**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
MAY 11, 2005**

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed proxy is solicited on behalf of the Board of Directors of Cadence Design Systems, Inc., a Delaware corporation, which is referred to in this proxy statement as Cadence, for use at its Annual Meeting of Stockholders to be held on May 11, 2005, at 1:00 p.m. Pacific time, or at any adjournment or postponement thereof, for the purposes set forth in this proxy statement and in the accompanying notice of annual meeting. The annual meeting will be held at Cadence's offices located at 2655 Seely Avenue, Building 5, San Jose, California 95134. Cadence intends to mail this proxy statement and accompanying proxy card on or about April 1, 2005 to all stockholders entitled to vote at the annual meeting.

An audio webcast of the annual meeting will also be available on the investor relations page of Cadence's website at www.cadence.com. The webcast will allow investors to listen to the proceedings of the annual meeting, but stockholders accessing the annual meeting using the Internet will not be considered present at the annual meeting by virtue of this access and will not be able to vote on matters presented at the annual meeting or ask any questions of Cadence's management. The webcast will begin promptly at 1:00 p.m. and may be accessed on Cadence's website for 30 days following the annual meeting.

VOTING RIGHTS AND OUTSTANDING SHARES

Only holders of record of Cadence's outstanding common stock, \$0.01 par value per share, at the close of business on March 21, 2005, which is referred to in this proxy statement as the record date, will be entitled to notice of and to vote at the annual meeting. At the close of business on the record date, Cadence had approximately 274,057,688 shares of common stock outstanding and entitled to vote. Each holder of record of common stock outstanding on the record date will be entitled to one vote for each share held on all matters to be voted on at the annual meeting.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The presence in person or by proxy of a majority of the shares of Cadence common stock outstanding and entitled to vote on the record date is required for a quorum at the annual meeting. Both abstentions and broker non-votes are counted as present for purposes of determining the presence of a quorum, but broker non-votes will not be counted towards the tabulation of votes cast on proposals presented to stockholders.

Broker non-votes include shares for which a bank, broker or other nominee (i.e., record) holder has not received voting instructions from the beneficial owner and for which the nominee holder does not have discretionary power to vote on a particular matter. Under the rules that govern brokers who are record owners of shares that are held in brokerage accounts for the beneficial owners of the shares, brokers who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on routine matters but have no discretion to vote such uninstructed shares on non-routine matters. The proposals to be voted upon at the annual meeting include both routine matters, such as the election of directors and the ratification

Table of Contents

of independent auditors, and non-routine matters, such as the approval of the proposal regarding the 1995 Directors Stock Option Plan.

VOTE REQUIRED

The election of directors at the annual meeting requires the affirmative vote of a plurality of the votes cast at the annual meeting.

Each other item to be voted on at the annual meeting, including the amendment to the 1995 Directors Stock Option Plan, requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting.

All votes will be tabulated by a representative of the inspector of elections appointed for the annual meeting. This representative will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Mellon Investor Services LLC has been appointed as the inspector of elections for the annual meeting.

REVOCABILITY OF PROXIES

Any person giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by filing a written notice of revocation or a duly executed proxy bearing a later date with the Cadence Corporate Secretary at Cadence's principal executive offices, located at 2655 Seely Avenue, Building 5, San Jose, California 95134, or it may be revoked by attending the meeting and voting in person. Attendance at the meeting will not, by itself, be sufficient to revoke a proxy. Accessing the webcast of the annual meeting will not, by itself, constitute attendance at the annual meeting and will not enable a stockholder to revoke his, her or its proxy using the Internet.

SOLICITATION

Cadence will bear the entire cost of soliciting proxies, including the preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders in connection with the matters to be voted on at the annual meeting. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of Cadence common stock beneficially owned by others for forwarding to the beneficial owners. Cadence will reimburse persons representing beneficial owners of its common stock for their costs of forwarding solicitation materials to the beneficial owners. The solicitation of proxies through this proxy statement may be supplemented by telephone, facsimile, use of the Internet, or personal solicitation by directors, officers or other employees of Cadence and by Georgeson Shareholder Communications, Inc., which is referred to in this proxy statement as Georgeson. Cadence has retained Georgeson to solicit proxies for a fee of approximately \$8,000, plus reasonable expenses. No additional compensation will be paid to directors, officers or other employees of Cadence or any of its subsidiaries for their services in soliciting proxies.

HOUSEHOLDING INFORMATION

The Securities and Exchange Commission, which is referred to in this proxy statement as the SEC, has adopted rules that allow companies and intermediaries, such as brokers, to deliver a single copy of certain proxy materials to certain stockholders who share the same address, a practice referred to as householding. Some banks, brokers and other nominees will be householding Cadence's proxy materials unless contrary instructions are received from the affected stockholders. Once you have received notice from your broker or other nominee holder of your Cadence common stock that the broker or other nominee holder will be householding proxy materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, or if you are receiving multiple copies of the proxy statement and annual report and wish to receive only one copy, please notify your broker or other nominee holder of your Cadence common stock. You may also request additional copies of Cadence's annual report and/or proxy statement by writing to Cadence's Corporate Secretary at 2655 Seely Avenue, Building 5,

Table of Contents

San Jose, California 95134, or by calling Cadence's Investor Relations Group at 1-877-236-5972. Additionally, copies of Cadence's SEC filings and certain other submissions are made available free of charge on the investor relations page of Cadence's website at www.cadence.com as soon as practicable after electronically filing or furnishing these documents with the SEC.

CORPORATE GOVERNANCE

Cadence's common stock is listed on the New York Stock Exchange, which is referred to in this proxy statement as the NYSE, and on the NASDAQ National Market[®], which is referred to in this proxy statement as NASDAQ.

Cadence and its Board of Directors, which is also referred to in this proxy statement as the Board, regularly review and evaluate Cadence's corporate governance practices. Cadence's corporate governance documents are posted on the investor relations page of its website at www.cadence.com. Printed copies of these documents are also available to stockholders upon written request directed to Cadence's Corporate Secretary at 2655 Seely Avenue, Building 5, San Jose, California 95134.

CORPORATE GOVERNANCE GUIDELINES

The Board of Directors of Cadence has adopted Corporate Governance Guidelines for the Board, which cover topics relating to the Board including, but not limited to, the selection and composition of the Board, Board leadership, compensation of directors, responsibilities of directors, access to senior management and outside advisors, meeting procedures and committee matters. The Corporate Governance and Nominating Committee periodically reviews the Corporate Governance Guidelines, which may be amended by the Board at any time.

CODE OF BUSINESS CONDUCT

Cadence has adopted a Code of Business Conduct to provide standards for ethical conduct in dealing with agents, customers, suppliers, political entities and others. The Code of Business Conduct applies to all Cadence directors, officers and employees (and those of its subsidiaries), including Cadence's Chief Executive Officer and Chief Financial Officer. Compliance with the Code of Business Conduct is a condition of continued service or employment with Cadence. The Code of Business Conduct covers topics including, but not limited to, confidentiality of information, conflicts of interest, compliance with federal and state securities laws, employment practices, payment practices and compliance with other laws.

Cadence's Legal Department assists directors, officers and employees in complying with the Code of Business Conduct. Each person subject to the Code of Business Conduct has the responsibility to report any violations of the Code, unethical business practices or suspected illegal activities to the Legal Department or, in the event the report concerns a Cadence executive officer, to the General Counsel or to the Corporate Governance and Nominating Committee. A Cadence director may satisfy the reporting obligation by making a report to the Corporate Governance and Nominating Committee.

Any waiver of a provision of the Code of Business Conduct with respect to a director or executive officer may only be made by the Board of Directors or the Corporate Governance and Nominating Committee. Cadence will file with the SEC on Form 8-K amendments to the Code of Business Conduct and waivers of its provisions made with respect to any director or executive officer as required under applicable SEC rules.

CADENCE'S BOARD OF DIRECTORS

DIRECTOR INDEPENDENCE

Cadence's Corporate Governance Guidelines require that at least a majority of the Board of Directors be independent directors within the meaning of the corporate governance listing standards of the NYSE and NASDAQ. To be independent a director must not have a material relationship with Cadence, either

Table of Contents

directly or as a partner, stockholder or officer of an organization that has a relationship with Cadence. In addition, a director must not have a relationship that, in the opinion of the Board, would interfere with his or her exercise of independent judgment in carrying out the responsibilities of a Cadence director. In making these determinations, the Board considers all relevant facts and circumstances and applies the following standards:

A director who is employed by Cadence or any of its affiliates, or whose immediately family member is an executive officer of Cadence or any of its affiliates, is not independent until three years after the end of the employment relationship.

A director who receives, or whose immediate family member receives, more than \$60,000 in payments from Cadence or any of its affiliates, other than compensation for Board or Board committee service, during any period of twelve consecutive months is not independent until three years after his or her receipt of such payments.

A director who is, or whose immediate family member is, a current partner of Cadence's internal or external auditor is not independent.

A director who is a current employee of Cadence's internal or external auditor is not independent.

A director whose immediate family member is a current employee of Cadence's internal or external auditor and participates in the firm's audit, assurance or tax compliance practice is not independent.

A director who was, or whose immediate family member was, a partner or employee of Cadence's internal or external auditor who worked on Cadence's audit during that time is not independent until three years after the end of the employment relationship.

A director who is or was, or whose immediate family member is or was, employed as an executive officer of another company for which any of Cadence's present executive officers serve or served on the compensation committee is not independent until three years after the end of the employment relationship.

A director who is a current employee, or whose immediate family member is a current executive officer, of a company that makes payments to, or receives payments from, Cadence for property or services in an amount exceeding the greater of \$1 million or 2% of the other company's consolidated gross revenues in any of the last three fiscal years is not independent until three years after the payments are made or received.

A director who is, or whose immediate family member is, a partner in, or a controlling stockholder or executive officer of, any organization to which Cadence made, or from which Cadence received, payments for property or services in the current year or any of the past three fiscal years that exceed in such year the greater of 5% of the recipient's consolidated gross revenues or \$200,000, other than payments arising solely from investments in Cadence's securities or payments under non-discretionary charitable contribution matching programs, is not independent until three years after such payments are made or received.

The Board has determined that Mr. Lucas, Mr. Scalise, Dr. Shoven, Mr. Siboni and Mr. Tan, who constitute a majority of the Board, are independent directors within the meaning of the corporate governance listing standards of the NYSE and NASDAQ.

BOARD MEETINGS

During the fiscal year ended January 1, 2005, Cadence's Board of Directors held five meetings, in addition to taking other actions by unanimous written consent in lieu of a meeting. Each Board member attended more than 85% of the meetings of the Board and of the committees on which he or she served that were held during the period for which he or she was a director or committee member during fiscal 2004. Cadence's Corporate Governance Guidelines encourage directors to attend its annual meetings of stockholders. Seven of Cadence's eight then current directors

attended the 2004 Annual Meeting of Stockholders.

Table of Contents

Under Cadence's Corporate Governance Guidelines, Cadence's non-management directors meet at regularly scheduled executive sessions without management. In addition, Cadence's independent directors meet separately at regularly scheduled sessions. Pursuant to Cadence's Corporate Governance Guidelines, Cadence's Board has designated Mr. Siboni as Lead Director to preside over the meetings of the non-management directors and the independent directors.

CONTACTING THE BOARD OF DIRECTORS

Stockholders interested in communicating directly with the Board may do so by sending a letter to the Cadence Board of Directors, or to any individual director, group of directors or committee of the Board, c/o the Office of the Corporate Secretary, Cadence Design Systems, Inc., 2655 Seely Avenue, Building 5, San Jose, California 95134. Inquiries and other communications may be submitted anonymously and confidentially. The Office of the Corporate Secretary will review the correspondence and forward it to the individual director, group of directors or committee of the Board to whom the communication is directed, as applicable, if the communication is relevant to Cadence's business and financial operations, policies and corporate philosophies.

Audit Committee

The Board has determined that all members of the Audit Committee are independent as defined in the NYSE and NASDAQ corporate governance listing standards and Rule 10A-3 of the Securities Exchange Act of 1934, as amended, which is referred to in this proxy statement as the Exchange Act. The Board has also determined that each of Mr. Lucas, Dr. Shoven and Mr. Siboni, constituting all the members of the Audit Committee, is an audit committee financial expert as defined by rules promulgated by the SEC. In addition, the Board has determined that each Audit Committee member is financially literate and is able to read and understand fundamental financial statements as required by the corporate governance listing standards of the

Table of Contents

NYSE and NASDAQ. Pursuant to the Corporate Governance Guidelines of the Board, the Board has determined that Mr. Lucas' service on the audit committees of four other public companies does not limit his ability to effectively serve on Cadence's Audit Committee.

The Audit Committee charter was most recently amended in March 2005 and complies with the NYSE and NASDAQ corporate governance listing standards. The duties and responsibilities of the Audit Committee include:

Appointing, retaining, compensating, evaluating, overseeing and terminating Cadence's independent auditors and annually evaluating the qualifications, performance and independence of the independent auditors, including an evaluation of the lead partner of the independent auditors;

Pre-approving all audit and permissible non-audit services to be provided by the independent auditors and establishing policies and procedures for such pre-approval;

Reviewing and discussing with the independent auditors their report regarding:
the internal quality controls of the independent auditors;

any material issues raised by the most recent internal quality control review, or peer review, of the independent auditors or by any investigation by governmental or professional authorities with respect to any audit carried out by the independent auditors in the preceding five years; and

all relationships or services between Cadence and the independent auditors and any other relationship or services that may impact the objectivity and independence of the independent auditors;

Reviewing with the independent auditors their audit procedures, including the scope and timing of the audit, the results of the annual audit and any audit problems or difficulties and management's response to any such problems or difficulties;

Meeting to review with management and the independent auditors Cadence's annual and quarterly financial statements, reports and specific disclosures, and recommending to the Board whether the financial statements should be included in Cadence's annual report on SEC Form 10-K;

Reviewing and discussing the adequacy and effectiveness of Cadence's internal controls and disclosure controls and procedures; and

Establishing and overseeing procedures for the receipt, retention and treatment of complaints regarding accounting, internal controls or auditing matters, including a system for the confidential anonymous submission of accounting or auditing concerns by Cadence employees.

The Audit Committee held nine meetings during fiscal 2004. See Report of the Audit Committee below for more information.

Compensation Committee

The Board has determined that all Compensation Committee members are independent as defined in the NYSE and NASDAQ corporate governance listing standards. In addition, all Compensation Committee members are outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, which is referred to in this proxy statement as the Code, to allow Cadence a tax deduction for certain employee compensation exceeding \$1,000,000. All Compensation Committee members are also outside directors within the meaning of Exchange Act Rule 16b-3 to exempt certain option grants and similar transactions from the short-swing profits prohibition of Section 16 of the Exchange Act.

The Compensation Committee charter was most recently amended in June 2004 and complies with the NYSE corporate governance listing standards. There are no comparable requirements under the NASDAQ listing standards. The duties and responsibilities of the Compensation Committee include:

Reviewing and approving corporate goals and objectives relevant to the compensation of Cadence's CEO and any director who is also a Cadence employee, evaluating the performance of the CEO and any employee director in light of those goals and objectives and determining and approving, either as a

Table of Contents

committee or together with the independent directors of the Board, the compensation of the CEO and any employee director based on such evaluation;

Overseeing the evaluation of Cadence's management;

Reporting to the Board, at least annually, on CEO succession planning;

Reviewing compensation programs and determining the compensation of Cadence's executive officers;

Producing an annual report on executive compensation for inclusion in Cadence's proxy statement; and

Reviewing, administering and amending Cadence's general compensation plans including:
stock option and stock purchase plans;

benefit programs; and

bonus plans.

The Compensation Committee held seven meetings during fiscal 2004. See Report of the Compensation Committee of the Board of Directors on Executive Compensation below for more information.

Corporate Governance and Nominating Committee

The Board has determined that all Corporate Governance and Nominating Committee members are independent as defined in the NYSE and NASDAQ corporate governance listing standards.

The Corporate Governance and Nominating Committee charter was most recently amended in February 2004 and complies with the NYSE corporate governance listing standards. There are no comparable requirements under the NASDAQ listing standards. The duties and responsibilities of the Corporate Governance and Nominating Committee include:

Determining any Board criteria for selecting new directors;

Interviewing and evaluating candidates for Board membership;

Evaluating director nominees recommended by stockholders;

Selecting, or recommending that the Board select, director nominees for election at the next annual meeting of stockholders;

Reviewing Cadence's Corporate Governance Guidelines and Code of Business Conduct;

Overseeing the administration of Cadence's Code of Business Conduct and administering the Code of Business Conduct with respect to Cadence's directors and executive officers;

Reviewing any related party transactions involving Cadence directors and executive officers; and

Overseeing the annual evaluation of the Board and its committees.

The Corporate Governance and Nominating Committee employs a variety of methods to identify and evaluate director nominees. The committee periodically assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise, and the need for particular expertise on the Board. If vacancies are anticipated or otherwise arise, the committee considers potential candidates for director. Additionally, candidates may come to the attention of the committee through current Board members, officers, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the committee,

and may be considered at any point during the year. In connection with this evaluation, the Corporate Governance and Nominating Committee determines whether to interview the prospective nominee, and as warranted, one or more members of the committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the committee makes a recommendation to the full Board as to the persons who should be nominated or elected by the Board, and the Board determines whether to reject, elect or nominate the candidate, as the case may be, after considering the recommendation of the committee. The Corporate Governance and Nominating Committee will consider individuals recommended by stockholders for nomination as a director pursuant to the provisions of Cadence's Bylaws relating to stockholder nominations. A stockholder who wishes to recommend a prospective nominee for the Board should notify Cadence's Corporate Secretary or the Corporate Governance and Nominating Committee in writing with the supporting

Table of Contents

material required by Cadence's Bylaws as described under "Other Matters - Stockholder Proposals and Nominations" below, and any other material the stockholder considers necessary or appropriate.

While the Board currently has no defined minimum criteria for consideration or service as a director, the Corporate Governance and Nominating Committee evaluates prospective nominees against the standards and qualifications set out in Cadence's Corporate Governance Guidelines and other relevant factors as it deems appropriate, including the current composition of the Board and the need for particular expertise, all with reference to issues of experience, judgment, skills such as an understanding of electronic design and semiconductor technologies, and other relevant characteristics, all in the context of an assessment of the perceived needs of the Board at that point in time and applicable law. Specifically, at least a majority of directors on the Board must be independent as defined in the NYSE and NASDAQ corporate governance listing standards and as determined by the Board.

The Corporate Governance and Nominating Committee held four meetings during fiscal 2004.

Venture Committee

The Venture Committee advises the Board and acts on behalf of Cadence in monitoring the investments of Telos Venture Partners L.P., Telos Venture Partners II, L.P. and Telos Venture Partners III, L.P., which are venture capital funds in which Cadence is a limited partner. The Venture Committee held nine meetings during fiscal 2004.

See "Components of 2004 Executive Compensation - Venture Investments" in the Report of the Compensation Committee of the Board of Directors on Executive Compensation below for more information.

COMPENSATION OF DIRECTORS

In 2004, each non-employee director of Cadence, other than Mr. Lucas and Mr. Tan, earned an annual retainer of \$30,000. Mr. Lucas earned a prorated portion of the \$50,000 non-employee Chairman of the Board retainer for his service as Chairman of the Board through May 2004, and a prorated portion of the \$30,000 non-employee director retainer for his service as a director from May 2004 through the end of the year. Mr. Tan earned a prorated portion of the \$30,000 non-employee director retainer for his service beginning in February 2004. In addition to the annual retainer, Messrs. Lucas and Siboni each earned an annual fee of \$40,000 for their service as Chairman of the Venture Committee and the Audit Committee, respectively. Mr. Lucas and Dr. Shoven each earned an annual fee of \$20,000 for their service as the Chairman of the Compensation Committee and the Corporate Governance and Nominating Committee, respectively. Non-employee directors were also paid \$2,000 for each Board or committee meeting attended in person and \$1,000 for each Board or committee meeting attended by telephone. No additional compensation was paid when the Board or a committee acted by unanimous written consent in lieu of a meeting. For the fiscal year ended January 1, 2005, the total cash compensation earned by the current non-employee directors, excluding the consulting fee paid to Dr. Sangiovanni-Vincentelli described below, was \$472,451. Non-employee members of the Board were also eligible for reimbursement of their expenses incurred in connection with attendance at Board meetings in accordance with Cadence policy. Directors who are Cadence employees do not receive additional compensation for service on the Board.

Each non-employee director also receives stock option grants under Cadence's 1995 Directors Stock Option Plan, as amended, which is referred to in this proxy statement as the Directors Plan. A non-employee director is a Cadence director who is not otherwise an employee of Cadence or an affiliate of Cadence. Only non-employee directors are eligible to receive options under the Directors Plan.

Under the Directors Plan, each non-employee director is automatically granted a one-time option upon joining the Board to purchase the number of shares of Cadence common stock equal to 6,250 multiplied by the number of full calendar quarters between the date the director's service begins and the next April 1st. A director is considered to have served the entire calendar quarter if he or she becomes a director at any time during the first half of the quarter. These initial grants vest and become exercisable in full on the March 31st

Table of Contents

following the grant date and have an exercise price equal to the fair market value of Cadence common stock on the grant date.

In addition, every April 1st, each non-employee director is automatically granted an option to purchase 25,000 shares of Cadence common stock and a non-employee director serving as Chairman of the Board is automatically granted an additional option to purchase 25,000 shares of common stock. These annual option grants vest and become exercisable in full on the March 31st following the grant date and have an exercise price equal to the fair market value of Cadence common stock on the grant date.

As of March 21, 2005, 1,891,500 options under the Directors Plan were outstanding at exercise prices ranging from \$8.56 to \$34.31 per share, with a weighted average exercise price of \$18.81.

Under Cadence's 2002 Deferred Compensation Venture Investment Plan, directors may elect to defer receipt of all or any portion of the compensation payable to them by Cadence. Compensation deferred under this plan is invested in Telos Venture Partners II, L.P. or Telos Venture Partners III, L.P., as further described above and in the Report of the Compensation Committee of the Board of Directors on Executive Compensation below. In 2004, Mr. Tan deferred \$11,500 under the 2002 Deferred Compensation Venture Investment Plan. In addition, in 2004, Mr. Lucas received \$275 in distributions from the 1996 Deferred Compensation Venture Investment Plan and the 2002 Deferred Compensation Venture Investment Plan.

Directors may also elect to defer compensation payable to them, including income realized upon the exercise of stock options, under Cadence's 1994 Deferred Compensation Plan. These deferred compensation payments are held in accounts with values indexed to the performance of selected mutual funds, self-directed accounts or money market accounts. In the case of option gain deferral, the accounts are indexed to the performance of Cadence common stock. In 2004, the following amounts were deferred by current non-employee directors: Dr. Sangiovanni-Vincentelli, \$265,475; Mr. Scalise, \$54,500; Dr. Shoven, \$85,250; and Mr. Siboni, \$98,250. In addition, in 2004, Mr. Lucas received \$398,999 in distributions from the 1994 Deferred Compensation Plan.

In addition, in fiscal 2004, all non-employee directors were eligible to participate in the Cadence Board of Directors Medical Plan. Under the terms of this plan, Cadence paid 80% of the premiums for participating directors and their dependents. Mr. Lucas is the only director who maintained health insurance coverage under this plan during fiscal 2004. In February 2005, the Board adopted a new health care and prescription drug insurance coverage plan for active non-employee directors and eligible retired directors and their dependents. All non-employee directors are eligible for the plan during their term of service on the Board. Retired employee and non-employee directors will be eligible for the plan for a term not to exceed the duration of their term of service on the Board. Under the plan, Cadence will reimburse 100% of the premium for participants and their dependents up to a maximum of \$15,000 per year, which maximum amount may be adjusted for future changes in health care costs. The benefits under the plan will be fully taxable to the participants and Cadence will not defray any such taxes.

Pursuant to a consulting agreement, Dr. Sangiovanni-Vincentelli was paid \$300,000 by Cadence for consulting services performed in 2004. Dr. Sangiovanni-Vincentelli is also reimbursed for the reasonable costs and expenses incurred in the performance of work under the consulting agreement in accordance with Cadence policy. However, the total payments received by Dr. Sangiovanni-Vincentelli under the consulting agreement may not exceed a certain pre-determined amount. The consulting agreement also contains confidentiality and non-solicitation provisions in favor of Cadence. Dr. Sangiovanni-Vincentelli's consulting services consisted of providing technical and strategic advice to Cadence's CEO with respect to potential acquisitions and organizational and customer relations matters, serving as facilitator in customer and partner meetings to discuss industry trends, collaboration on technology and business issues, representing Cadence at industry, technical and government events, and participating in setting the direction of the Cadence Berkeley Labs and of Cadence's research partnerships. Dr. Sangiovanni-Vincentelli has provided consulting services to Cadence, or one of its predecessor corporations, since 1983, and is expected to render similar services throughout 2005. Cadence does not have any comparable arrangements with other consultants and, as a result, has no basis for comparing the terms of Dr. Sangiovanni-Vincentelli's arrangement with others.

PROPOSAL 2

APPROVAL OF AMENDMENT TO THE 1995 DIRECTORS STOCK OPTION PLAN

The Directors Plan was adopted by the Board in 1995 and approved by Cadence's stockholders in 1996. Subsequent amendments approved by the Board and stockholders increased the aggregate number of shares of common stock authorized for issuance under the Directors Plan to 2,550,000 shares. As of March 21, 2005, 372,500 shares of common stock remained available for future grants under the Directors Plan.

In February 2005, the Board of Directors approved, subject to stockholder approval, an amendment to the Directors Plan to increase the aggregate number of shares of common stock authorized for issuance under the Directors Plan by 500,000 for a total of 3,050,000 shares authorized under the Directors Plan, which total represents approximately 1% of the total number of shares of Cadence common stock outstanding as of the record date. As of the record date, 1,891,500 options were outstanding under the Directors Plan, with a weighted average exercise price of \$18.81, and the closing price of Cadence common stock was \$14.37.

VOTE REQUIRED AND BOARD RECOMMENDATION

The Board of Directors recommends a vote **FOR** approval of the amendment to the Directors Plan. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote on the proposal is required for approval of the proposal. Abstentions will be treated as being present and entitled to vote on the proposal and, therefore, will have the effect of votes against the proposal. Broker non-votes will be treated as not being entitled to vote on the proposal and, therefore, are not counted for purposes of determining whether the proposal has been approved. Unless marked to the contrary, proxies received will be voted **FOR** approval of the amendment to the Directors Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 2.

SUMMARY OF THE DIRECTORS PLAN

The following summary of the material provisions of the Directors Plan is qualified in its entirety by the complete text of the Directors Plan, a copy of which is attached as Appendix B to this proxy statement.

GENERAL

The Directors Plan provides for non-discretionary grants of nonstatutory stock options. Options granted under the Directors Plan are not intended to qualify as incentive stock options, as defined under Section 422 of the Code.

Table of Contents

PURPOSE

The purpose of the Directors Plan is to retain the services of persons serving as non-employee directors of Cadence, to attract and retain the services of persons capable of serving on the Board and to provide incentives for these persons to exert maximum efforts to promote the success of Cadence.

ADMINISTRATION

The Directors Plan is administered by the Board of Directors of Cadence. The Board has the final power to construe and interpret the Directors Plan and options granted under it, and to establish, amend and revoke rules and regulations for its administration.

The Board is authorized to delegate administration of the Directors Plan to a committee of not less than two members of the Board. The Board has delegated administration of the Directors Plan to the Compensation Committee of the Board.

ELIGIBILITY

The Directors Plan provides that options may be granted only to non-employee directors of Cadence. A non-employee director is defined in the Directors Plan as a director of Cadence who is not otherwise an employee of Cadence or any of its affiliates. Six of Cadence's eight current directors are eligible to participate in the Directors Plan.

TERMS OF OPTIONS

Each option under the Directors Plan is subject to the following terms and conditions:

Non-Discretionary Grants. Option grants under the Directors Plan are non-discretionary. Each person who becomes a non-employee director is automatically granted a one-time option to purchase the number of shares of Cadence common stock equal to 6,250 multiplied by the number of full calendar quarters between the date the person begins serving as a director of Cadence and the April 1st following such date. A director is considered to have served the entire calendar quarter if he or she becomes a director at any time during the first half of the quarter. In addition, on every April 1st, each non-employee director is automatically granted an option to purchase 25,000 shares of Cadence common stock and a non-employee director who is serving as Chairman of the Board is automatically granted an additional option to purchase 25,000 shares of common stock.

As of the record date, options to purchase a total of 1,788,125 shares had been granted to the current non-employee directors and non-employee director nominees under the Directors Plan, comprising options to purchase the following numbers of shares: Mr. Lucas, 622,500; Dr. Sangiovanni-Vincentelli, 217,500; Mr. Scalise, 262,500; Dr. Shoven, 493,750; Mr. Siboni, 160,625; and Mr. Tan, 31,250. No options have been granted under the Directors Plan to any Cadence executive officer, to any associate of any Cadence director, executive officer or nominee, or any other employee. Because benefits under the Directors Plan depend on the fair market value of Cadence's common stock at various future dates, it is not possible as of the date of this proxy statement to determine future benefits that will be received by non-employee directors under the Directors Plan.

Option Exercise. Options granted to a non-employee director under the Directors Plan become fully exercisable on the first March 31st following the grant date. Vesting is conditioned upon continued service by the non-employee director in the same capacity which entitled him or her to the option grant.

Exercise Price; Payment. The exercise price of each option granted under the Directors Plan is equal to 100% of the fair market value of the Cadence common stock subject to the option on the grant date. For this purpose, the fair market value of the common stock is the average of the closing price of Cadence common stock for each of the last 20 trading days prior to the grant date. The exercise price of options granted under the Directors Plan must be paid upon exercise in cash, in shares of common stock, by tender of a full recourse

Table of Contents

promissory note, from proceeds of a same day sale program in which a non-employee director is eligible to participate, or a combination of these methods.

Transferability; Term. Under the Directors Plan, an option may not be transferred by the optionee, except by will or the laws of descent and distribution. No option granted under the Directors Plan is exercisable by any person after the expiration of 10 years from the grant date.

Other Provisions. The option agreement may contain other terms, provisions and conditions not inconsistent with the Directors Plan as may be determined by the Board.

See Cadence's Board of Directors Compensation of Directors for a discussion of compensation paid to directors, including option grants, in fiscal 2004.

ADJUSTMENT PROVISIONS

If there is any change in the stock subject to the Directors Plan or subject to any option granted under the Directors Plan through merger, reorganization, recapitalization, dividend, stock split, combination or exchange of shares, change in corporate structure or other similar transaction, the Directors Plan and options outstanding under the Directors Plan will be appropriately adjusted as to the class, number of shares and exercise price per share of stock subject to outstanding options.

In connection with certain change of control events, the vesting of all options outstanding under the Directors Plan will be accelerated by the Board to a time before or as of the occurrence of such event and the options terminate if not exercised by the time specified by the Board. The Directors Plan provides for the timing of the acceleration and termination of options in situations where the Board fails to specify the exact timing of the acceleration or termination. For purposes of the Directors Plan, change of control is defined as any of the following events:

- a dissolution or liquidation of Cadence;
- a sale of all or substantially all of the assets of Cadence;
- a merger or consolidation in which Cadence is not the surviving entity and the stockholders of Cadence immediately before the merger or consolidation fail to possess direct or indirect beneficial ownership of more than 80% of the voting power of the securities of the surviving entity immediately following such transaction;
- a reverse merger in which Cadence is the surviving entity and the stockholders of Cadence immediately before the reverse merger fail to possess direct or indirect beneficial ownership of more than 80% of Cadence's securities immediately following the reverse merger;
- an acquisition by any person or group (within the meaning of Section 13(d) or 14(d) of the Exchange Act), excluding any employee benefit plan, or related trust, sponsored or maintained by Cadence or a subsidiary or other controlled affiliate of Cadence, of the beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of securities of Cadence representing at least 20% of the combined voting power entitled to vote in the election of directors; and
- if the individuals who, as of the date immediately following Cadence's 1999 Annual Meeting of Stockholders, are members of the Board, which is referred to as the Incumbent Board, cease for any reason to constitute at least 50% of the Board. If the election, or nomination for election by Cadence's stockholders, of any new director was approved by a vote of at least 50% of the Incumbent Board, such new director shall be considered as a member of the Incumbent Board; provided, however, that no person may be considered as a member of the Incumbent Board if he or she initially assumed office as a result of an election contest (as described in Rule 14a-11 of the Exchange Act) or other proxy contest.

Table of Contents

DURATION, AMENDMENT AND TERMINATION

The Board may amend, suspend or terminate the Directors Plan at any time or from time to time. No amendment will be effective unless approved by Cadence's stockholders within 12 months before or after its adoption by the Board if the amendment would:

- increase the number of shares issuable under the Directors Plan;
- modify the requirements as to eligibility for participation in the Directors Plan, to the extent the modification requires stockholder approval for the Directors Plan to comply with Rule 16b-3 under the Exchange Act; or
- modify the Directors Plan in any other way if the modification requires stockholder approval for the Directors Plan to comply with Rule 16b-3 under the Exchange Act.

Rights and obligations under outstanding options may not be altered or impaired by the suspension or termination of the Directors Plan, except with the consent of the optionee. Unless sooner terminated, the Directors Plan terminates on the date that all shares of common stock reserved for issuance under the Directors Plan have been issued.

CERTAIN FEDERAL INCOME TAX INFORMATION

Stock options granted under the Directors Plan are subject to federal income tax treatment pursuant to rules governing options that are not incentive stock options.

The following is only a summary of the effect of federal income taxation upon the optionee and Cadence with respect to the grant and exercise of options under the Directors Plan, is not complete and does not discuss the income tax laws of any state or foreign country in which an optionee may reside, and is subject to change.

There are no tax consequences to the optionee or Cadence by reason of the grant of a stock option under the Directors Plan. Upon exercise of the stock option, the optionee generally will recognize taxable ordinary income equal to the excess of the stock's fair market value on the exercise date over the option exercise price, and Cadence will be entitled to a deduction in the same amount. Upon disposition of the stock acquired upon exercise of an option, the optionee generally will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid to exercise the stock option plus any amount recognized as ordinary income upon exercise of the option. This gain or loss will be long or short term depending on whether or not the stock was held for more than one year. A non-employee director's disposition of stock acquired upon exercise of a stock option has no tax consequences to Cadence.

PROPOSAL 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has selected KPMG LLP as Cadence's independent auditors for the fiscal year ending December 31, 2005. Pursuant to the Audit Committee charter, the Board has directed management to submit the selection of independent auditors for ratification by the stockholders at the annual meeting. KPMG LLP has audited Cadence's financial statements since fiscal 2002. Representatives from KPMG LLP are expected to be present at the annual meeting, will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

Stockholder ratification of the selection of KPMG LLP as Cadence's independent auditors is not required by Cadence's Bylaws or otherwise. However, the Board is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain KPMG LLP. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year, if it determines that such a change would be in the best interests of Cadence and its stockholders.

Table of Contents

VOTE REQUIRED AND BOARD RECOMMENDATION

The Board of Directors of Cadence recommends a vote **FOR** ratification of the selection of KPMG LLP. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote on the proposal is required for approval of the proposal. Abstentions will be treated as being present and entitled to vote on the proposal and, therefore, will have the effect of votes against the proposal. Unless marked to the contrary, proxies received will be voted **FOR** ratification of the selection of KPMG LLP.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 3.
REPORT OF THE AUDIT COMMITTEE**

The Audit Committee of the Board is comprised of three non-employee directors of Cadence who are independent as defined in the corporate governance listing standards of the NYSE and NASDAQ and as defined under the Exchange Act. During fiscal 2004, the Audit Committee was comprised of Mr. Lucas, Dr. Shoven and Mr. Siboni as Chairman. The Audit Committee met nine times in fiscal 2004.

The Audit Committee operates under a charter, which was most recently amended by the Board in March 2005. The amended Audit Committee charter is attached as Appendix A to this proxy statement and is posted on the investor relations page of Cadence's website at www.cadence.com. As more fully described in its charter, the Audit Committee appoints and retains the independent auditors and oversees the quality and integrity of Cadence's financial statements, Cadence's compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of Cadence's internal audit function, the independent auditors and financial reporting processes on behalf of the Board.

In this context, the Audit Committee has reviewed and discussed the audited financial statements with Cadence's management and independent auditors, KPMG LLP. The Audit Committee has also discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from KPMG LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with KPMG LLP its independence from Cadence and its management. The Audit Committee has also considered whether the provision of other non-audit services by KPMG LLP to Cadence is compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, the inclusion of the audited financial statements in Cadence's Annual Report on Form 10-K for the year ended January 1, 2005 for filing with the SEC.

AUDIT COMMITTEE

Roger S. Siboni, Chairman
Donald L. Lucas

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors is comprised of three non-employee directors of Cadence who are independent as defined in the corporate governance listing standards of the NYSE and NASDAQ. During fiscal 2004, the Compensation Committee was comprised of Susan L. Bostrom, Mr. Lucas as Chairman, and Mr. Scalise. Ms. Bostrom resigned from the Board of Directors and the Compensation Committee effective March 10, 2005, and Mr. Tan was appointed to the Compensation Committee effective April 1, 2005. The Compensation Committee met four times in fiscal 2004.

ROLE OF THE COMPENSATION COMMITTEE

The Compensation Committee acts on behalf of the Board, as provided in the committee's charter, to review and approve corporate goals and objectives relevant to the compensation of Cadence's CEO and other executive officers, evaluate the CEO's performance in light of those goals and objectives and determine and approve the CEO's and other executive officers' compensation. At or near the beginning of each fiscal year, the Compensation Committee typically establishes base salary levels and target bonuses for the CEO and other executive officers of Cadence. In addition, the Compensation Committee administers Cadence's equity incentive plans, including the Senior Executive Bonus Plan, Cadence's stock option plans and stock purchase plans, the 1994 Deferred Compensation Plan, the 1996 Deferred Compensation Venture Investment Plan and the 2002 Deferred Compensation Venture Investment Plan.

EXECUTIVE COMPENSATION PRINCIPLES

Cadence's compensation program is designed to attract, motivate and retain highly qualified individuals necessary to achieve Cadence's business and financial objectives. It does so by balancing short-term and long-term financial objectives, building stockholder value and rewarding individual and corporate performance. On that basis, the Compensation Committee believes that executive officer compensation should be greatly influenced by Cadence's performance. Consistent with this philosophy, a designated portion of the compensation of each executive officer is contingent upon corporate performance and adjusted where appropriate, based on an executive officer's performance

against personal performance objectives.

The Compensation Committee also believes that providing employees with an equity stake in Cadence is important to encourage them to act in the best interests of Cadence stockholders. Long-term equity incentives for executive officers are provided through grants of stock options and restricted stock awards under Cadence's equity incentive plans. The value of stock options generally can be realized by an executive officer only if the

Table of Contents

price of Cadence's common stock increases above its fair market value on the grant date and the executive officer remains employed by Cadence for the period required for the options to vest. Cadence's goal is to have market-competitive equity incentive programs that encourage employees to act as owners of the business. A guiding principle also suggests that incentive compensation should be a greater part of total compensation for more senior employees, as an increased portion of compensation is payable based on achievement of Cadence's performance goals.

Cadence's compensation program is designed to provide competitive levels of compensation. The base salaries and incentive compensation of, and equity awards granted to, Cadence executive officers are determined in part by the Compensation Committee's discretionary evaluation of a number of factors including surveys of competitive salaries and equity practices in the technology sector for similar positions, as well as individual and corporate performance. The cash compensation of Cadence's executive officers is compared to equivalent data in the Radford Executive Survey compiled by Radford Surveys, which is referred to in this proxy statement as the Radford Survey, and competitive market compensation levels when determining base salary, target bonuses and target total cash compensation. The Radford Survey annually summarizes compensation and stock plan data for approximately 670 technology companies. The equity compensation of Cadence's executive officers is compared to equivalent data in the iQuantic Equity Practices Survey, which is referred to in this proxy statement as the iQuantic Survey, when determining equity award grants. The iQuantic Survey collects detailed information on equity practices from 185 high technology companies and includes information on all employee levels.

The companies against which Cadence compares its executive compensation were chosen based upon their similarity to Cadence in terms of product or industry, geography and revenue levels. A significant percentage of the companies represented in the Radford Survey and iQuantic Survey, for instance, had average sales that closely approximate Cadence's revenue level. A portion of the companies in the Standard & Poor's Information Technology Sector Index, which is referred to as the S&P TS Index and which is used by Cadence in preparing the stock price performance graph included in this proxy statement, was included in the Radford Survey and iQuantic Survey. Other S&P TS Index companies, however, were considered too large or of a different business profile, and would have incorrectly increased the market compensation comparisons used to evaluate executive officer salaries. The additional companies represented in the Radford Survey and iQuantic Survey were believed to be relevant by independent compensation consultants retained by Cadence because they compete for executive talent with Cadence, notwithstanding the fact that they are not included in the S&P TS Index.

COMPONENTS OF 2004 EXECUTIVE COMPENSATION

Base Compensation. The Radford Survey information, together with the CEO's recommendation of base salary and target bonus for 2004 for each executive officer other than the CEO, was presented to the Compensation Committee in March 2004. The Committee reviewed the recommendation of the CEO and the Radford Survey data outlined above and established a base salary effective January 1, 2004 for each executive officer. Salary adjustments are based on a review of competitive salary data as provided by the Radford Survey, as well as on the performance of each individual executive. The Compensation Committee focuses on the range between the 50th and 75th percentile salary levels of the comparison group, including those relevant companies in the Radford Survey, in its review of competitive salary data. The differences between the responsibilities of each Cadence executive officer and the most similar survey position are also taken into account in determining the appropriate competitive comparison salary level. The actual base salaries of the executive officers are typically within the 50th to 75th percentile of the competitive salary data, including those relevant companies in the Radford Survey, but may fall above or below this range based on specific circumstances such as performance and experience in the position. Specific discussion of CEO compensation is included below.

Incentive Compensation. The Compensation Committee reviewed the Senior Executive Bonus Plan and the Cadence performance objectives to be used for purposes of bonus determination during each of the two six-month bonus measurement periods in 2004. The Compensation Committee assigned a target bonus to each executive officer, which target bonus was either a precise dollar figure or a percentage of the executive

Table of Contents

officer's base salary. The Compensation Committee also approved the performance objectives to be used for bonus determination and the overall structure and mechanics of the Senior Executive Bonus Plan. The relevant performance objectives under the Senior Executive Bonus Plan include, either individually or in combination, cash flow, earnings per share, revenue, net income, return on equity, capital, assets or operating revenue, operating profit or margin, or any other objective measurable criteria tied to Cadence's performance. For 2004, the annual incentive plan established under the Senior Executive Bonus Plan required that Cadence achieve 90% of the targeted level of bookings, revenue and operating margin before any payment under each such measure pursuant to the plan could be made. In certain cases, to reward outstanding individual performance, the Compensation Committee exercised its discretion to grant executive officer bonuses that were higher than what would have been paid to such executives under the Senior Executive Bonus Plan based solely on Cadence's performance against plan targets.

Venture Investments. Cadence maintains the 1996 Deferred Compensation Venture Investment Plan, which is referred to in this proxy statement as the 1996 Venture Plan, and the 2002 Deferred Compensation Venture Investment Plan, which is referred to in this proxy statement as the 2002 Venture Plan, for its executive officers and directors. These plans permit participants to defer payment of part of their salary and/or all or part of any bonus or director fees. Through the 2002 Deferred Compensation Venture Investment Trust, or Venture Trust, the 2002 Venture Plan uses all deferred amounts to purchase limited partnership interests in Telos Venture Partners II, L.P. and Telos Venture Partners III, L.P., which are referred to in this proxy statement as Telos II and Telos III, respectively. Prior to January 2002, amounts were deferred under the 1996 Venture Plan and were used to purchase limited partnership interests in Telos Venture Partners, L.P., which is referred to in this proxy statement as Telos I. Telos I was closed to new investment in December 2001. Investment in Telos II and Telos III are currently the only investment options available to participants in the 2002 Venture Plan. Telos I, Telos II and Telos III make venture capital investments in start-up and growth-oriented businesses, with some emphasis on businesses in the semiconductor and software industries.

Cadence and certain of its deferred compensation trusts are the sole limited partners of Telos I, Cadence is the sole limited partner of Telos II and certain Cadence deferred compensation trusts and Castlewilder, a Cadence subsidiary, are the sole limited partners of Telos III. Telos I, Telos II and Telos III are each managed by their general partner, Telos Management, LLC, which is not affiliated with Cadence, but may be removed by Cadence without cause at any time. The partnership agreements governing Telos I, Telos II and Telos III, which are substantially the same, require Cadence to meet capital calls principally for the purpose of funding investments that are recommended by the general partner and approved by the Telos advisory committee as consistent with the partnership's limitations and stated purposes. For all three partnerships, the advisory committee is comprised solely of the Venture Committee of the Board, whose members are Mr. Bingham, Cadence's Executive Chairman of the Board, and Messrs. Lucas and Tan. Distributions from Telos I, Telos II and Telos III may be in cash or stock and can be reinvested in the 1994 Deferred Compensation Plan, which is described above under "Cadence's Board of Directors' Compensation of Directors."

During fiscal 2004, no executive officers received cash and stock distributions from the Venture Trust. Cadence's executive officers did not defer any compensation earned in 2004 to invest in the Venture Trust.

Equity Awards. Stock options and shares of restricted stock typically have been granted to an executive when the executive joins Cadence, in connection with a significant change in responsibilities and, occasionally, to achieve equity within a peer group. The Compensation Committee also grants stock options and restricted stock to executives to provide ongoing incentives. The number of shares of restricted stock and the number of shares subject to each stock option granted is based on anticipated future contribution and ability to impact corporate and/or business unit results, past performance or consistency within the executive's peer group. The iQuantic Survey data was also used for general comparison purposes in determining equity awards granted to executives. In fiscal 2004, the Compensation Committee, in its discretion, did not grant any stock options to the Named Executive Officers, except for Mr. Fister as discussed under "2004 CEO Compensation" below. In fiscal 2004, the Compensation Committee, in its discretion, granted restricted stock to all of the Named Executive Officers. The restricted stock generally vests and is no longer subject to forfeiture over a three year period.

Table of Contents**2004 CEO COMPENSATION**

Compensation for the CEO is determined through a process similar to that discussed above for the other executive officers.

Mr. Bingham became Executive Chairman of the Board in May 2004. The following information is based on Mr. Bingham's position as CEO through that period.

Mr. Bingham's base salary, target bonus, performance objectives and schedule of adjustments to the target bonus were established by the Compensation Committee during each of the two six-month bonus measurement periods in 2004. Mr. Bingham's base salary and target bonus were based on the Compensation Committee's discretionary evaluation of a number of factors, including the Radford Survey. For 2004, the Compensation Committee established Mr. Bingham's base salary for his service as CEO at \$850,032, the same level as in the prior year. In connection with Mr. Bingham's appointment as Executive Chairman of the Board, Mr. Bingham's annual salary was decreased to \$800,000, effective October 1, 2004. Mr. Bingham's employment agreement provided for an annual target cash bonus equal to his base salary each fiscal year. Mr. Bingham was paid a bonus of \$795,800 for 2004, which was based on Cadence's achievement of performance objectives under the Senior Executive Bonus Plan, and was adjusted upwards by the Compensation Committee in recognition of Mr. Bingham's individual performance.

Mr. Bingham also participated in the 1994 Deferred Compensation Plan as described above under Cadence's Board of Directors' Compensation of Directors.

In May 2004, the Board named Michael J. Fister as President and CEO, succeeding Mr. Bingham. Mr. Fister's overall compensation package was structured to induce Mr. Fister to leave his employment with Intel Corporation and to enter into his employment agreement with Cadence. The material terms of Mr. Fister's employment agreement are described below under Employment Contracts, Termination of Employment and Change-of-Control Agreements. The Compensation Committee established a base salary and target bonus for Mr. Fister, which were based on the Compensation Committee's discretionary evaluation of a number of factors, including the Radford Survey. Pursuant to his employment agreement, the Compensation Committee established Mr. Fister's base salary at \$800,000 for 2004. Mr. Fister's employment agreement also provided for a guaranteed bonus for 2004 equal to Mr. Fister's base salary, prorated for the portion of the year Mr. Fister was employed by Cadence. The Compensation Committee exercised its discretion to grant Mr. Fister a bonus in excess of the guaranteed amount under his employment agreement. As a result, Mr. Fister was paid a bonus of \$1,087,912 for 2004. Mr. Fister also received a sign-on bonus of \$1,000,000.

In connection with his employment agreement, and to induce Mr. Fister to enter into his employment agreement, Mr. Fister was granted 600,000 shares of restricted Cadence common stock and a stock option for 3,000,000 shares of Cadence common stock on May 12, 2004. The number of shares of restricted stock and stock options granted to Mr. Fister was not related to Cadence's performance, although the value of the stock options is dependent upon Cadence's performance as measured by the price of Cadence common stock.

Mr. Fister also participated in the 1994 Deferred Compensation Plan as described above under Cadence's Board of Directors' Compensation of Directors.

COMPLIANCE WITH SECTION 162(m) OF THE INTERNAL REVENUE CODE OF 1986

Section 162(m) of the Code limits deductions for certain executive compensation in excess of \$1,000,000 in any given year. Certain types of compensation are deductible only if performance criteria are specified in detail and payments are contingent on stockholder approval of the compensation arrangement. Cadence attempts to structure compensation arrangements to achieve deductibility under Section 162(m), unless the benefit of such deductibility is outweighed by the need for flexibility or the attainment of other corporate objectives. The Compensation Committee will continue to monitor issues concerning the deductibility of executive compensation and will take appropriate action if and when it is warranted. Since corporate objectives may not always be consistent with the requirements for full deductibility, the Compensation Committee is prepared, if it deems appropriate, to enter into compensation arrangements under which

Table of Contents

payments may not be deductible under Section 162(m). Thus, deductibility will not be the sole factor used by the Compensation Committee in ascertaining appropriate levels or modes of compensation.

EMPLOYMENT AGREEMENT WITH H. RAYMOND BINGHAM

Effective as of October 1, 2004, Cadence entered in an employment agreement with Mr. Bingham superseding the employment agreement entered into with Mr. Bingham in April 1999. The agreement provides for Mr. Bingham's employment as Executive Chairman of the Board at an initial base salary of \$800,000 per year, which will be reviewed by the Board or the Compensation Committee from time to time. CERTAIN TRANSACTIONS

All transactions in fiscal 2004 between Cadence and any executive officer or director who was an executive officer or director at the time the transaction was entered into were approved by a majority of the disinterested members of the Board or, in the case of an executive officer, by the Compensation Committee. These transactions are described under Cadence's Board of Directors' Compensation of Directors and Employment Contracts, Termination of Employment and Change-of-Control Agreements. In addition, all related party transactions, as defined in Item 404 of Regulation S-K promulgated by the SEC, are reviewed and approved by the Corporate Governance and Nominating Committee.

On March 1, 2003, 849 College Avenue, Inc., a subsidiary of Cadence, entered into a one year housing lease with Mr. Bushby for residential property owned by the subsidiary with aggregate annual rental payments of \$90,000, comprised of \$7,500 monthly rental payments, which was determined by an independent party to be the fair market value rental rate for the property. The lease can be extended by Mr. Bushby for up to three one-year periods, and can be terminated by either party upon 180 days prior written notice. Mr. Bushby also has an option to purchase the property at any time during the lease, as extended, for a price equal to the greater of the property's fair market value or the purchase price originally paid by the Cadence subsidiary. On May 1, 2004, the lease was amended to allow Mr. Bushby to extend the lease for up to five one-year periods, rather than three one-year periods. In December 2004, in accordance with the terms of the lease, Mr. Bushby extended the lease for an additional one-year period at the same rental rate, which was determined by an independent appraiser pursuant to the terms of the lease.

Pursuant to these Bylaw provisions, Cadence has entered into indemnity agreements with each of its directors and executive officers, and has also purchased insurance on behalf of the directors and executive officers.

Each indemnity agreement provides, among other things, that Cadence will indemnify each signatory to the extent provided in the agreement, for expenses, witness fees, damages, judgments, fines and amounts paid in settlement and any other amounts that the individual becomes legally obligated to pay because of any claim or claims made against or by him or her in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, arbitral, administrative or investigative, to which the individual is or may be made a party by reason of his or her position as a director, officer, employee or other agent of Cadence, and otherwise as may be provided to the individual by Cadence under the non-exclusivity provisions of the Delaware General Corporation Law and Cadence's Bylaws.

Section 16(a) of the Exchange Act requires the directors and executive officers of Cadence, and persons who own more than ten percent of a registered class of Cadence's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities. Executive officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish Cadence with copies of all Section 16(a) forms they file.

To Cadence's knowledge, based solely on a review of the copies of the reports furnished to Cadence and written representations that no other reports were required, all Section 16(a) filing requirements applicable to Cadence's executive officers and directors and greater than ten percent beneficial owners were complied with.

Stockholder proposals must be submitted in writing to the Corporate Secretary of Cadence no later than December 2, 2005 to be included in the proxy statement and form of proxy relating to Cadence's 2006 Annual Meeting of Stockholders. The submission of a stockholder proposal does not guarantee that it will be included in Cadence's proxy statement and form of proxy.

Alternatively, under Cadence's Bylaws, any director nominations or proposals which the stockholder does not seek to include in Cadence's proxy statement and form of proxy pursuant to Rule 14a-8 under the Exchange Act must be submitted in writing to Cadence's Corporate Secretary no later than February 10, 2006, nor earlier than January 11, 2006, and must otherwise satisfy the requirements of Cadence's Bylaws. If the stockholder does not also comply with the requirements of Rule 14a-4 under the Exchange Act, Cadence may exercise discretionary voting authority under proxies it solicits to vote in accordance with its best judgment on any such stockholder proposal or nomination submitted by a stockholder.

A stockholder's notice must include: (A) as to each person whom the stockholder proposes to nominate for election as a director, all information relating to the candidate that is required to be disclosed in proxy solicitations for a contested election of directors, or is otherwise required pursuant to Regulation 14A under the Exchange Act, accompanied by the candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on Cadence's books, and of such beneficial owner, and (ii) the class and number of shares of Cadence common stock owned beneficially and of record by such stockholder and such beneficial owner; and (D) any other information required to be provided by the stockholder pursuant to Regulation 14A under the Exchange Act as a proponent to a stockholder proposal.

Only candidates nominated in accordance with these procedures set forth above are eligible to serve as directors. Except as otherwise provided by law, the Chairman of the meeting determines whether a nomination or any business proposed to be brought before the meeting was made, or proposed, as the case may be, in accordance with the procedures set forth in Cadence's Bylaws and, if any proposed nomination or business is not in compliance with the Bylaws, to declare that such defective proposal or nomination shall not be presented for stockholder action at the meeting.

**APPENDIX B

1. Purpose.

(a) The purpose of the 1995 Directors Stock Option Plan (the Plan) is to provide a means by which each director of Cadence Design Systems, Inc., a Delaware corporation (the Company), who is not otherwise at the time of grant an employee of the Company or of any Affiliate of the Company (each such person being hereafter referred to as a Non-Employee Director) will be given an opportunity to purchase stock of the Company through the grant of options.

(b) The word Affiliate as used in the Plan means any corporation or other entity which is controlled by the Company, which controls the Company, or which is under common control with the Company.

(c) The Company, by means of the Plan, seeks to retain the services of persons now serving as Non-Employee Directors of the Company, to secure and retain the services of persons capable of serving in such capacity, and to provide incentives for such persons to exert maximum efforts for the success of the Company.

(d) No option granted under the Plan is intended to be an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code).

2. Administration.

(a) The Plan shall be administered by the Board of Directors of the Company (the Board) unless and until the Board delegates administration to a committee, as provided in section 2(c).

(b) The Board shall have the power, subject to, and within the limitations of, the express provisions of the Plan, to construe, interpret and administer the Plan and options granted under the Plan, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any option, in a manner and to the extent it shall deem necessary or desirable to make the Plan fully effective. All decisions of the Board on such matters shall be final, binding and conclusive on all persons having an interest in such decision.

(c) The Board may delegate administration of the Plan to a committee composed of not fewer than two (2) members of the Board (the Committee). If administration is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board, subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may abolish the Committee at any time and revert in the Board the administration of the Plan.

4. Eligibility.

Options shall be granted only to Non-Employee Directors of the Company.

5. Non-Discretionary Grants.

(a) Each person who first becomes a Non-Employee Director shall automatically be granted an option to purchase six thousand two hundred fifty (6,250) shares of Common Stock multiplied by the number of calendar quarters occurring between the date on which such person begins serving as a director of the Company and the first April 1 occurring after the date such person becomes a director of the Company on the terms and conditions set forth herein. If a person becomes a Non-Employee Director during a calendar quarter, he or she shall be treated as serving as a director of the Company for the entire such calendar quarter only if he or she becomes a Non-Employee Director during the first half of such calendar quarter.

(b) On April 1 of each year, each person who on that date is then a Non-Employee Director shall automatically be granted an annual option to purchase twenty five thousand (25,000) shares of Common Stock on the terms and conditions set forth herein. If the Non-Employee Director is serving as the Chairman of the Board on the date the annual option is granted, then such director shall automatically be granted an option to purchase an additional twenty five thousand (25,000) shares of Common Stock on the terms and conditions set forth herein on each annual option grant date.

6. Option Provisions.

Each option shall be subject to the following terms and conditions:

(a) The term of each option commences on the date it is granted and, unless sooner terminated as set forth herein, expires on the date ten (10) years from the date of grant (the "Expiration Date"). In any and all circumstances, an option may be exercised only as to no more than that number of shares as to which it is exercisable at the time in question under the provisions of section 6(e).

(b) The exercise price of each option shall be one hundred percent (100%) of the fair market value of the stock subject to such option on the date such option is granted. The fair market value of the Common Stock shall be the mean average of the closing price of the Company's common stock for each of the last twenty trading days prior to the date of the grant of the option on the national securities exchange, national market system or other trading market on which the Company's common stock has the highest average trading volume.

(c) The optionholder may elect to make payment of the exercise price under one of the following alternatives:

(i) Payment of the exercise price per share in cash (by check) at the time of exercise; or

(ii) Provided that at the time of the exercise the Common Stock is publicly traded and quoted regularly in the Wall Street Journal, payment by delivery of shares of Common Stock already owned by the optionholder for the period required to avoid a charge to the Company's reported earnings, and owned free and clear of any liens, claims, encumbrances or security interest, which common stock shall be valued at its fair market value on the last day on which the Common Stock was actively traded preceding the date of exercise;

(iii) Payment by the delivery of the optionholder's full recourse promissory note on such terms as may be determined by the Board which are not inconsistent with the terms of the Plan; or

(iv) Payment by a combination of the methods of payment specified in sections 6(c)(i) through 6(c)(iii) above.

For purposes of section 6(c)(ii), the fair market value of Common Stock shall be the closing price of such stock on the last trading day preceding the date of delivery of such Common Stock to the Company on the national securities exchange, national market system or other trading market on which the Common Stock has the highest average trading volume. If the optionholder uses a promissory note as partial payment of the exercise price pursuant to section 6(c)(iii), then such principal amount of such note may not exceed the

Table of Contents

maximum amount permitted by law (including but not limited to the limitation under the Delaware General Corporation Law that the par value of shares of stock may not be paid with a promissory note) and interest shall be compounded at least annually and shall be charged at no less than the minimum rate of interest necessary to avoid the treatment as interest, under any applicable provisions of the Code, of any amounts other than amounts stated to be interest under the terms of such promissory note.

Notwithstanding the foregoing, this option may be exercised pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board which results in the receipt of cash (or check) by the Company either prior to the issuance of shares of the Company's common stock or pursuant to the terms of irrevocable instructions issued by the optionholder prior to the issuance of shares of the Company's common stock.

(d) Except as otherwise expressly provided in an optionholder's option agreement, an option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the person to whom the option is granted only by such person or by his guardian or legal representative. The person to whom the Option is granted may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the optionholder, shall thereafter be entitled to exercise the option.

(e) An option granted pursuant to section 5(a) or 5(b) shall vest and become exercisable in full on the first March 31 following the grant of such option; *provided, however*, the optionholder has continuously served in the same capacity which entitled him or her to the grant of such option from the date of grant until and including the next following March 31.

(f) The Company may require any optionholder, or any person to whom an option is transferred under section 6(d), as a condition of exercising any such option: (i) to give written assurances satisfactory to the Company as to the optionholder's knowledge and experience in financial and business matters; and (ii) to give written assurances satisfactory to the Company stating that such person is acquiring the stock subject to the option for such person's own account and not with any present intention of selling or otherwise distributing the stock. These requirements, and any assurances given pursuant to such requirements, shall be inoperative if (i) the issuance of the shares upon the exercise of the option has been registered under a then-currently effective registration statement under the Securities Act of 1933, as amended (the Securities Act), or (ii), as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may require any optionholder to provide such other representations, written assurances or information which the Company shall determine is necessary, desirable or appropriate to comply with applicable securities laws as a condition of granting an option to the optionholder or permitting the optionholder to exercise the option. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the stock.

(g) Notwithstanding anything to the contrary contained herein, an option may not be exercised unless the shares issuable upon exercise of such option are then registered under the Securities Act or, if such shares are not then so registered, the Company has determined that such exercise and issuance would be exempt from the registration requirements of the Securities Act.

7. Covenants of the Company.

(a) During the terms of the options granted under the Plan, the Company shall keep available at all times the number of shares of the Common Stock required to satisfy such options.

(b) The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to issue and sell shares of Common Stock upon exercise of the options granted under the Plan; *provided, however*, that this undertaking shall not require the Company to register under the Securities Act either the Plan, any option granted under the Plan, or any stock issued or issuable pursuant to any such option. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the

Table of Contents

lawful issuance and sale of stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell stock upon exercise of such options.

8. Use of Proceeds from Stock.

Proceeds from the sale of Common Stock pursuant to options granted under the Plan shall constitute general funds of the Company.

9. Miscellaneous.

(a) Neither an optionholder nor any person to whom an option is transferred under section 6(d) shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares subject to such option unless and until such person has satisfied all requirements for exercise of the option pursuant to its terms.

(b) Throughout the term of any option granted pursuant to the Plan, the Company shall make available to the holder of such option, not later than one hundred twenty (120) days after the close of each of the Company's fiscal years during the option term, upon request, such financial and other information regarding the Company as comprises the annual report to the stockholders of the Company provided for in the Bylaws of the Company and such other information regarding the Company as the holder of such option may request under applicable law.

(c) Nothing in the Plan or in any instrument executed pursuant thereto shall confer upon any Non-Employee Director any right to continue in the service of the Company or any Affiliate in any capacity or shall affect any right of the Company, its Board or stockholders or any Affiliate to remove any Non-Employee Director pursuant to the Company's Bylaws and the provisions of the Delaware General Corporation Law (or the laws of the Company's state of incorporation should that change in the future).

(d) No Non-Employee Director, individually or as a member of a group, and no beneficiary or other person claiming under or through him, shall have any right, title or interest in or to any option reserved for the purposes of the Plan except as to such shares of common stock, if any, as shall have been reserved for him pursuant to an option granted to him.

(e) In connection with each option made pursuant to the Plan, it shall be a condition precedent to the Company's obligation to issue or transfer shares to a Non-Employee Director, or to evidence the removal of any restrictions on transfer, that such Non-Employee Director make arrangements satisfactory to the Company to insure that the amount of any federal or other withholding tax required to be withheld with respect to such sale or transfer, or such removal or lapse, is made available to the Company for timely payment of such tax.

(f) The size of the Plan's share reserve set forth in section 3, the size of individual option grants described in section 5, and all other references in the Plan to specific numbers of shares of the Common Stock reflect and have taken into account (i) the Company's three-for-two (3:2) stock dividends effective as of October 31, 1995 and May 31, 1996, including all options granted under the Plan prior to May 31, 1996 and (ii) the Company's two-for-one (2:1) stock dividend effective as of November 14, 1997, including all options granted under the Plan prior to November 14, 1997.

10. Adjustments Upon Changes in Stock.

(a) If any change is made in the Common Stock subject to the Plan, or subject to any option granted under the Plan (through merger, consolidation, reorganization, recapitalization, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), the Plan and outstanding options will be appropriately adjusted in the class(es) and maximum number of shares subject to the Plan and the class(es) and number of shares and exercise price per share of stock subject to outstanding options. Such adjustments shall be made by the Board, the determination of which shall be final, binding, and conclusive. (The conversion of any convertible securities of the Company shall not be treated as a transaction not involving the receipt of consideration by the Company.) No adjustment shall result in the

Table of Contents

creation of a fractional share of stock or in an exercise price per share of stock expressed in units of less than one cent (\$.01).

(b) In the event of the occurrence of a Change in Control, to the extent not prohibited by applicable law, the time during which options outstanding under the Plan may be exercised shall be accelerated by the Board to a time prior to or as of the occurrence of such event and the options terminated if not exercised by the time specified by the Board, which in any event shall be after the effective time of such acceleration. If the Board fails to specify a time for acceleration of outstanding options and/or termination of outstanding options, then the time during which options outstanding under the Plan may be exercised shall be accelerated to a time immediately preceding the occurrence of the Change in Control, and the options terminated if not exercised prior to or upon the occurrence of a Change in Control defined in section 10(b)(i) or section 10(b)(iii) or within three (3) months following the occurrence of a Change in Control defined in section 10(b)(ii), section 10(b)(iv), or section 10(b)(v).

For purposes of the Plan, a Change in Control means the happening of any of the following events:

(i) A dissolution or liquidation of the Company.

(ii) A sale of all or substantially all of the assets of the Company.

(iii) Either a merger or consolidation in which the Company is not the surviving corporation and the stockholders of the Company immediately prior to the merger or consolidation fail to possess direct or indirect beneficial ownership of more than eighty percent (80%) of the voting power of the securities of the surviving corporation (or if the surviving corporation is a controlled affiliate of another entity, then the required beneficial ownership shall be determined with respect to the securities of that entity which controls the surviving corporation and is not itself a controlled affiliate of any other entity) immediately following such transaction, or a reverse merger in which the Company is the surviving corporation and the stockholders of the Company immediately prior to the reverse merger fail to possess direct or indirect beneficial ownership of more than eighty percent (80%) of the securities of the Company (or if the Company is a controlled affiliate of another entity, then the required beneficial ownership shall be determined with respect to the securities of that entity which controls the Company and is not itself a controlled affiliate of any other entity) immediately following the reverse merger. For purposes of this section 10(b)(iii), any person who acquired securities of the Company prior to the occurrence of a merger, reverse merger, or consolidation in contemplation of such transaction and who after such transaction possesses direct or indirect beneficial ownership of at least ten percent (10%) of the securities of the Company or the surviving corporation (or if the Company or the surviving corporation is a controlled affiliate, then of the appropriate entity as determined above) immediately following such transaction shall not be included in the group of stockholders of the Company immediately prior to such transaction.

(iv) An acquisition by any person, entity or group within the meaning of Section 13(d) or 14(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), or any comparable successor provisions (excluding any employee benefit plan, or related trust, sponsored or maintained by the Company or a subsidiary or other controlled affiliate of the Company) of the beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act, or comparable successor rule) of securities of the Company representing at least twenty percent (20%) of the combined voting power entitled to vote in the election of directors.

(v) The individuals who, as of the date immediately following the Company's 1999 Annual Meeting of Stockholders, are members of the Board (the Incumbent Board), cease for any reason to constitute at least fifty percent (50%) of the Board. If the election, or nomination for election by the Company's stockholders, of any new director was approved by a vote of at least fifty percent (50%) of the Incumbent Board, such new director shall be considered as a member of the Incumbent Board; provided, however, that no individual shall be considered a member of the Incumbent Board if the individual initially assumed office as a result of either an actual or threatened Election Contest (as described in Rule 14a-11 promulgated under the Exchange Act) or other actual or

threatened solicitation of proxies or consents

by or on behalf of a Person other than the Board (a Proxy Contest) including by reason of any agreement intended to avoid or settle any Election Contest or Proxy Contest.

11. Amendment of the Plan.

(a) The Board at any time, and from time to time, may amend the Plan and/or some or all outstanding options granted under the Plan. Except as provided in section 10 relating to adjustments upon changes in stock, no amendment shall be effective unless approved by the stockholders of the Company where the amendment would:

(i) Increase the number of shares which may be issued under the Plan;

(ii) Modify the requirements as to eligibility for participation in the Plan (to the extent such modification requires stockholder approval in order for the Plan to comply with the requirements of Rule 16b-3); or

(iii) Modify the Plan in any other way if such modification requires stockholder approval in order for the Plan to comply with the requirements of Rule 16b-3 or any securities exchange or other trading market on which the Common Stock is actively traded.

(b) Rights and obligations under any option granted before any amendment of the Plan or of the terms of such option shall not be impaired by such amendment unless (i) the Company requests the consent of the person holding the option, and (ii) such person consents in writing.

12. Termination or Suspension of the Plan.

(a) The Board may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate on the date that all of the shares of the Company's Common Stock have been issued. No options may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) Rights and obligations under any option granted while the Plan is in effect shall not be altered or impaired by suspension or termination of the Plan, except with the consent of the holder of the option.
