CALCULATION OF REGISTRATION FEE

Title of securities to be registered	Amount to be registered	Proposed maximum offering price per share	Proposed maximum aggregate offering price	Amount of registration fee
Common Shares, \$0.01 par value	5,000,000 Common Shares (1)	\$24.68 (2)	\$123,400,000 (2)	\$15,894 (3)

(1) This Registration Statement on Form S-8 covers 5,000,000 additional Common Shares, \$0.01 par value per share (the “Additional Shares”) of Telephone and Data Systems, Inc. (the “Registrant”) for offer or sale under the Registrant’s 2011 Long-Term Incentive Plan, as amended (the “Plan”). An aggregate of 11,000,000 shares of the Registrant’s Common Stock have been or may be issued under the Plan. Of the 11,000,000 shares, 6,000,000 shares were previously registered (the “Previously Registered Shares”) under the Securities Act of 1933, as amended (the “1933 Act”) pursuant to the Registrant’s Registration Statement on Form S-8 (File No. 333-179703). The registration fee for the Additional Shares is indicated above. The Registrant previously paid the registration fee for the Previously Registered Shares. Pursuant to Rule 416(a) of the 1933 Act, the number of Common Shares registered shall include an indeterminate number of additional Common Shares that may become issuable pursuant to the anti-dilution provisions of the above-referenced Plan as a result of stock splits, stock dividends, or similar transactions.

(2) Estimated in accordance with Rules 457(c) and 457(h)(1) of the 1933 Act solely for the purpose of calculating the registration fee on the basis of the average of the high and low prices of the Common Shares of the Registrant as reported on The New York Stock Exchange on July 25, 2014.

(3) Calculated based on the current statutory fee of \$128.80 per million.

## **EXPLANATORY NOTE**

Telephone and Data Systems, Inc. (the “Registrant”) previously filed a Registration Statement on Form S-8 (File No. 333-179703) (the “Prior Registration Statement”), relating to the Registrant’s 2011 Long-Term Incentive Plan, as amended (the “Plan”). Under the Prior Registration Statement, the Registrant registered an aggregate of 6,000,000 Common Shares, par value \$0.01 per share, to be offered and sold under the Plan.

This Registration Statement on Form S-8 is filed pursuant to General Instruction E of Form S-8 and relates to the Prior Registration Statement. Except for the changes set forth herein, the contents of the Prior Registration Statement, including each of the documents filed with the Securities and Exchange Commission (the “Commission”), are incorporated by reference herein. In addition, all exhibits required by General Instruction E of Form S-8 are filed as exhibits hereto.

The Board of Directors approved an amendment (the “Amendment”) to the Plan on March 7, 2014 to increase the number of shares available for the grant of awards under the Plan. The Amendment was subject to shareholder approval. On May 22, 2014, the Amendment was approved by shareholders at the Registrant’s annual meeting of stockholders. The Registrant is filing this Registration Statement to register under the Securities Act of 1933, as amended (the “1933 Act”), the offer and sale pursuant to the Plan of 5,000,000 additional Common Shares. Following the effectiveness of this Registration Statement, an aggregate of 11,000,000 Common Shares will be registered for issuance under the Plan.

**Item 9. Undertakings.**

(a) The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the 1933 Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the

“Calculation of Registration Fee” table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered hereby which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for the purpose of determining any liability under the 1933 Act, each filing of the Registrant’s annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act (and, where applicable, each filing of an employee benefit plan’s annual report pursuant to Section 15(d) of the 1934 Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

---

(c) Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
