Report of Independent Auditors

Board of Directors  
Commerce Bancorp, Inc.

We have audited the accompanying statements of assets available for benefits of the Commerce Bancorp, Inc. 401(k) Retirement Plan (the Plan) as of December 31, 2002 and 2001, and the related statements of changes in assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for benefits of the Plan at December 31, 2002 and 2001, and the changes in its assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form 11-K

the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2002 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

1. Description of Plan

The following description of the Commerce Bancorp, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form 11-K

Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, established April 1, 1997, is a defined contribution plan covering all eligible employees of Commerce Bancorp, Inc. (the Company) who have at least six months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2002, the Commerce Bancorp, Inc. Employee Stock Ownership Plan (ESOP) was merged with and into the Commerce Bancorp, Inc. 401(k) Retirement Plan to allow for greater administrative efficiencies. In connection with this merger, \$65,944,305 of net assets were transferred into the Plan during January 2002. The net assets of the former ESOP are nonparticipant-directed and are maintained in a separate account (the ESOP Account) for each participant in accordance with the Plan.

Participants of various other employee benefit plans became eligible to participate in the Plan as a result of acquisitions by the Company. The following are net assets of other benefit plans which were transferred into the Plan during 2002 and 2001, respectively:

	2002	2001
	-----	
Sanford & Purvis	\$0.1 million	-
Business Training	-	\$0.1 million

Contributions

Each year, participants may contribute up to 15% of pretax annual compensation as defined in the Plan up to maximum IRS limitations. Participants may also contribute amounts representing distributions from other qualified retirement plans. The Company may, but is not obligated to, contribute a matching contribution for the plan year as determined by the board of directors. In 2002 and 2001, the Company provided a matching contribution equal to the employee contribution up to a maximum of 2.5% of the employee's salary. Contributions are subject to certain limitations.

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Contributions (continued)

Participants may direct employer and employee contributions in any of various fund options offered by the Plan or they may elect to open accounts that allow participant-directed investments.

Participant Accounts

Each participant's 401(k) account is credited with (a) the participant's

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form 11-K

contributions; (b) Company's contributions; (c) Plan earnings; and (d), is charged with an allocation of administrative expenses if any costs are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. Forfeitures of Company matching contributions arising from breaks in service experienced by participants with less than fully vested interests in the Plan shall be applied as promptly as possible to reduce Company matching contributions. Forfeited employer's contributions of \$59,000 were used to offset matching contributions paid in the first quarter of 2003. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Each participant's ESOP Account is credited with an allocation of Plan earnings and an allocation of forfeitures based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. When a participant terminates employment or otherwise suffers five (5) consecutive breaks in service (fewer than 501 hours of service worked per year), all or a portion of his or her nonvested interest may be forfeited. If this happens, the amount forfeited is reallocated among the accounts of the remaining participants as though the forfeited amount was an Employer contribution. At December 31, 2002, 100% of forfeited nonvested accounts had been reallocated to active participants.

Vesting

Participants are immediately vested in their contributions and all investment earnings thereon that have been allocated to their accounts.
