Income before provision for income taxes for the year ended December 31, 2004 of \$15.9 million increased \$1.9 million, from \$14.0 million for the year ended December 31, 2003. This increase was primarily due to a net gain on a property insurance settlement of \$5.4 million in 2004, an increase in the net gain on disposal of property and equipment of \$5.3 million and an increase in other income of \$0.7 million offset by a decrease in the gross margin of \$4.8 million primarily related to the client migration of customer call volumes from the U.S. to higher margin offshore operations and the resulting mix-shift in revenues from the U.S. to offshore, where each seat generates roughly half the dollar equivalence of a U.S. seat, an increase in General and administrative costs of \$3.5 million primarily related to Sarbanes-Oxley compliance costs and Chairman/CEO succession costs in 2004, an impairment charge of \$0.7 million in 2004 related to certain property and equipment at our India facility and a decrease of \$0.5 million in the reversal of restructuring and other charges. For further information concerning significant changes in the results of operations for the year ended December 31, 2004, refer to Form 8-K filed on March 14, 2005 with the Securities and Exchange Commission and incorporated herein by reference.
