INFORMATION STATEMENT PURSUANT TO SECTION 14 OF THE
SECURITIES EXCHANGE ACT OF 1934
AND REGULATION 14C AND SCHEDULE 14C THEREUNDER

This information statement (the "Information Statement") is being circulated to advise the stockholders of Southern Peru Copper Corporation, a Delaware corporation ("we," "us," "our," or the "Company"), of action taken without a meeting upon the written consent of the holders of a majority of the outstanding shares of our common stock, par value \$.01 per share (the "Common Stock") in lieu of a special meeting of the stockholders. The action so taken by written consent of our majority stockholders is to amend and restate (the "Amendment" or the "Amendments") our Restated Certificate of Incorporation (the "Restated Certificate of Incorporation") as follows:

1. ***Change of Name.*** To amend Article I of our Restated Certificate of Incorporation to read as follows: "The present name of the Corporation is SOUTHERN COPPER CORPORATION; and the name under which the corporation was originally incorporated is Southern Peru Copper Corporation."
2. ***Conforming Changes.*** To amend and restate our Restated Certificate of Incorporation to eliminate extraneous provisions relating to our formerly outstanding shares of Class A Common Stock, all of which were converted to Common Stock on May 19, 2005 and retired.
3. ***Number of Directors.*** To amend Article Five, subsection (b) of our Restated Certificate of Incorporation to read as follows: "The number of directors of the Corporation shall be fixed from time to time by resolution of a majority of our Board of Directors, provided that the number of directors shall not be less than six or more than fifteen. Election of directors need not be by written ballot unless the By-Laws of the Corporation so provide."

This information statement is being mailed to our stockholders on [September 20], 2005 (the "Record Date"). Pursuant to Rule 14c-2 promulgated by the Securities and Exchange Commission (the "Commission") under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the foregoing corporate action cannot become effective until twenty (20) days after the Record Date.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

GENERAL

We anticipate that the Amendments will become effective on or after [October 10], 2005 (no sooner than twenty (20) days after the Record Date), upon the filing of our Restated Certificate of Incorporation in the form attached hereto as Annex I with the Secretary of State of the State of Delaware. No further action is required on the part of any other stockholders of the Company to approve the Amendments. Stockholders who did not consent to the Amendments are not entitled to dissenters' rights under Delaware law.

This Information Statement has been prepared by our management, and the entire cost of furnishing this Information Statement will be borne by us. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of our Common Stock held of record by them and we will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.

ACTION BY BOARD OF DIRECTORS AND CONSENTING STOCKHOLDERS

Approval by our Board of Directors

In accordance with Section 141 of the Delaware General Corporation Law (the "DGCL"), on September 5, 2005, our Board of Directors, believing it to be in the best interests of the Company and its stockholders, approved the Amendments.

Description of Amendments

Name Change. Our Board of Directors believes that amending our Restated Certificate of Incorporation to change the name of the Company from "Southern Peru Copper Corporation" to "Southern Copper Corporation" is in the Company's best interests because the new name will more accurately reflect our expanded business operations outside of Peru following our acquisition of Minera México, S.A. de C.V., a corporation (*sociedad anónima de capital variable*) organized under the laws of the United Mexican States, our broader investment basis following a recent secondary offering of our shares and our presence in Chile through the acquisition of exploration concessions. It will not be necessary for stockholders to exchange their existing stock certificates for new stock certificates reflecting the name change. If stockholders desire to sell some or all of their shares after the name change has been effected, delivery of stock certificates with the previous name of the Company will be sufficient. The name change is reflected in Article One of the form of our Restated Certificate of Incorporation, which is attached hereto as Annex I and incorporated herein by reference.

Conforming Changes. On May 19, 2005, all of the holders of our former Class A common stock, par value \$0.01 per share (the "Class A Common Stock") voluntarily converted (the "Conversion"), on a share-for share basis, all of their shares of Class A Common Stock, totaling in the aggregate 65,900,833 shares, into 65,900,833 newly-issued shares of Common Stock.

As a result of the Conversion, (1) no shares of Class A Common Stock remain outstanding and no shares of Class A Common Stock will be reissued, and (2) the number of authorized shares of Common Stock is now 167,207,640 and there are outstanding 147,248,216 shares of Common Stock. Upon the Conversion, the right of the holders of Class A Common Stock (1) to vote as a separate class with respect to the election of directors of the Company, (2) to elect thirteen of the fifteen members of the Board of Directors of the Company (3) and to have five votes per share of Class A Common Stock when voting as a single class with the Common Stock on all matters other than the election of directors was eliminated. All holders of Common Stock now vote as a single class on all matters submitted to a vote of stockholders, with each share of Common Stock entitled to one vote.

Our Board of Directors believes that it is in the best interests of the Company and its stockholders to amend and restate our Restated Certificate of Incorporation to eliminate the extraneous provisions relating to the retired series of Class A Common Stock. The amendment would simplify our Restated Certificate of Incorporation, which after the Amendment, will better reflect the actual capital structure of the Company. The amendment will have no effect on the rights of our Common Stockholders. The elimination of the extraneous provisions relating to our former Class A Common Stock is reflected in Article Four of the form of our Restated Certificate of Incorporation, which is attached hereto as Annex I and incorporated herein by reference. The text of the current Article Four containing the extraneous provisions relating to the former Class A Common Stock, which will be replaced by the Amendment, is set forth in Annex II.

Number of Directors. Our Board of Directors believes that amending our Restated Certificate of Incorporation to change the number of directors of our Corporation from fifteen to a number to be fixed from time to time by resolution of a majority of our board of directors, provided that the number of directors shall not be less than six or more than fifteen, is in the Company's best interests. Prior to the Conversion, the holders of our former Class A Common Stock were entitled to elect thirteen of the fifteen members of our Board of Directors, while the holders of our Common Stock were entitled to elect two of the fifteen directors (based on the percentage of shares each class held). Upon the Conversion, all directors are elected by the Common Stockholders. Accordingly, it is no longer necessary to have a fixed number of directors and the Board of Directors believes that it is prudent to allow for flexibility with regard to the size of our Board of Directors.

Approval by Stockholders

Pursuant to Sections 242 and 245 of the DGCL, the Amendments must be approved by the holders of a majority of our issued and outstanding shares of Common Stock (our only class of outstanding voting securities). In order to obtain the required approval of our stockholders, we could have either convened a special meeting of the stockholders for the specific purpose of voting on the Amendments, or we could have sought written consent from the holders of a majority of our issued and outstanding Common Stock. In order to eliminate the costs and management time involved in holding a special meeting, we determined to utilize the written consent of the holders of a majority of the outstanding shares of our Common Stock. The elimination of the need for a special meeting of stockholders to approve the Amendments is made possible by Section 228 of the DGCL, which provides that any action required or permitted to be taken at a meeting of the stockholders of a Delaware corporation may be taken without a meeting if stockholders holding at least a majority of the voting power of the corporation execute a written consent approving such action.

As of the Record Date, the Company had 147,248,216 shares of Common Stock issued and outstanding, all of which are fully paid and non-assessable. Holders of Common Stock have one vote per share on all matters submitted to a vote of stockholders. On September 20, 2005, Americas Mining Corporation, a Delaware corporation ("AMC"), which directly owns 67,207,640 shares (45.6%) of the issued and outstanding shares of Common Stock and SPHC II Incorporated, a Delaware corporation and wholly owned subsidiary of AMC, which directly owns 43,348,640 shares (29.4%) of the issued and outstanding shares of Common Stock approved the Amendments by signing a written consent. No further vote of our stockholders is required for the Company to effect the Amendments.

No Dissenters' or Appraisal Rights

Stockholders who did not consent to the Amendments are not entitled to assert dissenters' or appraisal rights under Section 262 of the DGCL.

4.5 *Stock Splits.* The Corporation shall not in any manner subdivide (by any stock split, reclassification, stock dividend, recapitalization or otherwise) or combine the outstanding shares of one series of Common Shares unless the outstanding shares of the other series of Common Shares shall be proportionately subdivided or combined.

4.6 *Liquidation Rights.* Upon any voluntary or involuntary liquidation, dissolution or winding-up of the affairs of the Corporation, the holders of Common Shares shall be entitled to share ratably, in accordance with the number of Common Shares held by each such holder, in all remaining assets of the Corporation available for distribution among the holders of Common Shares, whether such assets are capital, surplus or earnings. For the purposes of this Paragraph 4.6, none of (i) the consolidation or merger of the Corporation with or into any other corporation or corporations in which the stockholders of the Corporation receive capital stock and/or other securities (including debt securities) of the acquiring corporation (or of the direct or indirect parent corporation of the acquiring corporation) or (ii) the sale, lease, or transfer by the Corporation of all or any part of its assets, shall be deemed to be a voluntary or involuntary liquidation, dissolution or winding up of the Corporation as those terms are used in this Paragraph 4.6.

4.7 *Voting Rights.* (a) The holders of the Common Shares shall vote as a single class on all matters submitted to a vote of stockholders, with each share of Common Stock entitled to one vote and each share of Class A Common Stock entitled to five votes, except (i) for the election of directors, which shall be governed by subparagraph (b) below and (ii) as otherwise provided by law.

(b) In all elections of directors, (i) the holders of Common Stock shall be entitled by class vote, exclusive of all other stockholders, to elect two of the Corporation's directors, with each share of Common Stock entitled to one vote, and (ii) the holders of Class A Common Stock shall be entitled by class vote, exclusive of all other stockholders, to elect the remaining thirteen directors of the Corporation, one of whom shall be the President of the Corporation, with each share of Class A Common Stock entitled to one vote. In the event that all outstanding shares of Class A Common Stock shall be converted into shares of Common Stock in accordance with the provisions of Paragraph 4.9 below (the effective date of the conversion of the last outstanding share of Class A Common Stock being the "Total Conversion Date"), then the thirteen members of the Corporation's Board of Directors who previously were elected by the holders of the Class A Common Stock pursuant to this subparagraph (b) shall, at the next regular meeting of stockholders following such Total Conversion Date (or at a special meeting called after the Total Conversion Date for the purpose of electing directors), be elected by the holders of Common Stock, with each share of Common Stock entitled to one vote.

(c) In the event of the death or resignation of a director, or the removal of a director elected by the holders of Common Stock, the vacancy on the Board of Directors created thereby may be filled by a majority of the directors then in office, although less than a quorum. A director elected in such manner to fill such vacancy shall hold office until his successor has been duly elected and qualified at a meeting of the holders of the Common Stock duly called for such purpose.

(d) In the event of the death or resignation of a director, or the removal of a director elected by the holders of Class A Common Stock, the vacancy on the Board of Directors created thereby may be filled by a majority of the directors then in office, although less than a quorum. A director elected in such manner to fill such vacancy shall hold office until his successor has been duly elected and qualified at a meeting of the holders of the Class A Common Stock duly called for such purpose.

4.8 *No Preemptive or Subscription Rights.* No holder of Common Shares shall be entitled to preemptive or subscription rights.

4.9 *Conversion Rights.*

(a) *Automatic Conversion.* Each share of Class A Common Stock shall convert automatically into one fully paid and non-assessable share of Common Stock upon (i) the sale, gift, or other transfer of such share of Class A Common Stock to a party other than a Founding Stockholder or its Affiliate (as such terms are defined below) or (ii) the ownership of such share of Class A Common stock by any person other than a Founding Stockholder or its Affiliate. In addition, all outstanding shares of Class A Common Stock shall convert automatically into an equal number of fully paid and non-assessable shares of Common Stock upon the date on which the Founding Stockholders and their Affiliates (in the aggregate) no longer own at least 35% of the outstanding Common Shares. Each of the foregoing automatic conversion events shall be referred to hereinafter as an "Event of Automatic Conversion."

For purposes of this Paragraph 4.9, the term "Affiliate" of a Person shall mean any Person (other than the Corporation) that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with, the first Person. For the purposes of the above definition, the term "control" (including, with correlative meaning, the terms "controlled by" and "under common control with"), shall mean the possession, directly or indirectly, of more than 50% of the then outstanding voting stock entitled to elect directors of such Person; the term "Person" shall mean any natural person, firm, partnership, association, corporation, company, trust, business trust, joint venture, unincorporated organization or government or any department or agency thereof. Additionally, for the purposes of this Paragraph 4.9, the term "Founding Stockholder" shall mean each of ASARCO Incorporated, Cerro Trading Company, Inc. and Phelps Dodge Overseas Capital Corporation and their respective successors; provided that each of Cerro Trading Company, Inc. and Phelps Dodge Overseas Capital Corporation shall remain a Founding Stockholder for purposes hereof only for such time as it would also qualify as an Affiliate of The Marmon Corporation or Marmon Holdings, Inc. or Phelps Dodge Corporation, or their respective successors, as the case may be.

(b) *Voluntary Conversion.* Each share of Class A Common Stock shall be convertible, at the option of its holder, into one fully paid and non-assessable share of Common Stock at any time.

(c) *Voluntary Conversion Procedure.* At the time of a voluntary conversion, the holder of shares of Class A Common Stock shall deliver to the office of the Corporation or any transfer agent for the Class A Common Stock (i) the certificate or certificates representing the shares of Class A Common Stock to be converted, duly endorsed in blank or accompanied by proper instruments of transfer, and (ii) written notice to the Corporation stating that such holder elects to convert such share or shares and stating the name and address in which each certificate for shares of Common Stock issued upon such conversion is to be issued. To the extent permitted by law and subject to the taking of any necessary action or making any filing contemplated by Paragraph 4.9(f), such voluntary conversion shall be deemed to have been effected at the close of business on the date when such delivery is made to the Corporation of the shares to be converted, and the person exercising such voluntary conversion shall be deemed to be the holder of record of the number of shares of Common Stock issuable upon such conversion at such time and the right of such person as a holder of such shares of Class A Common Stock shall cease and terminate at and as of such time. The Corporation shall promptly deliver certificates evidencing the appropriate number of shares of Common Stock to such person.

(d) *Automatic Conversion Procedure.* Promptly upon the occurrence of an Event of Automatic Conversion, the holder of the relevant shares of Class A Common Stock shall surrender the certificate or certificates therefor, duly endorsed in blank or accompanied by proper instruments of transfer, at the office of the Corporation, or of any transfer agent for the Class A Common Stock, and shall give written notice to the Corporation, at such office: (i) stating that the shares are being converted pursuant to an Event of Automatic Conversion into shares of Common Stock as provided in Paragraph 4.9(a) of this ARTICLE FOUR, (ii) specifying the Event of Automatic Conversion (and, if the occurrence of such event is within the control of the transferor, stating the transferor's intent to

effect an Event of Automatic Conversion), (iii) identifying the number of shares of Class A Common Stock being converted, and (iv) setting out the name or names (with addresses) and denominations in which the certificate or certificates for shares of Common Stock into which such shares of Class A Common Stock are being converted shall be issued and shall include instructions for delivery thereof. Delivery of such notice together with the certificates representing the shares of Class A Common Stock shall obligate the Corporation to issue such shares of Common Stock. Thereupon the Corporation or its transfer agent(s) shall promptly issue and deliver at such stated address to such holder or to the transferee of shares of Class A Common Stock a certificate or certificates for the number of shares of Common Stock to which such holder or transferee is entitled, registered in the name of such holder, the designee of such holder or transferee as specified in such notice.

To the extent permitted by law and subject to the taking of any necessary action or making of any filing contemplated by Paragraph 4.9(f), conversion pursuant to an Event of Automatic Conversion shall be deemed to have been effected as of the time and date on which the Event of Automatic Conversion occurred (such time being the "Conversion Time"). The person entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such shares of Common Stock at and as of the Conversion Time, and the right of such person as a holder of such shares of Class A Common Stock shall cease and terminate at and as of the Conversion Time, in each case without regard to any failure by the holder to deliver the certificates or the notice required by this subparagraph (d).

(e) *Unconverted Shares.* In the event of the conversion of less than all of the shares of Class A Common Stock evidenced by a certificate surrendered in accordance with the procedures of this Paragraph 4.9, the Corporation shall execute and deliver to or upon the written order of the holder of such certificate, without charge to such holder, a new certificate evidencing the number of shares of Class A Common Stock not converted.

(f) *Conversion and Retirement of Class A Common Stock; Increase in Designated Common Stock; Authorization of Filings.* Concurrently with any conversion of Class A Common Stock into Common Stock effected pursuant to this Paragraph 4.9, each share of Class A Common Stock that is converted shall be immediately retired and cancelled and shall not be reissued as a share of such series. Upon such retirement, the Corporation shall (i) decrease the number of shares of Class A Common Stock designated hereby by an amount equal to the number of shares so retired and (ii) increase the number of shares of Common Stock designated hereby by such number. The Secretary of the Corporation shall be, and hereby is, authorized and directed to file with the Secretary of State of the State of Delaware one or more Certificates of Increase or Decrease of Designated Shares to record any such decrease in designated Class A Common Stock and increase in designated Common Stock.
