The information contained or incorporated by reference in this Current Report on Form 8-K contains certain forward-looking statements, including certain plans, expectations, goals, and projections, and including statements about the benefits of the merger between Huntington and Sky Financial Group, Inc. (Sky), which are subject to numerous assumptions, risks, and uncertainties. Actual results could differ materially from those contained or implied by such statements for a variety of factors including: the businesses of Huntington and Sky may not be integrated successfully or such integration may take longer to accomplish than expected; the expected cost savings and any revenue synergies from the merger may not be fully realized within the expected timeframes; disruption from the merger may make it more difficult to maintain relationships with clients, associates, or suppliers; the required governmental approval of the bank merger may not be obtained on the proposed terms or schedule; changes in economic conditions; movements in interest rates; competitive pressures on product pricing and services; success and timing of other business strategies; the nature, extent, and timing of governmental actions and reforms; and extended disruption of vital infrastructure; and other factors described in Huntington's 2006 Annual Report on Form 10-K, and documents subsequently filed by Huntington with the Securities and Exchange Commission. All forward-looking statements included in this Current Report on Form 8-K are based on information available at the time of the Report. Huntington assumes no obligation to update any forward-looking statement.

The 2007 full-year earnings guidance provided in the news release is not presented in accordance with Generally Accepted Accounting Standards (GAAP) because it excludes merger related integration costs, as management considers these costs to be unusual. Below is the guidance based upon GAAP.
