The information contained or incorporated by reference in this Current Report on Form 8-K contains certain forward-looking statements, including certain plans, expectations, goals, projections, and statements, which are subject to numerous assumptions, risks, and uncertainties. Actual results could differ materially from those contained or implied by such statements for a variety of factors including: (1) deterioration in the loan portfolio could be worse than expected due to a number of factors such as the underlying value of the collateral could prove less valuable than otherwise assumed and assumed cash flows may be worse than expected; (2) changes in economic conditions; (3) movements in interest rates; (4) competitive pressures on product pricing and services; (5) success and timing of other business strategies; (6) the nature, extent, and timing of governmental actions and reforms; and (7) extended disruption of vital infrastructure. The Emergency Economic Stabilization Act of 2008 (EESA) passed 10/3/08 could have an undetermined material impact on company performance depending on rules of participation that have yet to be finalized. Additional factors that could cause results to differ materially from those described above can be found in Huntington's 2007 Annual Report on Form 10-K, and documents subsequently filed by Huntington with the Securities and Exchange Commission.
