Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 29, 2014, the Board of Directors (the “Board”) of P.A.M. Transportation Services, Inc. (the “Company”) elected Franklin McLarty to serve as director of the Company. Mr. McLarty fills an existing vacancy on the Board and will serve on the Board until the Company’s 2015 Annual Meeting of Stockholders, and until such time as his successor is duly elected and qualified, or until his earlier resignation or removal. Mr. McLarty has been appointed to serve on the Audit Committee. A copy of a news release announcing Mr. McLarty’s appointment to the Board is attached as Exhibit 99.1.

At the Board meeting on May 29, 2014, the Board approved an increase in the base salary for Daniel H. Cushman, our President and Chief Executive Officer, to \$470,000 and for Allen W. West, our Vice President of Finance, Chief Financial Officer, Secretary and Treasurer, to \$250,000, effective immediately.

On May 29, 2014, the Board also approved a short-term cash incentive plan (the “Plan”) for the Company’s named executive officers and certain other employees providing for cash bonus awards to be determined based on the achievement of certain operating ratio and revenue growth performance targets as of the end of the applicable bonus year. The amount of the bonus can vary from zero to 120% of base salary. Under the Plan, an eligible employee will receive a bonus ranging from 20% to 100% of base salary if the Company’s operating ratio for the applicable bonus year is less than 97%. Additionally, if the Company’s revenue growth during the applicable bonus year is 5% or more, the employee will receive a bonus ranging from 5% to 20% of base salary in addition to any bonus received based on the operating ratio. The maximum bonus under the Plan of 120% of the employee’s base salary is earned if the Company’s operating ratio is less than 93% and revenue growth is at least 20% in the applicable bonus year. For purposes of the Plan, operating ratio will be determined based on the same methodology used in calculating operating ratio as reported in Item 6 “Selected Financial Data” of the Company’s Annual Report on Form 10-K, except that operating expenses will be reduced by any employee bonuses paid or accrued during the year. Revenue growth will be calculated by subtracting the prior year operating revenue (excluding fuel surcharge) from the current year operating revenue (excluding fuel surcharge) and dividing the difference by the prior year operating revenue (excluding fuel surcharge). Base salary will be the salary in effect at the end of the applicable bonus year.
