reference into Parts I and II. Portions of the Definitive Proxy Statement for the First Financial Corporation Annual Meeting of Shareholders held on April 20, 2005 are incorporated by reference into Part III.

EXPLANATORY NOTE

In reliance upon the Order of the Securities and Exchange Commission issued under Section 36 of the Securities Exchange Act of 1934 (Release No. 50754, November 30, 2004), First Financial Corporation (the "Corporation") omitted from Item 9A of its Annual Report on Form 10-K for the fiscal year ended December 31, 2004 originally filed on March 16, 2005 (the "Original Report") both Management's annual report on internal control over financial reporting, as required by Item 308(a) of Regulation S-K, as well as the related Attestation report of the registered public accounting firm, as required by Item 308(b) of Regulation S-K.

This Amendment No. 1 to Annual Report on Form 10-K (the "Amendment") is specifically intended to make only the following changes to the Corporation's 10-K for the year ended December 31, 2004: (1) to modify Part II Item 9A to include the information required by Items 308(a) and 308(b) of Regulation S-K; (2) to update the requisite Section 302 and Section 906 certifications and the signature page to reflect the filing of this Amendment; and (3) to modify the list of exhibits to reflect the updated certifications and to incorporate by reference any other exhibits filed with the Original Filing. All other information presented in the Original Filing is unaffected by this Amendment, and has thus not been reiterated herein. All information in this Amendment is as of the date of the Original Filing and does not reflect any subsequent information or events occurring after the date of the Original Filing.

ITEM 9A. CONTROLS AND PROCEDURES (AMENDED).

EVALUATION OF DISCLOSURE CONTROLS AND PROCEDURES

As of the end of the period covered by this report, we carried out an evaluation (the "Evaluation"), under the supervision and with the participation of our President and Chief Executive Officer ("CEO"), who serves as our principal executive officer, and Chief Financial Officer ("CFO"), who serves as our principal financial officer, of the effectiveness of our disclosure controls and procedures ("Disclosure Controls"). Based on the Evaluation, our CEO and CFO concluded that our Disclosure Controls are effective in alerting them in a timely way to material information required to be included in our periodic SEC reports.

MANAGEMENT'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

The management of First Financial Corporation (the "Corporation") has prepared and is responsible for the preparation and accuracy of the consolidated financial statements and related financial information included in the Annual Report. The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and include amounts based on judgments and estimates by management.

The management of the Corporation is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rules 13a-15(f) and 15d-15(f) under the Securities Exchange Act of 1934. The Corporation's internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Corporation's internal control over financial reporting includes those policies and procedures that: (1)

Edgar Filing: FIRST FINANCIAL CORP /IN/ - Form 10-K/A

pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Corporation; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Corporation are being made only in accordance with authorizations of management and directors of the Corporation; and (iii) provide reasonable assurance regarding prevention or

2

timely detection of unauthorized acquisition, use or disposition of the Corporation's assets that could have a material effect on the financial statements.

The system of internal control over financial reporting as it relates to the consolidated financial statements is evaluated for effectiveness by management and tested for reliability through a program of internal audits. Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Management assessed the Corporation's system of internal control over financial reporting as of December 31, 2004, in relation to criteria for effective internal control over financial reporting as described in "Internal Control - Integrated Framework," issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this assessment, management concluded that, as of December 31, 2004, its system of internal control over financial reporting is effective and meets the criteria of the "Internal Control - Integrated Framework".

Crowe Chizek and Company LLC, independent registered public accounting firm, has issued an attestation report dated April 15, 2005 on management's assessment of the Corporation's internal control over financial reporting.

CHANGES IN INTERNAL CONTROLS

There was no change in the Corporation's internal control over financial reporting that occurred during the Corporation's fourth fiscal quarter of 2004 that has materially affected, or is reasonably likely to materially affect, the Corporation's internal control over financial reporting.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Shareholders and Board of Directors
First Financial Corporation
Terre Haute, Indiana

We have audited management's assessment, included in the accompanying Management's Report on Internal Control Over Financial Reporting, that First Financial Corporation maintained effective internal control over financial reporting as of December 31, 2004, based on criteria established in Internal Control--Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). First Financial Corporation's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express an opinion on

Edgar Filing: FIRST FINANCIAL CORP /IN/ - Form 10-K/A

management's assessment and an opinion on the effectiveness of the company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We

3

believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assessment that First Financial Corporation maintained effective internal control over financial reporting as of December 31, 2004, is fairly stated, in all material respects, based on criteria established in Internal Control--Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Also in our opinion, First Financial Corporation maintained, in all material respects, effective internal control over financial reporting as of December 31, 2004, based on criteria established in Internal Control--Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheets of First Financial Corporation as of December 31, 2004 and 2003, and the related consolidated statements of income, changes in shareholders' equity, and cash flows for each of the three years in the period ended December 31, 2004 and our report dated March 8, 2005 expressed an unqualified opinion on those consolidated financial statements.

Crowe Chizek and Company LLC

Indianapolis, Indiana
