**PROXY STATEMENT
FOR
2007 ANNUAL MEETING OF STOCKHOLDERS
OF
AEROCENTURY CORP.
TO BE HELD ON MAY 2, 2007**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of AEROCENTURY CORP. (the "Company") of proxies to be voted at the 2007 Annual Meeting of Stockholders (the "2007 Annual Meeting" or the "Annual Meeting"), which will be held at 5:30 p.m. on May 2, 2007, at the Hiller Aviation Museum, 601 Skyway Road, San Carlos, California, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2007 Annual Meeting of Stockholders. This Proxy Statement and the proxy card were first mailed to stockholders on or about March 22, 2007. The Company's 2006 Annual Report was mailed to stockholders concurrently with this Proxy Statement. The 2006 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

VOTING RIGHTS AND SOLICITATION

The close of business on March 7, 2007, was the record date for stockholders entitled to notice of and to vote at the 2007 Annual Meeting. As of that date, the Company had 1,543,257 shares of Common Stock, \$0.001 par value (the "Common Stock"), issued and outstanding. The presence at the Annual Meeting of a majority of the issued and outstanding Common Stock, or 771,629 shares, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. All of the shares of the Company's Common Stock outstanding on the record date are entitled to vote at the 2007 Annual Meeting, and stockholders of record entitled to vote at the Annual Meeting will have one vote for each share of Common Stock so held with regard to each matter to be voted upon. Your proxy may be revoked at any time prior to the time it is voted.

If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Co., you are considered, with respect to those shares, the "stockholder of record" and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting. The Company has enclosed a proxy card for your use, which should be returned to the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held "in street name" and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote those shares in person at the Annual Meeting. Your broker or nominee has enclosed a voting instruction card for your use, which must be returned to your broker or nominee.

Shares of the Company's Common Stock represented by proxies in the accompanying form that are properly executed and returned to the Company will be voted at the 2007 Annual Meeting in accordance with the instructions of the stockholder of record contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election of each of the directors as described herein under "Proposal 1: Election of Directors" and FOR ratification of the selection of accountants as described herein under "Proposal 2: Ratification of Selection of Independent Auditors." Management does not know of any matters to be presented at the Annual Meeting other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the Annual Meeting, the proxy holders will vote on such matters in accordance with their best judgment. Proxies will confer upon the proxy holders discretionary authority to vote upon matters that may properly be raised at the Annual Meeting, but which, as of the date hereof, are unknown to the Board of Directors. In addition,

the Proxies confer upon the proxy holders the authority to adjourn or postpone the Annual Meeting in order to assure that all stockholders who wish to vote on the matters will be able to cast their votes and to act upon the matters incident to the conduct of the meeting. Any stockholder of record has the right to revoke his or her proxy at any time before it is voted at the Annual Meeting. Election of directors by stockholders shall be determined by a plurality of the votes cast by the stockholders of record entitled to vote at the election present in person or represented by proxy. Ratification of the selection of accountants shall be determined by a majority of the votes cast by the stockholders of record entitled to vote at the Annual Meeting.

Abstentions and broker non-votes are each included in the determination of the number of shares present for quorum purposes. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders and have the same effect as a negative vote. Broker non-votes are not counted for purposes of determining whether a proposal has been approved and therefore, do not have the same effect as votes in opposition to a specific proposal.

The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, telegraph or special letter by officers and regular Company employees for no additional compensation. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the Company's Common Stock, and such persons may be reimbursed for their expenses.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the proxy statement and annual report may have been sent to multiple stockholders in a stockholder's household. The Company will promptly deliver a separate copy of either document to any stockholder who contacts the Company's Investor Relations Department at (650) 340-1888 or by mail to 1440 Chapin Avenue, Suite 310, Burlingame, California 94010, requesting such copies. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive only a single copy of the proxy statement and annual report for a stockholder's household in the future, stockholders should contact their broker, other nominee record holder, or the Company's Investor Relations Department to request mailing of a single copy of the proxy statement and annual report.

PROPOSAL 1 ELECTION OF DIRECTORS

Two of the Company's six directors will be elected at the 2007 Annual Meeting. The nominees for the Board of Directors are set forth below. In the event that a nominee is unable or declines to serve as a director at the time of the 2007 Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them for the nominees listed below. As of the date of this Proxy Statement, the Board of Directors is not aware of any nominee who is unable or will decline to serve as a director. The Audit Committee of the Board of Directors of the Company serves as the representative of the Board for general oversight of the Company's financial accounting and reporting process, internal controls, audit process and process for monitoring compliance with laws and regulations. The Audit Committee is responsible for the appointment, compensation and oversight of the work of the Auditors. The members of the Audit Committee are independent (as defined in Section 121(A) of the American Stock Exchange Company Guide). The Company's management has primary responsibility for preparing the Company's financial statements and the Company's financial reporting process. The Company's Auditors, BDO Seidman, LLP, are responsible for expressing an opinion on the fairness and conformity of the Company's audited financial statements to generally accepted accounting principles. In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements with the Company's management.

Board Meetings and Committees

The Board of Directors of the Company held a total of five meetings during the fiscal year ended December 31, 2006 (the "2006 fiscal year"). Each director attended every meeting of the Board and every meeting held by all committees of the Board on which the director served.

The Company has an Audit Committee and an Executive Committee of the Board of Directors. The Audit Committee operates under a Charter approved by the Board of Directors. The Audit Committee meets with the Company's financial management and its independent auditors to review internal financial information, audit plans and results, and financial reporting procedures. This committee currently consists of Thomas W. Orr, Chair, and Evan M. Wallach. The Board has determined that Mr. Orr and Mr. Wallach are independent within the meaning of "independence" as set forth in the rules of the American Stock Exchange Company Guide.

The Board of Directors has determined that at least one member of the Audit Committee is a "financial expert" within the meaning of Item 401(e)(1) of Regulation S-B of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Mr. Orr is both a "financial expert" within the meaning of such regulation and is also "independent" within the meaning of Item 7(d)(3)(iv) of Schedule 14A of the Exchange Act. Mr. Orr is a self-employed accounting consultant and former partner of the accounting firms Bregante + Co. LLP and Arthur Young & Company, Certified Public Accountants. In the course of his career, Mr. Orr acquired (i) an understanding of generally accepted accounting principles and financial statements, (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, (iv) an understanding of internal control over financial reporting, and (v) an understanding of audit committee functions. The Audit Committee held eight meetings during the 2006 fiscal year, and has held two meetings in the 2007 fiscal year to date.

The Executive Committee has the authority to acquire, dispose of and finance investments for the Company and execute contracts and agreements, including those related to the borrowing of money by the Company, and generally exercises all other powers of the Board of Directors except for those which require action by all of the directors or the independent directors under the Certificate of Incorporation or the Bylaws of the Company, or under applicable law. The Executive Committee currently consists of three directors, Neal D. Crispin, Chairman, Toni M. Perazzo and Marc J. Anderson.

The Company does not have a formal Nominating Committee. The independent directors separately consider and make recommendations to the full Board of Directors regarding any candidate being considered to serve on the Board of Directors. The full Board of Directors reviews potential candidates for the Board of Directors. While the Board of Directors does not have a specific policy for considering nominees recommended by Stockholders, this does not mean that a recommendation would not be considered if received from a Stockholder. The Board has not yet considered a procedure for considering nominees recommended by Stockholders in addition to the procedures already set forth in the Bylaws of the Company. It believes that the current informal consideration process has been adequate in light of the historical absence of stockholder proposals. In any event, there would be no difference between the manner in which the Board would evaluate a nominee for director whether recommended by a Stockholder or recommended by a member of the Board or one of the Company executive officers. The Company does not pay any third party to identify or assist in identifying or evaluating potential nominees.

In reviewing potential candidates for the Board, the Board of Directors considers the individual's experience in the Company's industry, the general business or other experience of the candidate, the needs of the Company for an additional or replacement director, the personality of the candidate, the candidate's interest in the business of the

Company, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to actively participate and ability to bring to the Company his or her experience and knowledge in areas that are most beneficial to the Company. The Board intends to continue to evaluate candidates for election to the Board on the basis of the foregoing criteria.

Since the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its officers. As a result, the Company has no compensation committee.

Communication between Stockholders and Directors

The Company's Board of Directors currently does not have a formal process for Stockholders to send communications to the Board of Directors and does not believe such procedures are necessary at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board.

Director Attendance at Annual Meeting

It is the policy of the Company and Board of Directors that directors attend the Annual Meeting of Stockholders and be available for questions from the Stockholders. Two sitting directors nominated for election were in attendance at the 2006 Annual Meeting of Stockholders. It is anticipated that both directors nominated for election at the 2007 Annual Meeting also will be in attendance at that meeting.

Board Independence

If all of the nominees to the Board of Directors are elected, "independent directors," as that term is used in the American Stock Exchange Company Guide, will constitute 50% of the entire Board of Directors of the Company, consisting of Messrs. Hiniker, Orr and Wallach.

Involvement in Legal Proceedings.

No director or associate of a director is involved in a material proceeding as a party adverse to the Company or any of its subsidiaries or with a material interest adverse to the Company or any of its subsidiaries.

The table on the next page provides the compensation of our directors for the fiscal year ended December 31, 2006:
