rights from the date of issuance. All restrictions on restricted shares lapse upon a change in control of the Company.
- o SHARE OPTION PROGRAM. EPR may grant options to its officers and employees to purchase shares subject to conditions adopted by the Compensation Committee.

A maximum of 1,500,000 shares, subject to adjustment upon significant corporate events, are reserved for issuance under the Share Incentive Program. An individual may receive options to purchase up to 750,000 shares, so long as the options do not result in share ownership in excess of EPR's 9.8% ownership limit or cause the Company to fail to qualify as a REIT for federal income tax purposes.

The maximum number of shares which may be awarded to an employee subject to the deductibility limitation of Section 162(m) of the Internal Revenue Code is 250,000 for each twelve-month performance period (or, to the extent the award is paid in cash, the maximum dollar amount equal to the cash value of that number of shares).

12

COMPENSATION COMMITTEE REPORT

WHAT IS THE COMPANY'S EXECUTIVE COMPENSATION PHILOSOPHY?

EPR's compensation philosophy has several key objectives:

- o create a well-balanced and competitive compensation program that utilizes the following three elements:
 - base salary
 - annual incentives
 - share purchases, share awards and share options
- o reward executives for performance on measures designed to increase shareholder value
- o use share awards and share options to ensure that executives are focused on providing appropriate dividend levels and building shareholder value
- o create alignment between our executives and our shareholders by encouraging key executives to purchase shares.

In determining the appropriate compensation levels for 2001, a third party consulting firm was used to compare the Company's executive compensation to a group of real estate investment trusts ("REITs") with comparable market capitalization. Some of those REITs are also included in the performance graph

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

on page 16 of this proxy statement. EPR's compensation levels were targeted at the average for this comparison group for positions with similar job size and responsibilities.

For 2001, the Compensation Committee used these compensation programs to meet its compensation objectives for executive officers:

BASE SALARY. The Compensation Committee established base salaries of \$341,250 for Mr. Brain, \$215,250 for Mr. Kennon and \$183,750 for Mr. Silvers. The salary levels were intended to provide a level of compensation competitive with those of other executives performing similar functions at comparable companies and to reward EPR's executives for their efforts on behalf of the Company.

ANNUAL CASH INCENTIVE AWARDS. Under the Annual Incentive Plan, the Compensation Committee established specific annual "performance targets" for each covered executive. The performance targets were based on increases in Funds from Operations per share and other factors aimed at providing shareholders with an acceptable rate of return. Bonus awards were also based on the achievement of personal performance goals. Performance bonuses are payable in cash, restricted shares (valued at 150% of the cash bonus amount), share options (valued at 500% of the cash bonus amount) or a combination of two or more of those. The Compensation Committee awarded bonuses of \$307,125 to Mr. Brain, \$129,150 to Mr. Kennon and \$110,250 to Mr. Silvers for 2001.

LONG-TERM COMPENSATION AWARDS. The Compensation Committee made long term compensation awards to the covered executives consisting of the restricted shares and options disclosed in columns (f) and (g) of the Summary Compensation Table.

13

HOW WAS THE COMPANY'S PRESIDENT AND CHIEF EXECUTIVE OFFICER COMPENSATED?

EPR's President and Chief Executive Officer, David M. Brain, was compensated in 2001 pursuant to an employment agreement entered into in 2000. In establishing Mr. Brain's compensation, the Compensation Committee took into account the compensation of similar officers of REITs with comparable market capitalizations, the contribution of Mr. Brain to the Company's performance and the achievement of its financing strategies, and his success in realizing the performance targets discussed above.

Mr. Brain received a base salary of \$341,250 in 2001 and earned an annual incentive bonus of \$307,125 for 2001. The incentive award paid to Mr. Brain was based on the Company's achievement of target financial results and shareholder return, as well as a subjective determination of Mr. Brain's performance in 2001.

HOW WILL 2002 INCENTIVE COMPENSATION BE DETERMINED?

In 2002, incentive compensation for the Company's officers will be based on achievement of specified financial results and shareholder return compared to other REIT organizations. The Committee may rely on any of the following factors in determining incentive compensation levels for executives of the Company: funds from operations, funds available for distribution, cash available for distribution, return on equity, return on assets, return on acquisitions, net operating income, total shareholder return, dividend growth, financial statement management and/or acquisition targets. In looking at Company performance, the Committee may consider performance against Company historical

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

performance, budgeted performance, peer organization performance, REIT indices performance and/or broad market indices performance. The overall determination of the Company's performance will be taken into consideration when making incentive plan payouts for 2002.

HOW IS EPR ADDRESSING INTERNAL REVENUE CODE LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1,000,000 paid for any fiscal year to the company's chief executive officer and the four other most highly compensated executive officers. The statute exempts qualifying performance-based compensation from the deduction limit if stated requirements are met. Section 162(m) provides for a transition period of up to approximately three years after a company goes public before the limitations fully apply.

Although the Compensation Committee has designed the Company's executive compensation program so that compensation will be deductible under Section 162(m), at some future time it may not be possible or practicable or in the Company's best interests to qualify an executive officer's compensation under Section 162(m). Accordingly, the Compensation Committee and the Board of Trustees reserve the authority to award non-deductible compensation in circumstances they consider appropriate.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Compensation Committee is or has been an officer or employee of the Company or any of its subsidiaries. No member of the Compensation Committee had any contractual or other relationship with the Company during 2001.

TRANSACTIONS BETWEEN THE COMPANY AND TRUSTEES, OFFICERS OR THEIR AFFILIATES

Peter C. Brown, the Chairman of our Board of Trustees, is Chairman of the Board, Chief Executive Officer and President of AMCE. Sixteen of the Company's megaplex theatre properties were acquired from AMCE or its affiliates. All of those properties plus six additional megaplex theatre properties owned or ground leased by the Company are leased to AMC. Each property acquired from AMCE was acquired at a price equal to AMCE's development and construction cost. AMC paid an aggregate of \$38.6 million in rent to the Company in 2001. The Company also has an interest in an unconsolidated joint venture which owns a megaplex theatre property acquired from AMCE and leased to AMC. That property was acquired from AMCE on the same basis as other AMCE properties. AMC paid an aggregate of \$3.8 million in rent to this joint venture in 2001. The rental amounts for the properties were determined by the management of AMCE and the Company and were not negotiated on an arm's length basis. EPR believes the rental amounts payable by AMC reflect the fair market rental value of the properties based on rates for comparable properties. Mr. Brown did not

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

participate in negotiations over the acquisition or leasing of those properties.

In March 2002, we acquired the theatre real estate assets of five limited liability companies doing business as Gulf States Theatres. The assets consist of five megaplex movie theatres with an aggregate of 68 screens in the New Orleans, Louisiana metropolitan area. Following the solicitation of bids from several national theatre operators, Gulf States entered into an agreement with AMC to acquire the non-real estate assets and operations related to the theatres, and we entered into long-term net leases of the theatres to AMC. The rental and other terms of the leases are substantially similar to the leases for our other theatre properties leased to AMC. Mr. Brown did not participate in negotiations over these transactions.

In 1997, EPR loaned David M. Brain approximately \$800,000 to purchase 40,000 common shares of the Company. The loan was evidenced by a full recourse five year note bearing interest at 6.1% per annum and payable in three annual installments of principal and interest on the third, fourth and fifth anniversary dates of the note. In connection with Mr. Brain's 2000 employment agreement, this note was replaced by a new 10 year note in the amount of \$1,470,645, representing the \$908,145 principal and accrued interest balance of the old note plus the \$562,500 purchase price for 40,000 additional shares. Principal and interest at 6.24% per annum are payable at maturity.

Pursuant to their employment agreements, Mr. Kennon and Mr. Silvers each received a loan of \$281,250 to purchase 20,000 shares. Each loan is represented by a 10 year recourse note with principal and interest at 6.24% per annum payable at maturity.

COMPANY PERFORMANCE

The following performance graph shows a comparison of cumulative total returns for EPR, the Standard & Poor's 500 Index (in which EPR is not included), the Russell 2000 Index (in which EPR is included), an index of peer companies which are real estate investment trusts, and the Morgan Stanley REIT Index (in which EPR is not included) for four fiscal years beginning January 1, 1998 plus the period from the date of the Company's initial public offering (November 17, 1997) until December 31, 1997. The peer group index consists of Golf Trust of America, Inc., National Golf Properties, Inc., Commercial Net Lease Realty and Corrections Corporation of America.

The graph assumes that \$100 was invested on November 17, 1997 in each of the Company's common shares, the Standard & Poor's 500 Index, the Russell 2000 Index, the peer group index and the Morgan Stanley REIT Index, and that all dividends were reinvested. AUDIT COMMITTEE REPORT

Our Board of Trustees has appointed an Audit Committee consisting of three trustees. All of the members of the Committee are "independent" as defined in the Rules of the New York Stock Exchange.

The primary responsibility of the Audit Committee is to oversee our Company's financial reporting process on behalf of the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process, including our systems of internal controls. Our independent accountants are responsible for auditing our financial statements and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles.

The Board of Trustees adopted a written charter for the Audit Committee in 2001. In 2002, the Board of Trustees adopted an Amended and Restated Charter which is attached to this proxy statement as Appendix A. The Amended and Restated Charter mandates a more active role for the Audit Committee in monitoring the Company's accounting and financial reporting policies and practices in light of recent SEC guidance on these topics.

In fulfilling its oversight responsibilities, the Audit Committee reviewed our 2001 audited financial statements with management and the independent accountants who audited our 2001 financial statements. The Committee discussed with the 2001 accountants the matters required to be discussed by Statement of Auditing Standards No. 61. This included a discussion of the accountants' judgments regarding the quality, not just the acceptability, of our Company's accounting principles and the other matters required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee received from the 2001 accountants the written disclosures and letter required by Independence Standards Board Standard No. 1. The Committee also discussed with the 2001 accountants their independence from management and our Company, including the matters covered by the written disclosures and letter provided by the 2001 accountants.

The Committee also discussed with our Company's management and 2001 accountants the overall scope and plans for the audit. The Committee meets periodically with our management, and intends to continue meeting periodically with management and our new auditors on a going-forward basis, to discuss the results of their examinations, their evaluations of our Company, our internal controls and the overall quality of our financial reporting. The Committee held four meetings during 2001.

The Audit Committee also discussed with the Company's management and the 2001 accountants the critical accounting policies of the Company, the impact of those policies on our 2001 financial statements, the impact of known trends, uncertainties, commitments and contingencies on the application of those policies and our 2001 financial statements, and the probable impact on our 2001 financial statements if different accounting principles had been applied.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Trustees, and the Board approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission.

The Audit Committee approved the selection of KPMG as our new independent accountants for 2002. See "Ratification of Appointment of Independent Accountants."

The members of the Audit Committee are not professionally engaged in the practice of accounting and are not experts in the field of accounting or

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

auditing, including auditor independence. Members of the Committee rely without independent verification on the information provided to them

17

and the representations made to them by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles, or appropriate internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepting accounting principles, or that the Company's auditors are in fact "independent."

ITEM 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Board of Trustees, with the approval of the Audit Committee, has appointed the independent certified public accounting firm of KPMG LLP ("KPMG") as EPR's independent accountants to audit the financial statements of the Company for the year ending December 31, 2002.

Our financial statements for the years ended December 31, 2001, 2000, 1999 and 1998 and the period from November 22, 1997 (date of inception) to December 31, 1997 were audited by Ernst & Young LLP ("Ernst & Young").

The reports of Ernst & Young on our financial statements did not contain an adverse opinion or disclaimer of opinion, nor were those reports qualified or modified as to uncertainty, audit scope or accounting principles. During the period covered by the financial statements and the subsequent interim period preceding the end of Ernst & Young's engagement, there have been no disagreements between Ernst & Young and the Company, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to Ernst & Young's satisfaction, would have caused Ernst & Young to make reference to the subject matter of the disagreement in connection with its reports.

We did not consult with KPMG regarding the application of accounting principles to a specific completed or contemplated transaction or the type of audit opinion that might be rendered on our financial statements, and no written

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

or oral advice was provided by KPMG on any such issue that was a factor considered by us in reaching a decision on any accounting, auditing or financial reporting issue.

We have authorized Ernst & Young to respond fully to any inquiries by KPMG related to our accounting principles or practices, financial reporting or financial statements or Ernst & Young's audits thereof or audit opinions thereon.

Representatives of KPMG are expected to be present at the annual meeting and are expected to be available to respond to appropriate questions about their proposed services during 2002.

AUDIT FEES

In 2001, Ernst & Young billed EPR an aggregate of \$71,000 in fees for professional services rendered for the audit of our annual financial statements for the year ended December 31, 2000 and for their reviews of the quarterly financial statements included in our Form 10-Q reports filed with the SEC during the year ended December 31, 2001.

ALL OTHER FEES

In 2001, Ernst & Young billed EPR an aggregate of \$52,913 in fees for all other services (including tax-related services, tax and REIT compliance consulting and the determination of the portion of dividends representing a return of capital) rendered during that year.

The Audit Committee considered whether Ernst & Young's provision of the services described in "All Other Fees" was compatible with maintaining their independence from management and our Company and determined that the provision of those services was compatible with its independence.

In making this statement, we have relied upon an examination of the copies of Forms 3, 4 and 5 provided to us and the written representations of our trustees and executive officers.

FIRST AMENDED AND RESTATED CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF TRUSTEES

I. PURPOSE

The primary function of the Audit Committee is to assist the Board of Trustees in fulfilling its oversight responsibilities by proactively evaluating and monitoring (a) the critical accounting policies of the Company; (b) the financial reports and other financial information provided by the Company to the Securities and Exchange Commission ("SEC"), the New York Stock Exchange ("NYSE") and the public; (c) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and (d) the Company's auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and best practices at all levels. The Audit Committee's primary duties and responsibilities are to:

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

- o Review the Company's internal controls and monitor management's compliance with those controls
- o Monitor the activities, qualification and performance of the Company's financial officers
- o Review the selection, application and impact of the Company's critical accounting policies
- o Monitor the quality of the Company's financial reporting
- o Monitor the proposed audit scope, independence and performance of the independent auditors
- o Provide an open avenue of communication among the independent auditors, financial and senior management and the Board of Trustees.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section V of this Charter.

The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements. The members of the Audit Committee are not professionally engaged in the practice of accounting and are not experts in the field of accounting or auditing, including auditor independence. Members of the Committee rely without independent verification on the information provided to them and the representations made to them by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting policies, or appropriate internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit

A-1

Committee's considerations and discussions referred to in this Charter do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepting accounting principles, or that the Company's auditors are in fact "independent."

II. COMPOSITION

The Audit Committee shall be comprised of at least three trustees selected by the Board, each of whom shall be an independent trustee as defined by Sections 303.01(B)(2)(a) and (3) of the NYSE listing standards, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall be "financially literate" and have a working familiarity with basic finance and accounting practices. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background, including a current or past position as a chief executive or financial officer with financial oversight responsibilities. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or its independent auditors.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

The members of the Committee shall be elected by the Board at each annual meeting of the Board. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

III. RESPONSIBILITIES OF THE INDEPENDENT AUDITORS

In addition to their role in auditing the Company's annual financial statements, reviewing the Company's quarterly financial statements and the other functions addressed in this Charter, the independent auditors:

1. Are ultimately accountable to the Board of Trustees and Audit Committee, and the Board and Audit Committee have the ultimate authority to select, evaluate and, where appropriate, replace the independent auditors.
2. Shall submit to the Audit Committee on a periodic basis (not less often than annually) a written statement delineating all relationships between the independent auditors and the Company, and the Audit Committee is responsible for actively engaging in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact their objectivity and independence, and for recommending that the Board of Trustees take appropriate action in response to the independent auditors' report to satisfy itself of the independent auditors' independence.
3. Shall submit to the Audit Committee on a periodic basis (not less often than annually) a written report describing any material issues raised by their most recent quality control review and the steps the independent auditors and management have taken to deal with any reported problems.

IV. MEETINGS

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its mission to foster open communication, the Committee shall meet periodically with management, the trustees and the independent auditors in separate executive sessions to discuss any matter the Committee or each of these groups believes should be discussed privately. The Committee

A-2

shall also meet with the independent auditors and management on a quarterly basis to review the Company's quarterly or annual financials, as applicable, and the Company's financial results and disclosures for the quarter or year.

The Committee shall keep minutes and other records of its meetings and proceedings.

V. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

Internal Audit Function

1. Monitor on a continuing basis the adequacy of the Company's system of internal controls and management's compliance with those controls.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

2. Monitor on a continuing basis the activities, organizational structure, qualifications and performance of the Company's internal audit function.

Critical Accounting Policies

3. In discussions with management and the independent auditors, identify and assess the accounting policies of the Company which management, the independent auditors and the Audit Committee deem the most critical and which involve the most complex, subjective or ambiguous decisions or assessments, and in connection therewith:
 - a) Evaluate any significant change in the Company's critical accounting policies, or proposals for change in those policies, that may have a significant impact on the Company's financial reports
 - b) Evaluate the judgments and uncertainties affecting the application of the Company's critical accounting policies, the impact of those policies on the Company's financial reporting and performance, the effect changing conditions may have on the impact of those policies, and the likelihood that materially different financial results would be reported under different conditions or using different assumptions

Documents/Reports Review

4. Review and update this Charter periodically, but at least annually, as conditions dictate.
5. Review before release the Company's annual financial statements and any reports or other financial information submitted to the SEC, the NYSE or the public, including any certification, report, opinion or review rendered by the independent auditors.
6. Review before release the Section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" ("MD&A") in the Company's Annual Report on Form 10-K and evaluate the quality and adequacy of the Company's disclosures in MD&A with regard to:
 - a) The matters referred to in Item 3(b) above
 - b) The liquidity and capital resources of the Company, and the likely impact of known trends, commitments, events and uncertainties on the Company's liquidity and capital resources
 - c) The impact on liquidity and capital resources of any off-balance sheet arrangements and foreign currency or interest rate risk exposure

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

7. Review the regular internal reports to management prepared by the independent auditors and management's responses to those reports.
8. Review with the financial officers and the independent auditors the Form 10-Q prior to its filing and prior to the release of quarterly earnings.

Independent Auditors

9. Recommend to the Board of Trustees the selection of the independent auditors, considering their independence and effectiveness, and approve the fees and other compensation to be paid to them, including fees for both audit and non-audit services.
10. Review the independent auditors' proposed audit scope, approach and independence, including an annual review of:
 - a) The industry knowledge and experience of key audit partners and managers responsible for auditing the Company
 - b) The ability and willingness of key audit partners and managers to consult with other experts in their firm on matters of importance to the Company
 - c) The quality control procedures adopted by the independent auditors
 - d) A report from the independent auditors describing any material issues raised by their most recent quality control review and the steps the independent auditors have taken to deal with any reported problem
11. Provide a written report to the Board of Trustees summarizing the process and results of the review summarized in Item 10 above.
12. Conduct a post-audit review of the financial statements and audit findings, including any significant suggestions for improvements provided to management by the independent auditors.
