The Registrant could not prepare and file, by the filing deadline, without unreasonable effort or expense, its Annual Report on Form 10-KSB for the year ended June 30, 2001 (the "Annual Report") because Registrant's management needed additional time to provide certain information and complete its analyses with respect to the effect of certain subsequent events (including financing transactions subsequent to June 30, 2001) on the Registrants' Annual Report and financial statements.
