Item 2. Acquisition or Disposition of Assets.

On August 21, 2002, BioMarin Pharmaceutical Inc. (the "Registrant") completed its acquisition of all of the outstanding shares of Glyko Biomedical Ltd. ("Glyko") pursuant to the Acquisition Agreement for a Plan of Arrangement, dated as of February 6, 2002 and as amended by the Amending Agreement dated as of May 16, 2002 (as amended, the "Agreement"), among the Registrant, BioMarin Acquisition (Nova Scotia) Company, an indirect wholly owned subsidiary of the Registrant, and Glyko.

Pursuant to the terms of the Agreement each holder of Glyko common shares received 0.3309 of a share of the Registrant's common stock in exchange for each Glyko common share held. The Registrant issued approximately, but not more than, 11,367,617 shares of its common stock in order to consummate the exchange of

shares.

Glyko has no operating activities or operational employees. Glyko's only significant asset, other than cash, and cash equivalents, is its approximate 21% ownership interest in the Registrant.

On August 23, 2002, the Registrant filed with the Secretary of State of Delaware a Certificate of Designation establishing the Series A Preferred Stock of the Registrant. Following the closing of the acquisition of Glyko, Registrant exchanged the 11,367,617 shares of its stock owned by Glyko for shares of Series A Preferred Stock and cancelled such 11,367,617 shares of common stock. As a result of the transaction, Glyko is now an indirect, wholly owned subsidiary of BioMarin and the shares of BioMarin previously held by Glyko have been retired, with the number of outstanding shares of BioMarin's common stock remaining the same.

Erich Sager and Gwynn Williams, directors of the Registrant, collectively owned or controlled approximately 8.3% of the Glyko common shares and, on the basis of such holdings, are entitled to beneficially receive approximately 3,309 shares and 942,564 shares of the Registrant's common stock, respectively. In addition, Erich Sager held options to acquire 12,500 Glyko common shares and such option was exchanged for options to purchase approximately 4,136 shares of the Registrant's common stock.

The Registrant's press release issued on August 22, 2002 is attached hereto as Exhibit 99.1 and incorporated herein by reference.
